PREAMBLE

This contract, made this 23rd day of August, 1979, by and between the CITY OF PATERSON, NEW JERSEY, hereinafter referred to as the CITY and the PATERSON POLICE BENEVOLENT ASSOCIATION LOCAL NO. 1, hereinafter referred to as the ASSOCIATION, is designed to maintain and promote a harmonious relationship between the City of Paterson and such of its' employees who are covered within the provisions of this Contract in order that more efficient and progressive public service may be rendered.

1. RECOGNITION

1.1 The City hereby recognizes the Association as the exclusive and sole representative for collective bargaining negotiations concerning salaries, hours, and other terms and conditions of employment, for all sworn Police Officers and Police Chauffeurs of the Police Division, Department of Public Safety, City of Paterson, New Jersey, excluding the Chief of Police and the Deputy Chiefs' of Police.

Unless otherwise indicated, the terms "employee" or "employees" when used in this contract, refers to all persons represented by the Association.

2. ASSOCIATION SECURITY AND PRIVILEGES

2.1 All employees covered by this Contract who are members of the Association at the time this Contract is ratified or who hereafter become members during the term of this Contract must retain their membership in the Association for the duration of the Contract, by offering to pay monthly dues, assessments, and initiation fees required by the Association. Subject to the provisions of N.J.S.A. 52:14-15.9e, the City agrees to deduct twenty-six (26) times per year from the salary of each employee the sum certified as such, and deliver same to the Association Financial Secretary and/or any other duly authorized Association Officer, by the Tuesday following the week the deduction was made. The Association agrees that it will indemnify and save harmless the City of Paterson against any and all actions, demands, losses, claims or expenses in any matter resulting from action taken by the City of Paterson at the request of the Association under this section.

2.2 The City shall not discriminate in favor of, or assist any other labor or police organizations which in any way affects the Associations' rights as certified representative for the period during which the Associa-

tion remains the certified representative of the employees.

2.3 The City will cooperate with the Associations' officers with respect to all reasonable requests concerning the Associations' responsibilities as the certified representative.

2.4 Neither the Association or the City shall exert any pressure on, or discriminate against an employee because of his membership or non-membership in the Association.

2.5 During the actual negotiating sessions between representatives of the Association and the City for renewal, change, or a new collective bargaining agreement, the negotiators for the Association shall be assigned to the day tour during negotiation days, and they shall be excused from their duties in the Division provided such periods of negotiating are reasonable and necessary and provided the number of negotiators shall not exceed five (5) in number. The Association President shall notify the appropriate shift commanders at least forty-eight (48) hours in advance of the scheduled negotiations.

2.6 The Association President shall be assigned to the day tour of duty in a non-uniform division appropriate to his fulfilling

the obligations of his office including but not restricted to the attending of Association meetings, the processing of grievances, and the administration of this Contract with the City and its' employees. He shall not suffer any loss of wages or benefits while fulfilling the requirements of this section.

2.7 Elected Officers of the Association shall be excused from duty at the time meetings and officers workshops held prior to the meeting are to be held, so that they are able to attend meetings of the general membership, and they shall not be required to perform any additional services to make up for time spent in attendance at such meetings. The shift commander may not unreasonably refuse to excuse an individual if remaining manpower is adequate to meet the service needs of the organizational unit of which that individual is assigned.

2.8 The Association State Delegate or his alternate, shall be excused from duty on the day that meetings are to be held by the Delegate Board of the New Jersey State P.B.A. He shall not be required to perform any additional services to make up for time spent in attendance at such meetings.

2.9 A maximum of four (4) members of the Association shall be designated by the

Association President and shall be assigned to the day tour, and shall be excused from duty without loss of pay or benefits, to survey and distribute to the business establishments in the City of Paterson a window security shield decal. The assignment of these men shall commence in the month of January each year, and on a specific date which will be mutually decided upon between the Public Safety Director and the Association President. The duration of this assignment will end upon the completion of the survey not to exceed ten (10) weeks. This activity will be in conformance with the rules and regulations and with any directives issued by the Attorney General and/or Prosecutors Office.

2.10 A maximum of nine (9) appointed Association delegates shall be excused from duty without loss of pay or benefits, to attend an annual Association convention. The Association President shall notify the Chief of Police thirty (30) days prior to the start of the Convention with a list of the names of the Association members who will attend said Convention.

2.11 The City shall provide an office in the Headquarters building for the sole use of this Associations' officers to administer this Contract and to execute duties of their

office. The Association shall bear the full cost of furnishing said office, however, the City will provide a Division phone in the Office to be used by the Association officers for official business only.

2.12 The Association President, and an officer if needed, shall have the right to visit the Director, Chief of Police, Headquarters, Precincts, Motor Pool, and other police occupied facilities, at all reasonable hours for Association business. The Association President, or his designees, shall have the right to visit other officials of the City government for Association business in accordance with existing rules and regulations.

2.13 The Association shall be furnished with copies of all Directives, General Orders, Special Orders, Personnel Orders, Rules and Regulations and Procedures, and other communications affecting wages, hours and other terms and conditions of employment for employees covered by this Contract, and said copies shall be furnished to the Association within twenty-four (24) hours of their promulgation.

2.14 The City shall furnish at no cost to the Association, once a year, an updated listing or roster which shall contain the names, current addresses and telephone

numbers of police officers who are members of the Association, as such information is reflected in the files of the City to be used solely for Association business.

3. EMPLOYER RIGHTS

3.1 The City retains all rights it had prior to the signing of this Contract, except as such rights have been specifically relinquished or abridged in this Contract.

4. NON-DISCRIMINATION

4.1 Neither the City nor the Association shall discriminate against any employee on conditions of employment because of race, color, creed, sex or national origin.

5. POLICE OFFICER'S RIGHTS

5.1 Pursuant to Chapter 303, Public Laws of 1968 and amendments thereto, the City hereby agrees that every employee shall have the right to freely organize, join and support the Association for the purpose of engaging in collective bargaining negotiations and other concerted activities for mutual aid and protection. The City agrees that it shall not directly or indirectly discourage or deprive or coerce any employee in the enjoyments of any rights conferred by Chapter 303, Public Laws of 1968 or other laws of the State of New Jersey, its'

Constitution, and the Constitution of the United States; that it shall not discriminate against any employee with respect to hours, wages, or any other terms or conditions of employment with respect to hours, wages, or any other terms or conditions of employment by reason of his membership in the Association, collective negotiations with the City, or his institution of any grievance, complaint or proceeding under this Contract or otherwise with respect to any terms or conditions of employment.

5.2 An employee shall have the right to inspect his personnel file on reasonable notice and at reasonable times.

5.3 GUIDELINES FOR INTERROGATION OF MEMBERS OF THE DEPARTMENT

5.3.1 The wide ranging powers and duties given to the Department and its' members involve them in all manner of contacts and relationships with the public. Out of these contacts come questions concerning the actions and activities of the employees. These questions often require immediate investigation by superior officers and/or members of the Internal Affairs Division.

In an effort to ensure that these investigations are conducted in a manner which is conducive to good order and discipline, the

following guidelines are promulgated:

5.3.2 The interview or questioning of an employee shall be at a reasonable hour, preferably when the employee is on duty, unless the exigencies of the investigation dictate otherwise. Where practicable, interview and/or questioning shall be scheduled during the employees' tour of duty. If overtime, as defined in the Contract, is incurred by reason of such questioning, the employees shall receive overtime compensation.

5.3.3. The interview or questioning shall take place at a location designated by the investigating officer. Usually it will be at the Command to which the investigating officer is assigned, or at the Command within which the employee is assigned.

5.3.4 The employee shall be informed of the rank, name and Command of the officer in charge of the investigation, as well as the rank, name and Command of the officer conducting the questioning, and of all persons present during the interview and/or questioning; the employee shall also be notified that the questioning and interview is being recorded.

5.3.5 If an employee is directed to leave his post and report for an interview and/or questioning to a Command other than his

own, his Commanding Officer shall be promptly notified of his whereabouts by the Officer in charge of the investigation.

5.3.6 The employee shall be informed of the nature of the investigation before any questioning commences, including the name of the complainant and all witnesses. The names and the addresses of the complainants and/or witnesses need not be disclosed if sufficient information to reasonably apprise the employee of the allegations is otherwise provided. If it is known at the initial contact, an employee being questioned shall be informed whether he is the target of a criminal investigation or a witness.

5.3.7 The questioning shall not be overly long and reasonable respites shall be allowed. Time shall also be provided for personal necessities, meals, telephone calls and rest periods as are reasonably necessary. The employee shall not be subjected to any offensive language, nor shall he be threatened with transfer, dismissal or other disciplinary punishments. No promises of reward shall be made as an inducement to answering questions.

5.3.8 If an employee is under arrest or is likely to be, or if he is a suspect or the

target of a criminal investigation, he shall be afforded and advised of all of his rights pursuant to the United States Constitution.

5.3.9 Any records in the files of the Internal Affairs Unit which have been ordered expunged by a court of competent jurisdiction shall be promptly disposed of in accordance with the law.

5.3.9.1 Upon the completion of an investigation which does not result in disciplinary action or the filing of charges, all records and notes of the investigation with the exception of a summary that the investigation did occur shall be removed from the files of the Internal Affairs Unit and destroyed.

5.3.10 There shall be only one Divisional Personnel file, which will be maintained in the Office of the Chief of Police.

5.3.11 Suspension, reinstatement and recovery of withheld pay shall be in accordance with N.J.S.A., Title 40A: 149.1, 149.2, 149.3 and Civil Service Rules and Regulations including any amendments hereinafter made to these Titles. Authority under this provision will be exercised in accordance with the citywide Personnel Policy with regard to employees charged with criminal misconduct by (a) the City or its

official representative or (b) authorities other than the City. Personnel Policy dated January 25, 1977 as amended.

5.4 An employee shall not be required to report the employment of his spouse or children, and he shall not be required to submit a financial report of any kind, unless required by court or city ordinance adopted pursuant to further negotiations, prior to the adoption of said ordinance.

5.5 An employee shall not be required to pick up the bodies of those deceased persons whose bodies are so decomposed as to be offensive. Neither shall an employee be required to perform those duties which are normally performed by other Divisions of the Department or other City Departments or Agencies. This section shall not apply in the case of a bona fide emergency.

5.6 Except pursuant to court order, photograph(s) of an employee shall not be displayed or made available to any member or segment of the news media without the prior approval of the employee.

5.7 In case of an allegation brought against an employee, an employee shall not be required to participate in any "line-up" or "show-up" for the purpose of allowing any complainant or witness to view their

person, unless the employee is provided for all legal protection as provided by law.

5.8 The address of an employees' residence, and the number of his telephone shall not be made known to anyone without the said employee's written permission, unless it is for the purpose of official police business and at the order of the Chief of Police.

5.9 It shall be optional for an employee to carry his weapon when not on duty.

5.10 Employees may join political clubs, make political contributions or run for political office to the extent permitted by law.

5.11 An employee may, if he so chooses, reside outside the jurisdiction of the City and he shall not be discriminated against in any way, including but not limited to, wages, promotion, assignments, or any other conditions affecting his continued employment, unless otherwise changed by state statute.

5.12 No employee shall be required to submit to a pathometer, polygraph or other lie detector tests, blood test, breath analyzer, or any other examination, procedure or test of similar purpose. Such test may be

given if requested by the employee or if required by law.

5.13 No search of an employees' person, property, or personal papers or effects may be conducted without his consent, except as provided for by law.

5.14 Conversations or questioning of an employee may be recorded only in accordance with the law.

6. GRIEVANCE AND ARBITRATION PROCEDURE

6.1 GRIEVANCE PURPOSE AND DEFINITIONS

6.1.1 In order to establish a more harmonious and cooperative relationship between the City and the employees, and to avoid and resolve disputes involving alleged violations of the terms of this Contract, it is the purpose of this provision of the Contract to provide for the settlement of differences through an orderly grievance procedure.

6.1.2 A grievance is a claimed violation, misinterpretation or inequitable application of the provisions of this Contract, the Rules, Regulations or Procedures of the Department affecting terms and conditions of employment.

6.1.3 **COMMANDING OFFICER** shall mean the immediate Commanding Officer of the aggrieved employee.

6.1.4 **REVIEWING OFFICER** shall mean the superior officer in charge of the next higher command or level of a Commanding Officer.

6.1.5 The term "grievant" shall mean an employee, group of employees or the Association or City.

6.1.6 "Working Day" shall mean a tour of duty consisting of eight (8) hours or part thereof, of either a grievant, Supervisor, Commanding Officer, Reviewing Officer, Chief of Police, Director of Public Safety or other affected City or Department head as the context requires. 6.2.2 **TIME LIMITS** — If the employer does not answer a grievance or an appeal

thereof to the employee or the Association within the specified time limits, the aggrieved employee may proceed to the next step of the grievance procedure. Failure to announce the appeal of a grievance to the next step within the specified time limits shall terminate the grievance.

6.2.3 CLOSED MEETINGS AND HEARINGS — All meetings and hearings referred to in this Section shall not be conducted in public, and shall be limited to the grievants, representatives, and other participants of these procedures as heretofore referred to in this Section.

6.2.4 REPRESENTATION — A grievant shall be entitled to be represented by the Association or a legal representative of his own choosing in the presentation and processing of a grievance in all stages, provided however, that notification of all meetings, steps, copies of all grievances and answers are given to the Association and the Association is given the right to be present, and state its' own views, at all meetings and hearings of the grievance procedure.

6.2.5 TIME OF MEETINGS AND HEARINGS — WORKING HOURS

All discussions, meetings and hearings

between a grievant, Supervisors, Commanding Officers, Reviewing Officers and others, shall so far as practicable, be conducted within the grievants working hours. A grievant and his representative shall be allowed such time off from their regular duties, without loss of pay or benefits, as may be necessary and reasonable for hearings and discussions.

6.3 BASIC STANDARDS AND PRINCIPLES

6.3.1 Every employee shall have the right to present his grievances in accordance with procedures prescribed herein, free from interference, coercion, restraint, discrimination or reprisal.

6.3.2 The availability of the grievance and arbitration procedure shall not justify a failure to follow orders.

6.3.3 The parties by written consent may waive all of the steps except arbitration.

6.3.4 A grievance resulting because of an action or order by the Chief of Police may be commenced at Step 3 in the grievance procedure.

6.4 STEPS OF GRIEVANCE PROCEDURE

6.8 STEP 4 — DIRECTOR OF PUBLIC SAFETY

If no satisfactory agreement is reached after Step 3, the grievance may be submitted to the Director of Public Safety within three (3) days after receipt of the Step 3 decision. The Director of Public Safety shall have five (5) days to submit his deci-

sion in writing to the Association and the grievant.

6.9 IMPARTIAL AND BINDING ARBITRATION

6.9.1 Within twenty (20) days following receipt of the Police Directors' Step 4 decision, the Association shall have the right to bring grievances unresolved at the Step 4 decision to binding and impartial arbitration, pursuant to the rules of the American Arbitration Association.
