PREAMBLE

This Agreement entered into this seventh day of October, 1969, by and between the Board of Education of Keyport, the Borough of Keyport, New Jersey, hereinafter call the "Board," and the Keyport Teachers Association, hereinafter called the "Association".

ARTICLE I  
RECOGNITION

The Board agrees to and hereby does recognize the Keyport Teachers' Association as the exclusive negotiating representative pursuant to Chapter 303 of the Laws of 1968 for all full time certificated personnel under contract excluding the superintendent of schools, principals and guidance counsellors.

ARTICLE II  
SCOPE OF NEGOTIATIONS

It is agreed that negotiation will not take place with regard to extra curricular contracts or special contracts for department chairmen. The offering of these types of contracts and the salaries to be paid for duties rendered under these contracts will be within the discretion of the Board.

ARTICLE III  
GRIEVANCE PROCEDURE

A. Definitions

Grievance - The term grievance shall mean a complaint by an employee that alleges as to him that there has been a violation of the agreement or an inequitable, improper or unjust application of Board policy or administrative decision with regard to working conditions, except that the term grievance shall not apply to:

1. any matter wherein the Board is precluded by law from granting the relief sought.

2. any rule or regulation of the State Commissioner of Education or the State Board of Education having the force and effect of law.

3. any matter which is demonstrated by law to be exclusively within the discretion of the Board.

4. any matter for which a method of review is otherwise specifically prescribed by law, i. e., tenure and increment reviews.

Nothing in the above definition of the word grievance shall preclude more than one employee from joining with other employees in the presentation of a single grievance, provided, the alleged grievance arises out of facts similar in substance and circumstances and each employee joining in the presentation of a single grievance is similarly affected.

Grievant - Grievant shall mean an employee believing to have been or to be aggrieved.

Employee - An employee shall mean a certificated employee within the negotiating unit.

Principal - Shall mean the building principal or such other person duly appointed to act as the principal in the principal's absence.

Superintendent - Shall mean the superintendent of schools or any staff assistant he may designate to act on his behalf.

#### B. Principles

1. A grievant shall institute action under the provisions hereof within ten (10) calendar days of the occurrence complained of, or within ten (10) calendar days after he would reasonably be expected to know of its occurrence. Failure to act within said ten (10) day period, shall be deemed to constitute an abandonment of the grievance.

2. A grievant shall have the right to present and process his own grievance or to designate a representative to appear on his behalf.

3. Whenever the grievant designates a representative to appear on his behalf, the Board shall also have the right to designate a representative to participate other than the administrators named in the procedure that follows.

4. Unless mutually agreed upon between the parties, no grievance shall be processed at a time when the grievant has regularly assigned duties.

C. Procedure

1. A grievant may initially discuss the matter, identified as a grievance, with his principal in an attempt to settle the grievance informally. This is not intended to extend the time limitation as set forth in Section B, Subsection 1 (but does constitute the filing of a grievance).

2. A grievant may file a grievance in writing by presenting the written grievance to his principal and forwarding copies to the superintendent. The written grievance shall set forth:

- a. the nature of the complaint
- b. the basis of dissatisfaction
- c. recommended method of resolving the grievance.

3. The grievant and his principal shall meet in an attempt to resolve the grievance not later than five (5) school days following the date on which it is filed.

4. The principal shall communicate his decision in writing to the grievant not later than five (5) school days following their meeting. A copy of the decision shall also be forwarded, at the same time, to the superintendent.

5. If the grievance has not been resolved at steps 3 and 4 of the procedure the grievant may request a meeting with the superintendent. If the grievant requests a meeting with the superintendent, the request shall be made in writing not later than five (5) school days following the principal's decision. Accompanying the written request the grievant shall set out in writing the basis for his dissatisfaction with the principal's decision.

6. The grievant and superintendent shall meet in an attempt to resolve the grievance not later than five (5) school days following the date on which the meeting was requested.

7. The superintendent shall communicate his decision in writing to the grievant not later than ten (10) school days following their meeting.

8. If the grievance has not been resolved at steps 5, 6, and 7 of the procedure, the grievant may request a hearing with the Board or its representatives. The request shall be made in writing not later than five (5) school days following the superintendent's decision. Accompanying the written request the grievant shall set out in writing the basis for his dissatisfaction with the superintendent's decision.

9. The grievant and the Board or its representatives shall meet in an attempt to resolve the grievance not later than ten (10) school days following the date on which the hearing was requested. The grievant may have up to three representatives present when his grievance is reviewed by the Board or its representatives.

10. The Board shall communicate its decision in writing to the grievant not later than fifteen (15) school days following the hearing.

11. Should the Association decide that based on the Board's decision the grievance is satisfactorily adjusted, then the Board's decision shall be binding on all parties.

## ARTICLE IV

ARBITRATION

1. Should the Association be dissatisfied with the decision on the grievance rendered by the Board, and if it involves the interpretation or application of any provision of this agreement it may by a written dated notice to the Board not later than ten (10) school days following the rendering of the Board's decision, refer the grievance to binding arbitration.

2. The Board and the Association shall agree upon the selection of an arbitrator not later than fifteen (15) school days after the date of the Association's referral to arbitration. If the selection of the arbitrator has not been made within the above designated time limit, the parties shall jointly request the New Jersey Public Employment Relations Commission to designate an arbitrator.

3. The arbitrator shall issue his decision not later than thirty (30) days from the date of the closing of the hearings or, if oral hearings have been waived, then from the date of transmitting the final statements and proofs to the arbitrator. The decision shall be in writing and shall set forth the arbitrator's opinion and conclusions on the issues submitted. The arbitrator shall limit his decision strictly to the application and interpretation of the provisions of this agreement and he shall be without power or authority to make any decision:

a. Contrary to, or inconsistent with, or modifying or varying in any way, the terms of this agreement or of applicable law or rules or regulations having the force and effect of law.

b. Involving Board policy or practice under the provisions of this agreement, or under applicable law, except that he may decide in a particular case that Board policy, practice or administrative decision was

disregarded or that its attempted application under any term of this agreement was so discriminatory, arbitrary, or capricious as to constitute an abuse of discretion.

c. Limiting or interfering in any way with the powers, duties and responsibilities of the Board under applicable law, and rules and regulations having the force and effect of law.

4. The arbitrator's fee will be shared equally by the parties to the dispute.

5. The filing or pendency of any grievance under the provisions of this Article shall in no way operate to impede, delay or interfere with the right of the Board to take the action complained of, subject, however, to the final decision on the grievance.

#### ARTICLE V

#### ASSOCIATION RIGHTS AND PRIVILEGES

A. There shall be upon request of either committee a mutual exchange of available financial information relating to the resources of the school district and any other available information that may be helpful in resolving problems of mutual concern.

B. Should the Association request the use of a school room to transact official Association business, such request will be granted provided:

1. The request is made to the building principal at least three days before the use of the room would occur.

2. The room is available for the date requested.

C. Should the Association request the use of a school room to transact official Association business during the evening hours, the Association must make application for such use through the Secretary to the Board's

office. Such requests will be handled in accordance with Board policy and in the same manner as all other requests for use of school rooms.

D. The Association shall have the right to use a bulletin board in each faculty room. The Association agrees that the use of such bulletin board will be restricted to Association notices of coming events and informational materials such as available scholarships, fellowships, insurance programs, credit programs and related matters.

E. The Association may use the inter-school mail facilities and school mail boxes as it deems necessary, with approval of the building principal.

F. All orientation programs for new teachers shall be sponsored by the Board and the Association with the Association obligated to assume only such costs as may be mutually agreed upon during the planning of such programs. To the extent prohibited by law, the school Board shall not be expected to assume the cost of purely social events conducted as part of such orientation programs, nor shall the Association be expected to assume the cost of speakers, consultants, and services normally considered an appropriate professional in-service training activity of a Board of Education.

#### ARTICLE VI

#### SCHOOL CALENDAR

A. The proposed school calendar for the year 1970-71 shall be compiled by the superintendent who may in his discretion request the advice of the Association.

B. Should the superintendent personally compile the proposed school calendar he shall, prior to submitting same to the Board, provide the president of the Association with a copy of the proposed calendar.

Should the Association wish to make proposed changes in the calendar as compiled by the superintendent, the President of the Association shall provide the superintendent with such proposed changes in writing within two school weeks immediately following receipt of the proposed calendar from the superintendent.

C. The calendar as compiled by the superintendent along with any proposed changes recommended by the Association shall be submitted to the Board for its approval or rejection. Should the Board not approve the calendar as proposed by the superintendent or refuse to adopt a calendar with proposed changes as recommended by the Association, such action by the Board shall not constitute or be the basis for the processing of a grievance. It is understood that final authority for adoption of a school calendar rests with the Board.

JOINT INSTRUCTIONAL COUNCIL

A. A joint instructional council shall be established as soon as possible after the effective date of this Agreement. It shall consist of three members of the Board or their designees approved by the Board, three members of the Association designated by the President of the Association, and the Superintendent of Schools who will act as Chairman of the council.

B. The purpose of the instructional council shall be to:

1. evaluate problems presented to it by the Board designees, the Association designees and the Administration in the areas of teaching techniques, curriculum improvement, extra-curricular programs, in-service testing, pupil testing and evaluation, philosophy and educational goals of the district, teacher recruitment, research and experimentation, educational specifications for buildings, class size, specialists, teacher employment, teacher evaluation, teacher facilities, teacher administration liaison, sabbatical leaves, professional development, protection of teachers and students, discipline, personal and academic freedom, books and other supplies and other related matters regarding the effective operation of the Keyport School District;

The Board agrees that if such a request is granted every member of the instructional council will be permitted to attend the executive session.

E. The above procedures are not intended to preclude the Association representatives from carrying on discussions with and resolving problems through the Superintendent of Schools.

#### ARTICLE XIII

##### SICK LEAVE

A. All persons holding any office, position or employment in all school districts, regional school districts or county vocational schools of the State who are steadily employed by the Board or who are protected in their office, position or employment under the provisions of sections 18A:28-4

18A:28-5, 18A:28-6, 18A:28-6.1, 18A:28-9, 18A:28-10, 18A:28-11, 18A:28-12, 18A:28-13, 18A:28-15, 18A:6-10 of the Revised Statutes or under any other law shall be allowed sick leave with full pay for a minimum of ten (10) school days in any school year. If any such person requires in any school year less than this specified number of days sick leave with pay allowed, all days of such leave not utilized that year shall be accumulative to be used for additional sick leave as needed in subsequent years.

B. In case of sick leave claimed for a period of three days or more, it is required that a physician's certificate be filed with the Secretary of the Board with the application for leave of absence.

C. The Superintendent of Schools may request a physician's certificate be filed with him for absence claimed for a period of less than the three days as provided in section B above.

D. Sick leave is hereby defined to mean the absence from his or her post of duty, of any such person because of personal disability due to illness or injury, or because he or she has been excluded from school by the school district's medical authorities on account of a contagious disease or of being quarantined for such a disease in his or her immediate household.

E. When absence, under the circumstances described in Section D of this act, exceeds the annual leave and the accumulated leave, the Board may, upon written request, pay any teacher with three years or more service in Keyport, one day's salary, less the salary of a substitute, for each year's service over three years but not to exceed ten (10) days in any one school year. A day's salary is defined as 1/200th of the annual salary.

F. The Board may at its discretion grant additional sick leave.

## ARTICLE XIV

TEMPORARY LEAVES OF ABSENCE

A. As of the beginning of the 1969-70 school year, teachers shall be entitled to the following temporary nonaccumulative leaves of absence with full pay each school year:

1. Two (2) days leave of absence for personal, legal, business, household or family matters which require absence during school hours. Application for personal leave shall be made at least two(2) days before taking such leave (except in the case of emergencies) and the applicant for such leave shall not be required to state the reason for taking such leave other than that he is taking it under this Section.

2. Up to three (3) days per school year for observance of religious holy days where said holy day falls on a regular school day and where said observance prevents the teacher from working on said days. Requests for time off under this Section must be made one week in advance.

3. The Board will allow each teacher one professional day per year, not accumulative, for the following purposes:

a. To visit other schools in New Jersey in the subject field in which the teacher is teaching for the purpose of the improvement of instruction. Out of state visitation will be considered based on the program to be observed and the distance from Keyport.

b. To attend a professional conference in their subject area.

c. A professional day would be granted under the following conditions:

(1) At the request of the teacher and the approval of the building principal and superintendent. Mileage would be reimbursed at the rate of ten cents per mile.

(2) Special subject area conference in which the superintendent or principal requests a member or members of the staff to

represent the school. Complete conference fees including meals plus mileage at the rate of ten cents per mile would be reimbursable. The number of days will be unlimited.

d. Provision would be made, whenever possible, for a substitute teacher to replace the teacher who is not present. It is clearly understood that times may arise when it is not possible to obtain a substitute. In that circumstance the absent teacher's classes would have to be divided among regular staff members.

e. Teachers who request a professional day shall give reasons for the visitation including date on duplicate forms provided by the building principal.

f. Following the professional day the teacher is to present a detailed report of the visitation or conference in duplicate, one copy for the building principal and one copy for the superintendent.

g. N. E. A., N. J. E. A., M. C. E. A., or K. T. A. conventions, workshops, or other meetings are not part of the professional day agreement.

h. In the event more than one staff member wishes to go to the same event on the same day the principal has the right to refuse the request due to the number going.

i. The administration has the prerogative to refuse the professional day for good and just reason.

4. Time necessary for appearance in any legal proceeding which arises out of or in the course of the teacher's employment or in any other legal proceeding if the teacher is required by subpoena to attend and is not a party to a suit. If an employee is a party to a suit which does not arise out of or in the course of his employment, absence from school in that connection shall be without pay.

5. Up to three (3) days at any one time in the event of death of a teacher's spouse, child, parent, brother, sister or any other member of the teacher's family living within the teacher's household.

Up to a maximum of three (3) days during the school year for serious illness of a teacher's spouse, child, parent, or any other member of the teacher's family living within the teacher's household. At the request of the principal, the teacher shall present a physician's certificate in connection with request for time off under this section.

6. Up to a total of two (2) days at the end of a school year as may be required to attend summer school class or to travel to the place where such classes are to be held. Before leave is granted under this section, the teacher must establish to the principal's satisfaction that all of his year end work is satisfactorily completed.

7. Any teacher who is a member of the reserve forces of any branch of the military or of the national guard shall be entitled to leave of absence from their respective duties without loss of pay or time on all days during which they shall be engaged in active duty, active duty for training or other duty ordered by the Governor or the President of the United States; provided, that the leaves of absence for active duty or active duty for training shall not exceed 90 days in the aggregate in any one year.

The pay referred to in the above paragraph shall mean the salary received as a classroom teacher in his civilian status less any salary he receives from the Government as a result of being called to active duty.

Leave of absence for such military duty shall be in addition to the regular vacation allowed a teacher.

B. Other leaves of absence with pay may be granted by the Board for good reason.

## ARTICLE XV

EXTENDED LEAVES OF ABSENCE

A. The Board agrees that one tenure teacher designated by the Association shall, upon request, be granted a leave of absence without pay for up to one (1) year for the purpose of engaging in activities of the Association or its affiliates.

B. 2. Should the spouse of the teacher who is inducted or enlists be a tenure teacher within the district, the spouse will be granted leave without pay for the same period. The benefits provided for the teacher in military service as outlined in Section 11.1 of this Article shall not accrue to the spouse during the leave of absence.

E. 1. A tenure teacher shall notify the superintendent of her pregnancy as soon as it is medically confirmed. Said teacher may request a maternity leave without pay and said leave shall be granted in accordance with the statute and rules and regulations of the State Board of Education.

2. Any female teacher adopting an infant child may receive similar leave which shall commence upon her receiving de facto custody of said infant, or earlier if necessary to fulfill the requirements for the adoption.

No teacher on maternity leave shall, on the basis of said leave, be denied the opportunity to substitute in the Keyport School District in the area of her certification or competence.

F. A leave of absence without pay of up to one (1) year shall be granted to a tenure teacher for the purpose of caring for a sick member of the teacher's immediate family. Additional leave may be granted at the discretion of the Board.

G. Other leaves of absence without pay may be granted to tenure teachers by the Board for good reason.

H. 1. Upon return from leave granted pursuant to Section A, B, C, or D of this Article, a teacher shall be considered as if he were actively employed by the Board during the leave and shall be placed on the salary schedule at the level he would have achieved if he had not been absent, provided, however, that time spent on said leaves under Section D shall not count toward the fulfillment of the time requirements for acquiring tenure. A teacher shall not receive increment credit for time spent on a leave granted pursuant to Section E, F, or G of this Article.

2. All benefits to which a teacher was entitled at the time his leave of absence commenced, including unused accumulated sick leave, shall be restored to him upon his return, and he shall be assigned to the same position which he held at the time said leave commenced, if available or, if not, to a substantially equivalent position.

I. All extensions or renewals of leaves shall be applied for and granted in writing.

## ARTICLE XVI
