**WASHINGTON TOWNSHIP PUBLIC SCHOOL SYSTEM
AGREEMENT BETWEEN WASHINGTON TOWNSHIP BOARD OF EDUCATION
AND WASHINGTON TOWNSHIP PRINCIPAL'S ASSOCIATION**

PREAMBLE

This Agreement entered into by and between the Board of Education of Washington Township, the Township of Washington, County of Gloucester, New Jersey, hereinafter called the "Board" and Washington Township Principals' Association, hereinafter called the "Association", provides as follows:

ARTICLE I: RECOGNITION

The Board hereby recognizes the Association as the sole and exclusive representative for collective bargaining on matters concerning grievance procedures, salaries and terms and conditions of employment for all personnel under contract or on leave approved by the Board and employed by the Board of Education in the following designated positions: a) principals, b) assistant principals, and c) director of guidance.

ARTICLE II: PURPOSE

- A. The Association recognizes that the Board has sole authority and final responsibility in the field of educational policy and development and the Superintendent as chief executive officer of the Board is responsible for the implementation of such policies. This agreement is not intended to modify by any of its terms any authority concerning such matters vested in the Board by the statutes of the Laws of the State of New Jersey, as the same may be supplemented or amended from time to time.
- B. The Board, Superintendent and the Association recognize that they have a common responsibility to work together toward the achievement of quality education. The attainment of this objective requires mutual understanding, communication and cooperation. The Association, therefore pledges that its efforts will be dedicated to the achievement of such educational excellence as all pupils deserve and which the community has a right to expect. The Board and the Association acknowledge and accept their share of accountability thereof.

ARTICLE III: SALARIES

- A. Salaries for those individuals employed in the positions covered by this Agreement during July 1, 1989 - June 30, 1992 shall be as described in Exhibit A.
- B. No action being taken in the execution of this Agreement is to be construed as a promise of reemployment of any individual covered by the provisions of this Agreement.

C. In order to receive credit for a year of service, an administrator must be employed by the Board in an administrative position in a specific salary category for a minimum of 113 days (more than half of the 225 days indicated in Subsection B of Article IV).

D. This contract will cover the following Administrative Positions:

- High School Principals
- Middle School Principals
- Elementary School Principals
- High School Assistant Principals and Director of Guidance
- Middle School Asst. Principals
- Elementary Assistant Principals

E. INITIAL HIRING:

The Board of Education will retain the prerogative for placing at the appropriate salary level all individual administrators newly hired during the 1989-90 school year and subsequent years of this Agreement.

Those individual administrators newly hired during the 1990-91 school year and subsequent years of this Agreement will have their initial salaries determined by the Board of Education as follows:

1. In no case will the Board of Education hire any administrator at an initial salary higher than the salary guide.
2. The Board of Education retains the prerogative to determine initial placement. The Board recognizes the need to provide adequate initial compensation.

During the 1990-91 school year, and subsequent years of this contract, an administrator will be eligible for a salary adjustment required to bring them on guide. A year of service is defined as 113 days.

ARTICLE IV: FRINGE BENEFITS

A. GENERAL

1. The Board will provide and pay for health care protection for individual and full family coverage pursuant to the New Jersey State Health Benefits Plan in effect September 1, 1988. Both individual and full family protection will be extended at the Board's cost.

All retirees currently under the district's New Jersey Blue Cross/Blue Shield 14/20, Blue Cross/Blue Shield Major Medical and Rider J plans shall be notified of the requirement to convert to the New Jersey State Health Benefits Plan. The State Division of Pensions will also be notified in writing of the retirees involved in order to process the appropriate pension deductions and distribute benefit information.

2. The Board shall provide all members with a description of health care insurance coverage and a description of the conditions of the coverage and the individual limits thereof.
3. During the 1989-90 school year, the Board of Education shall provide and pay for dental and prescription programs for individual and full family coverage at the level of benefits or equivalent, as described in the Delta Dental Plan of New Jersey Inc. and Capital Marketing Agency contracts effective June 30, 1988, for each member who shall be eligible for and shall be enrolled in a prescription drug and dental plan through a company to be selected by the Association and approved by the Board. Eligibility for enrollment for benefits shall be governed by and be subject to any restrictions imposed by the plan established by the selected company. Any such plan may provide for coverage for individual members and their eligible dependents and may contain a deductible.

During the 1990-91 school year, the Board shall provide and pay for dental and prescription programs as described in paragraph 3 above. The Board's total contributions for the dental and prescription programs combined premiums shall not exceed \$1,000 per employee. Any premium or cost for any such enrolled member and/or his/her eligible dependents in excess of the Board's maximum contribution of \$1,000 per year shall be borne by such member either through direct payments by such member or, at the option of the Board, through salary deductions.

Should a member opt to withdraw from either dental or prescription coverage as an alternative to the payment of an additional contribution, above the Board's \$1,000 premium limit, the Board will contribute the appropriate premium to an escrow account to be distributed to the members of both the dental and prescription programs at the end of the contract year, in an amount not to exceed the cost of each member's additional contribution.

4. To be eligible for insurance protection described in Paragraphs 1 or 3 above, a member must be employed twenty (20) hours or more per week.
5. The Board of Education will reimburse members up to \$200 for professional memberships.

B. WORK YEAR AND VACATION

Members of the Association shall work 225 days per year. The balance of the 260 work days shall be taken as vacation and holidays. The exact days worked within the number cited above shall be designated by the Superintendent after a conference with the Association membership.

C. SICK LEAVE:

1. All Administrators shall be granted a yearly sick leave of twelve (12) days to be used only for illness. All days of sick leave not utilized within the current school year shall be accumulative, to be used for additional sick leave as needed in subsequent years.

2. Upon termination of employment, an administrator may request and the Board shall grant a certificate stating the member's accumulated unused sick leave.
3. The total accumulated sick leave which has accrued to each member, whether through prior unused annual sick leave or unused personal days by prior contractual arrangement, shall be calculated as of June 30, 1977. From and after July 1, 1977, any additional accumulated sick leave shall only accrue with respect to unused annual sick leave. For the purpose of any future legislation which mandates payment by the Board on retirement or otherwise for unused accumulated sick days, only the following shall be deemed to be in the category of accumulated unused sick leave:

a) All accumulated unused sick leave which had accrued through June 30, 1977, either through prior unused annual sick leave or unused personal days by prior contractual arrangement;

b) All accumulated unused sick leave which had accrued on or after July 1, 1977, through unused annual sick leave only.

It is the intention of this subparagraph to exclude from the category of "accumulated unused sick leave" for purposes of any such future legislation any unused personal days which accrue on or after July 1, 1977, are eligible, if unused in the year granted, for use in future years for illness.

An Administrator will be reimbursed for unused sick leave upon retirement using the following schedule which shall be based on the per diem BA minimum salary schedule. (EXHIBIT B)

An Administrator who is retiring shall be reimbursed for his/her unused sick leave to a maximum of \$15,000.

4. An Administrator shall be given a written accounting of accumulated unused sick leave and a written accounting of unused personal days no later than June 30 of each year.

D. TEMPORARY LEAVE OF ABSENCE

1. All temporary leaves of absence with or without pay are granted by the Superintendent of Schools or his designee and, except in emergencies, must be requested and approved in advance.
2. An administrator may be granted up to five (5) days leave for a death of the immediate family. Immediate family shall consist of husband or wife, mother, father, parents-in-law, brother, sister, child or any person standing in loco parentis.

Such leave shall not be deducted from sick leave.

3. Absence of an administrator due to an injury which is compensable under the New Jersey Workmen's Compensation Act shall not be considered as part of sick leave.
4. An administrator absent on jury duty shall not be required to deduct such absence from sick leave. Such administrator shall be reimbursed the difference between his/her prevailing rate of pay and amounts received for jury service.
5. An administrator required by the Board to attend a court of law on school related matters shall be reimbursed full pay. An absence for such reason shall not be considered a part of personal days.
6. Absence for personal business, as approved by the Superintendent, such as settlement of house, death of a distant member of the family or friend, or accident shall not exceed five (5) days during the school year. Two of the five days are to be approved without the administrator providing specific reasons.

The five (5) days specified herein for personal leave shall not be cumulative if not used in the year granted, except in those conditions listed below. Personal leave may be used for illness in the year granted, provided that such administrator has exhausted his/her annual sick leave and all accumulated sick leave. However, from and after July 1, 1982, any unused personal leave accruing after such date (which is herein made eligible for use in future years for illness where the administrator has exhausted all annual and accumulated sick leave) shall not be deemed "accumulated, unused sick leave" for purposes of any future legislation mandating payment by the Board on retirement or otherwise for accumulated, unused sick leave. It is the intention of this subparagraph that from and after July 1, 1982, a separate record shall be maintained for "unused personal days" and in no event shall such days be deemed to be "accumulated, unused sick leave" for the purpose of such legislation.

E. EXTENDED LEAVES OF ABSENCE

1. A female tenured administrator may utilize credited sick leave days for disability due to pregnancy, childbirth and recovery. Use of such sick leave for disability outside of a period of a month before and a month after delivery will require verification in writing from the attending physician if requested by the Board. Such administrator shall have the option of requesting and shall be granted leave for a similar period without pay.
2. An administrator under tenure who wishes a child care leave following the adoption of a pre-school age child(ren) or birth of such administrator's child may request and shall be granted such leave without pay for up to one (1) and one-half (1/2) years and shall return on the first day of any marking period within that period of time.
3. A non-tenured administrator who wishes a child care leave following the adoption of a pre-school age child(ren) or birth of such administrator's child may apply for and shall be granted such leave without pay for the remainder of the school year in which the leave starts.

Such leave shall not extend beyond the end of the administrator's contract for the school year in which leave is granted, nor shall the granting of such leave constitute a promise of reemployment for the following school year. Determination of whether the non-tenured administrator on such leave will be reemployed for the following year will be made on, or prior to, April 30. The time for which such leave is granted shall not count toward fulfillment of the time requirements for acquiring tenure.

4. a) The Superintendent shall be notified of a pregnancy by the end of the sixth month. At least sixty (60) days before the due date the administrator shall notify the Superintendent of the option or combination of options outlined above that the administrator plans to exercise.
- b) An administrator shall not be assigned to work until after the presentation of medical certification of capability to perform necessary duties if such certification is requested by the Superintendent.
- c) If an administrator decides not to return from a child care leave, the administrator shall notify the Superintendent by giving written notice of resignation at least sixty (60) days before the leave expires.

F. SABBATICAL LEAVES

1. An administrator may, on recommendation of the Superintendent, be granted sabbatical leave of absence for purpose of approved study, travel or health for a period not exceeding one year if the administrator has been continuously employed by the Board for a period of at least seven (7) years.
2. An administrator on sabbatical leave shall receive one-half (1/2) of the annual salary to which s/he would have been entitled had s/he remained in the school system during that period.
3. Requests for sabbatical leave of absence shall be made to the Superintendent before November 1 for each school year. Administrators so requesting sabbatical leave shall be notified of the Board's action on the request by January 1.
4. Prior to commencing the sabbatical leave, an administrator shall enter into a contract for return to active service in the District for a period of at least two (2) years after the expiration of such leave. Such contract shall provide for the return of all money received while on sabbatical leave plus six percent (6%) interest in the event that the administrator does not return to active service, provided, however that such reimbursement shall not be required where the failure is due to pregnancy, total incapacity or other incapacity of a physical or mental nature. A determination concerning such a return of funds received while on sabbatical leave shall be within the sole discretion of the Board.

5. An administrator returning from sabbatical leave shall be placed on the step of the salary schedule s/he would have attained had s/he remained in the District. Any additional benefits granted to regular administrators shall automatically apply to an administrator on sabbatical leave.
6. Seven (7) administrative years must have passed since a prior sabbatical leave in order for an administrator to become eligible for a second sabbatical leave.
7. Before any administrator becomes entitled to a second sabbatical leave, eligible administrators who have never received sabbatical leave will be given preference.
8. All programs of study in which administrators are enrolled shall be approved by the Superintendent and the Board in writing and shall be successfully undertaken within the sabbatical leave. However, these may be completed after the termination of the sabbatical.

ARTICLE V: ADVISORY CAPACITY OF THE ASSOCIATION

The Board and Association agree that both parties benefit from open two-way channels of communication. These channels shall include but not be limited to (1) monthly administrative council meetings with minutes copied to the Board, (2) representation on Superintendent and Board study committees (3) input into pertinent policy writing and (4) in general, involvement in the decision-making process.

Specifically, the Association shall have the opportunity to present its opinion regarding pending decisions that impact upon individual schools. Examples of issues include but are not limited to busing, eligibility, redistricting, grade level organization, class size, construction, school size, discipline, curriculum revision, etc.

ARTICLE VI: GRIEVANCE PROCEDURE

A. Definitions

1. A grievance is a claim by a member or the association based upon the interpretation, application or violation of the terms and conditions of employment.
2. An "aggrieved person" is the person or persons making the claim.
3. The term "Principal" includes individuals or groups who are members of the bargaining unit covered by this Agreement.
4. A "party in interest" is the person or persons making a claim and any person or persons who might be required to take action or against whom action might be taken in order to resolve the claim.
5. The term "days" shall mean school days.

B. Purpose

The primary purpose of this procedure is to secure, at the lowest level possible, equitable solutions to a claim of the aggrieved person. Both parties agree that these proceedings shall be kept confidential at each level of this procedure.

Nothing contained herein shall be construed as limiting the right of any principal with a grievance to discuss the matter informally with any appropriate member of the administration or proceeding independently as described in Section E of these procedures.

C. Time Limits

All time limits herein shall consist of school days except that when a grievance is submitted on or after June 1, time limits shall consist of all weekdays so that the matter can be resolved before the close of the school term or as soon as possible thereafter. Time limits may be extended only with the written consent of the Office of the Superintendent, the Association and the aggrieved person or persons.

D. Grievance Representation

Upon selection and certification by the Association, the Board shall recognize a grievance representative and an Association Grievance Committee of three members and a Secretary.

E. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. All time limits must be adhered to unless a modification or extension is agreed to by the Association and the Board. If such time limits are not adhered to by the Board or the Administration, the aggrieved may initiate action to the next step of this procedure. If the aggrieved or the Association fails to adhere to such time limits, the grievance shall be considered withdrawn. A grievance to be considered under this procedure must be initiated by the aggrieved or the Association within twenty (20) days of its alleged occurrence or from the time when the aggrieved or Association could reasonably have known of its occurrence.
2. The parties acknowledge that it is usually most desirable for an employee and his supervisor to resolve problems through free and informal communications. When requested by either party, the Association representative may intervene to assist in this resolution. However, should such informal processes fail to satisfy the supervisor and the principal, then a grievance may be processed as follows:

Step 1

- a] In the event the aggrieved person is not satisfied with the disposition of his grievance or if no decision has been rendered within ten (10) days after presentation of the

grievance, s/he may file the grievance in writing with the Association's grievance committee. An Association representative may assist in writing the grievance.

- b) Within five (5) days of receipt of the grievance, the Association's grievance committee shall decide whether or not there is a legitimate grievance. If the committee decides there is a legitimate grievance, it shall immediately submit the written claim to the immediate supervisor; within ten (10) days from receipt of the grievance s/he shall render a decision as to the solution.

Step 2

In the event the aggrieved person is not satisfied with the disposition of his/her grievance in Step 1, or if no decision has been rendered within ten (10) days from the date of receipt of the grievance by his/her immediate supervisor, the aggrieved may refer the grievance committee with the written consent of the aggrieved to the Superintendent of Schools. If the Superintendent of Schools has already heard the grievance at Step 1, then the aggrieved may submit the grievance to the Board of Education.

Within the ten (10) days from receipt of the written referral by the Superintendent, s/he shall meet the aggrieved for the purpose of arriving at a mutually satisfactory solution of the grievance problem. A written decision shall be rendered within five (5) days.

Step 3

- a) If the grievance is not satisfactorily resolved in Step 2, the aggrieved may refer the grievance individually or through the Association's grievance committee, with the written consent of the aggrieved, to the Board of Education unless the Board of Education has already reviewed the grievance in Step 2 above.

If the Board has reviewed the grievance in Step 2 above, then the arbitration procedures in Step 4 would be invoked.

The Board's representative will arrange a meeting with the Association's grievance committee and the Board's representatives. Each party shall have the right to include in their representation appropriate witnesses and needed counselors to develop facts pertinent to the grievance.

- b) Upon conclusion of the hearing the Board will have five (5) days in which to provide its decision in writing to the Association or the aggrieved.

Step 4

- a) If either party is not satisfied with the disposition of the grievance at Step 3 or the Step 3 time limit expires without action, then the grievance may be submitted to binding arbitration under the rules of the American Arbitration Association which shall act as administrator of

the proceedings. If neither party files a demand for a binding arbitration within ten (10) days of the date of the Board Step 3 reply, then the grievance shall be deemed withdrawn.

- b) Neither the Board nor the Association will be permitted to assert any grounds or evidence not previously disclosed to the other party.
- c) The arbitrator shall have no power to alter, add to, or subtract from the terms of this Agreement. However, it is mutually agreed that the arbitrator is empowered to include in his award such financial reimbursements as s/he judges to be proper. Each party shall bear the full cost for its side of the binding arbitration and will pay one-half (1/2) of the costs for the arbitrator.

F. Rights to Representation

No aggrieved person may be represented by any organization other than the Association or its designee in any grievance procedure initiated pursuant to this Agreement. However, if any aggrieved person wishes to engage his/her own attorney, he/she may do so.

G. Miscellaneous

1. A grievance may be withdrawn at any level without prejudice or record. However, if, in the judgment of the Association representative or the Association's Grievance Committee, the grievance affects a group of principals, the Association's Grievance Committee may process the grievance at the beginning of the grievance procedure.
2. Copies of all written decisions of grievances shall be sent to all litigants and parties in interest who may have joined in such grievance.
3. No reprisals of any kind shall be taken by or against any party of interest or any participant in the grievance procedure by reason of such participation.
4. All documents, communications, or records dealing with a grievance shall be filed separately from the personnel files of the participants and shall remain confidential unless otherwise stipulated by the aggrieved person or persons.
5. Forms for filing and processing grievances shall be designed by the Superintendent and the Association's grievance committee and shall be given appropriate distribution so as to facilitate the operation of the grievance procedure.
6. Access shall be made available to records of all information necessary to the processing of the grievance.
7. The Board acknowledges the right of the Association's Secretary and/or the Board's representative to participate in the processing of a grievance at any level.

8. No meeting or hearing pertaining to a grievance filed under this procedure may be conducted in public without the written consent of all parties of interest.

H. Statute of Limitations

In order for a grievance to be recognized by the Association or the Board, the aggrieved person must present in writing at the appropriate level a formal grievance. Such grievance shall be filed within twenty (20) days after the aggrieved person knows or reasonably should have known of the act or condition on which the grievance is based.

ARTICLE VII: MISCELLANEOUS PROVISIONS

If any provisions of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue to full force and effect.

ARTICLE VIII: WORK CONTINUITY

- A. The Association covenants and agrees that during the lifetime of this Agreement neither the Association nor any person acting in its behalf will cause, authorize, or support, nor will any of its members take part in any strike (i.e. the concerted failure to report for duty, or willful absence of any employee from his position, or stoppage of work or absenteeism in whole or part, from the full, faithful, and proper performance of the employee's duties of employment), work stoppage, slowdown, walkout or other job action against the Board. The Association agrees that such action would constitute a material breach of this Agreement.
- B. In the event of a strike, slowdown, walkout or other job action, it is covenanted and agreed that participation in any such activity by any Association member shall entitle the Board to invoke the following:
Such activity shall be deemed grounds for termination of employment of such employee or employees, subject, however, to the application of the State Law.
- C. The Association will actively discourage and will take whatever affirmative steps are necessary to prevent or terminate any strike, work stoppage, slowdown, walkout or other job action against the Board.
- D. Nothing contained herein shall be construed to limit or restrict the Board in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages or both in the event of such breach by the Association or its members.

ARTICLE IX: MANAGEMENT RIGHTS

- A. The Board hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey and of the United States.
- B. The exercise of the powers, rights, authority, duties and responsibilities of the Board, adoption of policies, rules, and regulations, and practices in furtherance thereof and the use of judgment and discretion in connection therewith shall be limited to the extent such specific and express terms hereof are in conformance with the Constitution and Laws of the State of New Jersey and of the United States.

ARTICLE X: MEMBER RIGHTS

- A. The Board agrees that every member shall have the right freely to organize, join and support the Association with the purpose of engaging in collective negotiations and other concerted activities. The Board will not directly or indirectly discourage or deprive or coerce any member in the enjoyment of any rights conferred by N.J.S.A. 34:13A-1, et. seq., or the Constitution of New Jersey and the United States. The Board further agrees that it shall not discriminate against any member with respect to hours, wages or any terms or conditions of employment by reason of membership or nonmembership in the Association, his/her participation in any activity of the Association, collective negotiations with the Board, or institution of any grievance under this Agreement.
- B. Whenever any member is required to appear before the Board or any committee or member thereof concerning any matter which could adversely affect the continuation of such personnel in his/her office, position or employment, or the salary, or any increments pertaining thereto, then such personnel shall be given prior written notice of the reasons for such meeting or interview and shall be entitled to have a person of his/her own choosing present to advise or represent him/her during such meeting or interview.

An employee shall be entitled to have a union representative present at an investigatory interview with an administrator or supervisor which he/she reasonably believes might result in disciplinary action. This right shall not extend to post-observation or evaluation conferences.

- C. Nothing contained herein shall be construed to deny or restrict to any member such rights as s/he may have under New Jersey Laws or other applicable laws and regulations.
- D. No member shall be disciplined without just cause in areas ruled negotiable.
- E. Any question or criticism by a supervisor, administrator or board member of a member and his administrating methodology shall be made in confidence and not in the presence of students, parents, or other public gatherings.

ARTICLE XI: EVALUATION

B. Personnel Files

1. Unit members shall have the right to discuss all evaluations with the Superintendent or his designee and to append their comments to said evaluation. Each evaluation shall be signed by the evaluatee designating that he/she received a copy of the evaluation and was afforded an opportunity to discuss said evaluation.

3. Although the Board agrees to protect the confidentiality of personal reference, academic credentials, and other similar documents, it shall not establish any separate personnel file which is not available for member's inspection.
4. No material of derogatory nature shall be added to nor removed from an individual's personnel file without the notification of the member. Such notification shall require that the individual sign the material to be filed even though s/he may disagree with its contents.
5. The right of access to the personnel files of members shall be restricted to the total Board of Education, to the Superintendent, his assistants and the member.

C. Complaints

1. Any complaints regarding a member made to any member of the administration by any parent, student, or other person, which are used in any manner in evaluating a member, shall be promptly investigated and called to the attention of the member. The member shall have the right to representation at any meeting or conferences the member is required to attend regarding such complaint.

2. Revision of the evaluation process may be instituted by the Association and/or the Superintendent by November 1 of any year and must be mutually agreed upon by both parties and included in the negotiated package for the following school year, and then approved by the Board.
3. The evaluative tool, when agreed upon, will be attached as Exhibit C and will be the annual tool to be used in the prescribed manner therein.

ARTICLE XII: PROFESSIONAL DEVELOPMENT AND EDUCATIONAL IMPROVEMENT
