APPENDIX A

BOROUGH OF GLASSBORO=S FAMILY LEAVE POLICY

The Borough of Glassboro ("Borough") will comply as required by state and federal laws with the Family and Medical Leave Act (AFMLA@) the New Jersey Family Leave Act (ANJFLA@). Any employee who desires to take a leave pursuant to those laws shall notify the Borough Administrator in accordance with the applicable procedures, entitlement and rules related to such leave. The following information is to be used as a summary and a guide to your rights and responsibilities under the Borough=s Family and Medical Leave Act and the New Jersey Family Leave Act Policy. Questions of interpretation under this policy will be resolved by reference to the FMLA, NJFLA and regulations issued by the United States Department of Labor.

FAMILY AND MEDICAL LEAVE ACT

Leave Entitlement

Under the FMLA, any Borough employee who is eligible under the Act may receive up to twelve (12) weeks of unpaid leave in a twelve (12) month period, for any of the following reasons:

- a. Birth of your child, and to care for your newborn child (within twelve (12) months of birth);
- b. Placement of a child with you for adoption or for foster care (within twelve (12) months of placement);
- c. Care for an immediate family member (i.e. - your spouse, child or parent) with a serious health condition; or
- d. A personal, serious health condition that leaves you unable to perform the essential functions of your job.

Employee Eligibility

To be eligible under the FMLA, an employee must have, on the date the leave begins:

- a. Worked for the Borough for at least twelve (12) months; and
- b. Worked at least 1,250 hours (including only those hours actually worked) for the Borough during the twelve (12) months immediately preceding the leave.

Eligible employees may be entitled to up to twelve (12) weeks of unpaid leave during any twelve (12) month period. The calculation of the twelve (12) month period shall commence with the commencement of the family leave. Should an eligible employee take less than twelve (12) weeks of family leave for any of the above reasons, such employee shall be entitled to take additional leave for any of the above reasons provided that the total leave taken does not exceed twelve (12) weeks in any consecutive twelve (12) month period, and the other qualifications and restrictions contained in the FMLA are not abridged.

If both spouses are Borough employees, the Borough reserves the right to restrict family medical leave to a total of twelve (12) weeks of unpaid leave in a twelve (12) month period for the birth or adoption of a child or to care for a parent with a serious health condition. The Borough may opt to limit the use of the leave to one spouse at a time.

NEW JERSEY FAMILY LEAVE ACT

Under the NJFLA, any Borough employee who is eligible under the Act may receive up to twelve (12) weeks of unpaid leave in a twenty-four (24) month period, for any of the following reasons:

- a. Birth of your child, and to care for your newborn child (within twelve (12) months of birth);
- b. Placement of a child with you for adoption or foster care (within twelve (12) months of placement); or
- c. Care for a family member (i.e. - your spouse, child, parent or spouse=s parent) with a serious health condition.

Employee Eligibility

To be eligible under the NJFLA, an employee must have, on the date the leave begins:

- a. Worked for the Borough for at least twelve (12) months; and
- b. Worked at least 1, 000 hours (including those hours actually worked, not including overtime) for the Borough during the twelve (12) months immediately preceding the leave.

Eligible employees may be entitled to up to twelve (12) weeks of unpaid leave during any twenty-four month period. The calculation of the twenty-four (24) month period shall commence with the commencement of the family leave. Should an eligible employee take less than twelve (12) weeks of family leave for any of the above reasons, such employee shall be entitled to take additional leave for any of the above reasons provided that the total leave taken does not exceed twelve (12) weeks in any consecutive twenty-four (24) month period, and the other qualifications and restrictions contained in the NJFLA are not abridged.

JOB BENEFITS AND RESTORATION

During an FMLA or NJFLA leave, health benefits shall continue to be provided by the employee for any leave which does not exceed twelve (12) weeks. For any leave which exceeds twelve (12) weeks, the employee must pay the Borough for the costs of the continuation of any health benefits. In addition, an employer=s obligation to maintain health benefits stops if and when an employee informs the employer of an intent not to return to work at the end of the leave period, or if the employee fails to return to work when the leave entitlement is exhausted.

Sick and vacation leave shall not accrue during a period of unpaid family medical leave. Paid holidays shall not be provided to employees on unpaid family medical leave.

At the employee=s option, certain kinds of paid leave (i.e. - sick time, vacations day, etc.) may be substituted for unpaid leave. An employee=s FMLA leave shall run concurrently with any other applicable leave used by the employee.

You may not work for another employer or be self employed during your leave. Your leave may be canceled and disciplinary action taken, including immediate termination, prior to the expiration of the leave period, if you violate this policy. In addition, any employee who willfully misleads the employer related to the nature of or the need for an FMLA or NJFLA leave, or who falsifies documents related to the employee=s request for an FMLA or NJFLA leave may be subject to disciplinary action, including immediate termination from his/her employment prior to the expiration of the leave period.

If an employee returns to work within the time period of the family medical leave, he/she will be reinstated to his/her former position or an equivalent position with equivalent pay, benefits, status and authority. The employee=s restored status will be the same as it would have been had the employee not been on leave. Thus, if the employee=s position would have been eliminated or the employee would have been terminated, but for the leave, the employee would not have had any new right to be reinstated upon return from leave. Failure to return to work may result in termination of employment.

An employee=s request for leave and the taking of leave will not negatively affect an employee=s employment or standing with the Borough.

ADVANCE NOTICE AND MEDICAL CERTIFICATION

An employee must request the use of family medical leave by submitting a written statement of the specific reasons for the leave at least thirty (30) days prior to the anticipated date of delivery placement or adoption of a child. If a scheduled medical leave for the employee or a family member of the employee is the basis for the request, then the employee must, if practical, provide (30) days written notice. It is the responsibility of the employee who has planned medical treatment to make a reasonable effort to schedule treatment so as not to unduly disrupt

Borough operations. The notice must be presented to the Borough Administrator. In addition, employees may be required to certify as to his/her request for the leave.

The Borough may require an employee requesting leave to provide confirmation from a healthcare provider of the need for, and probable duration of the leave requested. The confirmation must be provided in an approved Borough format, available from the Borough Administrator, within fifteen (15) days of the date the confirmation is requested by the Borough. The Borough reserves the right to obtain, at its expense, an opinion from a second healthcare provider of the Borough's choosing. Should the recommendations of the Borough's healthcare provider differ from that of the employee's, the opinion of a third healthcare provider, chosen jointly by the employee and the Borough, will be obtained at the expense of the Borough, to review the request. In addition, a medical certification may be required by the Borough to support an employee's fitness to return to work from the leave.

The Borough may require an employee using family medical leave to periodically report his/her status and intention to return to work. The Borough may also require the employee to obtain additional written medical certification for the need to continue the leave.

All medical information related to an employee's leave requests and/or employee's leave shall be kept confidential to the maximum extent possible. All medical certifications will be kept in separate files in the Borough Administration's office.

INTERMITTENT LEAVE

An employee will normally be granted up to twelve (12) consecutive weeks of family medical leave. Intermittent use of up to twelve (12) weeks of family medical leave may be allowed by the Borough when the employee has established that it is medically necessary to use the leave intermittently. Under the FMLA and NJFLA, intermittent use of up to twelve (12) weeks of leave in the applicable period may be allowed for care of a spouse, child, or parent who has a serious health condition. The medical certification of the need for intermittent leave provided by the employee's health care provider must specify the expected duration of the intermittent leave. In granting the use of intermittent family medical leave, the Borough may require an employee to temporarily transfer to an available alternative position with the equivalent pay and benefits to better accommodate the employees modified work hours.
