This Agreement shall run from January 1, 2004 through December 31, 2006.

## **PURPOSE**

It is the intent and purpose of the parties hereto to promote harmonious and cooperative relationships subject, however, to the paramount right of the public to keep inviolate the guarantee for their health, safety, and welfare. Unresolved disputes between the Authority and the Union are injurious to the public and both parties are, therefore, aware that adequate means must be established for minimizing such disputes and providing for their resolution. The Authority and the Union agree that this overall policy may be best accomplished by negotiating in good faith in entering into written agreements evidencing the results of such negotiations and establishing procedure to provide for the protection of the rights of the Authority and the Union, and to insure orderly and uninterrupted service to the public.

### **1. RECOGNITION**

**1.1** The Authority recognizes and acknowledges that pursuant to the New Jersey Employer - Employee Relations Act, the Union has been certified as the sole and exclusive bargaining agent for all of the Authority's eligible full time regular employees as contemplated by the certification of Representative of the State of New Jersey Public Employment Relations Commission, Docket No. RO-93-113. The parties agree that effective October 1993, the position of working foreman shall be created and not be included in the bargaining unit. The intent of this position is not to change the call out procedure.

**1.2** The Authority and its agents will not discriminate in any manner whatsoever against any member of the Union because of said membership and activity.

### **1.3 Union Rights**

All Employees who have joined the Union or who join the Union in the future shall remain members for the duration of this contract, with the exception of the period they are allowed by statute to withdraw.

Upon presentation to the Authority of a duly executed authorization form, the Authority agrees to deduct from the pay of all employees who are members of the Union as defined in this Agreement, monthly dues and initiation fees, in such amounts as shall be certified by the Union to be due it under the terms of its Bylaws, and to remit said sums thus deducted prior to the end of the month following that for which the deduction is made. The Union shall indemnify and hold the Authority harmless against any and all claims, suits, orders or judgments brought or issued against the Authority as the result of any action taken, initiated, or brought against the Authority as a result of the provisions of this Article.

The parties agree that for the term of this Agreement, in accordance with New Jersey Statutes, any employee in a title covered by this Agreement who is not a member of the Union shall pay an agency shop fee equal to 85% of the dues, initiation fees and special assessments of the bargaining agent. Such fees shall be deducted from the pay of the employees affected following

the successful completion of the first ninety (90) days of employment. The contract language shall serve as authorization for the deduction of these fees. The bargaining agent agrees to save the Employer harmless from any and all actions it takes under this Article.

#### **1.4 Shop Stewards**

A total of four shop stewards and four alternates will be elected. One will be designated as Chief Steward. The Chief Steward and the appropriate shop steward or alternate shall be permitted to be present at all formal grievance presentations.

#### **1.5 Union Visitation-Bulletin Board**

The accredited representatives of the Union shall be permitted to enter the Authority premises after giving advance notice to the Executive Director during working hours, with the proviso that at no time shall such visitation rights interfere with the work requirements of any employee or the operation of his department or the Authority.

The Union will submit all notices and bulletins to the Executive Director for signature prior to officially posting any notice on the union-designated bulletin boards as mutually agreed in the locker room. The shop steward will be required to sign, date and identify the source of the posting. Simultaneous with posting, the Union will provide the Executive Director with a copy of the fully executed posting. The Executive Director's signature is not for approval.

#### **1.6 Labor Management Committee**

A committee composed of representatives of the Union and the Authority shall be established to recommend resolution of problems dealing with the implementation of this Agreement, job assignments, caseload/workload, health and safety, job scheduling, or other matters related to the working conditions of the employees. Meetings shall be scheduled at a time and place determined by the Labor/Management Committee and approved by the Executive Director.

#### **1.7 Management Rights**

The Authority hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon it and vested in it by the laws and Constitution of the State of New Jersey and the United States of America; except as may be specifically modified by this Agreement. These rights will include, but not be limited to, full operating efficiency and productivity in the direction of the work force. All of the terms and conditions of employment not specifically set forth herein or not specifically covered by existing statutes, are hereby reserved by the Authority as its management prerogatives and rights.

#### **1.8 Strike-Lockout Pledge**

During the term of this Agreement or any extension thereof, there shall be no strikes, walkouts, and stoppages of work, sit-downs, slowdowns, boycotts, or any other direct or indirect interference with the Authority's operations. The Authority agrees that there will be no lockout during the term of this Agreement or any extension thereof. In the event of any breach of this clause, the Authority and the Union shall have the right to institute a suit in the appropriate court for damages and/or injunctive relief, without regard to and without having to invoke, proceed under, or abide by any provision for grievances and/or arbitration.

## **2. NEGOTIATION PROCEDURES**

On or about October 1 of the calendar year preceding the expiration of this Agreement, the Authority and the Union agree to enter into collective negotiations on a successor Agreement in accordance with Chapter 303, Public Law 1975, as amended. Until a new Agreement is reached, the current Agreement remains in effect.

## **3. EMPLOYMENT STATUS**

### **3.1 Hiring Practice**

The Authority will hire on the basis of qualifications, without regard to race, color, sex, age, religious belief, national origin, physical handicap, political affiliation, membership or non-membership in any organization.

- 3.1.1** Any employee who believes that they have been discriminated against in any manner shall have the right to file a grievance directly with the Executive Director or the Affirmative Action Officer. In the alternative, the employee also has the right to file a grievance in accordance with the grievance procedure set forth in Section 7 of the Collective Bargaining Agreement.

### **3.2 Probationary Employee**

For appointments in Authority service, the working test or probationary period shall be eighty (80) working days, not subject to extension. During that period, the probationary employee will receive no benefits, and the Authority may terminate the service of any such appointee if, in the opinion of Management, the appointee is unable or unwilling to perform the duties of the position satisfactorily or is of such reputation, habits, or capabilities as not to merit continuance in the service. In each such case, the Authority shall give notice to the appointee whose service is discontinued.

During the probationary period, assuming that the probationary employee is not terminated during the probationary period, it shall be mandatory for the supervisor to evaluate the employee three times, once at the end of 30 working days, once at the end of 60 working days, and again at the end of the evaluation period. These evaluations along with management's assessment of said employee will constitute the grounds for continuation or dismissal. If a probationary employee is selected for another position or job title while the employee is on probation, a new full time probationary period begins for another 80 working day period. In addition to the 80 working day probation period for new employees, there shall also be an 80 working day probationary period for employees who have changed classification. In cases of classification changes or promotion, all current benefits shall continue during this period. The wage rate for such change in classifications shall be set by the Authority within the range of the new classification and posted along with the job.

### **3.3 Temporary Employee**

A temporary employee is one who is:

- A) Hired as seasonal help.
- B) Hired to replace a regular employee who cannot work for a specified period of time.
- C) Hired for a specific job, for a specified period of time.

If the temporary job turns into a regular one, then the job will be posted, the same as any other opening in the Authority. Temporary personnel will have the right to bid on jobs posted; however, they will not be given credit for length of service or experience gained while on temporary status.

### **3.4 Regular Employee**

A regular employee is one who has completed the probationary period. Upon successful completion of the probationary period, sick time and vacation time shall accumulate from the first day of regular employment, but any unearned time absent during the probationary period will not be payable.

### **3.5 Resignation**

Notice of resignation is to be submitted to the Supervisor in writing, stating the reason and the exact date of resignation. A minimum notice of two weeks is required for the resignation to be in good standing, unless a special request is made by the employee to leave sooner, which must be approved by the Authority. The employee will remain on duty for the period of notice. Failure to give adequate notice will result in a resignation that is not in good standing. If any employee has given two weeks notice and is advised that he may leave before the notice period expires, he will receive pay for the remaining portion of the notice period. All uniforms, keys, safety issue, identification and Authority property issued to the employee must be turned in prior to receipt of final pay checks.

### **3.6 Posting of Jobs**

All openings for regular positions will be posted on the bulletin boards, and a copy of the posting will be supplied to the Shop Steward. All employees may bid on such openings, and applications submitted in writing will be reviewed jointly by the Supervisor, Department Head, and Executive Director. The following conditions apply to posting of jobs:

- A) Jobs are to be posted for five working days.
- B) Applications are to be submitted in writing to the Department Head.
- C) All applicants will be notified in writing as to selection.
- D) Jobs will be filled on a temporary basis if a grievance as to selection is submitted within two working days, pending resolution of the grievance.
- E) If more than one employee qualifies for the position, seniority shall prevail, provided all other qualifications are equal.
- F) The Executive Director shall notify the appropriate shop steward of the selection prior to filling the position.

Employees will not be permitted to downgrade themselves, unless there are extenuating circumstances approved by the Executive Director as in the best interests of the Authority and the employee concerned.

If the Executive Director deems it necessary to fill any position on a temporary basis for longer than a two week period, the employee filling the temporary position and the appropriate shop steward will be notified prior to the appointment being made.

### **3.7 Job Classification**

The Authority reserves the right to review the present job classification of each employee and, should they deem it necessary, may promote or demote to a higher or lower level. Demotions shall be handled in accordance with Article 6.1. The Authority will furnish the Union any and all job descriptions within the job classification in this bargaining unit.

### **3.8 Employee Evaluations**

Every employee will be evaluated on a periodic basis on a schedule and procedure as formulated by the Executive Director.

The performance and disciplinary appraisal will be conducted a minimum of once each year and shall become part of each employee's personnel file.

Signing of the evaluation form by the employee after discussing it with the Supervisor indicates only acknowledgment that the evaluation was received, not concurrence with what it contains. The evaluation form shall contain the following language preceding the employee's signature: "The undersigned hereby acknowledges receipt of this evaluation" and the date. Should an employee feel that an unfair evaluation was given, the regular grievance procedure should be followed, as outlined in Section 7.

### **3.9 Layoff and Recall**

In the event of layoff or transfer, the last person hired in the position in question shall be the first to be laid off or transferred. Within each division, an employee scheduled for such action has the option to bump a less senior employee in another classification, provided that the qualifications for the other classification are met. Similarly, the last person laid off or transferred shall be the first to be recalled, in accordance with seniority.

Employees shall remain on a recall list for one year. They shall retain all seniority. The last person laid off in a given classification shall be the first person recalled in that classification.

The Authority shall notify the laid off employee at his/her last known address of his/her recall to work, by certified mail. The employee shall respond within seven (7) calendar days and return to work, if gainfully employed elsewhere, within fourteen (14) days. Failure of a laid off employee to respond within seven (7) calendar days shall result in forfeiture of all recall rights.

All part time, seasonal and temporary employees doing blue collar work, shall be laid off before regular employees. Any employee on layoff status shall not accrue seniority or benefits of any nature during layoff status.

### **3.10 No-Smoking Policy**

Effective January 1, 1991, all buildings, vehicles, and facilities of the BTMUA will be smoke-free. The BTMUA will provide suitable receptacles outside the entrance doors of the buildings to extinguish all smoking material before entering the buildings.

## **4. SALARIES**

**4.1** The minimum starting rate of pay for each position is established in Schedule A of this Agreement. For the term of this contract, the hourly rates of pay shall be increased as follows:

- A) Effective and retroactive to January 1, 2004, all employees on board on the date of acceptance shall receive a four percent (4%) per hour wage increase or an hourly wage increase equivalent on an annualized basis to \$2000 per year based on a 2,080 hour work year, whichever is greater.

However, in no event shall a new hire be placed at a higher salary than an employee in that same classification, already in the MUA's employ. After six (6) months' employment, management shall have the right to increase said employee's salary based on said employee's performance over the first six (6) months.
- E) The aforesaid salary increases and retroactive payments shall apply to those persons in the employ of the Authority on the date of the execution of the Collective Negotiations Agreement.

### **4.2 Out-of-Title Work**

When an employee performs the work of a higher level employee, thereby being assigned duties and responsibilities clearly above and beyond the employee's regular job title, duties and responsibilities, the employee will receive a 10% increase over his/her hourly rate presently earned. Such additional pay shall commence with the second day of such work assignment, retroactive to the first day, within a 28 day period.

Seniority shall prevail in the selection of the person to be upgraded. If it becomes necessary to fill the position on a permanent basis, the position shall be posted in accordance with the contract. Any time served filling a temporary position shall not count toward the probationary period in the event that employee is selected to permanently fill the position.

### **4.3 Pay Checks**

Pay checks will be issued weekly. If the normal pay day falls on a holiday, pay checks will be issued on the closest possible prior work day.

Payday shall continue to be at the discretion of the Authority. The Authority will make an effort to distribute checks on Thursday afternoons. However, the Authority reserves the right to move payday back to the Friday if it deems it necessary.

Advance pay will be given for vacation days only, provided the request is for five days or more. Advance vacation pay will be given only for the number of vacation days which fall on or before the pay days on which the employee will be on vacation. All requests for advance vacation pay must be received by the employee's supervisor by the Friday prior to the pay day when the check is to be received.

**4.4 Payroll Deductions**

Class 1 License	- \$150.00
Class 2 License	- \$300.00
Class 3 License	- \$400.00
Class 4 License	- \$550.00

(This benefit is prospective only)

Prospectively the MUA shall pay the fee for obtaining the initial CDL endorsement. All other requirements associated with the CDL shall be the employee's responsibility. In the event that an employee leaves the employ of the MUA before the expiration of the period of the license, the employee shall reimburse the MUA on a pro rate basis for the cost of the license.

In the event of such an emergency, the employee must notify his Supervisor before leaving the job.

## **5.7 Overtime**

It is currently agreed and understood that the Field employees are first to be given/offered the regular, routine and/or emergency overtime as necessary. Presently all formal systems of assigning regular/routine and/or emergency overtime provides priority status for Field Employees.

### **5.7.1** Employees shall be expected to complete their work in the time allotted to them in a normal work day. Any employee scheduled to work beyond his standard shift shall be paid at the rate of one and one-half times the regular base pay for all hours worked in excess of his normal shift in any given day.

Any hours worked beyond the normal work week will be paid at the appropriate overtime rates. In this case, "normal work week" will include paid sick time, (except in the case of an employee who has been designated as a sick time abuser pursuant to the attached policy, in which case sick time will not be included), holidays, personal time, and vacation time.

Once offered, and either accepted or rejected, the name goes to the bottom of the list. If no one takes the scheduled overtime, then the first qualified person on the list with the least yearly scheduled overtime shall be assigned the overtime.

**5.7.4** Those employees who must remain at work when others are discharged early (Christmas Eve, New Year's Eve) shall receive straight time for the number of hours involved in addition to their normal pay. Those employees on vacation during such times will be charged vacation time, no adjustment given.

- F) Transfer of ERS duties will be administered by the supervisor. The employee will remain responsible for duty until the employee secures a qualified replacement and confirms transfer of duty with the Supervisor. Certain absences (sick, etc.) will automatically absolve/remove the employee from ERS duty. Upon vacancy management reserves the right to assign ERS duty to an employee in the ERS. Employees are responsible for exercising reasonable care in responding to calls.
- G) Communication devices issued to employees for ERS duty will be used for company business only. Any personal use of these devices will result in disciplinary action.

## **5.9.2 Compensation for Response**

- A) Each division will have primary responders for all applicable calls.
- B) Divisional assignments will be at management's discretion.
- C) Employees responding will be paid applicable overtime rate for actual work session plus travel time, not to exceed 45 minutes from the place of notification to Authority grounds. **7. GRIEVANCE PROCEDURES**

Should any differences arise between the Authority and the Union, or Union members employed by the Authority, as to the terms and conditions of this contract or a violation thereof, there shall be no suspension of work on account of such differences, but an earnest effort shall be made to settle such differences immediately through the following procedure in the order specified. Grievances filed through this procedure may only be filed by the Union or its representatives.

**Step 1** Within three working days after the occurrence of the act giving rise to the grievance, the employee must discuss the alleged grievance directly with his immediate supervisor in the presence of his shop steward. If no satisfactory disposition of the matter is reached, then the matter may be submitted to Step 2.

**Step 2** Within five working days after the occurrence of the action being grieved, the grievance must be reduced to writing and presented by the Union to the Department Head or his designee. Step 2 meeting is in discretion of Department Director. Failure to submit a written grievance within said five-day period shall be deemed to constitute a waiver of the grievance. If no satisfactory disposition of the grievance is reached at this Step within 10 working days of such submission, the matter may then be submitted to Step 3.

**Step 3** Within seven working days after the decision of the Department Head under Step 2 has been received, if the employee is unsatisfied with the results, the grievance must be submitted to the Executive Director. Within ten working days of such submission, the Executive Director shall meet with the employee and the Chief Steward and/or Union Delegate regarding the grievance. The Executive Director shall render a decision within fifteen working days of such meeting.

**Step 4** Within five working days of the Executive Director's decision in Step 3, either side may submit a written request to the other that the dispute be referred to an impartial arbitrator to be appointed by mutual agreement of the parties. If the parties are unable to agree upon such request, then, on application of either party, the New Jersey Public Employment Relations Commission shall be requested to designate a panel of arbitrators in accordance with N.J.S.A. 19:12-5.1.

Any impartial arbitrator designated hereunder, to whom any grievance or dispute shall be submitted in accordance with the provisions of this Agreement, shall have jurisdiction and authority only to apply and interpret the provisions of this Agreement. The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. The arbitrator shall not add anything to nor subtract anything from the parties' Collective Negotiations Agreement. The arbitrator shall only have jurisdiction to rule on grievances which pertain to an alleged violation of this Agreement. If the grievance does not allege a violation of this Agreement, the Union may not request the appointment of an arbitrator.

The decision of the arbitrator on any matter within his jurisdiction shall be final and binding upon the parties. The expense and fees of the arbitrator shall be shared equally by both parties.

Any grievance shall be considered as settled on the basis of the last answer of the Authority if not appealed to the next Step or to arbitration within the time limitations set forth herein. Time is of the essence.

The disposition of any grievance at any Step of the grievance procedure, prior to actual receipt of the decision of the arbitrator, by agreement between the Authority and the Union, shall be final and binding upon the employee, employees, or persons who are involved or affected thereby. Any interpretation of this Agreement agreed upon by the Authority and Union shall be final and binding upon all employees and upon any person affected thereby.

If the Authority does not respond to a grievance within the time period set forth in the grievance procedure and the Union wishes to pursue the grievance, the Union shall advance the grievance to the next Step at the expiration of the time period provided for the Authority to respond to the grievance. The time frames set forth in the grievance procedure will be extended as a result of utilization of vacation/sick time.

When weather emergencies exist, the Executive Director shall make the decision as to whether or not the Authority offices will be closed. If the Authority offices are closed, critical personnel as designated by the Dept. Head may be called in. Decision shall be promulgated according to the phone method, as well as on the radio stations authorized.

If the Executive Director or designee declares an emergency on a Saturday or Sunday, the Water Treatment Operator/SCADA Technician on duty shall be eligible for compensatory time for the shift covered by the weather emergency.

Critical personnel who are called in and work will receive a full day's pay plus a compensatory day which may be used in conjunction with, or in lieu of, vacation, sick or personal days. If the Water Treatment Operator/SCADA Technician is scheduled to take over the shift at the time critical personnel are called in, he will also be eligible for compensatory time. Compensatory time may be taken during the period March 15 - November 15.

Non-critical personnel will receive a full day's pay.

Field personnel will be called by 6:00 a.m. to inform them of closing.

Once a vacation request has been approved, it cannot be displaced by a higher seniority person. All other vacation requests not submitted in January must be submitted five (5) days in advance. Such a request must be approved by the Supervisor, Department Head, and Executive Director.

Vacation requests will be scheduled with full consideration for the effective operation of the Department, and employees with the greatest length of service will receive preference and choice of vacation period insofar as effective staffing requirements are met.

At the beginning of each calendar year, five (5) weeks will be designated 'Safety Weeks'. During these weeks, those divisions which require training during that week will not be permitted to take vacation or personal time.

### **9.3 Advance Vacation**

Employees with one year or more of service may request one week vacation time in advance for no more than the number of days to be earned during the calendar year.

### **9.4 Vacation Accrual**

### **10.1 Sick Leave**

Employees will earn paid sick leave according to the following schedule:

During the first year of employment - One day for each month worked  
After the first year of employment - Twelve days per year.

Any sick leave not taken during the calendar year will accumulate from year to year, and the employee is entitled to use the accumulated sick leave, with pay, if and when needed. Payment will be made for 1:1 of all sick time accrued at the time of separation in good standing from the Company, provided the person has been employed for at least five years.

"Sick leave" is defined as absence from duty because of personal illness or accident by reason of which the employee is unable to perform the usual duties of his/her position; exposure to a contagious disease; a period of emergency attendance upon an ill family member requiring the presence of the employee.

Employees absent on sick leave for a period of five days or longer shall present to the Supervisor upon return to work a certificate of medical disability completed by a physician, or similar certification of the need for the employee's absence. Such certification may be required for absences of less than five days for employees having records of repeated absences.

In case of absence on sick leave, the employee must notify the Supervisor as early as possible before the regular starting time. Failure to notify the Supervisor may constitute cause for disciplinary action.

All field employees covered by this contract will buy down on their sick time to 320 hours, which is the minimum number of hours they must maintain.

Employees will be paid 1:1 at the current salary rate for unused sick time above the minimum accumulated during each year. Payment will be made at the end of the calendar year or at time of retirement in good standing.

### **10.2 Personal Leave**

For absence due to death of a close member of the employee's family - one day with pay. "Close member" is defined as uncle, aunt of employee or spouse, niece/nephew, sister/brother-in-law. Such absences shall not be more than two days per year.

Absence due to death in the family is not to be charged to Personal Leave.

### **10.2.2 Personal Leave of Absence**

Each field employee shall be granted three personal leave days per year. While it shall not be necessary for the employee to give a reason for the leave, application for the day shall be made at least three days in advance. Such application shall be approved through the normal chain of command up to the Department Head. The number of employees in any Division who may take personal leave on the same day shall be limited to two, and seniority will prevail.

Personal days are not to be applied in any way to add to vacation, sick leave, or holiday time. Unused personal days may be carried for one year. Those not utilized after the one year carry period are forfeited.

In the event of an emergency, a morning call to the Supervisor with a justifiable reason will be allowed. However, if it is felt that the privilege is being abused or that the situation may not truly be an emergency, disciplinary action will be taken.

### **10.2.3 Procedure for Extended Personal Leave of Absence**

When there are important personal reasons to justify it, employees may request an extended personal leave of absence without pay, by submitting the following information in writing to the Executive Director:

1. Reason for leave.
2. Period of leave.

The Executive Director will determine whether the conditions justify the request, and will inform the employee within five days, in writing, as to whether the request has been granted or denied. The written request for leave will remain in the employee's personnel file.

Such extended leave of absence will be granted for a period of three months. Employees may request an additional three months which shall be subject to the approval of the Authority.

Prior to the start of the leave of absence period, the employee must make arrangements with the Payroll Department in regard to health benefits plan payments during the leave period. The employee may continue coverage during the leave in accordance with the prevailing law.

Upon return to work from leave of absence, the employee will return to the same classification as when he left. If the classification has increased due to cost of living or merit raises, appropriate consideration will be given to the employee by the Executive Director, based upon the length of the leave of absence.

Once an employee has exhausted all sick, vacation and personal time, they may make application pursuant to New Jersey and Federal Family Leave Acts.

### **10.3 Jury Duty**

The Authority will reimburse an employee for jury duty only when the employee must physically be at the courthouse serving in the capacity of a juror.

Employees summoned to jury duty will be paid regular salary by the Authority during the period of such service; however, upon receipt of payment from the court, the employee will turn over such payment to the Authority, less traveling expenses.

### **10.4 Maternity Leave**

Regular employees may request that earned or accumulated sick leave be granted during the time prior to the expected date of delivery and for six weeks after the actual date of delivery. This request must be accompanied by a doctor's certificate and is dependent upon approval by the Department Head. Additional time beyond the six-week period after delivery may be granted, provided the doctor's certificate sets forth the details of the condition requiring such additional leave.

### **10.5 Leave Covered by Workers' Compensation**

If an employee is injured on the job, payment will be made by Workers' Compensation insurance after the seventh working day of absence.

The Authority will continue to pay the full regular salary to an employee for a period of up to 12 weeks following the date of injury on the job; however, any payments made by Workers' Compensation Insurance will be turned over to the Authority.

After 12 weeks of receiving a full regular salary, the employee must be examined and evaluated by a physician and/or therapist designated by the Authority. If the designated physician/therapist determines that the employee is able to return to work at that time, the employee's salary payments will cease and the employee will receive only Workers' Compensation. If it is determined by the designated physician/therapist that the employee cannot return to work, the Authority will continue to pay the full salary and the Workers' Compensation payments will be turned over to the Authority. In no event however shall the amount of salary paid to the employee exceed the employees normal salary while not on workers' compensation. The employee will be examined as directed by the Authority by the designated physician/therapist until the employee returns to work or a determination is made by Workers' Compensation Insurance.

After discharge from full regular salary, employees may, at their option, use accumulated sick time proportionately to cover the difference between Workers' Compensation Insurance payments and full salary.

JANUARY 1, 2004 – DECEMBER 31, 2006

MEMORANDUM OF AGREEMENT

This agreement made by and between the Brick Township Municipal Utilities Authority (BTMUA) and OPEIU Local 32 encompasses the entire agreement between the BTMUA and the OPEIU reached on May 9, 2002, regarding grievance 34.01.

It is agreed that the following language would be used regarding notification of employees of potential chronic absenteeism.

- Chronic absenteeism or excessive absenteeism is not acceptable. Chronic or excessive absence is defined as a pattern of such absenteeism. The employer may issue a letter of notice to the employee, informing the employee that the employee has taken five occurrences per calendar year of absenteeism. This will inform the employee of the absenteeism situation. This letter shall not be used for disciplinary purposes, but as informational only. This does not bar the employer from discipline for chronic or excessive absenteeism.
