Attached hereto as Schedule "A" is a list of titles active at the execution of this Agreement which are covered by this Contract. It is specifically agreed that the title or position of Secretary to the Mayor or the Borough Administrator is a confidential employee not covered by this Agreement. All white-collar employees hired during the term of this Agreement, who perform non-supervisory functions under titles not set forth in Schedule A, shall be deemed included in the bargaining unit. Upon date of hire, all employees shall be eligible to join the Union.

ARTICLE II
EMPLOYEE RIGHTS

- A. Nothing contained herein shall be construed to deny or restrict to any employee such rights as he/she may have under the New Jersey State Statutes, Civil Service Laws or other applicable laws and regulations. The rights granted to employees hereunder shall be deemed to be in addition to those provided elsewhere.

- B. No employee shall be disciplined, reprimanded, reduced in rank or compensation or deprived of any professional advantage without just cause. Any such action asserted by the Borough, or any agent or representative thereof, shall not be made public and shall be subject to the grievance procedure herein set forth. However, employees who have not completed a six month probationary period shall not be entitled to grieve disciplinary actions. It is further agreed that, at the Borough's discretion, the probationary period may be extended for an additional two months upon notification to the employee and the Union. Nothing herein shall impair the right of the Borough to terminate with or without cause or otherwise modify the work schedule of any employee during the Probationary Period or any extension thereof.

- C. Whenever any employee is required to appear before any Borough officials or any committee or member thereof concerning any matter which could adversely affect the continuation of that employee in his position, employment, or the salary or any increments pertaining thereto, then he/she shall be given prior written notice of the reasons for such meeting or interview and shall be notified of his/her right to have a Union representative present to advise him/her and represent him/her during such meeting or interview.
- D. Employees shall be entitled to full rights of citizenship, and no religious or political activities of any employee or the lack thereof shall be grounds for any discipline or discrimination with respect to the employment of such employee, providing such activities do not violate any local, state or federal law. Any political or religious activities shall not be conducted during working hours.

ARTICLE III NO STRIKE/NO LOCKOUT PLEDGE

It is recognized that the need for the continuous and uninterrupted operation of the Borough's Departments and Agencies is of paramount importance to the citizens of the community, and that there should be no interference with such operation. If the aforementioned activity takes place, the Borough will be entitled to take the appropriate disciplinary action, including possible discharge, in accordance with applicable law. Nothing in this Agreement shall be construed to limit or restrict the Borough in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity for injunction or damages or both, in the event of such breach by the Union or its members. There shall be no lockouts of employees by the Borough during the term of this Agreement.
