OFFICE OF THE SECRETARY
MARGARET S. HENDERSON

THE SALEM COUNTY BOARD FOR VOCATIONAL EDUCATION at its regular meeting on December 23, 1969 agreed to contract with the Salem County Technical Institute Teachers Association for the period July 1, 1970 through June 30, 1971 as follows:

1. The basic starting salary for all full time teachers will be established at a minimum of \$7500 per year in accordance with the attached guide.
2. The regular increment of \$350 will be supplemented with a \$650 increase for every teacher currently employed since September 1, 1969.
3. Maximum salaries have been established as shown in the guide attached.
4. Non tenure teachers shall be notified in writing by April 30 if they are not being offered a contract for the succeeding school year.
5. A teacher transferring into the system from another district will be credited with accumulated sick leave from that district.
6. All full time instructors will be employed under contract except substitutes.

Part-time instructors paid on an hourly basis will be paid \$7.00 per hour for the first two years of employment and \$7.50 per hour thereafter.

7. Teachers assigned special duties will be compensated as follows:
 - a. The Yearbook and Newspaper advisor will receive extra compensation of \$200 per year or \$100 per year if his teaching load does not exceed 18 hours per week.
 - b. Coaches for any sport will receive extra compensation of \$200 per year or \$150 per coach if two coaches are considered desirable.
 - c. The assignment of school photographer will include extra compensation of \$200 per year.
