Section 2. Employees covered by this agreement shall be eligible for overtime for any work performed on Saturdays or on the regular weekdays prior to 7:30 a.m. or after 3:30 p.m. prevailing time. Such payment is to be made at one and one half (1-1/2) times the hourly rate of the employee based upon the employee's annual base salary. For those employees whose regular duties require a different normal work day (such as at the recycling and convenience center, as a sweeper operator, or collecting recyclables), overtime compensation shall be paid at the same rate as aforesaid for hours worked in advance or immediately after the different normal work day assigned to said position. A workweek shall be considered thirty-five (35) hours.

Section 3. Where possible, the employee who starts a project shall complete the project. When only part of a crew is to be retained, an effort shall be made by the supervisor to retain the full-time employees who have the least accumulated overtime hours. Exceptions to this would be where the Director of Public Works, at his discretion, deems it necessary to keep on an employee he feels is qualified to complete the job. Nothing herein, however, shall be deemed to guarantee overtime to any employee or to the department as a whole since the employees recognize the duty of the Borough to minimize the overall cost to the taxpayers wherever possible.

Section 8. Nothing in this agreement shall be deemed to prohibit the Mayor and Council from hiring temporary employees, part-time or seasonal employees for performing any services deemed necessary by the Director of Public Works. Temporary, part-time or seasonal employees, however, shall not be eligible for overtime unless the opportunity for said overtime is first offered to two permanent employees, unless an exception from this rule has been discussed in advance and approved by the authorized representative of the Bargaining Unit.
