3. Civilian dispatchers shall receive payment for a holiday in their paycheck for the week in which the holiday occurred.

4. If a civilian dispatcher is not employed for a full calendar year, he/she shall only receive payment for the holidays which occurred during the time of employment.

5. The four (4) personal days are non-accumulative and are lost if not used within the employment year during which they are earned. Personal days shall be requested and approved by the supervisor five (5) days in advance for scheduling purposes. The Township recognizes that unexpected emergencies do arise and may waive the five (5) day notice requirement for a civilian dispatcher requesting it for valid, unexpected emergency. Personal days shall not accumulate from year to year.

6. The right of denial for personal leave is the sole responsibility of the supervisor or his designee. If the approval of a personal day creates the need for additional manpower and an overtime expenditure, and the personal day request is not of an emergent nature, then the denial shall be completely within the powers of the Mayor of the Township.

C. Sick Leave

1. All sick leave as earned by full-time dispatchers shall remain the same for the duration of the Agreement.

2. As an incentive, unused sick leave earned by the civilian dispatcher shall accumulate year after year up to a maximum of one hundred and eighty three (183) days. Additionally, the amount accumulated shall be extended by one (1) day for each calendar year a civilian dispatcher uses five (5) sick days or less.

3. Upon retirement from the police department, a civilian dispatcher may use the accumulated sick leave up to a maximum of one hundred and eighty-three (183) days as paid days off, to be taken prior to the normal retirement date, unless otherwise provided for in Article 18 of this Agreement.

4. Any accumulation of sick days over and above the one hundred and eighty three (183) day maximum allowed under Article 16 shall be paid back to the civilian dispatcher at the end of the year of accumulation at the rate earned. Payment for such excess days shall be made in the first pay period after the anniversary date in the year following the accumulation. Any civilian dispatcher who has accumulated, prior to January 1, 1989, more than the maximum sick leave days available under Paragraph C shall be entitled to carry those days forward and have them honored by the Township.

5. Sick leave shall not be granted for any sickness or injury from actions involving moral turpitude, intoxication other than alcoholism, use of narcotics, or arising from and while engaged in outside employment. Any abuse of sick leave privileges shall be sufficient cause for disciplinary action and may result in the loss of sick leave benefits. The Township may require proof of illness of any civilian dispatcher on sick leave whenever such

requirement appears reasonable.

6. Administration of the sick leave policy shall be as outlined in departmental procedure.

7. Any civilian dispatcher who, in the judgment of the Township, utilizes more than sixteen (16) days in any one year, consisting of periods of less than three (3) days, shall have his sick leave record reviewed by the respective appointing authority, and thereafter shall be required to submit acceptable medical evidence for any additional sick leave in that year.

8. In cases where an illness is of a chronic or recurring nature, causing recurring absence of one (1) day or less only one (1) submission of such proof shall be necessary for a period of six (6) months. The Township shall have the right, for monitoring and administrative purposes, to require periodic reports from the civilian dispatcher's physician on the status of his ability to continue work within his classification.

9. Any civilian dispatcher absent on sick leave shall report his absence at least two (2) hours prior to the start of his shift, except where emergent circumstances prevent him from doing so. In this instance, the civilian dispatcher shall report his absence as promptly as possible.

#### D. Disability

In the event of a substantiated on-the-job illness or injury, the civilian dispatcher shall receive his base annual wage for lost time from duty for a period not to exceed one (1) year from the date such injury occurred, provided the following conditions are met:

1. The injury, illness and reparation therefrom shall be substantiated by a Township appointed physician. The physician must substantiate that he is incapable of performing his duties as a civilian dispatcher. The Township may request subsequent verification checks at any point during the civilian dispatcher's absence from duty.

2. If a disagreement exists between the Township appointed physician and the civilian dispatcher, the Township and civilian dispatcher shall agree to another physician to examine the civilian dispatcher, and this physician shall determine the existence or extent of the injury.

3. Any checks or payments received by the civilian dispatcher under the provisions of Chapter 15 of Title 34 of the Revised Statutes of New Jersey as a result of the disability shall be transferred to the Township. The civilian dispatcher shall retain for a period of up to one (1) year from the date of

initial absence.

4. The Township shall have the right to extend the period of payment for such non-job connected disability due to illness or injury beyond the civilian dispatcher's accumulated sick leave, with said employee retaining his seniority upon his return as it exists when he left. If this provision is granted, no accumulative benefits or retirement of longevity will accrue during absence.

E. Vacation

1. Civilian full-time dispatchers shall be entitled to vacation as follows:

For civilian dispatchers hired prior to January 1, 1991:

<u>Continuous Service For</u>	<u>Vacation Received</u>
One (1) year but less than four (4) years	14 days

Seven (7) years but less than eleven (11) years	23 days
Eleven (11) years of more	28 days

2. Vacation time shall be calculated from the first day of the month of the anniversary date. Vacation may be scheduled, upon approval, at any time during the year of entitlement except during the first year of continuous service.

3. All vacation shall only be scheduled with the approval of the Township. To insure fairness and an equitable distribution of vacation time, vacation shall be determined by a bid basis by seniority. In January each civilian dispatcher shall select five (5) consecutive days, the remaining available time off shall be bid on and scheduled according to seniority.

4. No civilian dispatcher shall be permitted to take more than three (3) consecutive weeks of vacation unless approved by the Township.

5. In special circumstances, the Chief, with the approval of the Township Council, may permit vacation time to accumulate for a maximum period of two (2) years at the rate earned. All vacation days not used during the year of entitlement and not approved by the Chief and Township Council in writing with certification of availability of funds for carry over shall be

lost. No compensation will be made for unused vacation days.

**F. Bereavement Leave**

1. Upon the death of a civilian dispatcher's spouse, child, step-child, parent or legal guardian, brother, sister, in-laws, or grandparent of civilian dispatcher or spouse, the civilian dispatcher shall be granted leave with pay, to be taken from the day of death up to and including day of burial.

2. If the funeral is outside the State of New Jersey, travel time of up to five (5) days may be granted upon the approval of the Township. The Township, in its discretion, may permit bereavement leave in excess of five (5) days. In no case shall payment for bereavement leave exceed five (5) days pay. Personal or vacation days may be used to compensate any days taken in excess of the five (5) for which the Township will pay.

3. Bereavement leave is applicable only to regularly scheduled days off.

**ARTICLE 32 - LAYOFF AND RECALL**

In the event of a layoff of any municipal employee, layoffs will be based on seniority with full-time senior employees having preference. Seniority shall be determined by title and position with the least senior person in title and position the first to be laid off. In the event of equal seniority title and position, seniority shall be determined by continuous length of service within the department affected by the layoff. If seniority is equal in title and position and in department, then seniority will be determined by seniority with continuous employment in the Township.

Recall to the position will remain in effect two (2) years from the date of layoff. Recall will be in the reverse order of layoffs.

As an example of layoff and recall, if a layoff occurs in position in Title A, the last employee hired for position in Title A will be the first to be laid off. However, if that employee has been continuously employed by the Township in another position and title, the employee will have the right to resume his former position and title with the Township and replace any person with less seniority in that job title and position. If the employee who is attempting to resume a former position and title at the same seniority as another person in that position and title, the employee with seniority and continuous employment with the Township shall be entitled to the position and title.

For seniority purposed under this contract, the following definition of seniority will apply:

Seniority will attach after any probationary period for a full-time permanent position and title, retroactive to the date of the employee's hire for the position and title, or promotion to the position and title on January first, with a ninety (90) day probationary period, the employee's seniority will commence on the January first date after the successful completion of the ninety (90) day probationary period.
