PREAMBLE

This Agreement entered into by the State of New Jersey, Office of Employee Relations in the Governor's Office and hereinafter referred to as the "State" and the New Jersey Division of Criminal Justice, Fraternal Order of Police, Lodge 91 hereinafter referred to as the "Association" has as its purpose the promotion of harmonious employee relations between the State and the Association, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of salaries, wages, hours of work and other terms and conditions of employment.

ARTICLE I

Recognition

The State recognizes the Fraternal Order of Police, Lodge 91 ("Lodge") as the sole and exclusive representative of those employees in the negotiations unit described in Section A below, for the purpose of collective negotiations concerning salaries, wages, hours of work and other terms and conditions of employment.

A. Included are all full-time permanent and provisional employees employed by the State of New Jersey in the New Jersey Department of Law and Public Safety, Division of Criminal Justice, listed in Appendix I.

B. Excluded: all other State employees including, but not limited to:

1. Managerial Executives
2. Professional Employees
3. Craft Employees
4. Confidential Employees
5. Non-Police Employees
6. Supervisors as defined by N.J.S.A. 34:13A-1, *et seq.*, as amended
7. Civilian Employees
8. Employees Assigned to the Internal Affairs Unit of the New Jersey Division of Criminal Justice
9. Employees in the New Jersey Division of Gaming Enforcement
10. Employees assigned to the New Jersey Office of Homeland Security, including those listed in Appendix I
11. Sergeant—State Investigators and Lieutenant—State Investigators employed with the New Jersey Department of Law and Public Safety.
12. Employees contained in any other negotiations unit of the State of New Jersey

ARTICLE II

Management Rights

The State, its several departments and subordinate functions, shall retain and may exercise all rights, powers, duties, authority and responsibilities conferred upon and vested therein by the laws and constitutions of the State of New Jersey and of the United States of America.

Except as specifically abridged, limited or modified by the terms of the Agreement between the State and the Lodge, and The New Jersey Employer-Employee Relations Act, Chapter 303, L. 1968 as amended, all such rights, powers, authority, prerogatives of management and responsibility to enforce reasonable rules and regulations governing the conduct and the activities of employees are retained by the State.

To the extent they do not conflict with any specific provisions of this Agreement, the Division's and State Department of Law and Public Safety's Standing Operating Procedures, Operations Orders, Administrative Orders, and Personnel Orders shall apply to all employees in the negotiations unit.

ARTICLE III

Civil Service Regulations

To the extent applicable to these unit employees, the administrative and procedural provisions and controls of the Civil Service law and Rules and Regulations promulgated thereunder are to be observed in the administration of this Agreement, where applicable.

ARTICLE IV

Non-Discrimination

The State and the Lodge agree that the provisions of the Agreement shall apply equally to all Detectives and that there shall be no intimidation, interference, harassment, or discrimination because of race, creed, color, national origin, nationality, ancestry, age, sex, familial status, marital status, affectional or sexual orientation, atypical hereditary cellular or blood trait, genetic information, liability for military service, and mental or physical disability, including perceived disability and AIDS and HIV status or political affiliation or negotiations unit activity which is permissible under law and which does not interfere with an employee's employment obligation.

ARTICLE V

Agreements

A. No Strike/Lockout

During the term of this Agreement the parties hereto agree that the Union, its officers, agents, representatives, stewards, and members, and all negotiations unit employees shall not, in any way, directly or indirectly, instigate, lead, engage in, authorize, cause, assist, encourage, participate in, ratify, or condone any strike of any kind whatsoever, work stoppages, slow-downs, or job actions.

No lockout of employees shall be instituted or supported by the state during the term of this agreement.

ARTICLE VI

Dues Deduction

A. Membership Dues

1. The State agrees to deduct from the salaries of FOP Lodge No. 91 members' biweekly dues for membership in the Negotiations Unit provided the member has signed and filed an appropriate written authorization as required by law with the designated payroll clerk. Any existing authorization for the payment of dues to an employee organization other than the employee's duly certified majority representative will be terminated.

2. The dues so deducted will be transmitted to the Lodge's Treasurer, together with a list of the employees included, by the fifteenth of the month following the month in which the deductions were made. The Treasurer of the Lodge shall certify to the State the amount of dues and shall notify the State of any change in the amount of dues to be deducted thirty (30) days prior to the intended effective date of such change.

3. Employees shall be eligible to withdraw such authorization only as of July 1 of each year of the Agreement, provided a notice of withdrawal is filed timely with the responsible payroll clerk.

B. Agency Shop Fee.

1. Unit employees who are not members of FOP Lodge 91 shall be required to pay a fair share fee in lieu of the regular dues, fees and assessments of members. The fair share fee shall be determined by the Lodge but shall not exceed 85% of the payments of regular members. New employees who are not Lodge members shall be required to pay the established fair share fee in the first payroll period following thirty (30) days of

employment. The fair share fee shall be withheld from regular bi-weekly payroll and remitted to the Lodge at the same time and in the same manner as monies collected for dues. Any changes in the amount of the deduction shall be provided to the State 30 days prior to its implementation.

2. Prior to the beginning of each fiscal year, the Lodge will notify the State in writing of the amount of regular membership dues, initiation fees and assessments charged by the Lodge to its own members for that Agreement year, and the amount of the fair share fee for that Agreement year.

3. This provision shall become effective in the first payroll period thirty (30) days after the Lodge has submitted satisfactory evidence of the establishment of a demand and return system as provided in the statute. It is further conditioned upon the additional requirements set forth in Sections 2 and 3 of Chapter 477 Laws of 1979, and such requirements must be continuously met.

C. Demand and Return System

1. The representative fee in lieu of dues only shall be available to the Lodge if the procedures hereafter are maintained by the Lodge.

The burden of proof under this system is on the Lodge.

2. The Lodge shall return any part of the dues, fees, and assessments paid by the employee which represents the employee's additional pro rata share of expenditures by the Lodge that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of any other benefits available only to the members of the majority representative.

The employee shall be entitled to a review of the amount of the dues, fees, and assessments by requesting the Lodge to substantiate the amount charged for said dues, fees, and assessments. This review shall be in conformance with the internal steps and procedures established by the Lodge.

If the employee is dissatisfied with the Lodge's decision, he/she may appeal to a three-member board established by the Governor.

3. The Lodge shall submit a copy of the Lodge review system to the Office of Employee Relations. The deduction of the representation fee shall be available only if the Lodge establishes and maintains this review system.

D. Requirements for Agency Shop Fee.

1. It is understood that the implementation of the fair share fee program is predicated on the demonstration by the Lodge that more than 50% of the eligible employees in the Union are dues paying members of the Lodge.

2. If at the signing of this Agreement the above percentage has not been achieved, the fair share fee plan will not commence. Thereafter, if the minimum percentage is exceeded on any quarterly date, i.e., January 1, April 1, July 1 or October 1, the fair share plan shall commence with proper notice to affected employees.

3. In each year of the Agreement on July 1, an assessment shall be made to determine if the minimum percentage has been exceeded. If it has, the fair share shall continue until the following annual assessment. If it has not, the fair share shall be discontinued and eligibility for reinstatement shall be on a quarterly basis as provided above.

E. Indemnification.

The Lodge hereby agrees that it will indemnify and hold the State harmless from any claims, actions or proceedings brought by any employee in the negotiations unit, which arises from deductions made by the State in accordance with this provision. The State shall not be liable to the Lodge for any retroactive or past due dues, fees or assessments for an employee who was identified by the State as excluded or confidential.

F. Statute.

Provisions in this clause are further conditioned upon all other requirements set by statute.

ARTICLE VII

Association Rights

A. Access to Premises

1. Previously designated representatives of the Negotiations Unit, who are acknowledged by the State, shall be admitted to the premises of the State to conduct Lodge business.

Request for such visitation to the facility where the representative is not currently assigned shall be made in writing at least 72 hours in advance of said visit and shall be directed to designated State officials and include the purpose of the visit, proposed time and date, and specific work areas involved. Permission for such visits shall not be unreasonably withheld.

If access to the office space referenced in C below is required, a request shall be made and shall be granted as soon as practicable.

Such FOP Lodge 91 officials shall also have the opportunity to consult with off duty employees in the Negotiations Unit before the start of the work shift, during lunch or breaks, or after completion of the work shift. The State will designate appropriate places for such consultations.

2. The rights of access provided in this section A shall not be granted to any other employee organization or to any representative or employee of such organization for the purpose of communicating with employees in this unit.
3. Where a problem occurs which is of such consequence as to suggest the need for a higher than institutional level Negotiations Unit representative, a request to permit the Negotiations Unit President or his designee access to the location of the problem may be directed in writing to the Office of Employee Relations for approval. A decision and any conditions imposed by the Office of Employee Relations shall be final. Approval of such requests shall not be unreasonably withheld.

B. Information and Special Provisions

1. The Lodge agrees to furnish to the Division of Criminal Justice a complete list of all officers and representatives of the Lodge together with their titles, addresses and designation of responsibility and to keep such list current. The Lodge will also provide copies of its constitution and by-laws or other governing articles and keep them current.
2. Upon request the State agrees to provide to the Lodge on a semi-annual basis, a list of names and addresses of all Detectives in the unit covered by this Agreement.
3. The Division agrees to give the Lodge an opportunity to meet with the members of each Division of Criminal Justice recruit graduating class of the Academy, for one (1) hour, during the last week prior to graduation, to explain and discuss the structure, purpose and function of the Lodge.
4. A copy of all Rules and Regulations, Standing Operating Procedures, Operations Orders, Administrative Orders and Personnel Orders will be made available on the Division's intranet. The information so supplied and documents pertaining to grievances may be shared with the Lodge's counsel for the proper functioning of

the Negotiations unit in representing its members. The information shall be treated with the same confidentiality as Division policy requires. All of the materials supplied remain the property of the Division.

C. Bulletin Boards

1. The State shall provide space for a lockable bulletin board at each field office, and at DCJ Headquarters for exclusive use of the Negotiations unit. The space provided for such board shall not exceed three (3) feet by four (4) feet. The Negotiations unit will provide the boards at their own cost. The State must approve each bulletin board before it can be mounted to the wall.
2. The Negotiations Unit shall limit its postings to notices, bulletins, reports and similar materials which shall not contain any profane or obscene matter or be defamatory of any individual or the State. The Negotiations Unit shall not post election campaign materials. Postings shall be signed by an authorized representative of the Negotiations Unit or the organizational origin shall be set forth.
3. The State will designate space in central locations and areas frequented by employees in the unit where Negotiations Unit newspapers, circulars and literature may be placed so that employees may pick up copies during non-work time provided that such material for distribution is consistent with 2. above of this provision. It is further agreed that the Bargaining Unit will assure that all undistributed literature is removed from the distribution points after a reasonable time.
4. Any material which an authorized representative of the Office of Employee Relations alleges to be in violation of this Agreement shall be promptly removed. The matter may then immediately be initiated as a Step Two grievance for resolution by the Negotiations Unit or submitted to the Office of Employee Relations.

D. Union Intranet Page

Each department/agency of the State that employs members of the Negotiations Unit may, in its discretion, provide Negotiations Unit representatives with access to an intranet page that shall serve as an electronic bulletin board to be used exclusively by the Negotiations Unit. Use of this intranet page shall be subject to all restrictions and requirements under this section.

E. Office Space

The Lodge may request use of available space for the storage of papers and files of the Union. The provision of such space shall not be unreasonably withheld, where available. However, the provision of such space shall not take priority over essential operational uses. The Division shall incur no liability for security or safety of the Union's materials or any loss or damage. If no file cabinets are available, the Union may furnish its own consistent with space available. Permission for the use of the space may be withdrawn at any time but will not be unreasonably withdrawn.

F. Telephone

To the extent possible, the State will permit the Union to have a dedicated telephone line in the DCJ offices in Whippany, Hughes Justice Complex, and Cherry Hill. The Union will pay for the cost of line installation, the telephone instrument and any on-going charges to maintain the line.

ARTICLE VIII

Access to Personnel Files

- A.** Within three (3) working days (exclusive of weekends and holidays) of a written request, an employee shall on an annual basis be granted a specific date upon which to review his personnel file. Such review shall be made in the presence of an appropriate official of the Division, and shall not require a loss of the requesting employee's paid time. To the extent such documents exist, the personnel file subject to examination shall include the employee's employment application, performance appraisal forms, letters of commendation, record of promotions, special training and notices of final disciplinary actions, including written reprimands, suspensions, fines, demotions and other discipline. Nothing in this Article shall be construed as granting an employee access to confidential documents or to pre-employment investigation reports, or other information received from sources under an understanding of confidentiality, regardless of whether or not these materials are normally maintained in the same file or folder with other personnel records.

- B. Subsequent to such review of an employee's personnel file, the employee shall be allowed to place in the file a response of reasonable length to any material contained therein.
- C. An employee may request the correction or expungement of information in the file where there are pertinent and substantive inaccuracies. Such request will be evaluated in relation to the State's needs for comprehensive and complete records but shall not be unreasonably denied when the inaccuracies can be satisfactorily documented by the employee.
- D. No document of anonymous origin shall be maintained in an employee's personnel file. No unsubstantiated complaints shall be placed in an employee's personnel file.

ARTICLE IX

Personnel Practices

A. Availability of Agreement

The State shall make the collective negotiations agreement available to the Union in downloadable format.

B. Health Benefit Information

The State agrees to make information concerning employee health benefits accessible to all employees in electronic format.

C. Retirement Credentials

The Division of Criminal Justice shall provide identification cards for retired Detectives, in compliance with Federal Public Law 108-277, the "Law Enforcement Officers' Safety Act."

D. Excused Illness during Work Time

An employee may apply for use of sick leave for periods of less than his full work day for any appropriate and approved reason such as becoming ill while working during the assigned shift or in order to keep a medical appointment which could not be arranged during non-work time. The employee must charge such sick leave against his accumulated sick leave balance, or, if such employee has no sick leave balance, he may charge such time against other accrued paid leave time if available, or, alternatively,

leave without pay. Utilization of any sick leave for less than a full work day shall be on an hourly basis: one hour of sick leave charged for each hour, or portion thereof, excused from the work shift. For purposes of this clause only, eight (8) hours is equal to one (1) day of sick leave for those employees that are members of this Bargaining Unit. Where an employee utilizes sick leave for a period of less than his established work schedule for the day, such employee shall be charged sick leave on a pro-rata basis in accordance with the work schedule established on the day of utilization.

E. Lateness or Absence Due to Weather Conditions

1. Cases of inclement weather shall be handled in accordance with the State's inclement weather policy as issued by the Governor's Office of Employee Relations.

F. Notice of Suspension

1. When an employee is suspended from duty the notice of such suspension shall be given to the employee immediately. Where such notice has not been given and the employee reports for work and is willing and able to perform his normal duties he/she shall be paid for a minimum of one half (1/2) day or for a full day if he works more than four (4) hours.

Notice required above may be by written message, verbally in person or telephonic means confirmed by written notice.

This provision is not intended to require payment for any hours not worked on the day on which an employee is suspended for cause and asked to leave his work.

2. Where a hardship of undue or unusual effect is claimed and demonstrated to the State's satisfaction, the employee's suspension may, at the discretion of the appointing authority, be charged against accumulated compensatory time, vacation balances, if any, upon the request of the employee.

ARTICLE X

Grievance Procedure

A. Grievance Definition

1. A "Contractual Grievance" is a claimed breach, misinterpretation or improper application of the express terms of this Agreement.

2. "Non-Contractual Grievance" is a claimed violation, misinterpretation or misapplication of standard operating procedures rules or regulations, or existing policies, administrative decisions, letters or memoranda of agreement, or laws applicable to the agency or department which employs the grievant affecting the terms and conditions of employment and which are not included in A.1 above.

B. Purpose

1. The purpose of this procedure is to assure prompt and equitable solutions of problems arising from the administration of this Agreement, or other conditions of employment by providing the exclusive vehicle for the settlement of employee grievances.

Nothing in this Agreement shall be construed as compelling the submission of a grievance to arbitration. The Lodge's decision to request the movement of any grievance at any step or to terminate the grievance at any step shall be final as to the interests of the grievant and the Lodge.

2. Where an individual grievant initiates a Grievance, such Grievances shall only be filed by and processed through the Lodge representation, unless the Negotiations Unit provides specific permission to the contrary.

C. Scope of Grievance Procedure

1. It is understood by the parties that this grievance procedure represents the exclusive process for the resolution of disputed matters arising out of the grievances as defined above, except for those specific matters listed below:

(a) Appeals of matters in dispute within the jurisdiction of the Civil Service Commission shall be made directly to the Civil Service Commission subsequent to proper notification to the responsible local management officials. Such matters include but may not be limited to the following subjects:

- i. Out-of-title work
- ii. Position classification and re-evaluation

(b) A claim of improper and unjust discipline against an employee shall be processed in accordance with the Discipline provisions of the contract.

D. Reference by name or title or otherwise in this Agreement to laws, rules, regulations, formal policies or orders of the State, shall not be construed as bringing any allegation concerning the interpretation or application of such matters within the scope of arbitrability as set forth in this Agreement.

E. General Rules and Procedure

1. Where the subject of a grievance, or its emergent nature, suggests it is appropriate, and where the parties mutually agree, such grievance may be initiated at or moved to any step of the procedure without hearing at a lower step.

Where the Lodge requests a grievance be initiated at Step Two or beyond based on a claim of emergency wherein the normal processing of the grievance would prejudice the effective relief sought or the substantive rights of the grievant and, if such request is denied by the agency of the State involved, the Lodge may seek an expedited determination by the Office of Employee Relations of the appropriate step to initiate such grievance.

2. Where a grievance directly concerns and is shared by more than one grievant, such group grievance may properly be initiated at the first level of supervision common to the several grievants, with the mutual consent of the parties as to the appropriate step. The presentation of such group grievance will be by the appropriate Negotiations Unit representative(s) and one of the affected grievants designated by the Lodge. A group grievance may be initiated only by the Lodge.

3. Any member of the collective negotiations unit may orally present and discuss a complaint with his/her immediate supervisor on an informal basis but shall not expand the time limits for filing a formal grievance unless mutually agreed in writing.

4. In the event that the grievance has not been satisfactorily resolved on an informal basis, then an appeal may be made on the grievance form specified below.

5. All formal grievances shall be presented in writing to the designated representative of the party against whom it is made on "Grievance Forms" to be provided by the State. Such forms shall make adequate provision for the representative of each of the parties hereto to maintain a written record of all action taken in handling and disposing of the grievance at each step of the Grievance Procedure. The form shall contain a general description of the relevant facts from which the grievance derives and references to the sections of the Agreement, which the grievant claims to have been violated. The

grievance form must be completed in its entirety. A group grievance initiated by the Lodge may be presented on the above form, or where appropriate, in another format provided that the grievance is fully set forth in writing and contains all the information required on the official Grievance Form.

6. When a grievance is initiated, the original Grievance Forms shall be forwarded to the Personnel Officer of the appropriate operating agency. After the grievance is resolved copies shall be distributed as designated on the Grievance Form. A copy of the decision of the State at each step shall be provided to the Lodge representative involved.

F. Grievance Time Limits and Management Response

1. A grievance must be filed initially within fifteen (15) calendar days from the date on which the act which is the subject of the grievance occurred or fifteen (15) calendar days from the date on which the grievant should reasonably have known of its occurrence.

2. Where a grievance involves exclusively an alleged error in calculation of salary payments, the grievance may be timely filed within ninety (90) calendar days of the time the individual should reasonably have known of its occurrence.

3. Step One hearings shall be scheduled within ten (10) calendar days of the initial receipt of the grievance. The State's decision shall be issued in writing to the grievant and to the Lodge representative within ten (10) days following conclusion of the Step One hearing.

4. The Lodge shall have ten (10) calendar days from the date the Step One Decision is issued to appeal the grievance to Step Two. A Step Two hearing shall be scheduled within fifteen (15) calendar days from the date of the appeal of the Step One decision. The State's decision shall be issued in writing to the grievant and to the Lodge representative within fourteen (14) calendar days following conclusion of the Step Two hearing.

5. Should a grievance not be satisfactorily resolved, or should the State not respond within the prescribed time periods, either after initial receipt of the grievance or after a hearing, the grievance may be appealed within ten (10) calendar days to the next step. The lack of response by the State within the prescribed time periods, unless time limits have been extended by mutual agreement, should be construed as a negative response.

6. When a grievance decision is rendered the decision shall contain a notice informing the Lodge of the name and position of the next higher level of management to whom the appeal should be presented.

7. Time limits under this Article may be extended in writing by mutual agreement and requests for extensions of time limits will not be unreasonably denied.

8. If, at any step in the grievance procedure, the State's decision is not appealed within the appropriate prescribed time, such grievance will be considered closed and there shall be no further appeal or review.

9. No adjustment of any grievance shall impose retroactivity beyond the date on which the grievance was initiated or the fifteen (15) day period provided in E.1. above except that payroll errors and related matters shall be corrected to date of error within any applicable statute of limitations.

G. Grievance Steps and Parties Therein

Grievances shall be presented and adjusted in accordance with the following procedures:

Step One

If the grievance is not satisfactorily disposed of informally, it may be filed with the Chief of Staff of the Division of Criminal Justice or designee. The State representative or his/her designee shall hear the grievance, witnesses may be heard and pertinent records received. The grievant may be represented by a Lodge officer or fellow Negotiations Unit employee at the institution or office involved. The circumstances surrounding a grievance may suggest that the Lodge President or a member of the Lodge's Executive Board has a particular need to assist in the presentation of the grievance at Step One. He may make a request to do so to the Office of Employee Relations. Such request shall not be unreasonably denied.

Step Two

If the grievance is not satisfactorily disposed of at Step One, it may be appealed to the Office of the Attorney General which shall appoint a person to hear the appeal who shall not be a person who was directly involved in the grievance. The appeal shall be accompanied by the decisions at the preceding level and any written record that has not been made part of the preceding hearings.

The grievant must be represented by the Negotiations Unit President or his designee. The Lodge may designate an alternate non-employee representative.

If the decision involves a "Non-contractual Grievance", the decision of the Office of the Attorney General's designee shall be final and a copy of such decision shall be sent to the Lodge.

Step Three Arbitration

1. In the event that a "Contractual Grievance" as defined in A.1 has not been satisfactorily resolved at Step Two, then a request for arbitration may be brought by the Lodge or Lodge designee only within fifteen (15) calendar days from the day the Lodge received the Step Two decision. The written request must be by mailed to the Director of the Office of Employee Relations. If mutually agreed, a pre-arbitration conference may be scheduled to frame the issue or issues. All communications concerning appeals and decisions at this Step shall be made in writing. A request for arbitration shall contain the names of the department or agency and employee involved copies of the original grievance, appeal documents and written decisions rendered at the lower steps of the grievance procedure.
2. Within sixty (60) days of the execution of this Agreement, the parties shall mutually agree upon a panel of three (3) Arbitrators. Panel Arbitrators will be paid their normal daily rates. Each member of the panel shall serve in turn. If a member of the panel is unable to serve the next member in sequence shall then serve.
3. The arbitrator shall confine his/her decision solely to the interpretation and application of this Agreement. The arbitrator shall confine her/himself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted, nor shall she/he submit observations or declaration of opinions which are not relevant in reaching the determination. The decision or award of the arbitrator shall be final and binding consistent with applicable law and this Agreement. In no event shall the same question or issue be the subject of arbitration more than once. The arbitrator may prescribe an appropriate back pay remedy when she/he finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with the terms of this Agreement. The arbitrator shall have no authority to prescribe a monetary award as a penalty for a violation of this Agreement.

The fees and expenses of the arbitrator shall be divided equally between the parties. Any other cost of this proceeding shall be borne by the party incurring the cost. Any party ordering a transcript shall bear the cost of the transcript; however, if both parties want a copy of the transcript, the cost of the transcript, including any attendance fee, shall be shared equally between the parties. Further, the cost of any transcript, including any attendance fee (or copy of any transcript), requested by the Arbitrator, shall be shared equally between the parties.

4. The arbitrator shall hold the hearing at a time and place convenient to the parties as soon as practical after of her/his appointment to act as arbitrator, and shall issue her/his decision within thirty (30) days after the close of the hearing.

5. Whenever a grievance which is to be resolved at Step Three, Arbitration, is based on a provision of this Agreement in which the power or authority of the arbitrator is specifically limited, those limits shall be observed and the provisions of paragraph three (3) above shall be operable.

ARTICLE XI

Discipline

A. Discipline under this Article means official written reprimand, fine, suspension without pay, based upon the personal conduct or performance of the involved employee. As they are major discipline, dismissals from service, suspensions exceeding five (5) days, and reductions in grade (demotions) either for discipline, layoff or for operational changes shall not be grievable or arbitrable.

B. Just cause for minor discipline up to five days suspension shall include those causes set forth in N.J.A.C. 4A:2-2.3. The list of causes set forth in N.J.A.C. 4A:2-2.3 is not exclusive and discipline up to and including dismissal from service may be made for any other combination of circumstances amounting to just cause.

C. Where the Division imposes discipline pursuant to paragraph B., written notice – “Preliminary Notice of Discipline” - of such discipline shall be given to the employee. Such notice shall contain a reasonable specification of the nature of the charge, a general description of the alleged acts and/or conduct upon which the charge is based and the nature of the discipline.

D. The name of any employee who is notified of suspension or dismissal pursuant to paragraph C. shall be transmitted to the Negotiations Unit as soon as feasible but not to exceed seventy-two (72) hours after such notice.

E. Any appeal, except for departmental hearings (see below), relating to the involved disciplinary matter must be filed by the employee within fifteen (15) calendar days of the notice of discipline to the employee, and the employee must indicate within the notice of appeal if he will exercise his right to a Departmental Disciplinary Hearing.

F. 1. The employee may be represented at such hearing by a Negotiations Unit representative in the same work unit and/or legal counsel. The employee shall have the right to present evidence and witnesses at such hearing as well as cross-examine any witnesses or evidence presented by the State.

2. The circumstances surrounding a discipline case may suggest that the Negotiations Unit President or a member of the Unit's Executive Board has a particular need to assist in the presentation at the hearing. He/she may make a request to do so to the Office of Employee Relations. Such request shall not be unreasonably denied.

Arbitration

G. An appeal to disciplinary arbitration may be brought only by the Negotiations Unit through its President or designee or attorney.

H. 1. Within thirty (30) days of the execution of this Agreement, the parties shall mutually agree upon a panel of not less than three (3) disciplinary arbitrators. Each member of the panel shall serve in turn as the sole arbitrator for a given case. Where a member of the panel is unable to serve, the next member in sequence shall then serve.
