PREAMBLE

This Agreement is entered into between the Camden County Board of Social Services (herein referred to as the Board) and the Communications Workers of America, AFL-CIO (herein referred to as the Union).

ARTICLE 1 - UNION RECOGNITION

The Board agrees to recognize the Union as the sole and exclusive collective bargaining representative of the employees whose titles are set forth in the Appendix. Those excluded from the bargaining unit and the representation agreement are Head Clerks, Principal Clerks, Senior Home Service Aides, Senior Investigators, and all other personnel designated as supervisors.

ARTICLE 2 - CONTRACT PERIOD

This Agreement shall remain in full force and effect from January 1, 1993 through December 31, 1995. Negotiations on a successor contract shall commence on October 3, 1995, unless both parties agree to an earlier date, upon written notice by one party to the other at least 90 days prior to the expiration date of the Agreement. In the absence of such notification, this agreement shall continue for an additional term of one year and the parties will be bound by the same terms and conditions thereof.

ARTICLE 3 - HOURS OF WORK

The normal work week shall consist of 35 hours per week, 7 hours per day, 5 days per week; Monday through Friday. The Director, in consultation with the Union, may stagger hours so that the public may be served. Employees working in positions requiring staggered hours as of the effective date of this contract shall continue to do so. The hours of work shall be from 8:30 a.m. to 4:30 p.m., which includes a one hour lunch period. An announcement will be used to signify the start and end of the normal work hours at the County Administration Building.

The Board recognizes the necessity of field workers having ample time to complete field assignments. In those instances when a field worker experiences delays or circumstances beyond his/her control, the employee will as soon as possible contact his/her supervisor to request approval to not return to the agency that day to sign out. Documentation may be required of any employee unable to return to the agency to sign out because he/she is delayed in the field.

ARTICLE 4 - MANAGEMENT RIGHTS

All the powers, rights, prerogatives, duties, responsibilities, and authority that the Board had prior to the signing of this Agreement are retained by the Board except those specifically modified by this Agreement and those which are not contrary to public policy nor any law of the State of

New Jersey, or any rules, regulations or directives promulgated by the State Division of Public Welfare, or the State Division of Youth and Family Services.

ARTICLE 5 - NEW JERSEY DEPARTMENT OF PERSONNEL REGULATIONS

The administrative and procedural provisions and controls of the New Jersey Department of Personnel are to be observed in the administration of this Agreement, except and to the extent that this Agreement pertains to subjects not therein contained.

ARTICLE 6 - DUES DEDUCTION AND REPRESENTATION FEE

A. The Board will receive from the Union, duly executed Union Membership and dues deduction cards, from all employees who have signed said cards.

The Union monthly dues will be deducted from the employee's first pay check of each month and remitted to the Union, as aforesaid. In accordance with the appropriate New Jersey statutes, the Board, upon receipt of a duly executed authorization - assignment form acceptable to the Board, agrees to deduct from the first pay check each month, of employees covered by this Agreement who have executed said form, the established monthly dues of the Union. It is further agreed that the Board shall remit such deductions to the Union prior to the 10th day of the month following the month for which such deduction is made. The amount of dues shall be changed as may be certified to the Board by the Union at

least thirty (30) days prior to the date on which the deduction of Union dues is to be made. The Union dues deducted pursuant hereto shall be remitted by the Board to the Union, c/o Secretary-Treasurer, Communications Workers of America AFL-CIO, 501 3rd Street, N.W. Washington, D.C., 20001-2797 together with a list of employees from whose pay deductions were made. A copy of such list shall also be delivered to the local Union President.

The employer agrees to deduct in accordance with P.L. 1979, Chapter 477 as it relates to the Agency Shop provisions, a representation fee not to exceed eighty-five percent (85%) from non-union employees as directed by the Majority Representative. The Majority Representative agrees to implement a demand and return system as set forth by statute, and in addition agrees to the following contract indemnification language:

Indemnification and Save Harmless Provision. The Union shall indemnify and hold the Camden County Board of Social Services (hereinafter called the "Board") harmless against any and all claims, demands, suits and other forms of liability including but not limited to counsel fees, legal expenses and costs, and awards and damages which may arise out of or by reason of any action taken by the Board which is required for the implementation of the agency shop provisions, provided that:

1. The Board notifies the Union in writing within

sixty (60) days of receiving written notice of any claim, demand, suit or other form of liability.

2. A claim, demand, suit or other form of liability is not the result of any type of willful misconduct by the Board or the Board's willful imperfect execution of the obligations imposed upon it by this article.

The Board will cooperate with the Union in gathering permissible and applicable evidence, from its records, providing witnesses from the Administrative Staff, and in other aspects of defending an action arising out of this article.

If the Union so requests in writing, the Board may surrender full responsibility for the defense of such claim, demand, suit, or other form of liability to the Union and will continue to cooperate with the Union in defending an action arising out of this article. If the Union does not defend the action, it is understood the Union shall underwrite any and all costs incurred by the Board with the defense by providing evidence from its records, providing witnesses, and in all other aspects of the defense.

B. Union dues or representation fee will be deducted beginning with the first pay (union dues pay) of the month after the employee has completed three (3) full calendar months of service. For this purpose, completion of the first month will be considered the last day of the month following the month the employee is hired. For example, an employee hired on January 10th will have completed one (1)

full calendar month on the last of day of February, three (3) full calendar months on the last day of April, and would have their first union dues or representation fee deducted from the first pay in May.

Seasonal or part-time employees who are terminated or laid-off and are subsequently re-hired, will have union dues or representation fee deducted immediately from the first union dues pay (first pay of the month) that they receive, providing that they have already benefited from the three month provision as outlined.

Employees who are terminated, laid-off, or out on leave of absence, and are 100% dues paying members of the Union at the time of said action, return to work with the same status.

ARTICLE 7 - UNION LEAVE

whether or not the Board should exercise its discretion to allow said leave, the Board should consider the total number of delegates to attend such event, the resultant effect on the agency or department, and the aggregate total of union days previously granted during the year and the length of time for any single meeting.

The Board agrees to permit an aggregate of forty (40) Union days to be taken with pay for 1993, an aggregate of forty-five (45) days to be taken with pay for 1994 and an aggregate of fifty (fifty) Union days to be taken with pay for 1995. The Union shall provide the Personnel Office with forty-eight (48) hours written notice prior to the paid and unpaid union leave.

A. Leaves of absence without pay may be granted, at the discretion of the Board, to permanent employees for a period not to exceed six (6) months at any one time, subject to approval by the Department of Personnel. 4. Sick leave days shall be used in accordance with the provisions of Department of Personnel and established Board policy.

During the pregnancy disability leave, employees may utilize earned leave time (sick, vacation and personal) but shall not be required to exhaust accrued leave before taking a leave without pay for pregnancy disability. The employee must exhaust all accrued sick leave prior to being eligible for New Jersey Temporary Disability Insurance.

D. The Appointing Authority may grant to employee fathers of new born children and newly adoptive parents a leave of absence without pay not to exceed one (1) year at any one time. Such requests shall also be made in writing to the Director and shall be subject to the same terms and conditions applicable to other leaves without pay.

 - d. An employee may petition for tuition reimbursement in excess of the 18 to 12 hours respectively, and the agency will utilize its discretion to approve or disapprove such request upon agency need and budgetary constraints.
6. Reimbursement shall be paid only upon proof by an eligible employee that he or she received no less than a "C" or numerically equivalent grade for undergraduate courses, and less than a "B" or numerically equivalent grade for graduate courses, or, in the event that the employee received prior approval for a course utilizing only a "Pass/Fail" grade system, received a "Pass" grade.

In the event the grievance is filed with the Board at least ten (10) working days prior to a Board meeting, the matter shall be placed on the agenda for that Board meeting. Grievances filed less than ten (10) working days before a Board meeting shall be heard by the Board at that meeting or no later than the following Board meeting. The grievant and the Union representatives shall have the right to appear before the Board. The Board will render its written decision within ten (10) working days after the Board meeting at which the matter has been reviewed. If the Board's decision involves a non-contractual grievance, the decision of the Board shall be final.

b. The grievant may be represented by the Local Union Officers and/or the International Union Representative, or both. A minority organization shall not present or process grievances.

Step 5

a. Any unresolved contractual grievance (as defined in B.1, Definitions above) except matters involving appointments, promotion or assignment, or matters within the exclusive province of the Department of Personnel may be appealed to arbitration. Such appeals may be processed only by the Union. The Union must file the request for arbitration within thirty (30) calendar days after the receipt of the Board's decision.

b. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration

or to represent an employee before the Department of Personnel. The Union's decision to request the movement of a grievance to arbitration or to terminate the grievance prior to submission to arbitration shall be final as to the interests of the grievant and the Union.

c. Where the grievance involves an alleged violation of individual rights specified in Department of Personnel regulations for which a specific appeal to the Department of Personnel is available, the individual may present his complaint to the Department or Personnel directly. The grievant may pursue the Department of Personnel procedure or the grievance procedure as herein provided. Once the grievant makes the selection of procedure, such election shall be deemed final and binding and constitute an absolute waiver of the procedure not selected. The election will be made in writing at the appropriate time on the grievance form.

d. Should the Union wish to move a grievance to arbitration, the Union shall notify the Public Employment Relations Commission of same and request a list of arbitrators to be furnished to the Employer and the Union. Selections of an arbitrator shall conform to the procedures of the Public Employment Relations Commission.

e. The parties shall meet at least twelve (12) working days prior to the date of the arbitration hearing to frame the issues to be submitted to the arbitrator and to stipulate the facts of the matter in an effort to expedite the hearing.

f. The decision or award of the arbitrator shall be final and binding on the Board, the Union, and the grievant or grievants to the extent permitted by and in accordance with applicable law and this agreement.

g. The arbitrator may prescribe an appropriate back pay remedy when he finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with the terms of this Agreement, except that he may not make an award which exceeds the Board's authority.

The arbitrator shall have no authority to prescribe a monetary award as a penalty for a violation of this Agreement.

h. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement and shall confine his decision solely to the interpretation and application of this Agreement. He shall confine himself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted to him, nor shall he submit observations or declaration of opinions which are not essential in reaching the determination.

i. The costs of the services of the arbitrator shall be borne equally by the Board and the Union. Any other expenses incurred in connection with the arbitration shall be paid by the party incurring the same.

j. The cost of the transcript, if any, will be borne

by the party requesting it. If both parties request a transcript, the cost will be shared equally.

k. The arbitrator shall hold a hearing at a time and place convenient to the parties as expeditiously as possible after his selection and shall issue his decision within thirty (30) days after the close of the hearing.

l. Grievance resolutions or decisions at Steps 1 through 4 shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made by the authorized representatives of both parties. This is not to be construed as limiting the right of either party to introduce relevant evidence, including such grievance resolution, as to the prior conduct of the other party.

ARTICLE 19 - CLOTHING ALLOWANCE

The Board shall pay a clothing allowance of \$300.00 per year for the years of 1993, 1994 and 1995 to those employees required to wear uniforms in the operation of their duties. Home Service Aides when hired shall receive an initial uniform allowance of \$350.00. Employees who are covered under this article are Home Service Aides and maintenance workers.

ARTICLE 20 - AUTOMOBILE LIABILITY INSURANCE

The Board shall pay \$375.00 per year for the year 1993 and \$375.00 per year for 1994 and \$375.00 per year for 1995 towards an

automobile insurance premium for each employee authorized and required to use a personal automobile in the performance of his/her duties for client field contacts, provided that the employee shows proof of proper insurance coverage and proof of payment of such coverage, to the Board prior to payment of the above contractual amount and continuing proof at the request of the Board. In order to qualify for said payment, the employees must be insured in the following amounts of coverage: \$100/300,000 for public liability -- \$10,000 for property damage -- \$1,000 medical.

If the employee is unable to obtain the required amount of insurance and presents written proof of his/her inability to be insured for such amount, then in that event, the Board will endeavor to obtain the coverage on behalf of the employee. If the Board is unable to obtain such coverage, the said employee must maintain the minimum insurance coverage established by the State of New Jersey, and the Board shall then pay \$300.00 towards such premium.

ARTICLE 21 - PARKING

The Board agrees to expend an amount not to exceed \$14,500.00 per quarter for parking for designated field workers who are required to use their automobiles on a regular basis in the performance of their duties. Upon verification by parking receipt and certification as a designated field worker by the immediate supervisor, the worker may apply for a monthly parking fee reimbursement of a maximum of \$55.00 per month at the

conclusion of each quarter. In the event that a worker such as a Home Service Aide, for example, utilizes a parking meter in lieu of a parking lot, he/she may submit an affidavit indicating the amount expended subject to the limits as stated above. Such application, in order to be eligible for reimbursement, must be received no later than the 15th day of the month following the close of such quarter. Example: A designated field worker eligible for parking in July, August and September 1993, will submit a voucher to Personnel for reimbursement no later than October 15, 1993. Vouchers received after the deadline will result in forfeiture of eligibility for reimbursement for the quarter.

ARTICLE 22 - CONFIDENTIAL FILES

Both the Board and the Union agree that it is essential to protect the confidentiality of any and all employee records that may become or are part of the employee's personnel file.

ARTICLE 23 - SENIORITY, JOB OPENINGS & LATERAL TRANSFERS

This entire Article is specifically excluded from the binding arbitration provisions of the grievance procedure. The parties agree that this Article shall be subject to the grievance procedure referred to as a "non-contractual grievance".

A job opening or vacancy shall be posted on all appropriate bulletin boards, in all buildings for a period of seven (7)

working days.

Seniority, which is defined as continuous unbroken service with the Board, will be given consideration by the Board, with respect to promotions.

The Board will endeavor to fill permanent job openings by promoting employees from the next lower-rated job title who possess the requirements enunciated by the Department of Personnel Law, Rules and Regulations and who are subsequently certified by the Department of Personnel.

If there are two or more employees with substantially equal qualifications and ability to perform the work, the employee with the greatest seniority will be given preference.

All promotions and promotional policies are subject to the New Jersey Department of Personnel Law, Rules and Regulations.

Every effort will be made within budgetary limitations, to fill vacancies that may occur, so as not to unreasonably increase work loads of remaining members of the Union. Workers in an understaffed unit will not be penalized solely because of the understaffing situation.

Notices will be posted on all appropriate bulletin boards in all buildings for seven (7) working days when lateral transfers or reassignments are anticipated from department to department.

In cases where the Board anticipates making lateral transfers within a department or reassignments from one department to another in a given title, this shall be voluntary whenever possible, with strong consideration being given to the most senior employees.

ARTICLE 24 - EQUIPMENT & SUPPLIES

It is recognized that good employee morale and pleasant working conditions are important factors in the consideration of the services to be rendered to the public. Where possible, subject to the discretion of the Board and budgetary commitments, sufficient furniture, equipment, supplies, and telephone service in their immediate work area will be provided to all employees. Rubber surgical gloves will be considered part of the basic supplies needed by Home Health Aides.

ARTICLE 25 - DISCIPLINE FOR JUST CAUSE

No employee shall be disciplined by discharge or reduction in rank or compensation, without just cause. Any such action asserted by the Board, or any agent or representative thereof, shall be subject to either the appropriate grievance procedure of either/or Article V, entitled "Department of Personnel Regulations" whichever is applicable.

ARTICLE 26 - HEALTH AND SAFETY

A Health and Safety Committee shall be formed which shall consist of four (4) persons. Two (2) shall be selected by the Union from among the employees and two (2) shall be selected from management by the Board and/or the Director. The Committee's responsibility shall include recommending improvements in the physical plant, developing itself as a resource body in relation

to applicable laws and regulations, and investigating complaints relating to matters of health and safety. The existence of the Committee and the names of its members shall be posted on the bulletin board. The Committee will meet upon request of the Union or Board. The activities of the Committee shall not be subject to the grievance procedure. The existence of this Committee shall not affect whatever legal responsibility exists with the Board regarding matters of health and safety.

All buildings must provide locked private lavatories for the exclusive use of the employees.

ARTICLE 27 - WORKING OUTSIDE JOB CLASSIFICATION

It shall be the normal practice of the Board to assign employees work which is appropriate to their job classification. Regular assignment of work which is not within the job classification and properly brought to the attention of the Board by the Union, shall be corrected. Any dispute as to whether the work is within the job classification may be resolved, either in accordance with the grievance procedure, or by appeal to the Department of Personnel. The Department of Personnel job specifications shall govern, if such specifications have been established.

If an employee works outside of his/her classification at the request of the Board or its representatives for a period in excess of nine (9) consecutive work days, he/she shall receive the rate of pay for that classification or the rate of pay for his/her

own classification, whichever is higher, retroactive to the first day worked out of classification.

ARTICLE 28 - TRAINING

The Board shall endeavor to provide training programs for all new employees for purposes of orientation. Additionally, a program of continuous and ongoing training shall be maintained.

After release from the formalized Income Maintenance program training, the Training Department during the remainder of the probationary period, shall play a proactive role in the development of the trainee/employee.

Authorized representatives of the C.W.A. shall be given the right to address each new employee training class, for approximately fifteen (15) minutes.

ARTICLE 29 - WORKER'S COMPENSATION

All employees shall be covered by Worker's Compensation, in accordance with the Statutes of the State of New Jersey. No employee shall receive pay over and above workers' compensation unless they use their accrued sick, vacation or personal days.

ARTICLE 30 - TEMPORARY DISABILITY

By virtue of the fact that Senate Bill 875 was enacted into law and said Senate Bill provided for the implementation of the Temporary Disability Benefits Law for Public Employees, it is agreed that as of the effective date of said amendment to

the Temporary Disability Benefits Law, which is January 1, 1981, the Board shall implement such provisions by covering the employees under the Temporary Disability Benefits Law of the State of New Jersey, and it is understood that said Law requires contributions from both employer and employee.

ARTICLE 31 - MILEAGE CLAUSE

Those social workers, social service technicians, income maintenance staff, home service aides and investigators who are authorized and required to use their automobiles for client field contacts shall be reimbursed for said use at the rate of \$.25 per mile subject to a maximum monthly allowance of \$187.50 provided however, that such maximum monthly allowance shall not be applicable to home service aides. The monthly allowance shall not be construed as a flat allowance, but the reimbursement is based upon the actual mileage devoted to the aforesaid purposes, during the month. Mileage claims must be submitted within 2 months from the end of the month in which the mileage was incurred. Failure to submit a timely claim will result in loss of eligibility for reimbursement.

Employees will be required to maintain a daily log containing mileage and specific locations visited. Authorization for automobile use must be obtained, in advance, from the supervisor.

Employees are not required, nor are they expected to transport clients in the private automobiles owned by the employee.

ARTICLE 32 - SEPARABILITY CLAUSE

If any provisions of this Agreement should be held invalid by operation of law or regulation by any tribunal of competent jurisdiction, or if compliance with or enforcement of any provision should be restrained by such tribunal or appropriate administrative agency pending a final determination as to its validity, such provision shall be inoperative but all other provisions shall not be affected thereby and shall continue in full force and effect.

ARTICLE 33 - OVERTIME

All employees represented by the Union shall be compensated at 1-1/2 times their regular straight time hourly rate of pay for all hours worked beyond their normal work week of 35 hours. All overtime must be authorized and approved by the Director, Deputy Director, or designee, in advance.

ARTICLE 34 - FULLY BARGAINED CLAUSE

The parties agree that they have fully bargained and agreed upon all the terms and conditions of employment and that these terms and conditions of employment shall not be changed during the life of this Agreement.

ARTICLE 35 - BULLETIN BOARD

It is agreed that a bulletin Board shall be placed in each

building used by the Board for the use of those employees represented by the Union.

ARTICLE 36 - BREAKS

Each employee herein represented shall be entitled to one (1) fifteen (15) minute break for each half-day period of work (morning and afternoon). Unused break time shall not be credited or accumulated in any way by the employee.

It is understood that, at certain times, full-time video display terminal operators may require alternate duties. Such duties may be given with the approval of the supervisor.

ARTICLE 37 - NON-DISCRIMINATION CLAUSE

The Board agrees to practice and provide equal employment opportunity and non-discrimination in its employment policies and its employment relations policies, regardless of race, creed, color, national origin, nationality, age, sex, sexual orientation, and handicap.

The Board shall prohibit sexual harassment of its employees in any form, in accordance with United States Equal Employment Opportunity Commission Guidelines which treat sexual harassment as illegal sex discrimination under the Civil Rights Act of 1964.

ARTICLE 38 - EVALUATIONS

A. All employees will be evaluated during the first calendar quarter for the prior year. Upon completion of the

evaluation process, the evaluation will be forwarded to the Personnel Office to be retained on file.

B. Employees shall be informed of evaluation criteria. There shall be no change in evaluation criteria during an evaluation period. Should there be reason for such change, it should be only after consultation with the Union and shall not be applied retro-actively.

C. Each employee shall be notified of his/her performance evaluation and shall have the opportunity to review and sign such evaluation. The supervisor shall confer with the employee regarding the evaluation and provide a copy of same. The employee's signature on the evaluation shall not indicate agreement or disagreement with the contents of evaluation. If the employee disagrees with the evaluation, he/she entitled to a conference to discuss his/her disagreements. The employee may write a rebuttal in the section provided on the evaluation form.

D. If an evaluation rating is a primary or contributing factor in future adverse action such as demotion or separation, the employee retains all rights to a formal hearing as provided in NJAC 4A:6-5. An evaluation rating of "unsatisfactory" is grievable as a non-contractual grievance.

ARTICLE 39 - LONGEVITY

A. Longevity payments will be made each year of this contract to employees covered by this contract in accordance with the schedule outlined below. Said payments will be made not

later than November 24, 1993, November 23, 1994, and November 22, 1995 in a separate check issued to eligible employees.

In order to be eligible for longevity payments employees must have a minimum of five (5) years of continuous full time service in the year longevity is to be paid, regardless of when the employee's actual date falls making him/her eligible for longevity.

5 years to 7 years	- 2% of annual pay - \$ 600.00 maximum
7 years 1 day to 10 years	- 3% of annual pay - \$ 800.00 maximum
10 years 1 day to 15 years	- 5% of annual pay - \$1100.00 maximum
15 years 1 day to 20 years	- 6% of annual pay - \$1300.00 maximum
20 years 1 day or more	- 7% of annual pay - \$1500.00 maximum

B. For time actually worked, any employee retiring during the course of the year shall be entitled to longevity to be paid on a prorated basis and employees who do not work the entire year for any other reasons will likewise be entitled to longevity on a prorated basis.

C. In calculating longevity pay, continuous service with the Agency only, will be considered. However, employees who are laid off by the Agency and later recalled within two (2) years will not be considered to have a break in their employment for the purposes of this Article.

ARTICLE 40 - SALARIES

1. Effective January 1, 1993, all employees shall have their base salary adjusted step to step in accordance with the appropriate compensation schedule in effect January 1, 1993 which represents approximately four percent (4%) increase over the compensation schedule which was in effect January 1, 1992.

2. Effective January 1, 1994, all employees shall have their base salary adjusted step to step in accordance with the appropriate compensation schedule in effect January 1, 1994 which represents approximately four percent (4%) increase over the compensation schedule which was in effect January 1, 1993.

3. Effective January 1, 1995, all employees shall have their base salary adjusted step to step in accordance with the appropriate compensation schedule in effect January 1, 1995 which represents approximately four percent (4%) increase over the compensation schedule which was in effect January 1, 1994.

4. Income Maintenance Technicians hired after August 1, 1986 at range 14 shall be promoted after one year permanency in grade to Income Maintenance Worker at range 16 provided that the employee's service is satisfactory. After one year's service as an Income Maintenance Worker or Child Support Worker, his/her salary range shall be adjusted to range 18 on a step to step basis.

5. Annual anniversary increments shall be given during each calendar year of this agreement on each employee's anniversary date to those employees who are not at the maximum step of the

salary range and whose performance continues to be at least satisfactory. The annual anniversary increment shall be in accordance with the increment schedule in effect attached hereto as revised from time to time to reflect salary increases. The quarterly increment system is continued heretofore and shall be exercised in the following manner:

- a. Employees hired in January, February, and March will receive an increment on April 1 of the following year.
- b. Employees hired in April, May and June will receive an increment on July 1 of the following year.
- c. Employees hired in July, August and September will receive an increment on October 1 of the following year.
- d. Employees hired in October, November and December will receive an increment on January 1 of the second year following date of hire.

6. Any employee who receives a promotion or reclassification in which the salary adjustment equals two or more increments in the old range will receive a new anniversary date. The new anniversary date will be assigned on the basis of the effective date of such action in the same manner as indicated above for newly hired employees.

ARTICLE 41 - RESPONSIBLE UNION-EMPLOYER RELATIONSHIP

The employer and the Union recognize that it is in the best interests of both parties, the employees, and the public, that

all dealings between them continue to be characterized by mutual responsibility and respect. To insure that this relationship continues and improves, the employer and the Union and their respective representatives at all levels will apply the terms of this contract fairly in accord with its intent and meaning and consistent with the Union's status as exclusive bargaining representative of all employees covered by this contract and management's role as the employer.

It is further understood that every employee, supervisor, Administrator, and Board member shall be treated in accordance with accepted standards of decency, courtesy, and respect.

ARTICLE 42 - INDEMNIFICATION

"Any employee who is required to pay damages as a result of any tort claim arising out of and in the course of his/her employment shall be entitled to indemnification by the Board consistent with N.J.S.A. 59:10-1 et seq."

ARTICLE 43 - SUCCESSORS AND ASSIGNS

There shall be no transfer or assignment of any of the functions of this Agency involving the transfer of employees unless the Agency or entity to which such employees are transferred agrees in writing to accept and abide by, as to such employees, the terms and conditions contained herein.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals this 9th day of March, 1993.
