- B. The exercise of the foregoing powers, rights, authority, duties or responsibilities of the Borough, the adoption of policies, rules, regulations and practices in furtherance thereof, shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the Constitution and Laws of New Jersey and the United States.
- C. Nothing contained herein shall be construed to deny or restrict the Borough of its rights, responsibilities and authority under R.S. 40, R.S. 11 or any other national, state, county or local laws or ordinances.

An employee who has been absent on sick leave for a period totalling eight (8) or more days in one (1) calendar year consisting of three or more separate periods shall be required to submit acceptable medical evidence of his illness for payment for that period and for any additional sick leave in that year. The appropriate authority may be required proof of illness of an employee on sick leave whenever such requirement appears reasonable and warranted under the circumstances at its expense.

 - A. If the employee, when under medical care, fails to carry out the instructions of the attending physician,
 - B. If, in the opinion of the Borough Medical Examiner, the disability or illness is not of sufficient severity to justify the employee's absence from duty.
- I. Leave for ordinary dental care or for the services of any eye specialist for normal eye care do not qualify as a disability as such professional services are readily available outside of normal working hours.
- J. Any employee receiving disability payments who, in addition, qualifies for payments under Workmen's Compensation benefits, shall during the period he is receiving such benefits be entitled to no greater portion of his disability payments than the net difference between them.
- K. It shall be the responsibility of the employee to notify his supervisor of an absence due to illness as soon as is reasonably practicable. Failure to so notify may result in a forfeiture of such sick leave credit.

L. Leave of Absence as a Result of Injury or Disability Resulting From or Arising Out of Employment:

1. When a full-time permanent Borough employee or part-time permanent staff employee shall be injured or disabled resulting from or arising out of his employment and such injury or disability shall be evidenced by the certificate of a physician designated by the Mayor and Council of the Borough of Bernardsville to examine such person, the Mayor and Council of the Borough of Bernardsville shall by resolution pursuant to N.J.S.A. 40A:9-7 grant the injured or disabled employee a leave of absence with pay for a period not exceeding six (6) months.
