The intent of this is to provide flexibility for the use of the Association business period in an extenuating circumstance, and not intended to eliminate the period during a school year.

17:9 Representation Fee

17:9-1 Purpose of Fee

If an employee does not become a member of the Association during any membership year July 1 to the following June 30 which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Association as majority representative.

17:9-2 Amount of Fee

A. Notification:

Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for that membership year. The representation fee to be paid by non-members will be equal to 85% of that amount.

B. Legal Maximum:

In order to adequately offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Association to its own members, and the representation fee has been set at 85% of that amount solely because that is the maximum presently allowed by law. If the law is changed in this regard, the amount of the representation fee automatically will be increased to the maximum allowed, said increase to become effective as of the beginning of the Association membership year immediately following the effective date of the change.

17:9-3 Deduction and Transmission of Fee

A. Notification:

Once during each membership year covered in whole or in part by this agreement, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with paragraph 15:9-3B below, the full amount of the representation fee and promptly will transmit the amount so deducted to the Association.

B. Payroll Deduction Schedule:

The Board will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck paid: [1] ten (10) days after receipt of the aforesaid list by the Board, or, [2] thirty (30) days after the employee begins his/her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was on layoff, in which event the deductions will begin with the first paycheck paid ten (10) days after the resumption of the employee's employment in a bargaining unit position, whichever is later.

C. Termination of Employment:

If an employee who is required to pay a representation fee terminates his/her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

D. Mechanics:
Except as otherwise provided in the Article the mechanics for the deduction of representation fees and the transmission of such fees to the Association will as nearly as possible be the same as those used for the deduction and transmission of regular membership dues to the Association.

E. Changes:
The Association will notify the Board in writing of any changes in the list provided for in paragraph 15:9-3a above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Board received said notice.

F. New Employees:
On or about the last day of each month, beginning with the month this Agreement becomes effective, the Board will submit to the Association, a list of all employees who began their employment in the bargaining unit position during the preceding thirty (30) day period. The list will include names, job titles, and dates of employment for all such employees.

17:9-4 Board Liability
The Association shall indemnify and hold the employer harmless against any and all claims, demands, suits and other forms of liability including liability for reasonable counsel fees and other legal costs and expenses that may arise out of, or by reason of, any action taken or not taken by the employer in conformance with this provision.

Employees being laid off shall be given sixty (60) working days advance written notice of said layoff. A copy of said notice shall be forwarded to the Association ten (10) working days prior to the employee's notification.
- 26:6 In the event of a RIF situation, should two (2) or more secretaries have equal seniority, the employee with other in-district secretary experience shall be deemed to have greater seniority.
- 26:7 Recall of employees shall be made in the inverse order of layoff, with the most senior employee on layoff being recalled first, provided he/she is qualified. Consideration will be given for past performance. As full time positions become available, employees on layoff shall be recalled before any individual is hired.
- 26:8 In case of a tie in seniority between two (2) or more secretaries, with regard to RIF/layoff recall, a lottery shall be conducted by the Superintendent of Schools to determine the order of layoff or recall. The Association President or his/her designee shall be present to witness said lottery.
