WHEREAS, the Parties acknowledge that the terms set forth herein and attached must be approved and ratified by the City’s governing body and the Union, but that the respective bargaining agents of the Parties will recommend ratification and approval of this MOA to the Parties.

NOW THEREFORE, the Parties agree the 2022 – 2024 contract shall be modified consistent with the following:

2. Preamble of CBA (p.5 of current contract)

A. Service Credit for Sick Leave

1. All permanent Employees or full-time provisional Employees shall be entitled to sick leave with pay based on their aggregate years of service.

2. In accordance with N.J.A.C. 4A:6-1.3(g), sick leave may be utilized by Employees who are unable to work because of:

- c. **Care, for a reasonable period of time, of a seriously ill member of the employee's immediate family (see N.J.A.C. 4A:1–1.3 for definition of immediate family, see N.J.A.C. 4A:6–1.21A for family leave under State law and see N.J.A.C. 4A:6–1.21B for Federal family and medical leave); or**
- d. **Death in the employee's immediate family, for a reasonable period of time.**

If the employee elects to receive cash as compensation, the overtime payment, if possible, shall be issued concurrent with the pay for the pay-period in which it was worked, ~~or as soon thereafter as possible~~. However, it is recognized by the parties that due to certain payroll and other time constraints, it may not be possible to issue the pay in the same pay period. In that event, it will be issued with the following pay period in one check. This provision is intended to be used sparingly and in limited circumstances to provide a flexible exception to the requirement that overtime compensation be issued concurrently with compensation for the pay period in which it is worked.

Paragraph A shall be revised to delete the last paragraph providing an exception to the vacation schedule for Officer Mattera. The vacation schedule shall remain unaltered and it shall apply to all officers consistent with the Unfair Practice Charge Settlement resolving a dispute under PERC Docket Number CO-2023-005.

full time municipal or full time County Sheriff law enforcement experience (as opposed to a new hire directly from the police academy) with the required certifications (i.e., an intergovernmental transfer through civil service, or a new hire with prior law full time municipal or full time County Sheriff law enforcement experience from any other law enforcement agency within the State of New Jersey) shall be placed on the salary guide based upon the City's discretion, but with the limitation that the new hire with prior full time municipal, State or County law enforcement experience (excluding experience with the Department of Corrections and/or County Corrections) shall not be placed on the salary guide at a step higher than the step equivalent to the new hire's years of full time experience as a municipal, State or County law enforcement officer (excluding experience with the Department of Corrections and/or County Corrections) in the State of New Jersey. ## ARTICLE XII

### INSURANCE HEALTH AND WELFARE

#### A. Hospitalization and Medical Care.

The City agrees to provide comprehensive medical and hospitalization insurance through the New Jersey State Health Benefits Plan, as it exists or as modified by the State Health Benefit Program (or any other substantially similar health benefit plan), including any changes in co-pays or deductibles that may be implemented by the New Jersey State Health Benefits Program, for all employees and eligible dependents covered by this Agreement. The City agrees to pay the full cost of the NJSHBP Direct 15 Plan for employees and their eligible dependents. An employee may select coverage of another Plan offered by the NJSHBP and in the event the selected plan cost more than the Direct 15 Plan then the employee shall be responsible for paying the costs of the increased premium for the selected coverage. Payment shall be made by equal payroll deductions. Effective January 1, 2016, the City may satisfy its agreement to provide coverage under the NJSHBP Direct 15 Plan or a substantially similar plan by providing coverage under the NJSHBP 2030 Plan together with a Flex Payment Card which provides for payments of Co-Pays required under the NJSHBP 2030 Plan for the life of this Agreement.

~~In the event the health insurance plans offered by the City are in excess of the maximum amount permitted under the Affordable Care Act without triggering the excise tax (which is presently scheduled to be \$11,850 for single coverage and \$30,950 for family coverage beginning in 2020) the parties agree to meet at least six (6) months prior to the implementation of said tax to discuss implementation of a new plan that will be below that maximum amount. If the parties are unable to agree to a new plan, the City shall be authorized to provide a new plan which will be below the maximum amounts permitted under the Affordable Care Act and such plan selected and provided by the City shall be deemed to satisfy the "substantially similar" contract provision regarding the provided coverage. The City may continue to offer its then current plan or another plan whose cost is in excess of the then maximum amount permitted under the Affordable Care Act. However, if an employee elects to be covered under such a plan, the employee~~

~~will be responsible for any excise tax incurred by the employer as well as the amount of the premium cost in excess of the then maximum amount permitted under the Affordable Care Act and in addition to any other health care contributions already in effect under Chapter 78 or otherwise.~~

B. The City agrees to provide a Co-Pay Prescription Plan for employees and dependents through the New Jersey State Health Benefits Plan. The co-payments shall be determined by the New Jersey State Health Benefits Plan and may be subject to future changes to reflect the then applicable NJSHBP Plan prescription co-pays.

In the event the City changes the provider of its Prescription Plan to a carrier other than the New Jersey State Health Benefits Plan, the Prescription Co-Pays shall become the following:

- a. \$10.00 co-payment is required for Mail-In Prescriptions.
- b. \$15.00 co-payment is required for Generic Prescription Drugs.
- c. \$25.00 co-payment is required for Brand Name Prescription Drugs.

C. Dental Plan. The City shall provide a Dental Insurance Program, which includes all of the benefits which are currently included in the Dental Insurance Program, at the date of this Agreement, for the employee and his family.

D. Change in Plans and Providers. The City may, at its option, change any of the existing insurance plans or carriers providing such benefits so long as the benefits which are provided to the employees and their eligible dependents are substantially similar to the coverages and benefits currently provided to employees and so long as there is no material change in the number and availability of the network of physicians. The City further reserves the right, at its option, to self-insure any of the plans or coverages so long as the benefits which are provided to the employees and their eligible dependents are substantially similar to the coverages and benefits currently provided to employees. Disagreements regarding coverage changes can go to the grievance process and to arbitration. The City will notify the Union at least thirty

(30) days before any change is to happen. Selection of the carrier or carriers is a managerial prerogative not subject to the terms of this collective bargaining agreement. The PBA shall be provided with copies of the Master Plan documents in both the current and proposed plan prior to the implementation of the proposed plan.

E. Insurance Upon Retirement.

1. Years of Coverage:

Depending upon an employee's date of hire, he/she shall be entitled to receive health care benefits provided by the City at the expense of the City of North Wildwood, **subject to cost contributions set forth in Paragraph G below,** for one of the following periods:

(a) For employees hired on or after January 1, 2016: For a period of ten (10) consecutive years. The ten (10) year period may commence immediately upon an employee's retirement. In the alternative, at the time of retirement, an employee may waive retiree group health care coverage and retain his/her right to enroll at a later date for an alternate full ten (10) consecutive year period, provided that the employee is covered through other health insurance as either an employee through other employment or as a dependent of the employee's spouse/civil union partner. In the event the "other coverage" is lost, the employee must re-enroll within 60 days of the loss of coverage or the employee forfeits the ability to enroll in the health care program.

(b) For employees hired between June 28, 2011 and December 31, 2015: For a period of fifteen (15) consecutive years. The fifteen (15) year period may commence immediately upon an employee's retirement. In the alternative, at the time of retirement, an employee may waive retiree group health care coverage and retain his/her right to enroll at a later date for an alternate full fifteen (15) consecutive year period, provided that the employee is covered through other health insurance as either an employee through other employment or as a dependent of the employee's spouse/civil union partner. In the event the "other

coverage” is lost, the employee must re-enroll within 60 days of the loss of coverage or the employee forfeits the ability to enroll in the health care program.

(i) The parties recognize that ~~Officers Robinson and Sgt. Elliott~~ has purchased pensionable time from the State’s PFRS and, therefore, because of this purchased pension time, the parties agree that ~~Officers Robinson and Sgt. Elliott~~ shall be eligible for retiree health care benefits for SEVENTEEN (17) consecutive years of retiree health care coverage. The intent of this paragraph is to grandfather only Officers Robinson and Sgt. Elliott and no other employee shall be given years of credit for purchased pension time for the purposes of receiving retiree health care benefits. **The 17 year period may commence immediately upon retirement or later as is stated in all other paragraphs concerning the provision of retiree health insurance.**

(c) For employees hired prior on or before June 27, 2011: For a period of twenty (20) consecutive years. The twenty (20) year period may commence immediately upon an employee’s retirement. In the alternative, at the time of retirement, an employee may waive retiree group health care coverage and retain his/her right to enroll at a later date for an alternate full twenty (20) consecutive year period, provided that the employee is covered through other health insurance as either an employee through other employment or as a dependent of the employee’s spouse/civil union partner. In the event the “other coverage” is lost, the employee must re-enroll within 60 days of the loss of coverage or the employee forfeits the ability to enroll in the health care program.

Under no circumstances, however, shall any employee be entitled to retiree medical benefits without twenty (20) years of service in the City of North Wildwood.

Effective January 1, 2012, new employees shall not be entitled to retiree medical benefits unless they have twenty-five (25) years of service in the City of North Wildwood.

2. End of coverage.

Notwithstanding the above, under no circumstances shall an employee receive retiree health care benefits if either of the following occur:

(a) The employee obtains other employment having comparable coverage to that provided to the City. Once the new job is obtained, the benefits with the City of North Wildwood will terminate.

(b) The employee becomes eligible for Medicare. Upon eligibility for Medicare, the benefits with the City of North Wildwood will terminate.

### 3. Benefits Provided.

The retiree shall receive the benefits in effect for current employees, not necessarily the benefits which were in effect at the time the employee retired or the most substantially similar plan otherwise available.

### 4. Definition of Retirement.

Retirement, for the purposes of this Article shall be consistent with the standards set for retirement by the New Jersey Police and Fire Pension Laws.

### 5. Continuation of Insurance/Cost Contribution.

All such provisions for continued insurance coverage for retiring employees shall be in accordance with all applicable statutes and state regulations in effect at the time of the employee's retirement, ~~including but not limited to the provisions of N.J.S.A. 40A:10-23 as well as P.L. 2011, Chapter 78, Pension and Health Benefits Reform Law adopted June 28, 2011.~~ **Further, the parties have specifically negotiated that retiree health care contributions shall be as set forth in paragraph G below.**

In the event a retired employee, or an employee who has completed twenty-five (25) years of service, dies before his/her spouse, the spouse shall continue to be eligible as a dependent under the medical benefits package plan, but shall be terminated upon remarriage. Children of the deceased retiree, or of an

employee who dies prior to retirement with at least twenty-five (25) years of service, shall be eligible as a dependent until said child reaches age twenty-six (26). No employee may add a dependent upon or after retirement to be covered by any provision of this Agreement.

F. The New Jersey State Health Benefits Program (SHBP) provides that a municipality may allow an employee as a dependent by a spouse's employer to waive SHBP health benefits coverage. The decision of a municipality to allow its employees to waive coverage and the amount of consideration to be paid are not subject to collective bargaining.

Consistent with the provisions of the applicable law, the City is willing to adopt an Opt-Out Payment Plan as follows:

Employees enrolled in the health insurance coverage plan as provided for herein in Article 12 Section 4 may elect to waive all coverage, provided proof of coverage through another source can be demonstrated. Employees who waive all coverage shall receive an end-of-year payment in the amount of twenty-five (25%) percent of the applicable premium for the insurance plan or \$2,000, whichever is less, in lieu of the insurance, based on the number of months that the insurance was waived during the year. Payment shall be in the amount of twenty-five (25%) percent of the applicable premium, or \$2,000, whichever is less. Checks for opting out will be issued on or about December 1<sup>st</sup> of each year.

An employee who waives coverage shall be permitted to resume coverage by making an application for coverage during an open enrollment period in accordance with the provisions of the State Health Benefits Program.

Further, an employee who waives coverage shall be permitted to immediately resume coverage if the employee ceases to be eligible for other health care coverage for any reason, including, but not limited to, the retirement or death of the spouse or divorce. An employee who resumes coverage shall repay, on a pro rata basis, any amount received from the employer which represents an advance payment for a period of time during which coverage was resumed. An employee who wishes to resume coverage shall notify

the employer in writing and file a declaration with the division, in such form as the director of the division shall prescribe, that the waiver is revoked.

Further in accordance with the provisions of the applicable law which provides that the decision of a municipality to allow its employees to waive coverage and the amount of consideration to be paid are not subject to collective bargaining, the City maintains the right to terminate, revise and modify the Opt-Out Payment Plan set forth herein.

**G. Cost Contribution**

**Active employees** shall contribute to the costs of the Health Benefit Plan coverages in accordance with **tier four of** P.L. 2011, Chapter 78.

**Retired employees shall contribute as follows:**

1. **Employees who are currently in this Unit, that qualify for twenty (20) years of health care coverage in retirement (hired on or before June 27, 2011) and were hired prior to May 21, 2010, shall contribute 1.5% of their pension in retirement. Specifically, this shall apply to Sgt. P. Flynn, Sgt. J. Flynn, Sgt. Griser, Ofc. Massie, and Ofc. Santiago.**
2. **All other employees in this unit that are not addressed above shall contribute seven and one half (7.5%) percent of the applicable health care premium in retirement.**

**H. #### B. 42 Hour Week/8 Hour Day Employees.

All Employees not subject to the Shift Schedule described in Section A. above shall be subject to an 8 hour shift/42 hour work week schedule. If an Employee is required to work longer than an eight (8) hour day, he shall be entitled to overtime at one and one-half his regular rate of pay.

If an Employee is required to work longer than a forty-two (42) hour work week, he shall be entitled to overtime pay at one and one-half times his regular rate of pay, provided, however, a forty-two (42) hour work week is presently in effect.

C. If an Employee works one hour and fifteen minutes overtime, he shall be paid time and one-half for one hour. Time between fifteen minutes and forty minutes past the hour shall be time and one-half ninety (90) minutes. Any time worked beyond one hour and forty-five minutes shall

constitute two hours at one and one-half times the Employee's regular rate of pay. For additional information, attached hereto as Exhibit "C".

D. The Employee shall receive one hundred four (104) hours a year at his regular rate of pay to compensate for the forty-two (42) hour work schedule. The Employee shall have the option of being compensated in time or be paid his regular rate of pay. In the event an employee elects to receive straight time under this section, the time shall be added to the employee's comp time bank.

Employees shall be compensated for overtime in either cash or compensatory time. Employees shall fill out an overtime form at the conclusion of the shift that shall indicate the employee's choice to be compensated in cash or comp time. If the employee elects to receive cash as compensation, the overtime payment, if possible, shall be issued concurrent with the pay for the pay-period in which it was worked. However, it is recognized by the parties that due to certain payroll and other time constraints, it may not be possible to issue the pay in the same pay period. In that event, it will be issued with the following pay period in one check. This provision is intended to be used sparingly and in limited circumstances to provide a flexible exception to the requirement that overtime compensation be issued concurrently with compensation for the pay period in which it is worked.

An employee's comp time bank shall not exceed 300 hours.

Requests for payments of compensatory time accumulated in an employee's bank shall be made by the employee and issued by the City on a quarterly basis. An employee shall make a request at least two weeks prior to the quarterly issue, and the City shall issue payments for

accumulated compensatory time as follows: First Pay in March; First Pay in June; First Pay in September; and First Pay in December.

E. The City reserves the right to change the Employee's work shift, provided the change is feasible and will provide adequate manpower on all shifts, and notice of the change shall normally be given at least 45 days in advance. In the event of an unanticipated personnel issue or emergency, where 45 days' notice is not possible, the Chief or his designee shall provide as much notice as is practicable under the circumstances.

F. If an Employee, other than a detective as addressed below, is recalled to duty, he shall receive a minimum of three (3) hours at one and one-half times their regular rate of pay, however, this call-in pay shall not apply to the cancellation of a scheduled compensatory day off unless the compensatory day off has been scheduled at least three (3) days in advance. Cellular phones will be paid for and supplied to all regularly assigned detectives. Detectives that are called in to work outside of their regular schedule work hours shall receive a minimum value equivalent to three (3) hours of pay at the employee's straight time rate.

**DETECTIVE CALL-INS:**

These terms memorialize the current practice in which employees receive compensation for being "on-call" detectives and that on-call detectives shall receive one hundred and four (104) hours a year at their regular rate of pay. The employees shall have the option of being compensated in time or be paid his regular rate of pay. In the event the employee is not in the detective bureau for a full year, this benefit shall be pro-rated.

These terms also memorialize the current practice in which employees receive compensation for being a training officer and for being a seasonal-sergeant. The practice of compensating a training officer and a seasonal-sergeant with one hundred and four (104) hours a year at their regular rate of pay shall continue. The employee shall have the option of being compensated in time or be paid his regular rate of pay. In the event an employee is not a training officer for the full year, or a seasonal sergeant is not in the position for a full season, this benefit shall be prorated.

G. If an Employee is called to duty on his day off, he shall be paid for all hours worked and shall be guaranteed a minimum of three (3) hours at one and one-half times his regular rate of pay, except for court appearance(s) which fall under Article XVI of this agreement.

H. **Stand-by.**

If an Employee is requested to stand-by at his residence, he shall receive a minimum of three (3) hours at Employee's regular rate of pay. No payment shall be made unless the employee notifies the Division Commander upon receipt of a subpoena prior to the date of the stand-by subpoena.

I. **Overtime Assignments.**

The City agrees to allocate and assign overtime opportunities as equitably as possible with consideration maintained for special skills or experience.

Normally, the following overtime procedures will be followed:

1. In the event a regular police officer is absent from duty and the City elects to replace that officer, then the City shall first contact and offer overtime to the regular

police officer within the rank in descending order pursuant to a seniority list established at the beginning of the year. When no regular police officers are available, the City can assign special police officers to fill these overtime opportunities. Nevertheless, overtime shall not be offered to a police officer if he has worked the prior shift or is scheduled to work the shift following the shift that overtime is available.

2. In the event the City determines that additional manpower is required for normal operation (as opposed to the replacement of an absent police officer), then during the period from October 1<sup>st</sup> through May 15<sup>th</sup> the City shall first contact and offer overtime to the regular police officer within the rank in descending order pursuant to a seniority list established at the beginning of each year. Nevertheless, overtime shall not be offered to a police officer if he has worked the prior shift or is scheduled to work the shift following the shift that overtime is available. During the period from May 15<sup>th</sup> through October 1<sup>st</sup>, the City may call in special officers prior to offering overtime to regular police officers.

3. In the event the City determines that additional manpower is required for Special Events such as and including but not limited to the Irish Weekend, Italian Festival, New Jersey State BBQ, Hogs Weekend, FMBA Convention, Mummers String Band Weekend and similar Special Events, the City may continue its practice of assigning Special Event duty to temporary, part-time, or special reserved police

officers prior to assigning overtime to regular police officers.

4. Extra Duty Pay. Officers shall receive a flat rate of \$70 per hour for all hours actually worked during extra duty assignments for a third party. Time actually worked during extra duty assignments for third parties shall not count toward hours worked for the purposes of calculating overtime compensation. Further, extra duty work under this provision shall only be available to an officer when the officer is otherwise scheduled to be off duty and performs the work for a third party who provides compensation to the City for these police services. Extra duty pay shall not apply in instances where a special event is held by the City or when special event services are provided to a third party by the City.

**ARTICLE IX**

**EXCHANGE OF DAYS OFF**

The Chief of the Department, or his designee, may grant the request of any permanent member of the Department to exchange hours, duties, or days off. Such request, if granted, shall be on a uniform basis with standard rules and regulations established by the Chief and applying to all permanent members of the Department who make such request.

It is understood that the provisions of this Article allow a Sergeant and an officer in charge to exchange hours, duties, or days off, but only after approval by the Chief of Police or the Chief's designee.

**ARTICLE X**

C. Vacation time shall be computed from the original date of continuous employment. Annual vacation leave with pay is earned on a pro-rated basis based upon an employee's service with the City. Initial year of hire vacation days must be earned before they can be used. Each year thereafter, each

employee shall become entitled to his or her vacation leave as specified in Paragraph A, above on January 1<sup>st</sup> of said year. An employee who leaves City service before end of calendar year shall have his or her vacation leave pro-rated based upon time earned. An employee shall reimburse the City for paid vacation leave days used in excess of his or her pro-rated entitlement. An employee who leaves City Government service shall be paid for unused earned vacation leave which is all prior year earned time permitted to be carried forward and the pro-rated portion of earned time in the current year up to and including the date of termination or retirement.

An employee who exhausts all paid vacation leave in any one year shall not be credited with additional paid vacation leave until the beginning of the next calendar year. Upon death of employee, unused vacation leave shall be paid to the employee's estate. Vacation leave is not earned during the period of time while the employee is on suspension or on leave of absence without pay.

D. Subject to termination by the City at any time, the Chief may approve requests by full-time officers to take vacation, personal days or compensatory time-off during the summer season so long as the full-time officer can be replaced or not be replaced at all and so long as his/her absence in the opinion of the Chief will not adversely affect the efficient operation of the Department.

**ARTICLE XI**

Thereafter, at the beginning of each calendar year, in anticipation of continued employment, employees shall be credited with twenty-four (24) hours of Personal Leave. An employee who leaves City service before the end of a calendar year shall have his or her Personal Leave hours pro-rated, based upon time earned. An employee shall reimburse the City for paid Personal Leave hours used in excess of his or her pro-rated entitlement.

B. Compensatory day off may be taken with the permission of the Chief or his designee after Labor Day and until the Thursday before the Memorial Day weekend.

### INSURANCE HEALTH AND WELFARE

#### A. Hospitalization and Medical Care.

The City agrees to provide comprehensive medical and hospitalization insurance through the New Jersey State Health Benefits Plan, as it exists or as modified by the State Health Benefit Program (or any other substantially similar health benefit plan), including any changes in co-pays or deductibles that may be implemented by the New Jersey State Health Benefits Program, for all employees and eligible dependents covered by this Agreement. The City agrees to pay the full cost of the NJSHBP Direct 15 Plan for employees and their eligible dependents. An employee may select coverage of another Plan offered by the NJSHBP and in the event the selected plan cost more than the Direct 15 Plan then the employee shall be responsible for paying the costs of the increased premium for the selected coverage. Payment shall be made by equal payroll deductions. Effective January 1, 2016, the City may satisfy its agreement to provide coverage under the NJSHBP Direct 15 Plan or a substantially similar plan by providing coverage under the NJSHBP 2030 Plan together with a Flex Payment Card which provides for payments of Co-Pays required under the NJSHBP 2030 Plan for the life of this Agreement.

B. The City agrees to provide a Co-Pay Prescription Plan for employees and dependents through the New Jersey State Health Benefits Plan. The co-payments shall be determined by the New Jersey State Health Benefits Plan and may be subject to future changes to reflect the then applicable NJSHBP Plan prescription co-pays.

In the event the City changes the provider of its Prescription Plan to a carrier other than the New

Jersey State Health Benefits Plan, the Prescription Co-Pays shall become the following:

- a. \$10.00 co-payment is required for Mail-In Prescriptions.
- b. \$15.00 co-payment is required for Generic Prescription Drugs.
- c. \$25.00 co-payment is required for Brand Name Prescription Drugs.

C. Dental Plan. The City shall provide a Dental Insurance Program, which includes all of the benefits which are currently included in the Dental Insurance Program, at the date of this Agreement, for the employee and his family.

D. Change in Plans and Providers. The City may, at its option, change any of the existing insurance plans or carriers providing such benefits so long as the benefits which are provided to the employees and their eligible dependents are substantially similar to the coverages and benefits currently provided to employees and so long as there is no material change in the number and availability of the network of physicians. The City further reserves the right, at its option, to self-insure any of the plans or coverages so long as the benefits which are provided to the employees and their eligible dependents are substantially similar to the coverages and benefits currently provided to employees. Disagreements regarding coverage changes can go to the grievance process and to arbitration. The City will notify the Union at least thirty (30) days before any change is to happen. Selection of the carrier or carriers is a managerial prerogative not subject to the terms of this collective bargaining agreement. The PBA shall be provided with copies of the Master Plan documents in both the current and proposed plan prior to the implementation of the proposed plan.

E. Insurance Upon Retirement.

I. Years of Coverage:

Depending upon an employee's date of hire, he/she shall be entitled to receive health care benefits provided by the City at the expense of the City of North Wildwood, subject to cost contributions set forth in Paragraph G below, for one of the following periods:

(a) For employees hired on or after January 1, 2016: For a period of ten (10) consecutive years. The ten (10) year period may commence immediately upon an employee's retirement. In the alternative, at the time of retirement, an employee may waive retiree group health care coverage and retain his/her right to enroll at a later date for an alternate full ten (10) consecutive year period, provided that the employee is covered through other health insurance as either an employee through other employment or as a dependent of the employee's spouse/civil union partner. In the event the "other coverage" is lost, the employee must re-enroll within 60 days of the loss of coverage or the employee forfeits the ability to enroll in the health care program.

(b) For employees hired between June 28, 2011 and December 31, 2015: For a period of fifteen (15) consecutive years. The fifteen (15) year period may commence immediately upon an employee's retirement. In the alternative, at the time of retirement, an employee may waive retiree group health care coverage and retain his/her right to enroll at a later date for an alternate full fifteen (15) consecutive year period, provided that the employee is covered through other health insurance as either an employee through other employment or as a dependent of the employee's spouse/civil union partner. In the event the "other coverage" is lost, the employee must re-enroll within 60 days of the loss of coverage or the employee forfeits the ability to enroll in the health care program.

(i) The parties recognize that Sgt. Elliott has purchased pensionable time from the State's

PFRS and, therefore, because of this purchased pension time, the parties agree that Sgt. Elliott shall be eligible for retiree health care benefits for SEVENTEEN (17) consecutive years of retiree health care coverage. The intent of this paragraph is to grandfather only Sgt. Elliott and no other employee shall be given years of credit for purchased pension time for the purposes of receiving retiree health care benefits. The 17 year period may commence immediately upon retirement or later as is stated in all other paragraphs concerning the provision of retiree health insurance.

(c) For employees hired prior on or before June 27, 2011: For a period of twenty (20) consecutive years. The twenty (20) year period may commence immediately upon an employee's retirement. In the alternative, at the time of retirement, an employee may waive retiree group health care coverage and retain his/her right to enroll at a later date for an alternate full twenty (20) consecutive year period, provided that the employee is covered through other health insurance as either an employee through other employment or as a dependent of the employee's spouse/civil union partner. In the event the "other coverage" is lost, the employee must re-enroll within 60 days of the loss of coverage or the employee forfeits the ability to enroll in the health care program.

Under no circumstances, however, shall any employee be entitled to retiree medical benefits without twenty (20) years of service in the City of North Wildwood.

Effective January 1, 2012, new employees shall not be entitled to retiree medical benefits unless they have twenty-five (25) years of service in the City of North Wildwood.

2. End of coverage.

Notwithstanding the above, under no circumstances shall an employee receive retiree health care

benefits if either of the following occur:

(a) The employee obtains other employment having comparable coverage to that provided to the City. Once the new job is obtained, the benefits with the City of North Wildwood will terminate.

(b) The employee becomes eligible for Medicare. Upon eligibility for Medicare, the benefits with the City of North Wildwood will terminate.

3. Benefits Provided.

The retiree shall receive the benefits in effect for current employees, not necessarily the benefits which were in effect at the time the employee retired or the most substantially similar plan otherwise available.

4. Definition of Retirement.

Retirement, for the purposes of this Article shall be consistent with the standards set for retirement by the New Jersey Police and Fire Pension Laws.

5. Continuation of Insurance/Cost Contribution.

All such provisions for continued insurance coverage for retiring employees shall be in accordance with all applicable statutes and state regulations in effect at the time of the employee's retirement. Further, the parties have specifically negotiated that retiree health care contributions shall be as set forth in paragraph G below.

In the event a retired employee, or an employee who has completed twenty-five (25) years of service, dies before his/her spouse, the spouse shall continue to be eligible as a dependent under the medical benefits package plan, but shall be terminated upon remarriage. Children of the deceased retiree, or of an employee

who dies prior to retirement with at least twenty-five (25) years of service, shall be eligible as a dependent until said child reaches age twenty-six (26). No employee may add a dependent upon or after retirement to be covered by any provision of this Agreement.

F. The New Jersey State Health Benefits Program (SHBP) provides that a municipality may allow an employee as a dependent by a spouse's employer to waive SHBP health benefits coverage. The decision of a municipality to allow its employees to waive coverage and the amount of consideration to be paid are not subject to collective bargaining.

Consistent with the provisions of the applicable law, the City is willing to adopt an Opt-Out Payment Plan as follows:

Employees enrolled in the health insurance coverage plan as provided for herein may elect to waive all coverage, provided proof of coverage through another source can be demonstrated. Employees who waive all coverage shall receive an end-of-year payment in the amount of twenty-five (25%) percent of the applicable premium for the insurance plan or \$2,000, whichever is less, in lieu of the insurance, based on the number of months that the insurance was waived during the year. Payment shall be in the amount of twenty-five (25%) percent of the applicable premium, or \$2,000, whichever is less. Checks for opting out will be issued on or about December 1<sup>st</sup> of each year.

An employee who waives coverage shall be permitted to resume coverage by making an application for coverage during an open enrollment period in accordance with the provisions of the State Health Benefits Program.

Further, an employee who waives coverage shall be permitted to immediately resume coverage if the

employee ceases to be eligible for other health care coverage for any reason, including, but not limited to, the retirement or death of the spouse or divorce. An employee who resumes coverage shall repay, on a pro rata basis, any amount received from the employer which represents an advance payment for a period of time during which coverage was is resumed. An employee who wishes to resume coverage shall notify the employer in writing and file a declaration with the division, in such form as the director of the division shall prescribe, that the waiver is revoked.

Further in accordance with the provisions of the applicable law which provides that the decision of a municipality to allow its employees to waive coverage and the amount of consideration to be paid are not subject to collective bargaining, the City maintains the right to terminate, revise and modify the Opt-Out Payment Plan set forth herein.

**G. Cost Contribution**

Active employees shall contribute to the costs of the Health Benefit Plan coverages in accordance with tier four of P.L. 2011, Chapter 78.

Retired employees shall contribute as follows:

1. Employees who are currently in this Unit, that qualify for twenty (20) years of health care coverage in retirement (hired on or before June 27, 2011) and were hired prior to May 21, 2010, shall contribute 1.5% of their pension in retirement. Specifically, this shall apply to Sgt. P. Flynn, Sgt. J. Flynn, Sgt. Griser, Ofc. Massie, and Ofc. Santiago.
2. All other employees in this unit that are not addressed above shall contribute seven and one half (7.5%) percent of the applicable health care premium in retirement.

H. An officer injured in the line of duty that is awarded an accidental disability retirement pension by NJ PFRS shall receive full health insurance coverage from the date of injury until Medicare eligibility. An officer inured in the line of duty that is awarded an accidental disability retirement pension by NJ PFRS shall only pay minimum retiree contributions toward healthcare required by law, if any.

I. The City shall provide insurance coverage on Employees in their personal vehicles when said vehicles are used on recalls or when used otherwise in the scope of employment.

J. The City shall supply to all Employees necessary legal advice and counsel in the defense of charges filed against them in the performance of their duty in accordance with the applicable New Jersey statutes.
