2. Times as indicated exclude Saturday, Sunday and legal holidays, except where calendar days are indicated.

3. Step Procedure:

Step One: Within twenty (20) calendar days after its occurrence, or within twenty (20) calendar days after he knew or should have known of its existence, the aggrieved or the Association shall institute action in writing under the provisions hereof. The Chief or designee shall investigate the grievance and provide a written answer to the grievant within seven (7) calendar days of the date of submission. The time

limit in preparing a written grievance or written response may be waived by mutual agreement. Failure to act within specified time limit shall be deemed to constitute an abandonment of the grievance.

Step Two: In the event the grievance is not resolved at Step One, or if not written response is received by the grievant, then the grievance shall then be submitted in writing within ten (10) calendar days, by the grievant, to the Chief of Police. The Chief of Police shall submit his written answer, to the grievant, within seven (7) calendar days. This time limit may be waived by mutual agreement.

Step Three: In the event the grievance shall not have been resolved at Step Two, or if no written response from the Chief of Police is received by the grievant, then, the grievance shall be submitted within ten (10) calendar days to the Township Administrator by the grievant. The Township Administrator shall investigate and report his findings and recommendations, in writing, within twenty (20) calendar days to the grievant, the Chief of Police and to the attorney or representative for the grievant, if any.

Any employer grievance will be filed with the PBA President at Step Three. The PBA President shall respond, in writing, within seven (7) calendar days to the Township Administrator. The times indicated may be extended by mutual agreement.

Step Four: In the event the grievance shall not have

been resolved at Step Three, and in the instance of an employer grievance at Step Three, then the grievant may seek relief at arbitration as herein specified, except that in all matters involving Federal or State constitutional issues or Civil Rights questions, the grievant shall have the right to seek a resolution of his grievance either at binding arbitration or in the Courts. In all respects the initiation of binding arbitration or Court process shall begin within forty-five (45) days after receipt of a written resolution from the Township Administrator

4. Arbitration:

A. Arbitration requests shall be directed to the Public Employee Relations Commission subject to the rules then existing of such agency. The aggrieved party shall copy to the other party on his request. The request shall specify the particulars of the grievance and the Contract provision(s) allegedly violated.

B. The selection of the independent arbitrator shall be made pursuant to the rules then existing of the Public Employees Relations Commission.

C. The arbitrator shall hold the hearing at a time and place convenient to the parties and no later than thirty (30) calendar days after his acceptance to act as arbitrator. The arbitrator shall issue his decision in writing with reasons within twenty-one ((21) days after the close of the hearing. The decision of the arbitrator shall be served upon the Employee or Employees aggrieved, the Employee's representative, the Township

and the PBA, in writing. In the event a disagreement exists regarding the arbitrability of an issue, the arbitrator shall make a preliminary determination as to whether the issue is arbitrable under the express terms of this Agreement. Once a preliminary determination is made that such a dispute is arbitrable, the arbitrator shall then proceed to determine the merits of the dispute.

D. Unless otherwise mutually agreed, the submission to the arbitrator shall be based on the original written grievance and issues submitted in the grievance procedure at Step One. This paragraph shall not be construed as to limit the submission of proofs by the parties.

E. An arbitrator shall not have the power or authority to add to, subtract from, or modify the provisions of this Agreement or the Laws of the State of New Jersey, and shall confine his decisions solely to the interpretation and application of this Agreement. He shall confine himself to the precise issues submitted for arbitration and shall have no authority to determine any other issues not so submitted to him. The arbitrator shall not submit observations or declarations of his opinions which are not relevant in reaching the determination. The arbitrator may prescribe an appropriate back pay remedy when he finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with the terms of the Agreement. The arbitrator shall have no authority to prescribe a monetary award as a penalty for a violation of this

Agreement, except as provided within the Agreement. The arbitrator shall not have the authority to add to or subtract from or modify any of the terms of this Agreement or to limit or impair any right that is reserved to the Township or the PBA or Employee or to establish or change any wage or rate of pay that has been agreed to in this Agreement, except where the arbitrator finds that a clause in this Agreement is illegal or unconstitutional.

F. The PBA may not withdraw any notice of its desire to arbitrate a case or otherwise discontinue arbitration proceedings except with prejudice, unless the Township shall consent that such withdrawal of discontinuance is without prejudice.

G. The decision of the arbitrator is final and binding upon both parties and the grievance shall be considered permanently resolved.

H. The expenses of the arbitrator shall be shared equally by both parties. Each party shall make arrangements for and pay the witnesses which are called by it.

I. If the Public Employees Relations Commissions is abolished or its mission substantially changed to the extent of it handling arbitrable matters, the parties shall meet to agree upon another method for choosing an arbitrator.

5. General Provisions and Exceptions to Grievance Procedure:

A. No grievance settlement reached under the terms of the Agreement shall add to, subtract from, or modify the terms of the Agreement.

B. Grievance resolutions or decisions at Step One through step Four shall not constitute a precedent in any arbitration or other proceeding unless a specific Agreement to that effect is made by the Township and the PBA.

C. Where a grievance involves, exclusively, an alleged error in calculation of salary payment, the grievance may be timely filed within thirty (30) days of the time the individual should reasonably have known of its occurrence.

D. Where a grievance has been previously submitted in writing and the grievant requires time to investigate such grievance to achieve an understanding of the specific work problem during working hours, the grievant or a representative of the PBA will be granted permission and reasonable time, to a limit of four (4) hours to investigate, without loss of pay. It is understood that the supervising personnel in the Police Department shall schedule such time release. Such time release shall not be unreasonably withheld and upon request, could be extended beyond a four (4) hour limit for specified reasons, if to the supervisor, the circumstances warrant an exception to this limit. Where circumstances require, the supervisor shall authorize additional time required for travel.

E. The aggrieved Employee and his designated Employee Representative shall be allowed time off without loss of pay:

(a) As may be required for appearance at a hearing of the Employee's grievance scheduled during working hours.

F. Where the Employee or the PBA requests Employee witnesses, permission for a reasonable number of witnesses required during a grievance proceeding will be granted. A witness at such proceedings will be permitted to appear without loss of pay for the time of appearance as required if during his normal scheduled working hours. The witnesses to appear for the grievant shall, when called to testify, be excused from duty with no loss of pay.

ARTICLE XXXVII
