- B. Whenever meetings are mutually scheduled by the parties during working hours, employees shall suffer no loss in pay.
- C. This Agreement shall not be modified in whole or in part except by an instrument in writing duly executed by both parties.

ARTICLE III

GRIEVANCE PROCEDURE

A. Definitions

1. A grievance shall mean a claim by an employee that there has been a misinterpretation, misapplication, or violation of Board policy or this Agreement. A grievance shall also mean that there has been an administrative policy adversely affecting a unit member.
2. An "aggrieved person" is the person or persons claiming the grievance.
3. A "party in interest" is the person or persons claiming the grievance and any person who might be required to take action or against whom action might be taken in order to resolve the grievance.

B. Purpose

The purpose of this procedure is to resolve, at the lowest possible level, any grievance presented. The parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level is a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual Agreement.
2. In the event a grievance is filed by an employee at such a time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and, if left unresolved until the beginning of the following school year could result in irreparable harm to a party in interest, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practical.
3. It shall be the general practice of all parties in interest to process grievance procedures during time which does not interfere with assigned duties. However, in the event it is agreed by the Board and/or its agents to hold the proceedings during regular working hours, an employee participating in any level of the grievance procedure with any representative of the board, shall be released from their assigned duties without a loss of salary.
4. Level One – Immediate Supervision: An employee with a grievance shall first discuss it with her/his immediate supervisor, whether directly or through the Association's designated representative, with the objective of resolving the matter informally.
5. Level Two – Principal: If as a result of the discussion, the matter is not resolved to the satisfaction of the aggrieved person and Association within five (5) school days, s/he may set forth his/her grievance in writing to his/her principal on the grievance form provided.

All Level Two grievances shall be initiated within ten (10) calendar days after the event or circumstance being grieved takes place.

The principal shall communicate his/her decision to the aggrieved person and Association in writing within five (5) school days of receipt of the written grievance.

6. Level Three – Superintendent: The aggrieved person and/or the Association, no later than ten (10) calendar days after receipt of the principal's decision may appeal the decision of the principal to the Superintendent. The appeal to the Superintendent shall be in writing and shall include all materials submitted to and received from the principal. The Superintendent shall communicate his/her decision in writing, with

reasons for the same, to the aggrieved person and the Association within ten (10) calendar days of the receipt of the appeal.

7. Level Four – Board: If the grievance is not resolved to the satisfaction of the aggrieved person and/or the Association, s/he may request a review by the Board no later than ten (10) calendar days after receipt of the Superintendent's decision. The request shall be submitted in writing through the Superintendent of Schools, who shall attach all related papers and forward said request to the Board. The Board shall review the grievance and, if requested by the aggrieved person and/or the Association, hold a hearing with the aggrieved person and the Association's designated representative. The Board shall render a decision in writing with reasons for said decision, and communicate this decision to the aggrieved person and the Association within thirty (30) calendar days of receipt of the grievance by the Board or from the date of the hearing whichever comes later.

8. Level Five – Arbitration: In the event the aggrieved person is dissatisfied with the determination of the Board, the aggrieved person and/or the Association may submit a formal request for binding arbitration. The request for such arbitration shall be made within ten (10) calendar days of the determination of the Board with said request to be filed with the Public Employment Relations Commissions.

The parties shall be bound by the rules and procedures of P.E.R.C. The arbitrator selected shall confer with representatives of the Board and the Association and hold hearings promptly. The arbitrator shall issue the decision not later than thirty (30) calendar days from the date of the hearing unless the time shall be extended by mutual consent. The arbitrator's decision shall be in writing and binding, except as otherwise required by law. The cost of the arbitrator, including per diem expenses, if any, shall be borne equally by the Board and the Association.

9. Forms for filing grievances at the various levels shall be prepared jointly by the Superintendent and the Association and be distributed so as to facilitate operation of the grievance procedure.

ARTICLE IV
