The Union may revise its certification of the amount of the representation fees at any time to reflect changes in the regular Union membership dues, fees and assessments provided, however, that in no event shall any such change exceed 85% of the regular Union membership dues, fees and assessment nor shall any such change be contrary to any provision contained in State Statute. The Union's entitlement to the representation fee shall continue beyond the termination date of this Agreement so long as the Union remains the majority representative of the employees in the unit, **provided** that no modification is made in this provision by the successor agreement between the Union and the employer.

21.3 The Union agrees that it will indemnify and save harmless the City against any and all actions, claims, demands, losses or expenses (including reasonable attorneys' fees) in any matter resulting from action taken by the City at the request of the Union under this Article.

ARTICLE 22 – PERSONAL DAY

22.1 Each January 1, one (1) Personal Day off with pay shall be granted to all members of the bargaining unit to be used within that calendar year.

22.2 This Personal Day shall be requested in writing seventy-two (72) hours in advance and approved by the Fire Chief; subject to staffing requirements as fixed by the Chief and present policy that no more than one (1) employee per shift shall be out on a Personal Day.

22.3 A Fire Officer shall be eligible for this benefit only upon completion of twelve (12) months of active employment.

ARTICLE 23 – GRIEVANCE AND ARBITRATION PROCEDURE

23.1 A "grievance" shall be any difference of opinion, controversy or dispute arising between the parties hereto relating to the alleged violation, interpretation or application of any of the provisions of the Agreement.

23.2 A grievance must be initiated by the employee within fifteen (15) calendar days from the time the employee knew or should have known of its occurrence.

23.3 Failure at any step of this procedure of the employer or its representative to communicate the decision on a grievance within the specified time limits shall permit

the employee to proceed to the next step. Failure at any step of this procedure of the employee to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.

23.4 It is understood that employees shall during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the City until such grievance has been fully determined.

STEP ONE:

The grievance shall be discussed by the employee involved with his immediate supervisor. The answer by the said supervisor shall be in writing and shall be rendered to the employee within five (5) working days of the close of the said discussion.

STEP TWO:

If the grievance is not settled by Step One, within five (5) working days of receipt of the answer at Step One, the grievance shall be reduced to writing by the employee and submitted to the Fire Chief or any person designated by him, and the answer to such grievance by the Fire Chief shall be in writing and shall be rendered to the individual employee within five (5) working days of submission.

STEP THREE:

If the grievance is not settled at Step Two, the employee shall have the right within five (5) working days of the receipt of the answer at Step Two to submit such grievance to the City Manager for his consideration. A written answer to such grievance by the said City Manager shall be rendered to the individual employee within

seven (7) working days of submission.

STEP FOUR:

If the grievance is not settled by Step Three, the individual employee shall have the right within five (5) working days of receipt of the answer at Step Three to pursue all legal remedies afforded by the provisions of the Civil Service Act or to submit such grievance to an arbitrator. The arbitrator shall be selected in accordance with the Rules and Regulations of the New Jersey Public Employment Relations Commission. The arbitrator shall have full power to hear the dispute and make a final determination, which shall be binding on all parties. The arbitrator shall not have the right to add to, subtract from or modify this Agreement in any manner. Each party shall share equally in the cost of the arbitrator. The employee shall have the right to be represented by the Association or a representative of his own choosing at all steps of this procedure, except Step One.

23.5 WORK STOPPAGE

Since adequate grievance procedures are provided in this Agreement and since binding arbitration has been agreed to, the Association agrees that it will not engage in, encourage, sanction or suggest strikes, slow-downs, mass resignations, mass absenteeism or any other similar action which would involve a work stoppage that may disturb or interfere with the orderly operation of the City's facilities.

ARTICLE 24 – MANAGEMENT RIGHTS

24.1 The City hereby retains the right to manage and control its Fire Department

facilities and in addition retains the right to hire, promote, transfer, discipline or discharge employees for just cause.

24.2 The City, in accordance with applicable laws and regulations, retains full jurisdiction and authority over matters of policy and retains the right to relieve employees from duties because of lack of work, lack of cooperation and initiative, or other legitimate reasons in order to maintain the efficiency of the Fire Department facilities entrusted to them and to determine the methods, means and personnel by which such operations are to be conducted, and further to take whatever other actions deemed necessary to carry out the mission of the Fire Department in any situation whatsoever.

ARTICLE 25 - ACTING OUT OF TITLE ASSIGNMENTS

25.1 Unless otherwise dictated by emergent conditions (less than a complete shift) there shall be no more than two (2) Fire Fighters serving in the capacity of Acting Lieutenant, one (1) Lieutenant serving as an Acting Captain and (1) Captain serving as an Acting Deputy Chief at any one time provided the second Acting Lieutenant does not result in an overtime occurrence among Fire Fighters. In such event the overtime occurrence is satisfied by rank for rank replacement.

25.2 In the event of a long-term illness or injury herein defined as causing absence from work for more than four (4) consecutive workdays, the City shall be permitted thereafter to utilize a second Acting Lieutenant to fill the vacant position without resorting to rank for rank replacement for the balance of the absence.

25.3 The parties agree to review this **Acting Out of Title Provision** annually.

ARTICLE 26 – SHIFT EXCHANGE - MUTUAL

26.1 Effective January 1, 1998, members shall be provided with ten (10) full shift exchanges per year, not to be carried over from year to year.

26.2 Exchanges of less than a full shift shall not count toward the yearly allowance. Training and educational ventures shall be exempt from this provision.

26.3 All exchanges shall be subject to review and approval by the Fire Chief or his designee.

26.4 With the prior approval of the Fire Chief, the Association shall be afforded additional exchanges for Association business.

26.5 The City shall not incur any overtime obligation as a result of shift exchanges.

26.6 Shift exchange shall be requested in writing seventy-two (72) hours in advance.

ARTICLE 27 – PLEDGE AGAINST DISCRIMINATION AND COERCION

27.1 The provisions of this Agreement shall be applied equally to all employees covered by this Agreement without discrimination as to age, sex, marital status, race, color, creed, national origin, political affiliation or membership in the Association. Both the City and the Association shall bear the responsibility for complying with this provision of the Agreement.

27.2 The City agrees not to interfere with the rights of employees to become members of the Association. There shall be no discrimination, interference, restraint or coercion by the City or the City representative against any employee because of

Association membership.

ARTICLE 28 – RECALL/BEEPER SYSTEM

28.1 The City shall continue its practice of supplying each unit member, except Deputy Chiefs and Fire Prevention employees, with a beeper and charger for Recall.

28.2 The employee shall be responsible for the cost of repair, maintenance and replacement of this equipment, which shall be their property.

28.3 The repair, maintenance and replacement cost shall be considered as part of the existing clothing allowance.

28.4 The City shall retain sole discretion over all equipment design and modification. In the event the City changes the transmitting or receiving equipment such that it is not compatible (i.e., unable to receive) with the employee's equipment, then the City shall replace or modify the employee's equipment at the City's cost. All replacement equipment shall conform to the most current specifications to insure compatibility and proper system operation.

28.5 All members on the Recall platoon shall be responsible to tone-test their beeper to insure that each beeper is receiving a transmission from Fire Headquarters, which test signal will be transmitted daily at 1200 and 1900 hours.

28.6 If for any reason a member on recall is unable to receive a recall notification via his beeper, he shall notify Fire Headquarters immediately and shall be available to receive notification via telephone.

28.7 In lieu of a disciplinary action for failure to report for recall, the Union and its

members agree that a moral obligation exists to provide additional manpower in time of emergency and do hereby pledge to adhere to a department-wide "general recall" whereby a tone alert is transmitted to all members who are in turn morally obligated to call in to satisfy same.

28.8 Notification shall mean activation of beeper paging system. Personal notification or attempted notification at a telephone number provided to the Department by the Fire Officer for recall purposes shall be in accordance with Article 28.

ARTICLE 29 - UNION ACTIVITIES

29.1 The Association's President or his designated representative shall be given time off with pay for attendance at unfair practice proceedings and for the processing of grievances, inclusive of binding arbitration. The President and the negotiating committee shall be given time off with pay for collective bargaining meetings, inclusive of interest arbitration.

29.2 The Fire Department shall permit membership meetings of the Union, monthly, with the prior approval of the Fire Chief. Members at the outlying station shall be permitted to attend, weather permitting. Union meetings shall be rescheduled if they conflict with a Fire Department emergency, training program or weather condition. At the beginning of each year, the Union shall advise the Fire Chief of tentative meeting dates scheduled for that year.

29.3 The Union President or the Executive Delegate shall be given time off with pay for attendance at the Bi-Annual IAFF National Convention, the Annual IAFF State Convention and the monthly IAFF State Association Meetings. The Union Represen-

tative must notify the Fire Chief in writing seven (7) days in advance of the scheduled meeting to facilitate proper manpower planning. The Fire Chief may require proof of attendance from the Representative.

ARTICLE 30 - MUTUAL AID

30.1 Injury or Death Benefits per NJSA 40A:14-156.3 as follows: If any member of a police force or fire department and force or volunteer fire company summoned pursuant to an agreement to render assistance suffers injury or death in the performance of his duties, he or his designee or legal representative shall be entitled to such salary, pension rights, workmen's compensation or other benefits as would have accrued if such injury or death had occurred in the performance of duties in the territorial jurisdiction in which the duties were normally performed.

30.2 Members of a Fire Company assigned to mutual aid fire suppression duty (fire fighting) outside City limits shall at all times be under the supervision of a Hackensack Fire Officer.

ARTICLE 31 - PERSONNEL FILES

31.1 A personnel file shall be established and maintained for each employee covered by this Agreement. Such files are confidential records and shall be maintained in the office of the Chief of the Fire Department and may be used for evaluation purposes by the Fire Chief or City Manager.

31.2 Upon advance notice at reasonable times, any member of the Fire Department may review his personnel file. However, this appointment for review must be made

through the Chief of the Fire Department or his designated representative at times mutually convenient.

31.3 Whenever a written complaint concerning a member or his actions is to be placed in his personnel file, a copy shall be made available to him and he shall be given the opportunity to rebut it if he so desires, and he shall be permitted to place said rebuttal in his file. When the employee is given a copy of the complaint, the identification of the complainant shall be excised. However, if any disciplinary action is taken based on any complaint, then the employee shall be furnished with all known details of the complaint, including the identity of the complainant.

31.4 All personnel files will be carefully maintained and safeguarded permanently, and nothing placed in any file shall be removed therefrom. Removal of any material from a personnel file by any member of the Union shall subject that member to appropriate disciplinary action.

ARTICLE 32 - LEAVE OF ABSENCE

32.1 The City Manager may, at his sole discretion and without right of appeal by employee, grant permanent employees a leave of absence without pay for a period not to exceed one (1) year. A leave may be extended beyond one (1) year for exceptional circumstances upon request of the City Manager and written approval of the New Jersey Department of Personnel.

32.2 An employee shall not accrue credit for vacation days, sick days, longevity pay, holiday pay, annual stipends or any other allowances, during a leave of absence without

pay or during a suspension.

32.3 A leave of absence shall not disqualify an applicant for a promotional examination.

32.4 Prior to commencing the Leave of Absence, an employee is responsible to discuss with his/her department head the status of his/her medical, dental, and/or disability insurance and pension while on a Leave of Absence.

ARTICLE 33 - MINIMUM MANNING

33.1 Whenever possible two (2) Fire Fighters and one (1) Officer shall be assigned to a fire engine or fire truck in response to an alarm. It is expressly understood that the City shall retain the right to close a fire station; however, this shall not be done in such a way as to subterfuge any other portions of the Agreement.

ARTICLE 34 - SEVERABILITY AND SAVINGS

34.1 Should any part of this agreement be held unlawful and unenforceable by any Court of competent jurisdiction, such decision of the Court shall apply only to the specific portion of the Agreement affected by such decision.

ARTICLE 35 - DURATION

35.1 This Agreement shall be retroactive to January 1, 2001, and shall remain in full force and effect until a successor Agreement has been executed.

ARTICLE 36 - ATTESTATION

36.1 The parties agree that the City Manager, being the Chief Executive Officer responsive only to the City Council of the City of Hackensack, be the chief negotiator on behalf of the City of Hackensack concerning negotiations between the Officers' Association and the City of Hackensack.

AGREEMENT

This Agreement is entered into on this 17th day of December, 2001.

WHEREAS, the City of Hackensack (hereinafter referred to as "the City" or "Hackensack") is a municipal corporation of the state of New Jersey; and

WHEREAS, Hackensack Uniformed Fire Officers Association, IAFF Local 3172, AFL/CIO/CLC (hereinafter referred to as "the Association") is the exclusive bargaining agent for all Fire Officers employed by the City; and

WHEREAS, the City and the Association have reached agreement on certain matters which they wish to memorialize in this Agreement, but which they do not wish to become a part of the Collective Bargaining Agreement being entered into between the parties simultaneous hereto, nor subject to the rights, remedies and procedures provided for thereunder and incident thereto; and

WHEREAS, this Agreement is intended by the parties to fully set forth their understanding with respect to the matters addressed herein;

NOW, THEREFORE be it agreed between the City and the Association as follows:

1. The terms of this Agreement shall be effective as of and shall be implemented commencing on January 1, 2002.
2. The City, at its sole and exclusive option, shall have the right to terminate this Agreement as of December 31, 2003 (hereinafter referred to as the "Early Cancellation Option"),
3. In the event that the City wishes to exercise its Early Cancellation Option, it shall advise the Association, in writing, on or before October 1, 2003, that the Agreement shall terminate as of December 31, 2003.
4. In the event that the City exercises its Early Cancellation Option, this Agreement will be of no further effect from and after December 31, 2003.
5. The City, at its sole and exclusive option, shall have the right to extend this Agreement for a one year period (i.e. from January 1, 2004 through December 31, 2004) (hereinafter referred to as the "Extension Option").
6. In the event that the City wishes to exercise its Extension Option, it shall advise the Association, in writing, on or before October 1, 2003, that the Agreement shall be extended to and shall terminate on December 31, 2004.

7. In the event that the City exercises its Extension Option, but wishes to terminate this Agreement as of December 31, 2004, it shall notify the Association, in writing, by October 1, 2004, of such intended termination, in which case this Agreement will be of no further effect from and after December 31, 2004.
8. The parties agree that nothing contained in this Agreement is intended to, or shall in any way, infringe upon or otherwise limit the managerial prerogatives of the City including, without limitation, prerogatives regarding staffing strength or assignment of personnel.
9. The parties acknowledge that the terms of this Agreement are outside of the Collective Bargaining Agreement being simultaneously entered into between the City and the Association and that the same is not subject to any of the rights, remedies and procedures provided for under said Collective Bargaining Agreement.
10. The parties further acknowledge that apart from seeking enforcement of the terms of this Agreement during the term thereof, no action, of whatsoever type, shall be initiated by either party asserting rights arising here from.
11. Without limitation to any other terms of this Agreement, alleged violations of the Agreement shall not be grievable and that any issues or disputes related to the interpretation, enforceability or application of this Agreement shall be referred to the City Manager, who shall be the sole and final arbiter thereof.
12. The parties affirm that the terms of this Agreement do not violate the Fair Labor Standards Act ("FLSA").
13. Except as provided for herein, commencing as of the effective date of this Agreement, members of the Association employed by the City shall work a twenty-four (24) hour schedule i.e. twenty-four hours on duty followed by seventy-two hours off duty.
14. Each twenty-four (24) hour day shall commence at 0800 hours.
15. No member of the Association subject to this Agreement shall, except in emergency situations or as required to complete active firefighting duties, work, whether by assignment or by action or consent of the individual employee, consecutive twenty-four (24) hour periods without at least twelve (12) hours off.
16. The twenty-four (24) hour schedule shall not apply to members of the Association who are assigned to Fire Prevention, Information Management, or other Special Duty Assignments.
17. The parties acknowledge that the terms of this Agreement, even upon execution of the same by the parties, shall not be effective unless new Collective Bargaining

Agreements for the term January 1, 2000 through December 31, 2006 is approved and ratified by (1) the City; (2) the Association; and (3) IAFF Local 2081, the Association representing the Hackensack Professional Firefighters. In the event that either the proposed Collective Bargaining Agreement between the City and the Association or the proposed Collective Bargaining Agreement between the City and Local IAFF 2081 is not approved, this Agreement shall be null, void and without effect.

18. The parties further acknowledge that the twenty-four (24) hour schedule may also be terminated prior to the expiration date provided for in paragraph 1 hereof, if (1) the City and the Association mutually agree to do so; or (2) the City and IAFF Local 2081, the Association representing the Hackensack Professional Firefighters, agree to do so. In the event that either the City and the Association or the City and Local 2081 agree to an early termination of the twenty-four (24) hour schedule, such schedule will be deemed terminated as to all fire officers and firefighters employed by the City.
19. During the Early Cancellation Option (January 1, 2002 – December 31, 2003) and the Extension Option (January 1, 2004 – December 31, 2004), the parties agree that this Agreement shall not be deemed a part of any Collective Bargaining Agreement, or any other Agreement which has been or may be entered into between them. However, the parties do further agree that in the event the City does not terminate this Agreement pursuant to either the Early Cancellation Option or the Extension Option, the twenty-four (24) hour schedule shall be deemed a part of the Collective Bargaining Agreement being simultaneously entered into by the parties.
20. The parties agree that in the event that this Agreement is terminated by the City pursuant to the Early Cancellation Option (paragraphs 3, 4 and 5 hereof) or at the end of the Extension Option (paragraphs 6, 7 and 8 hereof), the Collective Bargaining Agreement being executed simultaneous herewith shall be deemed reopened for the limited purpose of renegotiating the provision of such Agreement pertaining to vacations (Article No. 11).
21. The parties agree that wherever reference is made in the expiring Collective Bargaining Agreement to the word “day”, such word, when applied to any and all time periods during which the twenty-four hour schedule is in force and effect, shall be deemed the equivalent of “one-half day”.

IN WITNESS WHEREOF, the parties have hereunto set their hands and seals on the day of December 2001.
