THIS AGREEMENT entered into between the Board of Chosen Freeholders of the County of Burlington, hereinafter referred to as the "Employer" and PBA Local No. 249 Superior Officers Committee, hereinafter referred to as the "Association," has as its purpose the promotion of harmonious relations between the Employer and the Association; the establishment of equitable and peaceful procedures for the work and other conditions of employment, whether such employees are of provisional or permanent status.

The Employer recognizes the Association as the bargaining agent for the purpose of establishing salaries, wages, hours and other conditions of employment for all of its employees in the classifications listed herein, and for such additional classifications as the parties may later agree to include. However, upon the death of an officer covered under this Agreement, retroactive wages shall be paid to said officer's estate.

ARTICLE III - UNIFORM ALLOWANCE

- A. The parties expressly recognize that it is the Employer's exclusive and unilateral right to determine whether any or all of its officers shall be required to wear uniforms or adhere to other dress requirements. Inspections may be conducted by the Jail Administrator or his designee to ensure compliance. All superior officers shall maintain and wear the proper uniform for superior officers as prescribed herein. Any and all new dress requirements shall be in writing prior to enforcement.
- B. An inventory of available uniforms and equipment shall be maintained by the Jail Administrator or his designee and shall be checked prior to submitting a purchase order for new officers.
- C. Burlington County agrees to provide the initial issue of uniforms to all new officers in this unit as follows:

One (1) all leather Garrison belt with gold buckle
One (1) whistle, gold

1. Newly promoted officers will be eligible to receive a pro rated cash uniform allowance as set forth under Paragraphs D(2) and (3) of this article for the remainder of the calendar year in which the "one year/initial issue restriction" expires.

2. For the purposes of Par. D., below, the County shall permit the Clothing Allowance to be used for the following items:

- Class A & B uniforms
- Turtle necks or mock-turtle neck shirts
- BDU uniforms including approved polo shirts
- Boots & Shoes
- Nylon and leather duty gear such as:
 - Belts, radio holders, OC holders, handcuff cases, key holders & glove pouches

D. Annual Allowance:

1. The County shall provide an annual, accountable clothing allowance of \$800 (inclusive of dry cleaning receipts) which shall be processed via the voucher system wherein employees place uniform orders through the Jail Administration office on or after July 1st of each contract year. Employees may submit dry cleaning receipts on a biannual basis as determined by the Warden.
2. The lump sum payments made under sub-paragraph 1 of this section are intended by the parties to be utilized by the officer for replacement and maintenance of uniforms. It is the officer's sole responsibility to insure he/she reports to work in a proper uniform in compliance with applicable administrative directives, policies/procedures and codes. Failure of the officer to report to work in a proper uniform will result in appropriate discipline.
3. Any officer who takes an approved leave of absence without pay shall be entitled to the uniform allowance specified in this Article on a pro-rata basis for actual time worked.
4. Any officer who takes an approved leave of absence without pay shall be entitled to the difference between the contractual allowance specified in this Article, less applicable taxes and the pro-rated amount received pursuant to the above paragraph, provided he/she submits true and accurate receipts/vouchers reflecting the purchase of uniforms or equipments as specified in the Jail's regulations within a reasonable time, not to exceed six (6) weeks after his/her return from approved leave of absence.
5. Officers who leave the employ of the County during the calendar year in which the allowance was paid, shall reimburse the County the full amount of the uniform

allowance paid in that calendar year less any amount spent on uniform replacement and maintenance prior to the date of separation from service. No credit shall be given to an employee for this purpose unless a receipt is provided to the County.

6. If the County decides to change the style of the uniform, the County agrees to provide each officer with a complete set of uniforms pursuant to Paragraph C above.
7. Personal items destroyed or damaged by inmate contact while in the performance of duties shall be replaced or repaired by the County. Reimbursement shall be made to the officer based on voucher submission and proof of loss. Personal items are limited to prescription lenses, dentures, wedding bands, engagement rings and watches not issued but worn or carried by an officer in the performance of duties. Reimbursement of watches shall be limited to \$50.
8. The Jail Administrator at his sole discretion shall designate which position(s) is appropriate for the wearing of Battle Dress Uniforms. Upon written notification, Superior Officers shall have the option to purchase, at their own expense, Battle Dress uniforms for on-duty wear. Standards for the wearing of such uniforms shall be established by the Jail Administrator.

ARTICLE IV - HEALTH BENEFITS

A. Health plan: Family Hospital, Surgical and Major Medical or other medical benefits shall be available for all full-time employees on the first of the month after three (3) months of service pursuant to the following provisions:

All employees shall be covered by a non-contributory comprehensive County self-funded medical, optical and prescription plan to include co-pays as follows:

	<u>Doctor's</u> <u>visits</u>	<u>Prescription</u> <u>Generic</u>	<u>Brand</u> <u>Preferred</u>	<u>Brand</u> <u>Non-Pref.</u>
12/01/11:	\$20.00	\$0.00	\$30.00	\$45.00

Additionally, visits to the emergency room will have the following co-pays: \$50.00

Pre-certification and second opinion deductible for non-compliance shall be \$500.

After the first 90 days a prescription has been filled, all maintenance medications (with the exception of insulin for diabetics) must be filled via Mail Order (examples of maintenance

medications include high blood pressure, cholesterol, kidney and heart medications, etc.). Mail Order medications for a 90 day supply shall cost one-and-a-half times (1.5x) the applicable retail co-pay indicated above.

All prescription medications must be processed through a pharmaceutical clinical case management program through the prescription third-party administrator (TPA). As a pre-condition to using the prescription benefits plan, all employees must sign a HIPAA compliant release enabling the health benefits third-party administrator to share protected health information (PHI) with the prescription benefits TPA.

In the case of a husband and wife working for the County, the employee with the earliest hire date shall be listed for coverage and the other spouse will not have separate coverage. If for any reason, the subscriber has his/her coverage terminated, the spouse shall be added immediately. The children dependants of the employee shall be covered until the end of the month in which they reach the age of 19, or if the dependent (as evidenced by being claimed on the employee's Federal income tax), is in school as a full-time student, until the end of the month in which they reach the age 23. Employees must submit a copy of their Federal 1040 tax form and information from the school that demonstrates that the child is still a dependent and still in school.

Effective January 1, 2011, the County shall furnish an annual stipend for opting out of the County's health benefits plan (medical and Rx – so long as employee furnishes proof of other coverage) in the amount of \$750 payable in November of each calendar year. An employee who experiences a catastrophic life event wherein other, available coverage is lost shall be automatically reenrolled in the County's plan, and the stipend shall be pro-rated accordingly.

B. The County will extend to a maximum of ninety (90) days the health insurance coverage of eligible employees and their covered dependents upon exhaustion of such employee's accumulated sick leave and who are granted approved sick leave without pay, with the County paying the cost in accordance with paragraph A above.

In those instances where the leave of absence (or an extension of such leave) without pay is for a period of more than ninety (90) calendar days, the employee's coverage shall be terminated effective the first of the month following the ninetieth day. Said employee shall then be eligible for coverage under the COBRA regulations. Upon returning to work, coverage will be reinstated effective the first of the month following the date of return.

C. At the beginning of each enrollment period, permanent employees shall have the option to enroll in a contributory life insurance plan under which the Employer shall provide a \$5,000 life policy, premiums for the first \$1,000 of which shall be paid by the Employer. Premiums for the remaining \$4,000 coverage shall be paid by the employee through the payroll deduction plan.

D. During the term of this Agreement, there shall be no change in the Medical Insurance Program or any type of insurance presently maintained and paid for by the Employer on behalf of the employees shown above. However, this shall not prevent the Employer from substituting new and equivalent or more beneficial plans for the ones now in effect.

E. Dental

1. The employer shall pay for and provide an 80/20 family dental plan for preventive, diagnostic and basic benefits.

2. The family program of dental care shall include orthodontics for children only and prosthodontics. Employees' eligibility shall be determined in accordance with Paragraph A of this Article.

a. The maximum payable by the carrier for services other than orthodontic benefits is one thousand dollars (\$1,000) per eligible patient in any calendar year.

b. Orthodontic benefits are subject to a one thousand dollar (\$1,000) maximum per lifetime which is separate from the maximum mentioned above.

F. Disability Plan

All employees in the bargaining unit will be covered by the New Jersey State Temporary Disability Plan. A copy of the plan is to be provided to each employee. It is understood that this plan or a plan with equivalent benefits requires the employee to make a contribution of at least fifty percent (50%) of the cost.

G. IRS plans

The County will continue to provide the opportunity for employees to set aside a portion of their pre-tax salary into an IRS Section 125 account to be utilized for unreimbursed medical, dependant care expenses and State-mandated health care premium contributions.

ARTICLE V - SICK LEAVE

Full-time employees in the County service shall be entitled to sick leave with pay in accordance with the following schedule:

A. New employees shall receive one (1) working day for the initial month of employment if they begin work on the first through the eighth day of the calendar month. Employees who begin work on the ninth through twenty-third day of the month shall receive one half (½) working day for the month. Employees who begin work after the twenty-third day of

the month shall not receive any paid sick leave for that month. All such time shall be credited on the first day of the following month.

- B. After the initial month of employment and up to the end of the first calendar year, employees shall receive one (1) working day credited the first day of the next month for each month of service. Thereafter, employees shall receive fifteen (15) sick days for each year of service.
- C. Sick leave may be taken as credited. Although each employee is credited with fifteen (15) sick days after the first calendar year, sick time is earned at one and one quarter (1.25) days per month for purposes of computing time owed to the County in the event an employee should leave prior to the completion of that calendar year or be in a non-pay status having used all credited sick time. Employees who have been paid more sick days than those earned shall have the excess payment deducted from their pay check. Employees who leave the employ of the County prior to the end of the calendar year and who have been paid more sick days than those actually earned shall similarly reimburse the County.
- D. An employee who exhausts all accumulated paid sick days in any one (1) year shall not be credited with additional paid sick leave days until the beginning of the next calendar year.
- E. Paid sick days shall not accrue during a leave of absence without pay.
- F. Sick leave is defined as absence of an employee from duty because of personal illness by reason of which the employee is unable to perform the usual duties of his position, or exposure to contagious disease. Sick leave may also be requested for the following reasons:
 - 1. Up to ten (10) working days of emergency attendance upon an immediate family member who is seriously ill and requires the presence of such employee. Immediate family shall be defined as set forth in Section G below.
 - 2. Up to five (5) working days may be requested for a death in the immediate family as defined in Section G below. Upon written request of the employee and approval of the Jail Administrator this time may be expanded. Such time may be taken at the employees' option, from available sick days, personal days, vacation days or holidays.
- G. Immediate family is defined as an employees' spouse, child, legal ward, grandchild, foster child, father, mother, legal guardian, grandfather, grandmother, brother, sister, father-in-law, mother-in-law, and other relatives residing in the employees' household.

- H. If an employee is absent for five (5) consecutive working days for any of the reasons set forth in Paragraph F of this Article, the Jail Administrator shall require acceptable medical evidence on the form prescribed.
- I. If it is reasonably suspected that the employee is abusing the sick leave privilege, the Jail Administrator may require the employee seeking leave to submit proof of illness. If the employee fails to provide proof of illness, the employee shall suffer loss of pay for such time.
- J. An employee who does not expect to report for work because of personal illness or for any of the reasons included in the definition of sick leave set forth above shall notify his immediate supervisor by telephone or personal message two (2) hours prior to the normal starting time or he shall suffer loss of pay for the absence. It is agreed, however, that the aforesaid two (2) hours notice requirement may be waived in the event of a bona fide emergency.
- K. Sick days may accumulate.
- L. If an employee becomes ill while on duty and is unable to complete his tour of duty as determined by the on duty nurse, he shall be released from duty and required to submit a doctor's certificate upon return to duty.
- M. Employees who have exhausted their sick leave benefit due to an extended illness certified by the employees' treating physician and who wish to substitute vacation, holiday, personal leave or any other compensable time shall make such a request to the Jail Administrator who shall reasonably approve the request based upon the specific circumstances.
 - 1. If an employee submits a doctor's note requiring the employee to be absent from duty for a period of time and this period of time overlaps into a pre-approved time off, the pre-approved time off shall not be changed to sick leave without the approval of the employee.

ARTICLE VI - SICK LEAVE PREGNANCY DISABILITY

- A. An employee who requests leave with or without pay for reason of disability due to pregnancy shall be granted leave under the same terms and conditions as sick leave or leave without pay. The Jail Administrator may request acceptable medical evidence that the employee is unable to perform her work because of disability due to pregnancy.
- B. An employee may use accrued leave time (for example, sick, vacation, personal) for pregnancy-disability purposes, but shall not be required to exhaust accrued leave before

taking a leave without pay. However, the employee must exhaust all accrued sick leave to be eligible for New Jersey Temporary Disability Insurance benefits.

ARTICLE VII - FAMILY LEAVE

Family Leave as set forth in 29 U.S.C., Section 2601 et seq. N.J.S.A. 34:11B-1 et seq. and N.J.A.C. 4A:6-1.21 or any amendments thereto shall be available to all employees covered under this Agreement pursuant to the terms of that Act and/or regulations.

ARTICLE VIII - WORKERS' COMPENSATION

- A. When an employee is injured on duty, he shall notify the Jail Administrator immediately so that a Departmental report may be prepared. The employee and his immediate supervisor are also required to prepare an accident report.
- B. Any employee who is temporarily or permanently disabled as a result of work-related injury or illness shall be covered by the provisions of the New Jersey Workers' Compensation Law and the provisions of this Article from the date of the injury or illness. Said employee shall be entitled to a leave of absence for the entire period of such disability. During such leave, said employee shall also continue to accrue credit for sick and vacation leave; however, such credit shall be actually added to the employees' account upon return to work. Further, employees on such leave shall suffer no loss of seniority.
- C. Employees on a leave of absence pursuant to Paragraph B herein, shall have the option to utilize earned sick, vacation, holiday and personal leave time while on said disability leave. In the event an employee exercises this option, said employee shall receive from the County the difference between the employees' regular salary and the Workers' Compensation wage benefits the employee is receiving. Said payment shall be charged against the employees' accumulated leave on a pro-rata basis.
 1. Notwithstanding any language in this Article to the contrary, an employee who has not yet been determined to be eligible to receive Workers' Compensation benefits may elect to draw on earned sick, vacation, holiday and personal leave time. At such time as the employee is determined to be eligible for Workers' Compensation wage benefits, the employee shall be placed on a leave of absence pursuant to Paragraph B of this Article and appropriate adjustments shall be made to reduce the salary payments made by the County, under this option, to the difference between the employees' normal pay and the Workers' Compensation wage received. The employee shall also have the option at such time to assign over to the County any retroactive Workers' Compensation wage benefits

received so as to restore, on a pro-rata basis, that portion of the employees' earned sick, vacation, holiday or personal leave time which has been utilized to date and the employee shall have the further option to draw on such time pursuant to the first sub-paragraph of this Paragraph C.

2. All wage payments set forth hereunder shall be charged against the employees' earned sick, vacation, holiday and personal leave time in that order. If accumulated leave time is completely used up before Workers' Compensation benefits terminate, the employee shall thereafter receive only his Workers' Compensation benefits.
3. The employee shall provide written notice of his election to exercise any of the options set forth herein.

D. Notwithstanding any terms to the contrary in Paragraph C above, an employee who is injured while acting in the proper and lawful performance of his duties as a result of the direct action, effort, interference or activity of an inmate or prisoner shall be entitled to a leave of absence in accordance with the terms of Paragraph B herein, and such leave shall be granted with pay for the period of disability or up to one (1) full year whichever is less. In the event the employee is determined to be eligible for Workers' Compensation wage benefits, such pay shall not be in addition to any such benefits and the employee shall be obligated to assign to the County any such wage benefits which are received as a condition of receiving the wage payments set forth herein. The benefits provided for under this paragraph shall not be applicable to, and specifically exclude any inmate prisoner related incidents which occur prior to the execution of this Agreement.

1. Eligibility Determination: Whether or not an employee is deemed to be eligible for the benefits provided for under Paragraph D of this Article shall be determined in accordance with the procedure set forth as follows:
 - a. Upon the occurrence of an inmate/prisoner related incident which results in an injury believed by the employee to be covered by the provision of this Paragraph D, the employee shall submit to the Jail Administrator a medical certificate from the employees' treating physician certifying that the employees' disability is the result of a work-related injury or illness. The Jail Administrator shall have the right to require the employee to be evaluated by the County's treating physician pursuant to the provisions of Paragraph E of this Article.
 - b. If, after the requirements set forth under sub-Paragraph D(1)(a) are fulfilled by the employee, a dispute develops as to whether or not the

employees' disability was a result of a work-related injury or illness, said dispute shall be resolved in accordance with procedures as provided under the New Jersey Workers' Compensation Law and the employee shall not be eligible for the benefits set forth under this Paragraph D until such dispute is resolved.

- c. If the County does not dispute that the employees' disability is work related, but a dispute develops as to whether or not the disability resulted from injuries suffered by an employee while acting in the proper and lawful performance of his duties as a result of the direct action, effort, interference, or activity of an inmate or prisoner, the Association shall have twenty (20) working days from the date of notice of such dispute to submit the same directly to binding arbitration through the Public Employment Relations Commission, with the cost thereof to be borne equally by the Employer and the Association.
 - d. During the resolution of any disputes under Subsections 1(a) and (b) above, an employee may elect to draw on benefits available under Paragraph C of this Article.
- E. Medical Verification: To the extent permitted under the New Jersey Workers' Compensation Law, the Jail Administrator may require that an employee receiving benefits under this Article provide adequate and acceptable certification from the County's treating physician as to the nature of the condition, injury, illness or other disability from performance of duties and treatment thereof and such demand for certification may be repeated on a reasonable periodic basis during the period of disability to the extent permitted by the New Jersey Workers' Compensation Law.
- F. Employees returning from an authorized leave of absence as set forth in Paragraphs B, C and D above shall be restored to their original job classification at the appropriate rate of pay with no loss of seniority, sick days or other employee rights, privileges and benefits except as modified above.
- G. In the event the coverages or benefits available to other employees under the above plan are increased or expanded, or the County adopts a broader or more favorable plan of disability insurance for any of its employees, such increase or improvement in benefits shall also apply to all employees covered by this Agreement.

ARTICLE IX - PERSONAL LEAVE

- A. Each employee shall be eligible for three (3) personal leave days with pay for personal business with no accumulation of such leave from year to year. At the option of an employee, personal leave days may be utilized in half-day increments to be taken solely during the last four (4) hours of a shift.
- B. If a request to utilize a personal leave day is made by an employee twenty-four (24) hours or more in advance, the County must respond within twenty-four (24) hours of the request. If less than twenty-four (24) hours notice is given, the County must respond as soon as practicable.
- C. In the event of emergent situations, the Jail Administrator or his designee may grant permission to an employee to take a personal leave day with less than the required notice as set forth in Paragraph B of this Article.
- D. In the event of retirement or termination, or at the end of the calendar year, deductions will be made from the final pay of the employee for used but unearned personal leave time.

The said compensatory day must be taken within that time period and shall not accumulate beyond said time period. The County shall respond within forty-eight (48) hours to a request by an officer for use of a compensatory holiday.
- C. If an employee is scheduled to work a holiday, another day shall be allowed in its place. If an employee is not scheduled to work on a holiday, but is called in, such employee shall be paid at the rate of one and one half (1½) times his normal salary, in addition to which he shall receive straight time pay for the holiday in lieu of a day off.

Additional days based upon years of service are credited on January 1 in the calendar year of the employees' anniversary.

- C. When in any calendar year the vacation, or part thereof is not granted by reason of necessity if work, that part of the vacation period not granted shall accumulate to the next succeeding calendar year only.
 - D. All vacation leave is to be taken only as credited. Although each employee is credited with his vacation time at the beginning of the calendar year, vacation time is earned on a pro rated basis. Employees who, at the end of the calendar year, have been paid more vacation days than those earned shall have the excess payment deducted from their last paycheck. Greater amounts of vacation may be taken with the approval of the Jail Administrator or his designee. Vacations of five (5) days or greater duration will begin on Monday. To give more officers an opportunity to have off on Thanksgiving, Christmas or New Year's Day, officers should not request more than one (1) of these holidays. If the situation does arise that scheduling can satisfy all leave requests, then and only then will an officer be permitted to have off more than one (1) of these holidays. Where the vacation schedule is established but there is a need to adjust the schedule due to unforeseen pressure of the work, voluntarily changes shall be made first. Other employees named and required to make a change will be in inverse order of their seniority except that consideration will be given to a substantial financial commitment made by the schedules shall not be changed later than thirty (30) days prior to the vacation unless mutually agreed upon or in case of emergency.
