C. The exercise of the foregoing powers, rights, authority, duties and responsibilities of the Borough, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgement and discretion in connection therewith, shall be limited by the specific and express terms of this Agreement. The provisions of this Agreement shall be subject to and subordinate to, and shall not annul or modify, existing applicable provisions of State or Federal laws or regulations.

ARTICLE IV

RIGHTS OF EMPLOYEES

A. Members of the force hold a unique status as public Officers in that the nature of their office and employment involves the exercise of a portion of the Police power of the municipality. The security of the community depends to a great extent on the manner in which Police Officers perform their duty, and their employment is thus in the nature of a public trust. The wide ranging powers and duties given to the Department and its members involve them in all manner of contacts, and relationships with the public. Out of these contacts may come questions concerning the actions of the members of the force. These questions may require investigation by superior Officers designated by the Chief of Police and the governing body. In an effort to insure that these investigations are conducted in a manner which is conducive to good order and discipline, the following rules are hereby adopted:

1. The interrogation of a member of the force shall be at a reasonable hour, preferably when the member of the force is on duty, unless the exigencies of the investigation dictate otherwise.

2. The interrogations shall take place at a location designated by the Chief of Police. Usually it will be at Police Headquarters or the location where the incident allegedly occurred.

3. The member of the force shall be informed of the nature of the investigation before any interrogation commences. Sufficient information to reasonably apprise the members of the allegations should be provided. If it is known that the member of the force is being interrogated a witness only, he should be so informed at the initial contact.

4. The questioning shall be reasonable in length. Fifteen (15) minutes time shall be provided for personal necessities, meals, telephone calls, and rest periods at the end of every two (2) hours.

5. The member of the force shall not be subject to any offensive language, nor shall he be threatened with transfer, dismissal or other disciplinary punishment. No promise of reward shall be made as an inducement to answering questions.

6. At every stage of the proceedings, the Department shall afford an opportunity for a member of the force, if he so requests, to consult with counsel and/or his Association representative, nor more than two (2) hours or consultation with his attorney. However, this paragraph shall not apply to routine day-to-day investigations.

7. In cases other than departmental investigations, if a member of the force is under arrest or if he is a suspect or the target of a criminal investigation, he shall be given his rights pursuant to the current decisions of the United States Supreme Court.

8. Nothing herein shall be construed to deprive the Department or its Officers of the ability to conduct the routine and daily operations of the Department

B. Under no circumstance shall the Employer offer or direct the taking of a polygraph or voice print examination for any Employee covered by this Agreement.

ARTICLE V

WORK DAY, WORKWEEK AND OVERTIME

A. The normal work tour shall be eight (8) hours which shall include within that eight (8) hour span appropriate meal and rest periods.

B. The normal work day shall be based up on the utilization of a shift system which shall function for eight (8) hours for each shift during the twenty-four (24) hour day and an Employee shall not be scheduled for work more than one (1) shift per day with a minimum of sixteen (16) hours of time off between tours of work. Nothing in the foregoing shall be construed to restrict the discretion of the Chief of Police to meet the needs of the Department in emergency situation. Work week defined, forty (40) hours per week.

C. Should it become necessary for an Officer to appear in Superior, County, Municipal, or other Court, on official business, during other than his regularly scheduled duty time, such Officers shall receive compensation at the rate of time and one-half (1-1/2) for each hour worked. In lieu of cash payment, all Officers may opt for compensatory time off at the same rate. Such time may be taken only when approved and scheduled by the Chief of Police so as not to interfere with departmental operations, and may only be given when requested by the eligible Officer.

D. It is understood by both parties hereto that the job of Officers regularly assigned to detective work necessarily involves variance from the uniformed patrolman's high structured work week, and the Borough has recognized this distinction by the awarding of an additional stipend to those Officers regularly assigned to detective work, as found in Appendix "A", such stipend to be in lieu of overtime work in connection with routine assignments.

E. The terms "assignment to detective work" and "assigned to detective work" means on a regular basis, not just for a day or a week. If an Officer is assigned to detective work for just a few hours or just a day, he shall still be eligible for any overtime compensation to which would be eligible as an Officer. The use of these terms is not to be used to prevent an Officer whose regular work is that of patrol for obtaining the benefits normally due him, but is meant to apply only to those whose regular assignment is detective work as opposed to any other Police assignment.

F. If an Employee who is eligible for call-out time compensation is called out for emergency work, the Employee shall be eligible for a minimum of three (3) hours of work at the appropriate overtime rate. An Employee may request to leave earlier than three (3) hours, but in such case the Employee shall only be paid for the time actually worked.

G. The term "call out" is applied to all times a Police Officer is called upon at his home or otherwise, to come on duty during times the Police Officer is not already scheduled to work, including having to appear in State, County, Municipal, or other Court.

H. All Employees are required to make an effort to determine if their appearance in Court is actually required. All Employees shall check to determine if a previously scheduled Court appearance is actually required in accordance with the procedure currently established of checking at approximately 4:30 P.M. on the day of the scheduled Court appearance, or a procedure in general accordance with this established by the Chief of Police.
