### GRIEVANCE PROCEDURE

#### A. Purpose

The purpose of this procedure is to secure, at the lowest possible level, solutions to the problems which may from time to time arise affecting employees. Both parties agree that this procedure will be kept as informal and confidential as may be appropriate at any level of the procedure.

#### B. Definition

A grievance is a complaint by any employee or group that there has been to him, her, them or to the Association any inequitable, improper, or unjust application, interpretation, or violation either of Board policy, this Agreement, or any administrative decision which pertains to the terms and conditions of employment. It is expressly understood, however, that disputes concerning terms and conditions of employment governed by statute or administrative regulation, incorporated by reference in this Agreement, either expressly or by operation of law, shall not be processed beyond Step Two herein.

#### C. Steps of the Grievance Procedure

The following constitutes the method for resolving grievances between the parties covered by this Agreement and shall be followed in its entirety unless any step is waived by mutual written consent. Time extensions may be mutually agreed upon by the Board and the Association. If such time extensions are not requested, the time limits expressed herein shall be strictly followed. If any grievance has not been initiated within the time limits specified, the grievance shall be deemed to have been waived. If any grievance is not processed to the next succeeding step in the grievance procedure within the time limits prescribed, then the disposition of the grievance at the last preceding step shall be deemed to be conclusive.

STEP ONE - The aggrieved employee shall discuss the grievance with the Principal within twenty (20) days from the date that the employee knew or should have known of the grievance, in an attempt to resolve the matter informally. The grievant has the option of being accompanied by an Association representative at the time of such discussion with the Principal which decision shall be communicated to the Principal. The Principal shall inform the employee of his/her decision within ten (10) business days following the day of the discussion.

STEP TWO - If the grievance is not satisfactorily resolved at Step One, the aggrieved employee shall reduce the grievance to writing, stating the nature of the grievance (and if relating to the contract, stating the contract provisions at issue) and the relief sought, and shall file the grievance with the Superintendent within six (6) business days after receipt of the response in Step One. Day One shall be defined as the next school day following receipt of the Principal's response. The Superintendent shall render his/her decision in writing within six (6) business days. (Business days are defined as any weekday that the school offices are open for business.) Copies of the formal grievance and the Superintendent's response will be forwarded to the Association.

STEP THREE - If the grievance is not satisfactorily resolved at Step Two, the aggrieved employee may file the grievance in writing with the Board, through the Board Secretary, within ten (10) business days of the receipt of the decision in Step Two. The grievance shall include a copy of the grievance at Step Two and the Superintendent's response, together with a statement explaining why the Superintendent's response is unsatisfactory. A grievance meeting shall be held with the Board, Superintendent, grievant, and Association representative within forty (40) business days of the receipt of the written request. Either party may have witnesses and/or counsel present so long as written notice to that effect is provided to the opposite party at least five (5) business days in advance of the meeting. The Board shall render a written decision to the aggrieved employee. The Board's written decision shall be issued within sixty (60) days of receipt of the grievance by the Board Secretary. The decision handed down by the Superintendent will be in force until the Board has passed upon the grievance.

STEP FOUR - If the grievance is not satisfactorily resolved at Step Three, and if the grievance does not constitute a complaint or controversy regarding educational policy, within ten (10) business days the aggrieved employee may request through the Association that the grievance be submitted to arbitration. If the Association deems the grievance meritorious, it shall, within fifteen (15) business days of the employee's request, submit the matter to arbitration by filing with PERC, with a copy to the Board Secretary, a written request for the initiation of arbitration proceedings. The parties shall then be bound by the rules and regulations of PERC

The arbitrator so selected shall confer with the representatives of the Board and the Association and hold hearings promptly. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by the law or which is violative of the terms of this Agreement. The arbitrator shall be limited to the issues submitted and shall not consider anything else. The Arbitrator may not add to, subtract from or otherwise modify the Agreement between the parties. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding upon the parties. The costs of the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses shall be paid by the party incurring same.
