2. The Post-observation Conference is to be held prior to the writing of the finalized classroom observation report by the supervisor.
3. The Post-observation Conference shall be held within four (4) school days, or, if the teacher or supervisor is absent, at the earliest possible time after the observation.

E. The Classroom-Observation Report

1. ARTICLE XXIV-Continued

2. The Observation Report shall be in the format annexed hereto as Appendix I; provided, however, that the observational criteria contained therein shall at all times be at the discretion of the Board.
3. The teacher shall acknowledge receipt of the Observation Report by signing one copy and returning it to the supervisor who wrote the report within five (5) school days of receipt thereof. Signature of the Observation Report shall not be construed as agreement by the teacher with the contents.
4. At the time the Observation Report is returned, the teacher may include or append any comments thereon. Such comments shall be signed and dated by the teacher.
5. If the teacher refuses to sign a copy of the Report within the time period specified, a copy of the Report shall be inserted into the teacher's personnel file with a dated notation that the teacher failed to sign and return the Report within the time period specified.

If a concern about any aspect of a teacher's professional responsibilities arises outside of the formal classroom observation, the following procedure is to be used:

Level IA

The supervisor and teacher shall discuss the concern and develop a definite plan for improvement. The only written record of the conference to be placed in the personnel file is a note dated and signed by both persons that a conference was held at Level I. The supervisor may keep a written record which shall not become part of the personnel file at Level I. In most cases the procedure of Level IA will be followed.

ARTICLE XXIV-Continued

Level IB

Level IA may be waived if the concern is sufficiently serious as to require the creation of a record in the personnel file in the first instance. In that event, the supervisor will be obligated to advise the teacher that a memorandum is being placed in his/her file, give the teacher a copy and inform him/her of his/her right to submit a response which will be attached to the memorandum in the file.

Level II

In the event that the concern continues to exist, or, having been corrected, again exists, this shall be communicated to the teacher by a follow-up memo. Another conference is to occur in which the plan for improvement is to be re-evaluated and further recommendations made. At that time, reference may be made in the memorandum to any prior conference and the supervisor's records from Level I shall be given to the teacher and then become part of the personnel file of the teacher.

Level III

If the concern still continues to exist, a final notice to improve shall be written by the principal to the teacher in a letter of concern. Copies will be forwarded to the Superintendent of Schools and Assistant Superintendent.

ARTICLE XXIV-Continued

5. If the teacher refuses to return a signed copy of the Annual Performance Report within ten (10) days of its receipt, a copy of said report shall be placed in the teacher's personnel file with the notation that the teacher failed to sign and return said report (and the date of such notation).
