Any grievance as to whether or not the provisions of this agreement conflict with Federal legislation or regulation or any agreement with the local government prime sponsor shall be considered to be non-contractual and shall be processed in the manner provided in Article V, Section 4, Section 5, Section 6 (Steps 1, 2, and 3A) of this Agreement.

If the Authority intends to make changes, which have the effect of eliminating in part or in whole such terms, the Authority will notify the Union. Within thirty (30) days of such notice, or the date on which the change would reasonably have become known to the Union, the Authority shall enter negotiations with the Union on the matter involved. The Authority also agrees that no employee shall be subject to harassment and that every employee shall be treated within the accepted standards of common decency, courtesy and respect.

The parties further agree not to interfere with the rights of employees to become or not to become members of the Union. The Union recognizes its responsibility as the exclusive representative for all employees in the CWA Employees Union without discrimination.

ARTICLE VII – RIGHTS AND PRIVILEGES OF THE UNION

- A. Bulletin Boards. The Union shall be designated a bulletin board at each Authority site for the sole use of the Union.

- B. Union Representatives. The Union shall have the right to designate such members of the Union, as it deems necessary as Union Officers, who shall not be discriminated against due to their legitimate Union activity. Union Officers and/or designees shall be permitted, upon written request by the Local President only and subject to the approval of the Authority, to participate during normal working hours and with no loss of pay, in negotiations, contract preparation, Union educational conferences, conventions, Union meetings and institutes.

This leave with pay shall be limited to sixty (60) work days aggregate to be shared among all three (3) Bargaining Agreements per year, for all Officers and/or designees combined. Such time off will not be chargeable and shall not apply to any employee in connection with processing of a grievance.

Upon request of the Union, contract negotiations will be held in the evening hours. If the Authority requests negotiations during working hours, the Union leave will not be chargeable.

Representatives of the Union of its affiliates, so designated, shall be permitted to transact official Union business with no more than four (4) members at one time on the premises at a reasonable time, provided that this shall not interfere with or interrupt normal operation of the service. Such representatives so designated shall be forwarded to the Authority no later than February 1, of each calendar year and revised accordingly, within thirty (30) days.

- C. Access to Premises. Any authorized Union Representative, so designated, shall have the right to enter upon the premises of the Authority during working hours, having provided prior notification of such visit to the Executive Director or his designee, for the purpose of conducting normal duties relative to the enforcement and policing of this Agreement so long as such visits do not interfere with proper service to the public.

- D. Union Space. The Union may request use of available space for use as an office for the storage of papers and files. Provision of such space shall not be unreasonably withheld, however, provision for this space shall not take priority over essential uses. The Union may be permitted to furnish file cabinets or other equipment to this office.

ARTICLE VIII - UNION SECURITY

- A. The Authority agrees to deduct from the regular paycheck of any employee the dues of the Union, provided the employee submits an authorization for dues deduction in writing and in proper form, to the responsible payroll clerk. Upon receipt of the form, the payroll clerk will process the authorization for implementation during the next payroll period. Dues deduction shall be made no later than two (2) weeks after the completed and signed authorization form is received.
- B. Dues shall be two (2) hours pay per month based on a forty (40) hour workweek, or such other amount as may be certified to the Authority by the Union at least thirty (30) days prior to the month in which the deduction of the Union dues is to be made.
- C. The Authority further agrees to deduct, in accordance with P.L. 1979, Chapter 477, as it relates to the Agency Shop provisions, from the pay of each employee covered by this Agreement who does not furnish a written authorization for deduction of Union Dues, a Representation Fee equal to 85% of the Union Dues as may be certified to the Authority by the Union at least thirty (30) days prior to the month in which the deduction of dues is to be made.

D. Representation Fee (Agency Shop)

Beginning the first full pay period in calendar year 2001, and continuing until December 31, 2001, all eligible non-member employees of a unit will be required to pay to the majority representative a representation fee in lieu of dues for services rendered by the majority representative. Nothing herein shall be deemed to require any employee to become a member of the majority representative.

a. Amount of Fee

The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees, and assessments charged by the majority representative to its own members less the cost of benefits financed through the dues, fees and assessments and available to or benefiting only its members, but in no event shall such fees exceed 85% of the regular membership dues, fees and assessments.

b. Deduction and Transmission of Fee

After verification by the Employer that any employee must pay the representation fee, the Employer will deduct the fee for all eligible employees in accordance with this Article.

The mechanics of the deduction of representation fees and the

transmission of such fees to the Union wills, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

The Employer shall deduct the representation fee as soon as possible after the tenth (10th) day following reentry into a unit for employees who previously served in a position identified as excluded or confidential, for individuals re-employed in a unit from re-employment list, for employees returning from leave without pay, and the previous employee members who become eligible for the representation fee because of non-member status.

The Employer shall deduct the representation fee from a new employee as soon as possible after thirty (30) days from the beginning date of employment in a position in a unit.

c. Demand and Return System

The representation fee in lieu of dues shall be available to the Union only if the procedure hereafter is maintained by the Union.

The burden of proof under this system is the Union. The Union shall return any part of the representation fee paid by the employee which represents the employee's additional pro rata share of expenditures by the Union that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of other benefits available only to members of the majority representative.

The employee shall be entitled to a review of the amount of representation fee by requesting the Union to substantiate the amount charged for the representation fee. This review shall be accorded in conformance with the internal steps and procedures established by the Union.

d. Employer Held Harmless

The Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions, or proceedings brought by any employee in the bargaining units which arises from an agreement to deduct made by the Employer in accordance with this provision. Neither the Employer nor the Employee shall be responsible for any back payment of the representation fee for any cause upon the entry or re-entry of the

employee into the Union from an excluded position or another unit. The term excluded position shall include, but not be limited to, confidential, managerial and exempted position.

If violations of any time frame occur regarding representation fee deduction, and they are brought to the attention of the Authority, the Authority shall review the matter and solve the problem on a prospective basis.

e. Legal Requirements

Provisions in this clause are further conditioned upon all other requirements set by statute.

E. The deduction of Union dues and Representation Fees made pursuant hereto shall be remitted by the Authority to the Union c/o Secretary-Treasurer, Communications Workers of America, AFL/CIO, 501 3rd Street NW, Washington, DC 20001-2797, by the tenth (10th) day of the month following the calendar month in which such deductions are made together with a list of employees from whose pay such deductions were made. A copy of such list shall also be delivered to the Local Union President.

F. The Authority shall furnish to the Local Union a list of all new employees in the unit and a list of all employees who terminated employment within the preceding calendar month. These lists shall include the date of hire or date of termination, the employee's name and title, and the employee's work location.

ARTICLE IX – GRIEVANCE PROCEDURE

Section 1 – Grievance Defined

Grievances are contractual if there is a breach, misinterpretation, or improper application of the terms of this Agreement, or are non-contractual if there is a claimed violation, misinterpretation or misapplication of rules or regulations, existing policy, or order applicable to the Authority which employs the grievant affecting the terms and conditions of employment.

Section 2 – Purposes

- A. The purpose of this procedure is to assure prompt and equitable solutions to problems arising from the administration of this Agreement or other conditions of employment and to provide an exclusive vehicle for the settlement of employee grievances under Civil Service Rules.

- B. It is agreed that in the usage of this grievance procedure an employee shall not be coerced, intimidated or suffer any reprisal, either direct or indirect, as a result of such use.

- C. Nothing in this Agreement shall be construed as compelling the Union to submit a grievance to arbitration or to represent an employee before Civil Service. The Union's decision to request the movement of any grievance to any step or to terminate an employee's grievance at any step shall be final as to the interest of the grievant and the Union.

- D. No grievance settlement reached under the terms of this Agreement shall add to, subtract, or modify any terms of this Agreement or existing laws and any grievance so adjudicated shall have no force or effect.

Section 3 – Matters Beyond the Scope of Grievability

When a grievance involves an alleged violation of rights and privileges specified in Civil Service Laws and Rules, for which there are specific appeals to the Department of Personnel, the employee shall present his complaint to the Department of Personnel directly. The Union may represent the employee before the Department of Personnel and its representative may be an attorney.

Section 4 – General Rules

- A. A grievance must be filed initially within ten (10) working days from the date on which the act, which is the subject of the grievance occurred, or ten (10) working days from the date on which the grievant should reasonably have known of its occurrence. Where a grievance involves an alleged error in calculation of salary payment, the grievance may be timely filed within thirty (30) calendar days from the time the individual should reasonably have known of its occurrence. Other references to days in this process are working days.
- B. Time limits under this Article may be changed by mutual agreement, and requests for extension of time limits will not be unreasonably withheld. Time off for grievance hearings will be granted, but such time will not be considered time worked for the computation of overtime.

- C. If the finding or resolution of a grievance at any step in the procedure is not appealed within the prescribed time, said grievance will be considered settled on the basis of the last answer provided, and there shall be no further appeal or review.
- D. Where the subject of a grievance suggests it is appropriate where the parties mutually agree, such grievance may be initiated at or moved to Step 2 without a hearing at a lower step.
- E. A grievance, which directly concerns and is shared by more than one grievant, is a group grievance. The presentation of such group grievance will be the appropriate Union representative and one (1) of the grievants designated by the Union. Where individual grievances concerning the same matter are filed by several grievants, it shall be the option of the Authority to consolidate such grievances for hearings as a group grievance.
- F. Time off for grievance hearings shall be granted to the grievant, Union employee representative, and a reasonable number of witnesses required without loss of pay for the time of appearance and travel time, as required, during their normal scheduled working hours.
- G. Union representatives may have the right to directly examine and cross examine witnesses who appear at any step of the procedure.
- H. All grievances shall be presented, in writing, to the Authority.

Section 5 – Grievance Investigation

When a grievance has been initially submitted in writing, and where the Union representative requires time to investigate such grievance to achieve an understanding of the specific work problem during working hours, the representative will be granted permission and one (1) hour to investigate without loss of pay. The supervisors of the representative and of the involved grievant shall schedule such time release, providing the work responsibilities of the representative and any involved employee are adequately covered, and providing there is no disruption of work. Such time release shall not be construed to include preparation of paperwork, record keeping, conference among Union officials, nor preparation for presentation at the grievance hearing.

Section 6 – Grievance Steps

Step 1

An employee may orally present and discuss his problem with his immediate supervisor on an informal basis. The employee may be represented by a Union employee representative. Decisions after the informal discussion shall be sent to the employee within seven (7) days after the conclusion of the discussion. Should the problem not be satisfactorily resolved, or should there be no response within the seven (7) days, the employee may exercise the option within five (5) days to proceed to the next step.

Step 2

If the problem is not resolved informally, the grievant may present his grievance, in writing, to the Executive Director, or designee, who shall hear the grievance. Witnesses may be heard and pertinent records received. The grievant may be represented by a Union employee representative, and/or non-employee representative.

Decisions after the scheduled hearing shall be in writing to the grievant within five (5) days after the conclusion of the hearing. Should the grievance not be satisfactorily resolved, or should there be no response within the five (5) days, the grievant may exercise the option within seven (7) days to proceed to the next step.

Step 3

- A. Merit System Board Review. If the grievant is dissatisfied with the disposition of a non-contractual grievance by the Executive Director or designee, he may appeal the grievance to the Merit System Board for review. When the review is scheduled, the grievant may be represented by a Union representative, and/or an employee representative. Witnesses may be heard and pertinent records received.

- B. Arbitration. If no settlement of a contractual grievance is reached between the parties, and if the grievance involves an arbitrable dispute, either the Authority of the Union, or both may move the grievance to arbitration within thirty (30) days after receiving the answer from the Executive Director or designee, or within thirty (30) days from the time the answer, in writing, from either party was due.

Any party wishing to move an arbitrable grievance to arbitration shall notify the Public Employment Relations Commission that they are moving the grievance to arbitration and request a list of arbitrators to be furnished to the Authority and the Union. If the Authority and the Union cannot mutually choose a satisfactory arbitrator within thirty (30) days after receiving the list, the Commission shall appoint an arbitrator to hear the matter and render an award in writing. The award shall be final and binding. The cost of the arbitrator's fee shall be shared by the Authority and the Union.

The arbitrator shall interpret this Agreement as written and shall not alter, amend nor add to the terms of this Agreement.

- C. A grievance may be appealed through either of the aforementioned procedures but not through both.

ARTICLE X – DISCIPLINE

- A. Discipline of an employee shall be imposed only for just cause. Discipline under this Article means official reprimand, fine, suspension, demotion or removal. Demotion or removal based on lay-off or other operational judgment of the Authority shall not be construed to be discipline. Just cause for discipline up to and including removal shall include, but not be limited to, those causes set forth in N.J.A.C. 4A: 2-2.3.
- B. The Authority shall not take any summary disciplinary action against an employee except in the following situations: (1) When an employee refuses to act upon a direct working order or refuses to perform assigned duties, for example, in cases where the supervisor's ability to carry out his job is severely questioned or endangered; or (2) When violence and/or the health and safety of himself or other employees may be involved. The Authority shall serve written notice of such discipline upon the employee. Such notice shall contain a reasonable specification of the nature of the charge, a general description of the alleged acts and/or conduct upon which the charge is based, and the nature of the discipline. The name of any employee who is notified of disciplinary action shall be transmitted to the Union President and a copy to "President, Local 1040, CWA, 230 Parkway Avenue, Trenton, NJ 08618," within seventy-two (72) hours after such notice to the employee. Depositing such

notice in the United States mail within seventy-two (72) hours after such notice to the employee shall continue compliance with the provision relating to notice of the Union.

- C. Interview. In the event a formal charge is made by the Authority against an employee, if he so request, he shall be entitled to a Union representative as witness or as an advisor during any subsequent interview. No recording of such procedure shall be made without notification to the employee. There shall be no presumption of guilt. The employee and/or the Union, if present, may request and receive a copy of any recordings, if made.
- D. Any disciplinary action of less severity (e.g. reprimand, suspension of less than five (5) days, fines of less than five (5) days pay), other than those from which an appeal may be made to the Merit System Board, may be the subject of an appeal filed through the grievance procedure. A grievance concerning disciplinary action shall be initiated at Step 2.

E. A permanent employee shall have the right to a Merit System Board hearing, and shall not use the grievance procedure in every disciplinary action involving:

1. Suspension of more than five (5) days at one time.
2. Suspension or fines more than five (5) days.
3. Demotion.
4. Removal.

Such Departmental hearing should commence as soon as possible and hopefully no later than thirty (30) days after service of a copy of charges. The Authority shall notify the employee, the Union President, Local 1040, and the (Department of Personnel) of the reasons for the disciplinary action. The employee may be represented at such hearing by Union Officials or legal counsel; witnesses will be heard and pertinent records received.

ARTICLE XI – EMPLOYEE FACILITIES AND EXPENSES

- A. Facilities. The Authority shall provide appropriate facilities at all the housing projects for the employees to utilize for the purpose of lunch period and first aid relief. Should the Authority find it necessary to discontinue one or all such facilities, reasonable time will be allowed for employees so affected to travel to and from another facility, or to an outside location for their lunch period.
- B. Automobile Expenses. Whenever an individual employee is requested and authorized to use his privately owned vehicle for use of the Authority, then the Authority shall reimburse the employee at the rate of \$.25 for each mile of such use, and shall reimburse the employee for all parking fees so incurred. All mileage shall be computed on a portal-to-portal basis. The requirement to utilize a privately owned vehicle shall not be imposed where it involves the transporting of Housing Authority supplies or where it causes undue hardships on the employees. Notwithstanding the foregoing, if the mileage reimbursement rate of \$.25 is increased by the State of New Jersey pursuant to any agreement entered into with its comparable union employees, such increased rate shall be the rate paid by the Authority from the effective date of such increase by the State of New Jersey.

Employees who do not hold a valid and current driver's license shall not drive. Authorization for such use is predicated on the employee's maintaining current automobile registration and basic automobile insurance. Any authorized use of employee vehicle will result in the Authority reimbursing said expense.

In the event an employee is requested and properly authorized to use his privately owned vehicle for Authority purposes, and an accident occurs resulting in damage to the employee's vehicle, for which the employee will be compelled to pay upon proper proof of said payment, the Authority will reimburse the employee the amount so paid, not to exceed the assigned insurance deductible for said vehicle. If an accident occurs while the employee is performing Authority duties in their personal car, the Authority shall pay the personal insurance deductible for said vehicle.

Longevity pay shall not be retroactive prior to January 1, 2002 in the first year of the contract and January 1, 2003 in the second year of the contract. New employees shall be considered for longevity bonuses at five (5) year increments. Any interruption of service due to a cause beyond the control of the employee, i.e. military leave, job related injury or illness), shall be considered as service for the purpose of determining the completion of said cumulative period of service with the Authority. Any employee who is on leave of absence for less than ninety-days (90) from December 26, 2001, shall receive longevity pay for that year on a prorated basis; and any employee who is on leave of absence in excess of ninety (90) days during said period shall be ineligible for any longevity pay for that year. "I certify that this bill represents a valid claim for reimbursement for vision care received by myself or my eligible dependent named herein, and is the only claim requested during the current, contractual period for me or the eligible dependent so named."

There shall be only one reimbursement each year of the contractual period.

Reimbursement shall be made to the employee by the issuance of a supplemental check within ten (10) days after the Authority has validated and verified the bill and certification. In all cases where lens and/or frames are alleged to have been damaged in job related accidents, if the Authority, in its sole discretion, determines that the damage is job related, it shall pay the full cost to repair or replace same.

 4. After fifteen years of service – twenty-six (26) working days.
- B. Vacation leave is credited and advanced at the beginning of the calendar year in anticipation of continued employment for the full year and may be used on that basis in accordance with established Authority policy.

Vacation schedules will be arranged in accordance with the operational needs of the department. The department head will limit the number of employees off at any one time so as not to cause a disruption of operations and/or staffing problems.

In order to permit an orderly scheduling of workloads, seventy-five percent (75%) percent of all vacation time will be scheduled in advance.

Employees must have their vacation request submitted before April 1st. Once received the requests will be processed and approved before April 30th.

Employees may take the remaining twenty-five percent (25%) of their vacation time in accord with the remaining contract provisions. In all instances seniority will be the determining factor in approving vacation requests.

Where an employee has earned vacation in excess of one (1) year allowance

as of September 1st, the employee will meet with his/her Department Supervisor to schedule such vacation time as may not be carried into succeeding calendar year, so that no accrued time will be lost.

An employee is entitled to receive, just prior to going on vacation leave, any pay due him during his vacation absence. The employee must submit a written request for such pay at least two (2) weeks in advance to the appropriate office designated by the Authority.

Upon separation or retirement from the Authority, an employee shall be entitled to vacation allowance for the current year, prorated on the number of months worked during the year in which the separation or retirement becomes effective, plus any vacation leave carried over from the preceding year. If an employee dies having accrued vacation credits, then a sum of money equal to the compensation figured on his salary rate at the time of death shall be calculated and paid to his estate.

The Authority may require an employee who has been absent because of personal illness, as a condition of his return to duty, to be examined at the expense of the Authority.
