- C. Neither party in any negotiations shall have any control over the selection of the negotiating representatives of the other party.
- D. During negotiations, the Board and the Association shall present data, exchange points of view, and make proposals and counter proposals, as required by law.

ARTICLE III - GRIEVANCE PROCEDURE

LINES OF RESPONSIBILITY AND PROCEDURE FOR THE SOLUTION OF PROFESSIONAL PROBLEMS

Each employee of the school district shall be responsible, through established administrative channels, to the Board of Education.

PURPOSE

Both parties agree it is their intention to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting employees. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure. The parties also agree that the Grievant shall be assured of freedom from coercion.

DEFINITION OF PROFESSIONAL PROBLEMS

A "grievance" is a claim by an employee or a group of employees of the Association based upon the interpretation, application, or alleged violation of this Agreement, Board policies, or administrative decisions affecting an employee or group of employees.

The "Grievance" shall specify:

1. The nature and date of the alleged occurrence in reasonable detail.
2. The nature and extent of any injury, loss, or inconvenience.
3. The results of previous informal discussions.
4. The dissatisfaction with decisions previously rendered.
5. Expected relief or corrective action or alternatives thereof. The Chairperson of the Personnel Committee is to receive an informational copy of all "grievances" at the same time as the original is being processed.

A grievance to be considered under this Agreement must be initiated within thirty (30) days on which the grievant knew or should have known of the circumstances giving rise to the claim.

Level 1

Any problem will initially be discussed with the administrator or building principal, who will endeavor to resolve the problem promptly. Should the administrator or building principal be unable to resolve the question to the satisfaction of all concerned within seven (7) school days, the problem will be reduced to writing and submitted to the CEA Grievance Committee for evaluation. Should the Committee recommend, within seven (7) school days, further processing, the problem shall be submitted to the administrator or building principal in the form of a grievance. If the Committee does not recommend further processing, the remaining steps of the procedure must be followed, if the grievant chooses to pursue the problem.

Level 2

The administrator or building principal will submit within seven (7) school days, to the Superintendent, the report submitted in Level 1, along with the administrator's or building principal's written report including all action taken to date. The Superintendent shall meet with the Association within five (5) school days. The Superintendent may involve those parties in the meeting deemed necessary in the settlement of the "grievance." The Superintendent will render a decision within seven (7) school days following the meeting.

Level 3

Should the results of Level 2 be unacceptable to the grievant, the grievant will present the grievance to the Personnel Committee of the Board, via the Association's Grievance Committee within seven (7) school days. The Personnel Committee shall render a decision within fifteen (15) school days.

Level 4

Should the result of Level 3 be unacceptable, the grievant will file the grievance with the Board of Education Secretary within five (5) school days. The Board shall render its decision within thirty (30) school days to the Board Secretary.

Level 5

If the Grievant is dissatisfied with the Level 4 disposition and only if the grievance is based upon an alleged violation, misinterpretation, or misapplication of the express provisions of this Agreement, the grievant may initiate a demand for arbitration within ten (10) school days of the receipt of the Level 4 disposition.

- (a) The parties may designate an arbitrator by agreement or utilize the procedures of the Public Employment Relations Commission for the selection of an arbitrator.
- (b) The arbitrator of a grievance under this Agreement shall be limited to the issues submitted and shall consider nothing else. The arbitrator shall not have the right to add to, subtract from, or modify this Agreement in any manner whatsoever. The arbitrator's determination shall be binding on both parties.
- (c) The parties shall share equally in the payment of the fees and expenses of the arbitrator. All other costs connected with the grievance shall be borne by the parties by which they were incurred.
- (d) The award of the arbitrator on grievances arising out of the interpretation, application, or performance of this Agreement shall be final and binding on both parties if rendered pursuant to the rules prescribed by the Public Employment Relations Commission (PERC).
- (e) The parties agree that any deadline listed above may be extended by mutual consent.

Miscellaneous

- A. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level is the maximum. Failure of the grievant to meet the next step within the specific time limit should be deemed a waiver of further appeal. Failure of the representatives of the Board to meet the specific time limit of a given level shall be deemed a waiver of that level. The time limit may be extended in the event a "grievance" is filed over an extended holiday and/or summer recess. Said extension is to be developed by mutual agreement of parties involved at a specific level.
- B. All meetings and hearings under this procedure shall not be conducted in public and shall include only the principal, parties involved, their legal and/or professional consultants. Witnesses relevant to the solution of the grievance may be summoned into the hearing room and remain only for the duration of their testimony.

- C. If, in the judgment of the CEA, a grievance affects a group or class of employees, the CEA may submit such grievances in writing to the Superintendent directly and the processing of such grievance shall be commenced at Level 2. The CEA may process any individual person's grievance even though the aggrieved person does not wish to do so.
- D. All employees, including grievant, are required to follow administrative directives and Board policies under the direction of the Superintendent and administration regardless of the pendency of any grievance until such grievance is properly determined. The CEA accepts in good faith Levels 1 through 5 as the solution of professional problems.
- E. In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, and is left unresolved until the beginning of the following school year and could result in the harm to a party in interest, the time limits set forth herein shall be reduced by mutual consent, so that the grievance procedure may be exhausted as soon as possible.

ARTICLE IV - EMPLOYEE RIGHTS

A. Rights and Protection in Representation

Pursuant to Chapter 123, Public Laws 1974, the Board hereby agrees that every employee of the Board shall have the right freely to organize, join and support the Association and its affiliates for the purpose of engaging in collective negotiations and other legal concerted activities for mutual aid and protection. As a duly selected body, exercising governmental power under the laws of the State of New Jersey, the Board undertakes and agrees that it shall not directly nor indirectly discourage nor deprive nor coerce any employee in the enjoyment of any rights conferred by Chapter 123, Public Laws 1974, or other laws of New Jersey or the Constitution of New Jersey and the United States; that is, shall not discriminate against any employee with respect to hours, wages, or any terms or conditions of employment by reason of his membership in the Association and its affiliates, collective negotiations with the Board, or his institution of any grievance, complaint or proceeding under this Agreement or otherwise with respect to any terms or conditions of employment.

B. Statutory Savings Clause

Nothing contained herein shall be construed to deny or restrict to any employee such rights as he may have under New Jersey School Laws or other applicable laws and regulations. The rights granted to employees hereunder shall be deemed to be in addition to those provided elsewhere.

C. Required Meetings or Hearings

Whenever any employee is required to appear before the Superintendent, Board, or any Committee or member thereof, concerning any matter which could adversely affect the terms and conditions of that employee's employment, then he shall be given prior notice (which will be in written form) of the reasons for such meeting or interview and shall be entitled to have a representative of the Association present to advise him and represent him during such meeting or interview. The Board shall act on any suspension of an employee within two weeks of said suspension. If, during the course of a conversation between a supervisor or any other administrator and an employee, facts emerge which may affect the employee's employment adversely, the employee shall have the ability to terminate the conversation for the purpose of obtaining representation before continuing the discussion. This shall not apply to conversations regarding evaluations.

D. Just Cause Provision

No employee shall be disciplined, reduced in rank or compensation or deprived of any professional advantage without just cause. Any such action asserted by the Board, or any agent or representative thereof, shall be subject to the grievance procedure.

E. Student Evaluation and Promotions

1. Evaluation of Students

The teacher shall maintain the primary right and responsibility to determine grades and other evaluations of students within the grading policies of the Collingswood School District based upon professional judgment of available criteria pertinent to any given subject area or activity for which he is responsible. No grade or evaluation shall be changed without consultation with the teacher. If a grade is changed without teacher approval, the building principal must countersign and validate the change.

2. Social Promotion Clause

If for any reason a student is placed on a grade level which he has not earned by passing his subjects and receiving a normal promotion, the person or persons placing this youngster on this higher level must place on record a statement telling why said pupil was moved up to the next level, and sign that statement leaving no doubt where the accountability rests for the move. The Principal and/or Director of Special Services must then countersign and validate such promotions.

F. **Complaint Procedure**

In the event a complaint is brought by a member of the public to any administrator or supervisor of the Collingswood School District concerning an employee and such complaint is deemed potentially serious enough to impact on the affected employee's employment, the affected employee shall be notified immediately. The employee shall have the right to review the complaint and all relevant material concerning the complaint.

Step 2

By mutual agreement of all parties, a meeting shall be held among the complainant, employee and supervisor. The employee retains the right to be represented by the CEA, if he desires.

Step 3

Any complaint unresolved by Step 2 may be submitted, in writing, by the complainant or the employee to the building principal or counterpart supervisor, who shall forthwith forward a copy to the Superintendent or his designee and the complainant. Upon receipt of the written complaint, the Superintendent or his designee shall confer with the parties. In no case shall the Superintendent or his designee take any action against the employee unless the complainant is prepared to produce evidence to substantiate the complaint.

Step 4

If the Superintendent or his designee is unable to resolve a complaint to the satisfaction of all parties concerned at the request of the complainant or the employee, he shall forward the results of his investigation along with his recommendation, in writing, to the Board Personnel Committee and a copy to all parties concerned.

Step 5

2. It is recognized that an employee's maternity leave application involves both a disability and child care phase. The disability phase is that period of time both pre-natal and post-natal during which a physician certifies inability to work. The child-care phase is that period of time selected by the employee in accordance with B.(2)(b) below, which follows the disability phase during which time the employee voluntarily suspends her teaching career to care for the newborn child.

At the time of the application, which shall be made upon sixty (60) days notice to the Board, the employee shall specify in writing the date on which she wishes to return to work after the birth, except in the cases of stillbirth, in which case, the employee may elect to return to work at an earlier date. Nothing contained in this Article shall be construed to preclude the Board from requiring any teacher after the birth of her child to produce a certificate from her physician showing that she is physically capable of resuming her duties. The physician's certification is subject to agreement by the Board physician.
4. A teacher returning from pregnancy leave of absence shall be entitled to all benefits to which teachers returning from other types of sick or disability leave would be entitled. Nothing contained herein shall be construed to require the Board to grant tenure or to offer a new contract for a new school year to any non-tenured employee who would not have been otherwise offered such a contract. The granting of a leave to any non-tenured employee shall not limit the discretionary authority of the Board with respect to re-employment or the granting of tenure.
5. Paragraphs B.1 and B.4 shall also apply to all other tenured employees represented by the Association under the terms and conditions of this contract of employment.
6. Any tenured employee adopting an infant child may receive similar leave which shall commence upon receiving de facto custody of said infant, or earlier if necessary to fulfill the requirements for the adoption.
