6. Should a full time officer's status be changed to part time, he/she shall be issued the uniform allowance as described above.

7. Officers shall purchase uniforms in accordance with the Sheriff's specifications, heretofore signed by the parties and subject to change upon appropriate notice and discussion.

8. At the end of 90 days, initial purchase shall (for full time employees) consist of: 2 name plates, 1 whistle with chain, 1 set of collar tabs, 2 shirts, 2 pants, 2 flag emblems, 2 department patches, 1 pair of shoes, 1 jacket, 1 tie, 1 belt and 1 hat with trim (if required issue).

9. All uniform items purchased shall be the property of the Employer and shall be returned to the Employer upon termination of employment. Should an officer fail to return the uniform, an amount

equal to the value of the items shall be determined and deducted from that employee's final pays.

10. New officers and part time officers shall wear a standard black shoe while on duty.

11. The officer shall, at all times, maintain the uniform in a proper, neat manner.

12. All officers shall wear the proper insignias and patches, as per the uniform code.

13. All officers shall be permitted to wear short sleeve shirts without a tie on a year round basis.

14. It is understood that officers shall, at all times, wear the uniform while on duty. An alteration or deviation from the uniform code shall result in disciplinary action.

15. The Employer agrees to replace any items damaged or destroyed in the line of duty as certified by the Employer or its designee. All other replacements shall be the responsibility of the officer.

16. Conditioned on the requirement to purchase a new uniform hat, modifications and/or additions to the uniform mandated by the Employer shall be permitted but with no cost to the employee.

ARTICLE XXVI - TUITION ALLOWANCE

The Employer agrees to appropriate monies totaling Five Hundred (\$500.00) Dollars annually (non-accumulative under State regulations) to provide a fifty (50%) percent tuition reimbursement to employees

of Sussex County who take a course which is clearly job related. This program will be administered by the Personnel Director.

An employee must be full time and permanent. The Employer will reimburse fifty (50%) percent of the costs of tuition and registration for all courses taken in accredited institutions approved by the Personnel Director. An interested employee must submit a written request for approvals and authorization prior to registration for course work (TR-1). Tuition reimbursement forms are available through the Personnel Department. The request must be presented to the employee's Department Head for initial approval and the Personnel Director for final approval and authorization. An employee will be notified of the eligibility or reason for ineligibility of his/her application. Within four (4) weeks after completion of the course work, the employee must submit to the Personnel Director via his/her Department Head the Certification of Successful Completion of Course Work (TR-2), for processing and reimbursement. This form which must be submitted by the employee to the accredited institution for certification as evidence of successful completion and expenses, is available from the Personnel Department.

When the Five Hundred (\$500.00) Dollars appropriated is expended, there will be no further reimbursements during the fiscal year. This program shall be subject to any and all regulations as set by the Personnel Director.

Other Training: The Employer agrees to coordinate and establish

a training program for employees covered by this Agreement. An employee required to satisfy any recertification or requalification for the on-duty use of firearms shall be paid at the time and one-half rate for hours worked outside of the employee's regularly scheduled tours of duty.

ARTICLE XXVII - NO STRIKES

The Association assures and pledges to the Employer that its goal and purposes are such that it does not condone strikes or threats thereof by public employees, or work stoppages, slow down or any other such actions which would interfere with service to the public or violate the Constitution and the Laws of the State of New Jersey; and the Association and the employees agree they will not initiate or participate in such activities nor advocate or encourage members of the unit to initiate or participate in the same; and the Association will not support anyone acting contrary to this provision.

The Employer agrees that there shall be no lock out of employees during the term of this Agreement.

ARTICLE XXVIII - DISCRIMINATION

No employee shall be discharged or discriminated against because of age, race, creed, sex, color, ethnic background, political affiliation or Association activity. The Employer reserves the right to discipline or discharge any employee for just cause.

ARTICLE XXIX - ADHERENCE TO CIVIL SERVICE RULES

The Employer and the Association understand and agree that all rules promulgated by the New Jersey Department of Civil Service or superseded by PERC rules concerning any matter whatever not specifically covered in this Agreement shall be binding upon both parties.

ARTICLE XXX - ECONOMY LAYOFFS

The Employer agrees that employee layoffs for bona fide economy reasons shall be on the basis of seniority, in inverse order, beginning with temporary help, then provisional employees, and last permanent employees, according to procedures specified in Civil Service Rules. In no instance shall permanent employees be laid off and part time employees retained. In all cases the Employer shall provide proper written notice to employees to be laid off, Forty-five (45) calendar days in advance, as required by Civil Service Rules.

ARTICLE XXXI - RIGHTS AND PRIVILEGES OF THE ASSOCIATION

The Employer agrees to make available to the Association all public information concerning the financial resources of the Employer, and such information which may be necessary for the Association to process any grievance or complaint.

Association representatives not to exceed five (5) in number,

who participate in mutually scheduled collective negotiations or monthly meetings during their scheduled hours of work shall suffer no loss in their regular pay for the time they are so engaged.

Association representatives shall not use the Employer time for the investigation, writing, or presentation of grievances, except in emergency situations and with the written consent of their immediate supervisors. An Association representative attending any grievance meeting scheduled by the Employer, during the representative's working day, shall suffer no loss in the employee's regular pay.

Representatives of the Association shall be permitted to transact official Association business on the premises at all reasonable times, provided that this shall not interfere with or interrupt normal operations.

The Association may use County buildings at reasonable hours when authorized and appropriately scheduled by the proper authority.

The Association may have reasonable use of designated facilities and equipment when not otherwise in use.

The Association has the reasonable use of bulletin board and mail boxes.

Should the representative of the Association, or the Association itself, cause any damage to any facility or equipment owned by the County, the Association hereby agrees to either repair such facility or equipment owned by the County, the Association hereby agrees to either repair such facility or equipment at its own cost or to reimburse the County for the reasonable cost to repair said facility

or equipment.

An Association representative required to attend a state or national convention or meeting for the Association, shall provide the Department Head with a written notice, signed by an Association official, specifying the exact dates and times. This notice should be provided at least two (2) weeks before the scheduled convention or meeting, sooner if possible. The representative shall lose no pay while attending this convention or meeting.

Other convention leave with pay shall be in accordance with Civil Service Rule 4:1-17.9.

ARTICLE XXXII - PERSONNEL FILES

Each employee shall have the right to inspect and review his/her own individual personnel file upon request to the Personnel Department or Department Head. The Employer agrees to permit this review and examination at a reasonable time. The employee shall have the right to define, explain or object in writing to anything found in his/her personnel file. This writing shall become a part of the employee's personnel file. The official personnel file is located in the Personnel Department, and a secondary file may be kept by the Department.

ARTICLE XXXIII - LEGALITY

Any provisions of this Agreement found to be in violation of an existing or future local, state, or national legislation shall be

subject to renegotiation by the parties to the end of insuring that such provisions are not in contradiction to any such aforementioned legislation. Only those provisions in dispute shall be affected, all other terms and conditions of this Agreement remaining unaffected.

ARTICLE XXXIV - NEGOTIATION PROCEDURE

The parties agree to begin bargaining ninety (90) days prior to termination of this Agreement.

ARTICLE XXXV - LABOR/MANAGEMENT MEETINGS

Upon written request by the Association and/or the Employer, a meeting with the representatives shall be scheduled regarding mutual problems. The written request shall specify the reason for the request and identify the matter to be discussed.

These meetings shall not be for the purpose of hearing a grievance or for negotiations. Specific dates shall be set for grievance hearings. Items of negotiations as stipulated in writing by the Committee of the Employer and the Committee of PBA Local 138 shall begin September 1, 1990, earlier if possible.

ARTICLE XXXVI - LONGEVITY

Employees must be full time permanent in order to be eligible for longevity. Payment will be made in the twenty-fifth (25th) payroll of the year. Years of completed service shall be computed from December 16 of any given year to December 15 of the following year. Should an employee be on leave of absence during the year in December, he/she would receive longevity pro rata based on the number of months he/she actually worked. Should an employee retire under

pension regulations (and only upon retirement) during the year in December, he/she would receive longevity pro rata based on the number of months he/she actually worked. Longevity shall be based from date of last hire and upon completion of the year listed in the following schedule:

<u>YEARS OF SERVICE</u>	<u>1/1/91</u>	<u>7/1/91</u>	<u>1/1/92</u>
0 - 4	\$0	0.0% of base annual salary	0.0% of base annual salary
5 to 9	300	1.5%	1.5%
10 to 14	350	3.0%	3.0%
15 to 19	450	4.5%	4.5%
20 to 24	550	6.0%	6.0%
25 years and more	650	7.0%	7.0%

Under pension regulations, longevity paid on a lump sum basis is not subject to pension contributions and, therefore, not creditable for pension purposes.

ARTICLE XXXVII - WORK IN HIGHER RANK

When an employee works in the capacity of a higher rank, the employee shall receive the pay of the lowest step within that higher rank for the time within which the employee so works. The employer shall not defeat the intent of this clause by shifting two (2) or more employees to cover the higher rank in question.

ARTICLE XXXVIII - WAGES

a. The salary schedule and step increments for all employees covered by this Agreement shall be as set forth on the Schedules attached and represent an eight (8%) percent increase across-the-board in each year. Increases in wages, granted through this Award, shall be paid retroactive to January 1, 1991, and all "retroactive" monies due and owing hereunder shall be paid to PBA bargaining unit

members within a reasonable period of time, not to exceed thirty (30) days from the date of the Award.

b. Effective January 1, 1991, each employee hired prior to October 1, 1990 shall be placed on the next step on the salary schedule.

c. Effective January 1, 1992, each employee hired prior to October 1, 1991 shall be placed on the next step on the salary schedule.

d. All new employees hired prior to October 1 of any given year shall move to the next step of the salary schedule on January 1 of the immediate succeeding year. Employees hired after September 30 of any given year shall receive the adjusted salary rate for the pre-October minimum salary level on January 1 of the immediately succeeding year, and shall move to the next step of the salary schedule on January 1 of the next succeeding year.

e. Any employee who dies or retires prior to the signing of this Agreement will receive the negotiated increase between the date of death or retirement and January 1, 1991. Retroactivity shall not apply to any other employee who has left the employ of the Employer, prior to the signing of the Agreement.

f. Shift Differential: An employee shall receive a shift differential of four (4%) percent for the evening shift and seven (7%) percent for the midnight shift of his/her hourly rate. The evening shift shall be defined as the regularly scheduled shift in which the majority of the working hours fall between 4:00 P.M. and

midnight. The midnight shift shall be defined as the regularly scheduled shift in which the majority of the working hours fall between midnight and 8:00 A.M.

g. All new correction officers shall be hired at the minimum of the salary range. All promotions to the rank of Sergeant shall be placed at the minimum of the salary range.

ARTICLE XXXIX - DURATION OF THE AGREEMENT

The terms and effects of this Agreement shall be in force commencing January 1, 1991 and shall remain in effect and in full force through December 31, 1992.

Copies of this Agreement shall be distributed to all employees within the collective negotiating unit, the expense for the printing and distribution being borne equally by the parties.
