ARTICLE XV: TEACHER EVALUATION

Procedure for Evaluation

1. The major purpose of classroom visitations is to provide help to the teacher and to evaluate the teaching process. The responsibility for making recommendations regarding the teacher rests with the department supervisor, building principal and the Superintendent of Schools.

2. The emphasis in classroom visitation will be to provide any help needed to insure that classes are under control of the teacher; that learning activities are being conducted in an organized and orderly manner; and that teachers have the instructional materials to carry out the program.
3. Formal observation will last from thirty to forty-two minutes. Should questions of performance arise, additional observations may be made.
4. Observation reports will be written after each visitation. A conference will be held with the teacher to interpret the report. One copy of the report will be distributed to the Superintendent, one copy is to remain with the principal, and one copy of this report will be given to the teacher. The teacher will acknowledge receipt of the observation report by affixing his/her signature and the date. Should the teacher wish to comment on the observation report, he/she will submit an attachment to the report within seven days.
5. The principal and the Superintendent will continue to visit teachers during the year, giving particular attention to the new teacher, the teacher approaching tenure, and those whose adequacy has been questioned.
6. Independent conclusions regarding re-employment or placement on tenure will be reached by March 1st and reported to the Superintendent. Where differences in judgement prevail, further study will be given to the individual.
7. If deemed advisable by the Superintendent, contract offers will be withheld to provide time for further study and consultation. In this case, teachers in question will be notified before contracts are distributed. Final decision will be made and non-tenure teachers notified as soon as possible after March 1st, but not later than May 15th.
8. The Superintendent will make the final decision and recommendation to the Board of Education.

2. Military leave, without pay, shall be granted to any teacher who is inducted into any branch of the Armed Forces of the United States for the period of said induction, and three months thereafter, or three months after recovery of any wound or sickness at the time of discharge, or until the expiration of two years from the date of discharge, whichever comes first.

3. Other leave of absence, without pay, may be granted by the Board for good reasons.

4. a. Upon return from leave granted pursuant to Section 1 or 2 of this Article, a teacher shall be considered as if he were actively employed by the Board during the leave and shall be placed on the salary schedule at the level he/she would have achieved if he/she had not been absent, provided, however, that time spent on said leave shall not count toward the fulfillment of the time requirements for acquiring tenure. A teacher shall not receive increment credit for the time spent on a leave granted pursuant to section 3 of this Article, nor shall such time count toward the fulfillment of the time requirements for acquiring tenure.

b. All benefits to which a teacher was entitled at the time the leave of absence commenced, including unused accumulated sick leave and credits toward sabbatical eligibility, shall be restored upon their return, and they shall be assigned to the same position which they held at the time said leave commenced, if available, or if not, to a substantially equivalent position.

Assignments for each building will be based on a seniority call list including the custodial staff of that building. In certain circumstances the overtime shifts may be filled by maintenance or grounds keeping personnel based upon the need for their services, or the availability of building custodial personnel.

6. For overtime purposes, the forty hour work week (shift 1 and 2) or the thirty seven and a half hour work week (shifts 3 and 4) must be worked, Monday through Sunday before any time and one half, double time or paid holiday plus time and one half will be paid to a custodian. PROCEDURE

1. Any aggrieved employee who has a grievance shall discuss it first with his/her principal (or immediate superior or department head, if applicable) , within ten (10) working days following the treatment, act or condition, or ten (10) working days after he/she should have reasonably known of the aforesaid treatment, act or condition which is the basis of his/her complaint. 2. If, as a result of the discussion, the matter is not resolved to the satisfaction of the aggrieved employee, he/she shall, within seven (7) days, set forth his/her complaint in writing to the Principal. The Principal/supervisor shall communicate his/her decision to the employee in writing (5 copies), within three (3) days of the receipt of the written complaint.

In the event of arbitration, the costs of the arbitrator's service shall be shared equally by the appellant and the Board. If the appellant is represented by the Association, the Association will bear the expense for the appellant.
