Effective July 1, 1993 each teacher with unused personal days as of June 30th of each school year shall have all such days in excess of two (2) added to his/her accumulated sick leave for future use. Personal days shall be for those things that cannot be taken care of other than on school time. Application shall be submitted to the administration for approval three (3) days in

advance except in cases of emergency.

Personal days may not be taken immediately before or after a school holiday or vacation period. However, a teacher may request a special exception to the above-described restriction provided that a written request specifying the specific reason is submitted to the Superintendent for his/her consideration. Under such circumstances, only the following reasons shall be considered:

- (1) Wedding of a family member or close friend
- (2) Religious holiday
- (3) Graduation/commencement of employee or member of his/her immediate family

If said day is not utilized by the conclusion of the school year, it shall be added to the teacher's accumulated sick leave as provided below in Section C.1.

B. Bereavement Leave

Up to four (4) days will be granted for death in the immediate family. The immediate family shall include the following: spouse, mother, father, sisters, brothers, children, mothers and fathers-in-law, or any other relative residing in the home. D. Child-Bearing and Child-Rearing Leave

1. Any teacher seeking to use sick leave for reasons associated with pregnancy shall file a written request for such leave with the Superintendent at least sixty (60) days in advance of the date on which said leave is to commence, except in cases of emergency when the teacher cannot notify within the time limit. In such cases, as soon as possible thereafter; however, any written request shall likewise specify therein the date on which said teacher proposes to terminate the sick leave. The Board may require as a condition of the teacher's return to service production of a certificate from a physician certifying that the teacher is medically able to resume her duties.
2. The Board shall grant child-rearing leave of absence without pay immediately following the conclusion of sick leave associated with childbirth or commencing on a mutually agreeable date following the birth of the child, to any teacher upon request in accordance with applicable statutes, regulations, and State agency decisions for the balance of the school year in which the leave is taken. Teachers may be granted a leave of absence without pay for child-rearing purposes for one (1) full school year (September through August) following the school year in which the initial child-rearing leave occurs.

Teachers who are on either disability leave or child-rearing leave shall notify the Board of their intent to return to work no later than April 1 of the school year in which the leave is taken; those teachers whose leave commences thereafter shall notify the Board no later than June 30 of the year in which the leave is taken. In no event shall any such leave be extended beyond the end of the contract year in which leave is taken for non-tenured teachers unless the Board otherwise elects.

3. In the event that a teacher's pregnancy terminated prior to the expiration of the leave which has been granted, or prior to the inception of the leave which may have been requested, said teacher may apply for early reinstatement by filing a written request therefore with the Superintendent accompanied by a physician's certification that she is medically able to resume or continue to perform her duties. The Board shall grant such a request if it has not contractually obligated itself to employ a replacement for the teacher in question during the period for which leave has been originally requested or granted, and if such request can be fulfilled without substantially interfering with the effective administration of the education program to which the teacher in question was assigned and seeks to be reinstated. The Board shall not contractually obligate itself for such a replacement if the leave requested is for a period of sixty (60) days or less.
4. Teachers adopting a child under five (5) years old shall receive child-rearing leave of absence without pay which shall commence upon receiving de facto custody of said infant, or earlier if required for adoption. It is understood that one (1) evening conference each semester is in lieu of an afternoon conference each semester. On the day(s) said evening conferences are scheduled, there shall be early dismissal for students and teachers shall be permitted to leave after the last student has departed.

There shall be one (1) annual "Back to School" as an additional required evening program. This program will be from 7:30 p.m. to 9:30 p.m. All teachers shall be paid a stipend of \$50.00 for attendance at this program. It is specifically understood that attendance at this program is required of each teacher unless specifically excused by the Superintendent at his/her discretion without stipend. 2. Aggrieved Person: An "Aggrieved person" is the person or persons or the Association making the claim.
3. Party in Interest: A "party in interest" is the person or persons making the claim and any person, including the Association or the Board, who might be required to take action or against whom action might be taken in order to resolve the claim.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems that may from time to time arise affecting teachers. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. A grievance to be considered under this procedure must be initiated within thirty (30) calendar days from the time of its occurrence.
 - a. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed waiver of further appeal of the decision.
 - b. It is understood that any aggrieved person shall, during and notwithstanding the pendency of any grievance, continue to observe assignments and applicable rules and regulations of the Board until such grievance and any affect thereof shall have been duly determined.
 - c. Time Limits -- Since it is important that grievances be processed

as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process.

- d. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and if left unresolved until the beginning of the following school year, could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

2. Level One -- administration (informally)

Any aggrieved person who has a grievance shall first discuss it with the administration, either directly or through the Association's designated representative, with the objective of resolving the matter informally.

3. Level Two -- administration (formally)

If the aggrieved person is not satisfied with the disposition of his grievance at Level One, or if no decision has been rendered within five (5) school days after the presentation of the grievance, he may file the grievance in writing with the administration within five (5) school days after the decision at Level One or ten (10) school days after the grievance was presented, whichever is sooner.

4. Level Three -- Board Review

- a. If the aggrieved person is not satisfied with the disposition of his grievance at Level Two, or if no decision has been rendered within ten (10) school days after the grievance was delivered to the administration, he may, within five (5) school days after a decision by the administration or fifteen (15) school days after the grievance was delivered to the administration, whichever is sooner, request in writing for a review by the Board. The request shall be submitted in writing through the administration which shall attach all related papers and forward the request to the Board.
- b. The Board, or a committee thereof, shall review the grievance and shall hold a hearing with the aggrieved person, at the request of either party and shall render a decision in writing, and forward copies thereof to the grievant and the Association within fifteen (15) calendar days of the receipt of the appeal or within fifteen (15) calendar days of the completion date of the hearing, whichever is applicable. The referred to hearing, if required, shall

be held within thirty (30) days after receipt of the appeal notice.

5. If the decision of the Board does not resolve the grievance to the satisfaction of the aggrieved person and he wishes review by a third party, he shall so advise the Board through the Superintendent, within twenty (20) school days of receipt of the Board's decision. However, the Board's decision shall be final and binding on grievances concerning:
 - a. Any matter for which a specific method of review is prescribed and expressly set forth by law or any rule or regulation of the State Commissioner of Education; or
 - b. A complaint of a non-tenure teacher which arises by reason of his not being re-employed; or

6. Securing Services of an Arbitrator
 - a. The following procedure shall be used to secure the services of an arbitrator:
 - (1) Either party may request the American Arbitration Association (AAA) or any other association to submit a roster or persons qualified to function as an arbitrator in the dispute in question.
 - (2) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they may request the AAA to submit a second roster of names.
 - (3) If the parties are unable to determine within ten (10) school days of the initial request for arbitration a mutually satisfactory arbitrator from the second submitted list, the AAA may be requested by either party to designate an arbitrator.
 - b. The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. The recommendations of the arbitrator shall be advisory.

D. Rights of Teachers to Representation

1. Teacher and Association: Any aggrieved person may be represented at all stages of the grievance procedure by himself, or at his option, by a

2. Reprisals: No reprisals of any kind shall be taken by the Board or any member of the administration against any party in interest, any representative, any member of the Association, or any other participant in the grievance procedure by reason of such participation.

E. Miscellaneous

1. Separate Grievance File: All documents, communications, and records dealing with the processing of a grievance shall be filed in a separate grievance file and shall not be kept in the personnel file of any of the participants. Notwithstanding the establishment of a separate grievance file, it is understood by the parties that if teacher observations and evaluations are the subject of the grievance, such observations and evaluations shall remain in the teacher's personnel file.
