This Agreement entered into this \_\_\_\_\_ day of \_\_\_\_\_, 19\_\_\_\_, by and between the Salem County Board for Vocational Education, hereinafter called the "Board," and the Salem County Vocational Teachers Association, hereinafter called the "Association." This agreement is effective on September 1, 1978 and expires on August 31, 1981. Salary for the 1980-81 school year is the only item subject to negotiation during the life of this contract.

WITNESSETH:

WHEREAS, the Board and the Association recognize and declare that providing a quality vocational education program for the students of the Salem County Vocational Technical Schools is their primary aim and that the character of such education depends predominantly upon the quality of teaching, the availability of materials, the functional utility of facilities, and the maintenance of high morale among the staff and students, and

WHEREAS, the members of the vocational teaching profession are qualified to advise the formulation of programs

designed to improve vocational education programs and the employability of students, and

WHEREAS, the Board pursuant to Chapter 123, Public Laws 1974, shall negotiate with the Association as the representative of employees hereinafter designated with respect to terms and conditions of employment, and

WHEREAS, the parties have reached certain understandings which they desire to confirm in this Agreement, be it

RESOLVED, in consideration of the following mutual covenants, it is hereby agreed as follows:

## ARTICLE I

### Recognition

#### A. Unit

The Board hereby recognizes the Salem County Vocational Teachers Association as the exclusive and sole representative of the professional staff, as defined below, for collective negotiation concerning grievances and terms and conditions of employment.

Professional Staff: Those full-time day school teaching staff members who hold an appropriate New Jersey teaching certificate for the position for which they are employed.

#### B. Definition of Teacher

Unless otherwise indicated, the term "teachers", where used hereinafter in this Agreement, shall refer to all professional employees represented by the Association in the negotiating unit as above defined, and references to male teachers shall include female teachers.

## ARTICLE II

### Negotiation Procedure

#### A. Deadline Date

The parties agree to enter into collective negotiation over a successor Agreement in accordance with Chapter 123, Public Laws 1974, in a good-faith effort to reach agreement on all matters concerning teacher employment. Such negotiations shall begin not later than September 15th of the calendar year preceding the calendar year in which this Agreement expires, unless a change in date is mutually agreed to by both parties. Any Agreement so negotiated shall apply to all teachers, be reduced to writing, be signed by the Board and the Association, and shall be adopted by both parties.

#### B.

During negotiations, the Board and the Association shall present relevant data, exchange points of view, and make proposals and counterproposals. The Board shall, upon

request of the Association, make available to the Association for inspection all public records.

C.

The Board agrees not to negotiate concerning said employees in the negotiating unit as defined in the RECOGNITION of the Agreement, with any organization other than that designated as the representative pursuant to Chapter 123, Public Laws 1974, for the duration of this Agreement.

D.

This Agreement incorporates the entire understanding of the parties on matters which were the subject of negotiation. During the term of this Agreement, neither party shall be required to negotiate with respect to any matter whether or not covered by this Agreement and whether or not within the contemplation of either or both of the parties at the time they negotiated or executed this Agreement. All items in the Agreement become part of Board Policy; all items not covered by the Agreement are subject to Board Policy.

E. Modification

This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE III

Grievance Procedure

A. Definitions

1. Grievance

A "grievance" is a claim by a teacher or the Association based upon the interpretation, application, or violation of this Agreement. Grievances concerning Board policies and administrative decisions that affect terms and conditions of employment not covered by the contract grievance procedure may be filed in accordance with Sections A, B, C and D of this article, excepting if such grievance shall not proceed beyond level three and the decisions reached at that level shall be considered final in terms of this contract.

2. Aggrieved Person

An "aggrieved person" is the person or persons or the Association making the claim.

3. Party in Interest

A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

The purpose of this procedure is to secure, at the

lowest possible level, equitable solutions to the problems which may from time to time arise affecting teachers. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Time Limits

The number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement. Any grievance filed under the conditions of this Agreement must be filed within twelve (12) school days of the occurrence of the alleged incident or action.

2. Year-End Grievances

In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein may be reduced so that the grievance procedure can be exhausted prior to the end of the school year or as soon thereafter as is practicable.

3. Continuation of Responsibility

It is understood that any employee grievant shall,

during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been duly determined.

4. Level One - Principal or Immediate Superior

A teacher with a grievance shall first discuss it with his principal or immediate superior with the objective of resolving the matter informally. A decision shall be given by the principal or immediate superior within five (5) school days.

5. Level Two - Superintendent

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five (5) school days after the presentation of the grievance, he may file the grievance in writing with the Association within five (5) school days after the decision at Level One or ten (10) school days after the grievance was presented, whichever is sooner. Within five (5) school days after receiving the written grievance, the Association shall refer it to the superintendent of schools. The superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days from the date of receipt of the appeal. The superintendent shall communicate his decision in writing to the employee

grievant, to the Association, and to the principal or other immediate superior.

6. Level Three - Board

If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the superintendent, he may, within five (5) school days after a decision by the superintendent or fifteen (15) school days after the grievance was delivered to the superintendent, whichever is sooner, request a review by the Board of Education. The request shall be submitted in writing through the superintendent, who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall review the grievance and shall, at the option of the Board or at the request of the grievant, hold a hearing with the grievant and render a decision in writing and forward copies thereof to the grievant and to the Association within thirty (30) calendar days of receipt of the appeal by the superintendent or, if a hearing is held, within ten (10) calendar days of the date of the hearing. The referred to hearing shall be held within fifteen (15) school days after receipt of the appeal notice.

7. Level Four - Arbitration

(a) If the aggrieved persons is not satisfied

with the disposition of his grievance at Level Three, the grievant may request in writing that the Association submit the grievance to arbitration. If the Association determines that the grievance is meritorious, it may request the appointment of an arbitrator, such request to be made known to the superintendent within twenty (20) school days of receipt of the Board decision.

(b) Within thirty (30) days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by either party. The parties shall then be bound by the rules and procedures of the American Arbitration Association. The expenses of arbitration will be shared equally by the Board and the Association.

(c) The arbitrator's decision shall be in writing and shall be submitted to the Board and the Association and shall be advisory only on the parties.

D. Rights of Members to Representation

1. Teacher and Association

Any aggrieved person may be represented during the grievance procedure by himself or, at his option, by a representative selected and approved by the Association. When a teacher is not represented by the Association, the Association shall have the right to be present at all stages of the grievance procedure after Level One and shall have the option to submit its views in writing.

The Association shall be advised of the disposition of said grievance.

2. Reprisals

No reprisals of any kind shall be taken by the Board or by any member of the administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

3. Meetings and Hearings

Meetings and hearings at levels one and two of this procedure shall be conducted in public and shall include only such parties in interest and their designated or selected representatives heretofore referred to in this Article; and at other levels meetings and hearings shall be held in compliance with the Open Public Meetings Act (N.J. Any teacher who accepts work for a non-professional area shall negotiate the rate of compensation with the Board of Education on an individual basis. Every effort will be made to obtain a substitute teacher when such is necessitated due to the absence of the regular teacher. It is recognized by the Salem County

Vocational Teachers Association that in order for substitute teachers to be obtained administrative procedures established for proper identification of absence must be adhered to and that substitute lesson plans must be adequate and up to date. If it is necessary due to circumstances beyond the control of school officials to place students from their assigned classes into other areas, the teacher will first be asked and every attempt will be made to move students into occupational cluster areas with as much similarity to their own as possible.
