GRIEVANCE PROCEDURE

A. Definitions

A “grievance” is a complaint by which an employee or employees in the negotiating unit and his/her representatives may appeal the interpretation, application, or violations of policies, agreements and administrative decisions affecting them, except that the term “grievance” shall not apply to:

- a. Any matter for which a method of review is prescribed by law or which by law is exclusively within the discretion of the Board.
- b. Any rule or regulation of the State Department of Education or State Commissioner of Education having the force and effect of law.
- c. Any matter which according to law is beyond the scope of Board authority.

B. Principles

1. A grievance to be considered under this procedure shall be presented by the grievant not later than twenty (20) school days after occurrence of the grievance, or not later than twenty (20) days after the grievant should have been aware of the occurrence. The number of days allotted at each step of the grievance procedure is to be considered as a maximum time limit. Every attempt should be made to resolve grievances as quickly as possible.
2. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is possible.
3. A grievant may present and process his or her grievance personally or through an appropriate representative. In either event, the grievant may be personally present at all steps of the grievance procedure. Should a grievant want to process his or her grievance personally or through an appropriate representative of his or her own choosing, he or she may do so; however, the majority unit shall be so notified and shall have the right to have its own representative present.
4. No reprisals shall be taken by the Board or the Administration against any participant because he utilizes the grievance procedure.
5. Should a grievance result from action taken by the Superintendent or the Board, a grievant may present his or her grievance initially at the second step of the grievance procedure.
6. The immediate supervisor designated in the grievance procedure is that person designated in the staff handbook.

C. Procedure

1. STEP ONE:

- a. A grievant may initially discuss the matter, identified as a grievance, with the immediate supervisor or such person acting as the immediate supervisor in the latter's absence with the written authorization of the Superintendent of Schools in an attempt to settle the grievance informally. This is not intended to extend the time set forth in Section B. sub-section 1.
- b. A grievant shall file his/her grievance in writing by presenting the written grievance to the immediate supervisor and forwarding copies to the Superintendent of Schools and the Grievance Committee.
- c. The grievant and the immediate supervisor or such person acting as the immediate supervisor in the latter's absence with the written authorization of the Superintendent of Schools shall meet in an attempt to resolve the grievance not later than five (5) school days following the date on which it is filed.
- d. The immediate supervisor or such person acting as the immediate supervisor in the latter's absence with the written authorization of the Superintendent of Schools, shall communicate his/her decision in writing to the grievant not later than five (5) school days following the hearing. A copy of the decision shall also be forwarded at the same time to the Superintendent and the Grievance Committee.

2. STEP TWO:

- a. If the grievance has not been resolved at Step One, the grievant and his/her representative may file the grievance in writing to the Superintendent. This shall be done not later than five (5) school days following the written decision of the immediate supervisor or such person acting as the immediate supervisor in the latter's absence with the written authorization of the Superintendent.
- b. The grievant and his/her representative and the Superintendent shall meet in attempt to resolve the grievance not later than five (5) school days following the date on which the grievance was filed with the Superintendent.
- c. The Superintendent shall communicate his/her decision in writing to the grievant not later than ten (10) school days after the meeting. A copy of the decision shall also be forwarded at the same time to the Grievance Committee.

3. STEP THREE:

- a. If the aggrieved person is not satisfied with the disposition of his/her grievance at Step Two, or if the Superintendent has not communicated his/her decision in writing to the grievant as provided in Step Two, the grievant and his/her representative may request a hearing with the Board or its representative(s) which shall consist of one or more persons designated by the Board. The request shall clearly explain the grievance

and be made in writing not later than five (5) school days following the expiration of ten (10) school days provided in sub-section C of Step Two.

4. STEP FOUR:

- a. In the event the grievant is dissatisfied with the determination of the Board aforesaid, and in the further event that the grievance involves the interpretation or application of this contract, the matter may be submitted to arbitration. The grievant shall request in writing that the Association submit the grievance to arbitration. If the Association decides that grievance is meritorious, it may submit the grievance to arbitration. A request for arbitration shall be made in writing no later than fifteen (15) days following the determination of the Board. Failure to request arbitration within said period of time shall constitute an absolute bar to such arbitration unless the Board and the Association shall mutually agree upon a longer time period within which to assert such a demand.
- b. The Board may also request arbitration concerning any dispute regarding the interpretation or application of this contract. The time limits applicable to the Association are also applicable to the Board.
- c. The arbitrator shall have no power or authority to add to, subtract from, change or modify any of the terms of this agreement.
