This Agreement entered into this 1st day of May in the year 2003 by and between the Board of Education of the Township of River Vale, New Jersey, hereinafter called the Board, and the River Vale Education Association, hereinafter called the Association.

WITNESSETH

WHEREAS, the Board has an obligation, pursuant to Chapter 123, Public Laws of 1974, as amended and supplemented, to negotiate with the Association as the representatives of employees hereinafter designated with respect to certain terms and conditions of employment as set forth in this Agreement, and

WHEREAS, the parties have reached certain understanding which they desire to confirm in this agreement;

In consideration of the following mutual covenants, it is hereby agreed to as follows:

ARTICLE 1 - RECOGNITION

TEACHERS/SECRETARIES

- A. The Board hereby recognizes the Association as the exclusive and sole representative for collective negotiations concerning grievances and terms and conditions of employment for all personnel for whom a certificate is required, employed by the Board or on leave excluding:

- Superintendent
- Principals
- Substitutes
- Administrative Assistants
- Teacher Aides
- Director of Pupil Personnel Services and Curriculum
- School Business Administrator
- Board Secretary
- Full Time Supervisor
- Secretaries excluded as confidential by law
- Custodians

The Association shall remain the exclusive and sole representative of the above as long as it maintains a majority representation of said certificated personnel.

- B. Any new titles or positions that are created shall be subject to review by both parties to determine inclusion or exclusion in the unit, and if the parties are unable to agree, the matter shall be referred to the Public Employment Relations Commission.
- C. Unless otherwise indicated, the term “teachers” when used hereinafter in the Agreement shall refer to all professional employees represented by the Association in the negotiation unit as defined, and references to male teachers or employees shall include female employees and vice-versa.

Secretaries

- A. The River Vale Board of Education recognizes the River Vale Education Association as the exclusive representative of all school secretaries employed by the Board, but excluding all other employees of the River Vale Board of Education, managerial executives, professional, confidential, craft, police employees, and supervisors within the meaning of the New Jersey Employer-Employee Relations Act, as amended, for the purposes of collective negotiations with respect to terms and conditions of employment.
- B. Unless otherwise indicated, the term "secretary" when used hereinafter in the Agreement shall refer to all office employees represented by the Association in the negotiating unit as above defined.

ARTICLE 2 - GRIEVANCE PROCEDURE

TEACHERS/SECRETARIES

A. DEFINITIONS

The term “grievance” means a complaint about the interpretation, application or alleged violation of this Agreement or policies or administrative decisions affecting the terms and conditions of employment of a teacher or group of teachers, secretary or group of secretaries.

The term “School Day” shall mean a day upon which the teacher’s attendance is required.

B. PROCEDURE

A grievance to be considered under this procedure must be initiated by the grievant within thirty (30) school days from the time of its occurrence or the time when the grievant became aware of the alleged grievance. Failure to act within such period shall be deemed an abandonment of the grievance.

I. *Level One:*

A grievant shall first discuss his grievance with his immediate superior. Where the immediate superior is below the rank of principal, the principal shall be notified and shall have the right to be present at and to participate in said discussion.

If the grievant is not satisfied with the result of the discussion, within five (5) school days of the discussion, he shall submit his grievance to his immediate superior in writing specifying:

- (a) the nature of the grievance;
- (b) the results of the previous discussion, and;
- (c) the nature of the remedy which is being sought by the grievant.

The immediate superior shall render within ten (10) school days of said written grievance a written decision.

II. *Level Two:*

If the grievance is not resolved to the grievant's satisfaction within five (5) school days from the written decision referred to on Level One above, the grievant shall submit his grievance to the Superintendent of Schools in writing specifying:

- (a) the nature of the grievance;
- (b) the results of the previous discussion;
- (c) the basis of his dissatisfaction with the determination; and
- (d) the nature of the remedy being sought by the grievant.

A copy of the writing called for in the aforementioned paragraph shall be furnished to the school principal, to the immediate superior of the grievant, and to the Association.

Within ten (10) school days from the receipt of the written grievance (unless a different period is mutually agreed upon), the Superintendent shall hold a hearing at which all parties shall have the right to be heard.

Within ten (10) school days of said hearing (unless a different period is mutually agreed upon), the Superintendent shall, in writing, advise all parties and their representatives, if there be any, of his determination and reasons therefore.

III. Level Three:

In the event of the failure of the Superintendent to act in accordance with the provisions of the two paragraphs above, or, in the event a determination by him/her in accordance with the provisions thereof, is deemed unsatisfactory by the grievant, the grievant may within ten (10) school days of the determination by him/her, appeal to the Board of Education for a private hearing which shall be held within twenty (20) school days of the written request for same.

Where an appeal is taken to the Board, there shall be submitted to the parties and the Board by the appellant:

- (a) the writing set forth in preceding paragraphs,
- (b) a further statement in writing setting forth the appellant's dissatisfaction with the Superintendent's action, and
- (c) any additional written materials as requested by the Board.

A copy of above said statements shall be furnished to the Superintendent and to the adverse party (ies) who shall have the right to reply thereto.

The Board shall make a determination within thirty (30) school days from its receipt of the grievance and shall, in writing notify the grievant, his representative if there be one, the principal, and the Superintendent of its determination and the reasons therefore. This time period may be extended by mutual agreement of the parties.

IV. Level Four:

In the event a grievant is dissatisfied with the determination of the Board, he shall have the right to carry his grievance to arbitration, pursuant to rules and regulations established by the Public Employment Relations Commission under the provisions of Chapter 123, Laws of 1974, as amended and supplemented.

The decision rendered by the arbitrator shall be advisory only, except in regard to the interpretation of this agreement.

A demand for such arbitration shall be made no later than fifteen (15) school days following receipt of the written determination of the Board. Failure to file within said time period shall constitute a bar to such arbitration unless the grievant and the Board mutually agree upon a longer time period within which to assert such a demand.

The Board and the Association shall attempt to agree upon a mutually acceptable arbitrator. If the parties are unable to agree upon an arbitrator, they shall immediately and jointly request the Public Employment Relations Commission to appoint an arbitrator. In the event the Commission shall be unwilling or unable to appoint an arbitrator, then a request shall be made to the American Arbitration Association to appoint an arbitrator.

In the event of arbitration, the cost of the arbitrator's services shall be shared equally by the appellant and the Board. If the appellant is represented by the Association, the Association will bear the expense for the appellant. In addition, it is expressly provided that the arbitrator shall have the power to recommend that the cost of the arbitration services be borne by one party, if in his judgment that party unnecessarily created the need for arbitration, or did so for the purposes of delay, or which party's contentions are deemed by him/her to have been unreasonable and a sham.

The parties agree that any dispute regarding the interpretation of this Agreement shall be submitted to binding arbitration.

C. MISCELLANEOUS

1. A grievant may be represented by him/herself or at his option by a representative selected or approved by the Association. The grievant shall be present throughout each level of the grievance procedure. The Association shall have the right to be present by representative at any hearing and to make its views known.
2. A grievant processing a grievance shall be assured freedom from restraint, interference, coercion, discrimination, or reprisal by reason of such grievance.
3. Failure at any step of the procedure to communicate the decision of a grievance within the time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be an acceptance of the decisions rendered at that step, and an abandonment of further grievance procedure. The parties, however, may mutually agree in writing to extend the time periods specified herein.
4. In the event a grievance is filed by any teacher who is not subject to the jurisdiction of any principal, or who may be answerable to more than one principal, such teacher shall initiate his grievance at Level Two.
5. A grievance which by its nature cannot be resolved at levels below that of Superintendent may be initiated by the grievant at Level Two; in such cases the procedure in Level One shall apply. It is understood by both parties to this agreement that the purpose of their expedited filing of grievances is to resolve such grievances at their proper level and is not intended to bypass the normal adjudication of grievances at the lowest administrative level.
6. A copy of the writing set forth above shall be served upon the Superintendent who shall have the right to reply in writing thereto. A copy of such reply shall be served upon the grievant.
7. Until a grievance is fully resolved to the satisfaction of all parties, all personnel covered under this contract, including the grievant, shall continue under the direction of the Superintendent of Schools and the administrators regardless of the tendency of any grievance, until such grievance is duly determined; however, duties shall not be varied as of the day before the grievance was first filed.

ARTICLE 3 - COMPLAINT PROCEDURE

TEACHERS/SECRETARIES

No complaint regarding a teacher/secretary made by a parent, student or member of the community shall be noted in the personnel file of any teacher/secretary without first (a) notifying the teacher/secretary in writing of the source and contents of the complaint and (b) affording the teacher/secretary a private hearing on such complaint, if the teacher/secretary shall file written demand therefore within ten (10) school days or thirty (30) calendar days of the notice, whichever is less. Subsequent notation of the complaint and determination shall be made only after a determination in such hearing which is adverse to the said teacher/secretary. In the event the determination is adverse, the teacher/secretary shall have the right to attach a written rebuttal to the complaint. Complaints under this article shall not be subject to the grievance procedure but the failure to follow the procedure set forth herein would be subject to such grievance procedure.

SECRETARIES

A. SALARIES AND LONGEVITY

1. The salaries of all secretaries covered by this Agreement are set forth in Schedule A of this Agreement.
2. The Board agrees to establish a longevity pay plan based on the number of years experience within the River Vale School District as follows:

10 to 14 years \$1,300.00

15 years and over \$1,500.00

Note: The amounts designated above will increase \$100 per category in year 2, and \$100 per category in year 3 of this agreement.

To qualify for longevity pay, length of service must be continuous in the River Vale School District.

An employee will retain his length of service for longevity during an approved leave of absence, but the period of such absence shall not be counted in determining his years of experience within the school district.

An employee who leaves and subsequently returns to employment in the District will, upon completing a period of time equal to the time- spent away from District employment, have his previous length of service restored. Example: An employee with 10 years of service leaves for two years - upon completing two years of service upon return to the District the employee will have 10 years of service.

3. The salary for any ten-month employee shall be prorated 10/12ths of the Annual Salary as listed in Schedule A.

C. WITHHOLDING OF INCREMENTS

The granting of any salary increment and/or adjustment as set forth in the salary schedule shall not be deemed automatic. The withholding of any salary increment for inefficiency or other good cause shall be governed by the provisions of N.J.S.A. I8A: 29-14 and shall be preceded by the following steps:

1. A recommendation to withhold increment shall not be made to the Board of Education unless the secretary shall have received a minimum of three formal observations spaced at least twenty (20) days apart.
2. Within five (5) school days following each observation, the secretary will be given a written summary of the observation with recommendations for improvement and will discuss it with the evaluator. The secretary or evaluator may request of the Superintendent an additional evaluation, which will then be discussed with the secretary.
3. If withholding of increment is recommended, the Superintendent will present the secretary with a written copy on his recommendation. The secretary will be given an opportunity to discuss the recommendation with the Superintendent within five (5) school days of receipt of such recommendation.

4. If the secretary so desires, she will be given an opportunity to be present at the meeting of the Board of Education when her case is to be considered and will be given the opportunity to present her case.
5. If the secretary is not satisfied with the Board's final determination she may appeal the decision to the Commissioner of Education of the State of New Jersey as provided for by Title 18A: 29-14 as amended.
6. The contents of evaluations shall be kept confidential from students, parents or at any public gathering.
7. All monitoring or observation of the work performance of a secretary shall be conducted openly with full knowledge of the secretary.

The payment shall be determined by the total applications received and approved for reimbursement and shall be for the last pay in the contract year. In the event that said maximum is not sufficient in the second and third year to cover teachers' requests, the Board agrees to review said maximum.

The Board, upon written request by a secretary, shall remit monies directly to Copleand for annuities and/or Equitable, provided that the procedure does not violate any statutory provision or administrative regulation.
6. The Board agrees to deduct the sum of 85% of the rate of the Association dues from each non-Association member of the bargaining unit represented by the Association and shall remit the Agency Shop fee to the Association by the established dues deduction procedure.

The Association agrees to indemnify and hold the Board harmless against any liability which may arise by reason of any action taken by the Board in complying with the provisions of this article, provided that the Board gives the association timely notice in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement this paragraph.

ARTICLE 14 - INSURANCE PROTECTION

TEACHERS/SECRETARIES

A. The Board shall provide the health/group insurance protection designated below for the term of this Agreement. The Board shall pay for the full premium for each teacher and the premium for family coverage only where such coverage is specifically extended by the Board and with the exception noted in A-3 below.

1. For each teacher/secretary who remains in the employ of the Board for the full school year, the Board shall make payment of insurance premiums to provide insurance coverage for a period beginning 90 days from commencement of work and for a full 12 month period in succeeding years, from September 1st and ending August 31st; unless the new employee transfers from another district participating in the State Health Benefits Plan or the North Jersey School Health Insurance Fund, such payments and coverage would continue without interruption. Payments will be made through August 31st in behalf of a teacher who terminates employment as of June 30th.

2. Provisions of the health group insurance program shall be detailed in master policies and contracts agreed upon by the Board and shall include any current provisions contained in the State Health Benefits Plan. Such coverage is extended to the employee and family.

3. Employees new to the district after 7/1/2004 will contribute 15% of the cost of the dependents medical insurance coverage and 15% of the cost of the vision plan for the first two contractual years of employment. The contributions will cease upon the completion of two contractual years.

4. Provisions of the group dental insurance program shall be detailed in master policies and contracts agreed upon by the Board and shall include any current provisions contained therein. Such coverage is extended to the employee and family.

5. Provisions of the group optical insurance program shall be detailed in master policies and contracts agreed upon by the Board and shall include any current provisions contained therein. Such coverage is extended to the employee and family.

B. The Board will attempt to provide to each teacher/secretary a description, from the insurance carrier, of all group insurance coverage provided under this Article, no later than the beginning of each school year, which shall include a clear description of conditions and limits of coverage as listed above.

C. To be eligible for insurance protection, teachers hired after the execution of this Agreement must work at least twenty-two (22) hours per week.

ARTICLE 15 - REPRESENTATION FEE

TEACHERS AND SECRETARIES

A. The Board agrees to deduct Association dues from the salaries of employees upon request in compliance with Chapter 310, Public Laws of 1967 (N.J.S.A. 25:14-15.9e).

B. Representation Fee

1. Purpose of Plan: If a Bargaining unit Member does not become a member of the Association during any membership year (i.e. from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year to offset the **costs** of services rendered by the Association or majority representation.
2. Amount of Fee: Prior to the beginning of each membership year, the Association will notify the Board, in writing, of the amount of the regular membership dues, initiation fees and assessment charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will not exceed 85% of that amount.

The Association will certify to the Board prior to the start of each membership year, that the amount of the representation fee to be assessed does not exceed 85% of dues, fees and assessments that are expended 1) for partisan, or ideological activities or causes that are only incidentally related to terms and conditions of employment or 2) applied toward the **cost** of benefits available only to members of the majority representative.

3. Deduction and Transmission of Fee: The Board agrees to deduct from the salary of any Bargaining Unit Member who is not a member of the Association for the current membership year the full amount of the representation fee set forth in Section 3 above and promptly will transmit the amount so deducted to the Association.

The Board agrees to deduct the representation fee in equal installments as nearly as possible, from the paychecks paid to each Bargaining Unit Member during the remainder of the membership year in question. The deductions will begin 30 days after the Bargaining Unit Member begins his or her employment in a bargaining unit position.

The Association, before any deductions are made, must first establish a demand and return system. This system will provide that a non-union member may appeal the amount of the representation fee assessed against him/her. The Association will provide the non-member with a full and fair hearing, and has the burden of proof in justifying the amount of the fee. Non-members who are dissatisfied with the outcome of their appeal at the local level may appeal further. All funds in this instance will be held in escrow during that period of time.

4. Indemnification and Save Harmless Provision: The Association agrees to indemnify and hold the Board harmless against any liability which may arise by reason of any action taken by the Board in complying with the provisions of this Article, provided that the Board gives the Association timely notice in writing of any claim, demand, suit or other form of liability in regard to which it will seek to implement this paragraph.

5. Termination of Employment: If a Bargaining Unit Member who is required to pay a representation fee terminates his or her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said Bargaining Unit Member during the membership year in question and promptly forward same to the Association.

The procedure explained above will apply to all association members and not just to those who pay a representation fee. This is meant to provide equal treatment for association and non-association members.

6. Mechanics: Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and then transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

ARTICLE 16 - MISCELLANEOUS PROVISIONS

TEACHERS/SECRETARIES

A. If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

B. Copies of this Agreement shall be duplicated at the expense of the Board within thirty (30) days after the Agreement is signed and presented to all teachers now employed or hereafter employed.

C. Whenever any notice is required to be given by either of the parties to this Agreement to the other, pursuant to the provisions of this Agreement, either party shall do so by certified mail at the following addresses:

1. If by the Association to the Board Secretary at 613 Westwood Avenue, River Vale, New Jersey.

E. It is agreed by both parties that negotiations will be conducted without the use of "sanctions" (as defined by law or as construed by applicable New Jersey Court decisions) or any tactics or pressures which will interfere with the normal operations of the school or the normal activities of the Association.

The parties also agree that during the period of active negotiations, but not later than December 1st, the only publicity accorded the negotiations by the parties will consist of joint press releases or, in the event the parties are unable to agree, a Joint press release stating that either "Progress has been made" or "No progress has been made."

F. The parties agree to follow the procedures outlined in this Agreement, if provided, and in that event, to use no other channels to resolve any question or proposal until the procedures within this Agreement are fully exhausted.

G. It is agreed that the Board shall follow the Equal Employment Opportunity Laws and Regulations in carrying out the terms and conditions of employment.

H. Any individual contract between the Board and an individual teacher, heretofore or hereafter executive, shall be subject to and consistent with the terms and conditions of this Agreement. If an individual contract contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.

I. This Agreement incorporates the entire understanding of the parties on all negotiable matters, whether contained herein or not, and shall not be added to or deleted from during the term hereof except by mutual agreement.

J. Savings Clause:

Nothing contained herein shall be construed to deny or restrict to any employee such protected rights as he may have under New Jersey School Laws or other applicable laws and regulations.

ARTICLE 17 - DURATION OF AGREEMENT

C. This Agreement shall be effective as of July 1, 2003 and shall continue in effect until June 30, 2006. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.
