Preamble

This agreement is entered into this 26th day of March, 2015, by and between the Pascack Valley Regional Board of Education, hereinafter called the "Board" and the Pascack Valley Regional Administrators' Association, hereinafter called the "Association."

Recognition

The Board hereby recognizes the Association as the exclusive and sole representative for collective negotiation concerning grievances and terms and conditions of employment for the following administrative personnel:

Principals
Assistant Principals

Negotiation of Successor Agreement

The parties agree to enter into discussions over a successor agreement in accordance with Chapter 303, Public Law 1968, as amended by PL 123, 1974 prior to October 1 of the calendar year preceding the calendar year in which this agreement expires.

Grievance Procedure

A. Policy

The Board of Education hereby declares as a statement of policy that any employee invoking the Grievance Procedure herein set forth shall be free from any prejudicial or punitive action by reason of invoking such procedure.

Further, all documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participant.

B. Definitions

1. Grievance

A grievance is a claim by an employee or the Association based upon the application or violation of this agreement, policies, or administrative decisions involving a term or condition of employment of an employee or group of employees.

2. Grievant

A grievant is the person or persons making the claim or on whose behalf the Association is making the claim.

3. The term "Grievance" shall not apply to any matter as to which (1) a method of review is prescribed by law, or by any rule, regulation or by decision of the Commissioner of Education or of the State Board of Education having the force or effect of law; or (2) in cases where the Board of Education is without authority to act; or (3) the failure or refusal of the Board of Education to offer a contract to a nontenured employee.

C. Purpose

The purpose of this procedure is to resolve disputes that arise involving the terms and conditions of employment covered by this agreement. Both parties agree that these proceedings will be kept informal and confidential as may be appropriate at any level of the procedure.

D. Procedure

1. Time Limits

The number of days indicated at each level is the maximum and every effort should be made to expedite the process. The time limits specified may, however, be modified by written mutual agreement.

2. Limitations on Filing

A grievance shall be initiated at Level One of the procedure within (30) thirty days of the occurrence of an event which gives rise to a grievance. Failure to act within said thirty (30) calendar day period shall be deemed to constitute an abandonment of the grievance.

3. Level one - Principal

The grievant shall first discuss it with his/her principal either directly, or through the Association's designated representative within five (5) working days after the filing date of the actual grievance as outlined in Section D, Paragraph 2, in an attempt to resolve the matter informally.

4. Level Two - Superintendent of Schools

If the grievance is not resolved informally to the satisfaction of the grievant, then the grievant shall file the grievance in writing with the superintendent of schools within

five (5) working days after the principal's response. The superintendent shall respond in writing within five (5) working days of receipt of the grievance.

5. Level Three - Board of Education

If the grievant is not satisfied with the disposition of his or her grievance at Level Two, he/she may, within five (5) working days after a decision by the Superintendent, file the grievance in writing with the Secretary of the Board of Education. The Board of Education shall review the grievance at its next regular meeting, and all parties who have been involved at any stage of the procedure shall have the right to be heard. The Board of Education shall render a decision in writing within thirty (30) days of the hearing.

6. Level Four - Arbitration

- a) If the grievant is not satisfied with the disposition of the grievance at Level Three, he/she may, within five (5) working days after the decision by the Board of Education, request in writing that the Association submit the grievance to Arbitration. If the Association determines that the grievance is meritorious, it may submit the grievance to Arbitration within five (5) working days after receipt of a request by the grievant.
- b) Within ten (10) working days after such written notice of submission to arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the Public Employment Relations Commission by either party. The parties shall then be bound by the rules and procedures of the Public Employment Relations Commission.
- c) The arbitrator shall be limited to the issues submitted to him/her and shall not add to, subtract from, or modify the terms of the agreement. The only grievances which may be arbitrated are those alleging that there has been a violation of the express, written terms of the locally negotiated agreement. The arbitrator shall not have authority to rule on grievances which concern the interpretation, application or alleged violation of the Board policies and administrative decisions affecting terms and conditions of employment, or of statutes and regulations setting terms and conditions of employment.
- d) Arbitration meetings will be held at times other than the regular school day.
- e) Each party shall pay its own costs for arbitration preparation. The parties shall share equally the fee and expense of the arbitrator and arbitration proceedings.

E. Right to Representation

At any time of the grievance procedure, the aggrieved employee shall have the right to summon and have present witnesses on his/her behalf. The aggrieved employee shall have the right to be represented by counsel and to have speak on his/her behalf a representative of the Association. The right to participate in cross-examination and/or argument on behalf of the aggrieved employee shall be limited to one person.

Nothing contained herein this procedure shall be deemed to require any employee to become a member of any organization, and any employee shall be entitled to a hearing under this procedure whether a member of any organization or not.

If in the judgment of the Representative Council of the Association, a grievance uniquely affects a group of employees covered by this Agreement, the Association may submit such grievance in writing directly to the Superintendent of Schools. If the Superintendent agrees that the grievance is such as to warrant direct consideration by him/her, then the processing of such grievances shall commence at this level. This procedure is not intended to apply to common grievances that could be resolved by principals, but to unique grievances over which principals have no control.
