ARTICLE 3
GRIEVANCE PROCEDURE

A. DEFINITION

1. A "grievance" shall mean a complaint by any employee or group of employees that there has been to him or them, or to the Association an inequitable, improper or unjust application interpretation or violation of Board policy, this Agreement, or an administrative decision;

2. A grievance to be considered under this procedure must be initiated by the grievant (the employee or the Association as to its rights) within thirty (30) calendar days from the time when the grievant knew or should have known of its occurrence.

B. PROCEDURE

Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be waiver of further appeal of the decision.

It is understood that any employee grievant shall, during and notwithstanding the pendency of any grievance continue to observe all assignments and applicable rules and regulations of the board until such grievance and any effect thereof shall have been duly determined.

Level One - Any employee grievant who has a grievance shall discuss it first with his principal or immediate supervisor, as applicable, in an attempt to resolve the matter informally at that level. If a principal is not an immediate supervisor he will be informed of the nature of the grievance.

Level Two - Within five (5) school days after the informal discussion with his principal or immediate supervisor, as applicable, if the employee grievant is still dissatisfied with the decision that has been rendered informally, may formally present his grievance to his principal or immediate supervisor. Such grievance must be made in writing specifying:

- (a) the nature of the grievance;
- (b) the nature and extent of the injury, loss;

Mike *Zm*

Level Three - The employee grievant, within five (5) school days after receipt of the decision of his principal or immediate supervisor, may appeal the decision to the Superintendent of Schools. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days from the receipt of the appeal. The Superintendent shall communicate his decision in writing to the employee grievant, to the Association and to the principal or other immediate supervisor.

Level Four - If the grievance is not resolved to the grievant's satisfaction, he no later than five (5) school days after receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board of Education. The Board or a committee thereof, shall review the grievance and shall, at the option of the Board, except as noted below, hold a hearing with the employee grievant and render a decision in writing and forward copies thereof to the grievant and the Association within twenty (20) calendar days of the date of the hearing. The referred to hearing, if granted, shall be held within a reasonably expeditious time after receipt of the appeal notice.

Upon request of the grievant a hearing shall be held by the Board on the following matters and the Board shall not be required to give reasons for its decisions. Decisions by the Board in these matters shall be final and such decisions shall not be subject to arbitration.

- (a) Any matter for which a specific method of review is prescribed and expressly set forth by law or any rule or regulation of the State Commissioner of Education; or
- (b) A complaint of a nontenure teacher which arises by reason of his not being re-employed (Rotundo rights);

Mike ZmG

- (c) A complaint by any certificated personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in, any position, for which tenure either is not possible or not required.

Level 5 - If the decision of the Board does not resolve the grievance to the satisfaction of the employee grievant and he wishes review by a third party, he shall so notify the Association within ten (10) school days of receipt of the Board's decision. If the Association determines that the matter should be reviewed further, it shall so advise the Board through the Superintendent within twenty (20) school days of receipt of the Board's decision.

- (a) The following procedure will be used to secure the services of an arbitrator:

- (1) A joint request by the Association and the Board will be made to P.E.R.C. to submit a roster of persons qualified to function as an arbitrator in the dispute in question.
- (2) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request that P.E.R.C. submit a second roster of names.
- (3) If the parties are unable to determine a mutually satisfactory arbitrator from the second list provided by P.E.R.C., and P.E.R.C. fails to designate an arbitrator, either party may ask P.E.R.C. to do so.

- (b) The arbitrator shall limit himself to the issues submitted to him and shall consider nothing else. He can add nothing to, nor subtract anything from the Agreement between the parties, or any policy of the Board of Education. The recommendations of the arbitrator shall be binding.

- (c) Rights of Teachers to Representation:

- (1) Any aggrieved person may be represented at any or all stages of the grievance procedure by himself, or, at his option, by the Association by a representative selected or approved by the Association.
- (2) When a teacher is not represented by the Association in the processing of a grievance, the association shall at the time of submission of the grievance to the

Superintendent or any later level, be notified by the Superintendent that the grievance is in process, have the right to be present and present its position in writing at all hearing sessions held concerning the grievance and shall receive a copy of all decisions rendered.

- (3) The Board and the Association shall assure the individual freedom from restraint, interference, coercion, discrimination or reprisal in presenting his appeal with respect to his personal grievance.

C. COST

1. Each party will bear the total cost incurred by itself.
2. The fees and expenses of the arbitrator are the only costs which will be shared by the two parties and such costs will be shared equally.
3. If any time is lost by any employee who is required to be at arbitration proceedings, which have been mutually scheduled and agreed to there shall be no loss of pay.

D. If, in the judgment of the Association, a grievance directly affects a group or class of employees the Association may submit such grievance in writing to the Superintendent directly in accordance with the procedure set forth above and the processing of such grievance shall commence at said level. The Association may process such grievance through all levels of the grievance procedure.

ARTICLE 36
CONTINUITY OF OPERATION

A. Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year, and the avoidance of disputes which threaten to interfere with such operation. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled, the parties have removed the basic cause of work interruptions during the period of this Agreement. The Association accordingly agrees, during the period of this Agreement, that it will not, nor will any person acting in its behalf cause, authorize, or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty, or willful absence of an employee of the Jefferson Township Board of Education from his position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of the employee's duties of employment) for any purpose whatsoever.

A. Creation of New Extra Duty Positions / Piloting an Extra Duty Position:

An Extra Duty Pay position (EDP) may be established at any time during the contractual period.

EDP positions shall not be created without the approval of the Board.

The rate of pay for the standard type of student club, advisor, and activity shall be in accordance with the Levels in the salary schedule above for all student contact and non-student contact hours.

Application for EDP positions may be made to the building principal no later than November 1st for the spring semester, and April 1st for the subsequent fall.

The Board and the Association shall meet to negotiate and document the job description and number of hours for any such position.

EDP activities anticipated for approval will be posted in advance with terms and conditions of employment.

At the conclusion of the newly created EDP and in consultation with the Association, the effectiveness of the EDP will be assessed for a recommendation to reauthorize the position for the following school year. Should the assessment lead to a change in the job description or number of hours, such changes shall be negotiated with the Association.

Stipend payment will be made at the conclusion of the given EDP schedule of activities.

The Board and the Association recognize that an EDP position may fall outside the bounds of the standard type of student club, advisor, and activity due to special circumstances or requirements, and therefore command a higher salary through the negotiations process. A current example of this is the position of Applied Behavioral Analyst, which has an hourly rate of \$49.98 per hour.
