ARTICLE 4

GRIEVANCE PROCEDURE

A. Purpose.

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement. The parties agree that this procedure will be kept as informal as may be appropriate.
2. Nothing contained herein shall be construed as limiting the rights of any employee having a grievance to discuss the matter informally with any appropriate member of the Department, and having the grievance adjusted without the intervention of the Association.

B. Definition.

The term "grievance" as used herein means any controversy arising over the interpretation, application or violation of any of the provisions of the Agreement and may be raised by an individual, the Association on behalf of any individual or group of individuals or the Borough. This Grievance Procedure shall cover disciplinary matters where the penalty imposed is a five (5) day suspension (or equivalent fine) or any lesser penalty.

C. Steps of the Grievance Procedure.

The following constitutes the sole and exclusive method of resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual consent:

STEP ONE:

A. An aggrieved employee shall institute action under the provisions within ten (10) days of the occurrence of the grievance and an earnest effort shall be made to settle the differences between the aggrieved employee and the Chief of the Department, or his designee, for the purpose of resolving the matter informally. Failure to act within said ten (10) days shall be deemed to constitute an abandonment of the grievance.

B. The Chief of the Department, or his designee, shall render a decision within ten (10) days after receipt of the grievance.

STEP TWO:

A. In the event the grievance is not settled through Step One, the same shall be reduced to writing by the Association and signed by the aggrieved and filed with the Police Committee Chairman, or his representative, within five (5) days following the determination by the Chief of the Department.

B. The Police Committee Chairman, or his representative, shall render a decision in writing within ten (10) days from the receipt of the grievance.

STEP THREE:

A. In the event the grievance has not been resolved through Step Two, then within five (5) days following the determination of the Police Commissioner, the matter may be submitted to the Mayor and Council.

B. The Mayor and Council shall review the matter and make a determination within ten (10) days from the receipt of the grievance.

STEP FOUR: ARBITRATION

A. If the grievance is not settled through Steps One, Two and Three, either party may refer the matter to the Public Employment Relations Commission within ten (10) days after the determination by the Mayor and Council. The arbitrator shall be selected pursuant to the Rules of the Public Employment Relations Commission.

B. The arbitrator shall be bound by the provisions of this Agreement and restricted to the application of the facts presented to him involved in the grievance. The arbitrator shall not have the authority to add to, modify, detract from or alter in any way the provisions of this Agreement or any amendment or supplement thereto. The decision of the arbitrator shall be binding.

C. The costs for the services of the arbitrator shall be borne equally between the Borough and the Association. Any other expenses, including but not limited to the presentation of witnesses, shall be paid by the party incurring same.

D. The time limits expressed herein shall be strictly adhered to. If any grievance has not been initiated with the time limits specified, the grievance shall be deemed to have been waived. If any grievance is not processed to the next succeeding step in the Grievance Procedure with the time limits prescribed then the disposition of the grievance at the last preceding step shall be deemed to be conclusive. Nothing herein shall prevent the parties from mutually agreeing to extend or contract the time limits provided for processing the grievance at any step in the Grievance Procedure.

ARTICLE 5

NON-DISCRIMINATION

A. Pursuant to the New Jersey Employer-Employee Relations Act, as amended, the Borough and the Association agree that all police officers covered under this Agreement have the right, without fear or penalty or reprisal, to form, join and assist any employee organization, or to refrain from any such activity. There shall be no discrimination by the Borough or the Association against any employee because of the employee's membership or non-membership or activity or non-activity in the Association.

B. Neither the Borough nor the Association shall discriminate against any employee because of race, creed, color, sex or national origin.

ARTICLE 6

ASSOCIATION RIGHTS AND RESPONSIBILITIES

A. The Borough agrees that it will not enter into any collective bargaining Agreement with any organization other than PBA Local 207 with regard to the employees covered in Article 1, Recognition, so long as PBA Local 207 continues to represent such employees.

B. The Association shall be responsible for acquainting its members with the terms and provisions of this Agreement and shall make every effort to secure compliance by its members with those terms and conditions.

C. The Borough agrees to grant time off without loss of regular straight time pay, not to exceed one (1) week, in accordance with N.J.S.A. 40A:14-177 to members of the Association selected by members of the Association as delegates to National or State Conventions of the Policemen's Benevolent Association, providing that the PBA designates these two (2) officers at least thirty (30) days in advance of the first leave date requested. No more than two (2) employees shall be granted time off at any one time. Proof of attendance shall be submitted by each employee granted time off in accordance with this Article.

D. The Association may designate three (3) representatives, any one of whom shall be responsible for raising with the Borough any questions concerning the enforcement and applicability of this Agreement. The Association shall furnish to the Borough Clerk, in writing, the names of the representatives and promptly notify the Borough Clerk of any changes.

E. One (1) of the three (3) aforementioned representatives, at any one time, may be granted regular scheduled time off without loss of regular pay during working hours to settle grievances in accordance with Grievance Procedure, provided there is no interference with the operation of the Department.

F. The Borough agrees to grant time off without loss of regular straight time pay to one (1) designated member of the bargaining unit for the purpose of attending the Bergen County PBA Convention and the regular monthly State and County PBA meetings. The Association shall designate at the beginning of July of each year who that bargaining unit member shall be. It is specifically understood that the individual so designated under this section shall not switch tours in order to receive pay for the purpose of attending conventions and/or meetings under this Section,

and it is also specifically understood that if any of such meetings occur on a non-scheduled period, the individual shall receive no pay.

G. 1. Membership in the employee organization (Hillsdale PBA Local 207), hereinunder in this clause called "PBA", is not compulsory. Regular employees have the right to join, not join, or drop their membership with the PBA, as they see fit. Neither party shall exert any pressure on, or discriminate against, any employee as regarding such matters.

2. Membership in the PBA is separate, apart and distinct from the assumption by one of the equal obligations to the extent that he has received equal benefits. The PBA is required under this Agreement to represent all of the employees in the bargaining unit fairly and equally, without regard to PBA membership. The terms of this Agreement have been made for all employees in the bargaining unit, not only for members in the PBA and this Agreement had been executed by the employer after it has satisfied itself that the PBA is a proper majority representative.

3. Accordingly, it is fair that each employee in the bargaining unit pays his own way and assumes a fair share of the obligation along with a grant of equal benefit contained in this Agreement.

4. In accordance with the policy set forth in this clause, all employees in the bargaining unit shall pay to the PBA, and the employer shall deduct from each employee's regular pay, an amount of money equal to that paid by other employees in the bargaining unit who are members of the PBA, which shall be limited to an amount of money equal to the Association's regular and usual dues.

5. The PBA shall annually advise the employer of the amount to be deducted from the employee's regular pay pursuant to his clause and the PBA shall provide, annually, signed authorization cards by each employee for this purpose.

H. Should the local Association's state delegate be elected to the New Jersey State PBA's executive board he shall be granted seventy-five (75) tours, or equivalent, off per year. The New Jersey State PBA shall be responsible to reimburse the Borough for the delegate's salary for whatever number of the seventy-five (75) tours is taken off, on an annual basis and open presentation of a bill.

ARTICLE 7

NO STRIKE PLEDGE

A. It is recognized that the need for continued and uninterrupted operation of the Borough's Departments and Agencies is of paramount importance to the citizens of the community, and that there should be no interference with such operation.

B. The Association covenants and agrees that, during the term of this Agreement, neither the Association nor any person acting in its behalf will cause, authorize, or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty, or willful absence of an employee from his position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment), work stoppage, slowdown, walk-out or other job action against the Borough.

C. The Association agrees that it will do everything in its power to prevent its members from participating in any strike, work stoppage, slow-down, or other activity aforementioned including, but not limited to, publicity disavowing such action and directing all such members who participate in such activities to cease and desist from same immediately and return to work, along with such other steps as may be necessary under the circumstances, and to bring about compliance with its order.

D. In the event of a strike, slowdown, walk-out or job action, it is covenanted and agreed that participation in any such activity by an Association member shall entitle the Borough to take appropriate disciplinary action, including possible discharge, in accordance with applicable law.

E. Nothing contained in this Agreement shall be construed to limit or restrict the Borough in its right to seek and obtain such judicial relief as it may be entitled to have in law, or in equity, for injunction or damages, or both, in the event of such breach by the Association or its members.

H. Effective September 1, 1982, 5/2-5/3 work chart shall be implemented for all persons covered by this Agreement.

I. The parties agree, effective the execution of a new collective bargaining agreement by both parties, that there will be no forced schedule change by the Chief of Police or designee within two (2) calendar weeks of the date to be switched, except in emergent situations, which is defined, but not limited to natural disaster, catastrophe and/or drastic manpower loss.

2. Successive periods of sickness disability shall be counted together as one period on computing the period during which the employee shall be entitled to benefits, except that any sickness occurring after an employee has been continuously engaged in the performance of duty for thirteen (13) weeks shall be considered as a new sickness and not as part of any disability which preceded such period of thirteen (13) weeks.

D. Reporting of Absence on Sick Leave.
