ARTICLE I
RECOGNITION

- A. The Borough recognizes the Borough of Belmar's Police Benevolent Association of Local No. 50 as the representative for the purposes of collective negotiations of all Patrolmen, Detectives, Sergeants, Lieutenants, and Captains employed by the Police Department, but excluding the Chief, Special Police, Managerial Executives, Confidential Employees and all other Supervisory Employees within the meaning of the New Jersey Public Employer- Employees Relations Act and all other employees of the Borough of Belmar.
- B. The titles of Patrolman, Detective, Sergeant, Lieutenant and Captain shall be defined to include the plural as well as the singular, shall include males and females and are synonymous with the word employees.
- C. Notwithstanding the language above, should there be a point in time when there is a minimum of two (2) superior officers holding the ranks of Lieutenant and/or Captain, there shall be:
1. The creation of a separate collective bargaining agreement which recognizes the positions of lieutenant and captain.
 2. The collective bargaining agreement for lieutenants and captains shall mirror the current collective bargaining for all patrolmen, detectives and sergeants.
 3. Should the number of superior officers holding the ranks of lieutenant and/or captain fall below two (2), the remaining superior officer shall be immediately reinstated into the rank and file collective bargaining agreement.
 4. At the time of the revision set forth in paragraph 3 above, the terms of the Superior Officers' collective bargaining agreement shall be transferred intact into the rank and file collective bargaining agreement and those terms shall be applicable only to the remaining superior officers.
 5. The Borough agrees that it will permit the superior officers' unit to engage in "coalition bargaining" with the rank and file unit through the entire collective bargaining and interest arbitration process in all subsequent contract negotiations.

Article II
Management Rights

- A. Except as specifically limited by this Agreement, the Borough hereby retains and reserves unto itself, without limitations, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement by the Laws and Constitution of the State of New Jersey and of the United States, including but without limiting the generality of the foregoing the following rights:
1. To the executive management and administrative control of the Borough government and its properties and facilities, and the activities of its employees;
 2. To hire all employees and subject to the provisions of law, to determine their qualifications and conditions for continued employment, or assignment and to promote and transfer employees;
 3. To suspend, demote, discharge or take other disciplinary action for good and just cause according to law.
- B. The exercise of the foregoing powers, rights, authority, duties and responsibilities of the Borough, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms hereof and in conformance with the Constitution and Laws of New Jersey and of the United States.
- C. Nothing contained herein shall be construed to deny or restrict the Borough or the PBA of its rights, responsibilities and authority under R.S. 40 and R.S. 11A, R.S. 40A or R.S. 34, or any other national, state, county or local laws or ordinances.

Article III
Non-Discrimination

- A. There shall be no discrimination by the Borough or the PBA against any employee on account of race, color, creed, sex or national origin.

- B. There shall be no discrimination, interference, restraint, or coercion by the Borough of any of its representatives against any of the employees covered under this Agreement because of their membership or non-membership in the PBA or because of any lawful activities by such employees on behalf of the PBA. The PBA, its members and agents shall not discriminate against, interfere with, restrain or coerce any employees covered under this Agreement who are not members of the PBA.

Article IV
Grievance Procedure

A. PURPOSE

1. The purpose of this procedure is to secure, at the lowest possible level, an equitable solution to the problems which may arise affecting the terms and conditions of this Agreement.
2. Nothing herein shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Department.

B. DEFINITION

The term "grievance" as used herein means any controversy arising over the interpretation, application or alleged violation of the terms and conditions of this Agreement, and may be raised by an individual, the PBA on behalf of an individual or individuals, or the Borough. Minor discipline of five (5) days or less of suspension or fine shall be subject to this grievance procedure. Oral Reprimands and Written Reprimands shall not be subject to this grievance procedure, but officers may prepare written responses to the Written Reprimand and have them permanently placed in their personnel file.

C. STEPS OF THE GRIEVANCE PROCEDURE

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement, and shall be followed in its entirety unless any step is waived by mutual consent:

Step One:

- (a) An aggrieved employee or the PBA on behalf of an aggrieved employee or employees or the Borough shall institute action under the provisions hereof within ten (10) calendar days of the occurrence of the grievance, and an earnest effort shall be made to settle the differences between the aggrieved employee and his immediate supervisor, for the purpose of resolving the matter informally. Failure to act within said ten (10) calendar days shall be deemed to constitute an abandonment of the grievance. The association will be notified of any grievance filed by an individual employee.

Step Two:

- (a) In the event a satisfactory settlement has not been reached, the employee or the PBA shall, in writing and signed, file his grievance with the Chief of Police within four (4) days following the determination at Step One.

- (b) The Chief of Police shall render a decision in writing within five (5) days from the receipt of the grievance.

Step Three:

- (a) In the event the grievance has not been satisfactorily resolved by Step Two, then within five (5) calendar days following the determination, the matter may be referred to the Mayor and council as a whole, who shall review the matter and make a determination within ten (10) calendar days from the receipt of the grievance. The time limit for filing a Step Three grievance may be extended by a mutual written agreement between the Appropriate Authority or, in his absence, by the Councilman in charge of the Department of Public Safety, and by the President or other authorized officer of the Association. Said extension shall not be longer than seven (7) days.

Step Four - Binding Arbitration

- (a) If the Borough or the Association so desire, they may, within fifteen (15) days following the determination of the Mayor and Council, file for binding arbitration with the Public Employment Relations Commission, and shall follow the rules and regulations of said Commission and the provisions of N.J.S.A. 2A:24-1 et seq.
- (b) Failure to file with the Commission within such time shall be a bar to such arbitration.
- (c) In the event the Association elects to pursue Civil Service Procedures, the arbitration hearing shall be canceled and the matter withdrawn from arbitration, and the Association shall pay whatever costs may have been incurred in processing the case to arbitration.
- (d) The Borough reserves the right to file in writing a grievance on its behalf with the Executive Board of the Association concerning the activities of the Association or any of the members thereof. The said Executive Board of the Association shall conduct a conference with the representatives of the Borough within ten (10) days of filing of the grievance, and said conference representatives shall render a joint written determination within fifteen (15) days of the conference. If the grievance remains unresolved, the matter may be referred to binding arbitration in accordance with the procedures of Step 4 of this Article.
- (e) Failure to respond at any step to the procedure above outlined by the Borough or its agents shall be deemed a negative response in either Step 1, 2, and 3, and upon the termination of the applicable time limits, the grievant may proceed to the next step. The same shall be true where the Borough grieves an action of the

Association of any of its members. Written notice shall be given by either party in the above instances.

Article V
Maintenance of Operations

- A. It is recognized that the need for continued and uninterrupted operation of the Borough is of paramount importance to the citizens of the Borough of Belmar, in the County of Monmouth and State of New Jersey, and that there should be no interference caused by Association or its members with such operation.
- B. The PBA covenants and agrees that during the term of this Agreement neither the PBA nor any person acting on its behalf will cause, authorize, nor will any of its members take part in, any strike (i.e. the concerted failure to report for duty, or willful absence of a policeman from his position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of said Policeman's duties of employment), work stoppage, slow down, walk-out or other job action. The PBA agrees that such action would constitute a material breach of this Agreement.
- C. The PBA agrees that it will make every reasonable effort to prevent its members from participating in any strike, work stoppage, slow down, or other activity aforementioned or support any such action by any other employee or group of employees of the Borough, and that the PBA will publicly disavow such action and order all such members who participate in such activities to cease and desist from same immediately and to return to work and take such other steps as may be necessary under the circumstances to bring about compliance with the PBA's order. Nothing herein shall be construed to restrict the employees' rights under the First Amendment of the United States Constitution.
- D. In the event of a strike, slow down, walk out, or job action, it is covenanted and agreed that participation in any such activity by any PBA member or any member represented by the PBA shall entitle the Borough to deem such activity as grounds for appropriate action, subject, however, to the application of procedures set forth by law.
- E. Nothing contained in this Agreement shall be construed to limit or restrict the Borough in its right to seek and obtain such judicial relief as it may be entitled to have in law or in equity or injunction or damages, or both, in the event of such breach by the PBA or its members.

Article VI

Any employee whose first day of employment falls on the 16th of the month or thereafter, will not be credited with any sick time for that month. 1. The first year of service - one working day of sick leave with pay for each month of service.
2. After completion of the first year of service - 15 days of sick leave with pay in every calendar year thereafter.
3. Any amount of sick leave allowance not used in any calendar year shall accumulate to the employee's credit from year to year to be used if and when needed for such purpose.

D. REPORTING OF ABSENCE ON SICK LEAVE

If any employee is absent for reasons that entitled him to sick leave, his/her Desk Officer shall be notified promptly as of the employee's usual reporting time, except in those work situations where notice must be made prior to the employee's starting time.

2. Absence without notice for five (5) consecutive days shall constitute a resignation.
3. Any employee taking sick leave shall not return to work for at least twenty-four (24) hours unless the Chief of Police determines that an emergency exists requiring additional staffing, except for normal tour changes.

 - b. An employee who has been absent on sick leave for periods totaling seven (7) non-verified days in any one (1) calendar year consisting of periods of less than three (3) days, may be required by the Chief of Police to submit acceptable medial evidence for any additional sick leave in that year unless such illness is of a chronic or recurring nature requiring recurring absences of one (1) day or less, in which case only one (1) certificate shall be necessary for a period of six (6) months.
2. The Borough may require an employee who has been absent because of personal illness, as a condition of his return to duty, to be examined at the expenses of the Borough, by a physician designated by the Borough. Such examination shall establish whether the employee is capable of performing his normal duties and that his return will not jeopardize his or the health of other employees, except for

periodic required physical and mental examinations. Only in such cases will the Borough be required to pay for physician's expenses or fees.

3. A doctor's certificate shall be required as verification of the illness of a member of the employee's immediate family seriously ill requiring attendance of such employee:

2. Employees shall be granted leave without loss of pay for one (1) day of the funeral in the event of the employee's grandchild, aunt, uncle, nephew, niece, brother in law, sister in law, cousin of the first degree and step relatives of the same degree.

4. Exceptions to the rule set forth by Section F may be made at the discretion of the Chief where the deceased is buried in another city and the employee would be unable to return in time for duty with the leave granted.

5. Employees will be notified by April 15 of the amount of their accumulated sick leave credits, including partial reimbursement credits pursuant to Article VI(b), at the end of the preceding calendar year.
6. An employee who suffers the death of a current spouse or biological child will be entitled to 10 days' leave with pay due to such loss.

A vacant post is defined as one where an officer has been taken off because of the use of sick leave, accumulated compensatory time, personal day or the use of a vacation day which is used other than during the officer's vacation time.

Except for unanticipated events for which the Chief of Police has shorter notice the Chief shall post overtime manpower lists for volunteers at least fourteen (14) days in advance of all major weekends and all advertised special events hosted by the Borough of Belmar as specified in the Borough Resolutions.
 5. The Chief of Police will attempt to fill manpower needs through volunteers on the normal overtime list. If no volunteers are found, the most junior officer who is off that day (the shift prior and the shift after) will be ordered in on a rotating basis. This procedure is only applicable to those situations when the Chief of Police determines that additional overtime manpower is needed.
- F. An employee may exchange days or hours of duty tours with any other qualified employee of the Police Department pursuant to the procedures set forth below. Requests for approval (which shall be made in writing when possible) of such exchanges must be made to the Patrol Commander, who shall use reasonable discretion in granting or denying the request in accordance with the needs of the Department. If the Patrol Commander is not available to respond to a written request, the officer may contact the Patrol Commander by telephone between the hours of 9:00 a.m. and 9:00 p.m. only.

- G. Requests for compensatory and / or personal leave shall be granted according to the following guidelines.
1. On the three (3) major weekends, Memorial Day, July 4th, and Labor Day, personal leave and compensatory time requests must be filled. If they are not filled they are canceled. It is understood that not more than two (2) officers per shift may request a compensatory day and or personal day unless all overtime slots posted by the department are filled by volunteers, in which case one (1) officer per shift, total of three (3), may request a personal day and / or compensatory day.
 2. On all other weekends the past practice, which is that a request for time off will only be granted if the vacancy thereby created can be filled by the Department with another qualified employee, shall continue for the granting of personal leave and or compensatory leave. Such leave shall be granted if the vacancies are filled. If the Chief of Police decides to fill the vacancy and no volunteers are found, the request will be denied.
 3. No personal leave and / or compensatory leave will be granted on Greek Sunday absent extraordinary circumstances.
 4. At least one (1) superior officer shall always be available for every shift during the period between Memorial Day and Labor Day.

B. Incentive Program

1. In order to encourage employees to develop skills of value to the Department beyond the skills required of every police officer, the parties have established a Physical Fitness Program as follows:

This Program will involve employees' engaging in physical fitness activities during or after work hours. Any employee participating in the Program will be required to spend at least 80 hours per year in the Department's workout facilities (which time can be accumulated either on duty or off duty), or an outside facility/venue provided the employee contacts the Department and notifies them of his/her starting and ending time.
 - b. Such physical fitness training outside the Department's workout facility is subject to verification by the Department during the period of physical activity, and the Borough will make a reasonable effort to accord each employee (except for employees on extended leaves of absence) the opportunity to spend at least 80 hours per year in the workout facility.

- c. The Department's shift commanders will arrange, when possible and as impacted upon by operational manpower needs, for officers to spend no more than 1 hour per session (and no more than 3 one hour sessions per week) at the Department's workout facility. In addition, again assuming that the employee is not on an extended leave, every police officer will spend at least 10 hours per calendar year quarter during work time at the workout facility.
- d. The intent of the physical fitness evaluation and training program is to encourage police officers to participate in a physical fitness program for that year.
- e. In order to be eligible to use eighty (80) hours as set forth in Paragraphs a, b and c above, the officer must commit to a full year of participation in this Program.

The granting of such leave with pay shall not be unreasonably withheld.

Article XIX
Insurance Protection

- A. Effective August 1, 2001 the Borough will purchase the coverage provided by the State Health Benefits Plan (hereinafter referred to as the "Program"). Where optional coverages are permitted by the program, the Borough will purchase the optional coverage selected by the employee.
1. Effective January 1, 2011, all employees shall be required to pay fifteen percent (15%) of the published "dependent coverage" cost for the plan in which the employee is enrolled as established by the New Jersey State health Benefits Plan ("SHBP") or 1.5% of base pay, whichever is greater. The contributions under this section comply with the statutory mandated employee contributions.
- B. The Borough shall provide medical insurance coverage to bargain-unit members who retire from the Police Department under the provisions of the Police and Fire Pension System after January 1, 1987, on the following terms:
1. Coverage shall be equivalent to that provided employees under Section A.
 2. Such coverage shall be maintained by the Borough for retired employees until such employee reaches the age of sixty-five (65) and becomes eligible for Medicare. Thereafter, the Borough shall provide "Wrap-around" coverage, i.e. insurance to cover the difference between Medicare benefits levels and those provided the regular employees, as provided in Section A.
 3. Employees who retire on disability pension and, as a consequence of that disability, do not accrue the 16 quarters of membership in the Social Security System to be eligible for Medicare Benefits shall continue to be provided the full coverage set forth in Subsection 1.
 4. Retirees shall be required to pay twenty percent (20%) of the published cost for the plan in which the retiree is enrolled as established by the New Jersey State Health Benefits Plan ("SHBP").
- C. The Borough shall provide employees with a family prescription insurance program and employees will be required to pay the generic and brand name co-pay established by the SHBP.
- D. Employees shall continue to be permitted to enroll in the dental insurance program provided by International Health Care Service, Inc. Group No. J 1019 and to pay for the cost of such group dental insurance program through the payroll deduction plan.

Coverage shall be the same as provided to other Borough employees. Premiums shall not exceed the rates charged for other Borough employees enrolled in the program.

1. PBA members will be enrolled in the Borough's Delta Dental Plan, or such plan that is offered, at the Borough's sole cost.
- E. Effective January 1, 2006, the Borough shall establish an "Opt-Out" program. For those who choose to opt-out after May 21, 2010, the statutory provisions regarding opt-outs shall apply.
2. For those who were enrolled in the "Opt-Out" Program prior to May 21, 2010, the Program shall pay an employee who opts out of the Borough's health insurance plans, fifty (50%) percent of the cost of the said plans for each calendar year.
 - a. An employee must submit proof to the Borough of his/her alternate coverage.
 - b. Should an employee lose their ability to be covered by the alternate coverage (e.g. loss of spouse's employment, divorce, etc.), then the employee shall be re-enrolled into the Borough's health insurance plans during the established enrollment period. If the employee received any payment under the Program during the year the employee re-enrolls in the Borough's health insurance plans, then he/she shall repay the Borough the monies received on a pro-rated basis.
 3. Employees who choose to opt-out after May 12, 2010, shall be paid at twenty-five (25%) of the cost of the said plans for each calendar year.
 4. This program shall pay a retiree twenty percent (20%) of the published cost for the plan for those retirees enrolled in the SHBP NJ Plus or a substantially similar Point of Service Plan. Should any part of this subsection be determined to be in conflict with the laws and regulations of this State, section B.4. of this same Article will be suspended until renegotiated. During said negotiations the parties agree that retirees will be bound to the requirements of paragraph A.1. of this Article. If parties are unable to reach a mutual agreement to resolve the issue, the parties agree that an Arbitrator will retain jurisdiction to provide full and binding resolution of this matter.
- F. The Borough reserves the right to change insurance carriers so long as substantially similar benefits are provided.
- G. The parties understand that the State Policemen's Benevolent Association is attempting to have legislation adopted that would compel municipalities to provide post-retirement

health insurance coverage for retired employees through the State Police and Fireman's Pension Plan (the "SPFP Plan"). The parties agree that upon the adoption of such legislation, the post-retirement health insurance coverage provided through the SPFP Plan shall be substituted for the post-retirement health benefits coverage provided by the Borough herein, provided that the coverage to be provided under the SPFP Plan is substantially similar or equal to the post-retirement health benefits coverage provided by the Borough herein. In the event it is determined that the coverages are not substantially similar or equal, the Borough shall be entitled to pay the difference in benefits or get an insurance policy that will cover the difference between the two plans, in which event the SPGP Plan, as supplemented by the Borough, shall be substituted for post-retirement health benefits coverage provided by the Borough herein. Particularly material to this agreement is the understanding that all health plans referred to in this Agreement shall provide that they shall be non-contributory on the part of the employee or spouse and that all programs shall include the employee and spouse.

- H. The Borough shall provide each employee and family members with an eyeglass prescription and examination insurance plan at no cost to the employee and which shall be comparable to the plan carried by other Borough employees and their families. H. Employees hired after January 1, 1997 will receive managed medical insurance coverage for him/herself only for the first three (3) years of employment. After three years of employment the bargaining unit members shall receive managed medical insurance coverage for him/herself and family. This provision shall not apply for the period of time that the Borough is enrolled in the State Health Benefits Plan.

Said monies together with records of any corrections shall be transmitted to the PBA by the fifteenth (15th) of each month following the monthly pay period in which deductions were made.

This paragraph shall be subject to and interpreted and supplemented by N.J.S.A. 34:13A-5.5, 5.6, 5.7, and 5.8.

- B. PBA Local No. 50 of Belmar covenants that it has established and maintained a demand and return system which provides pro rata returns of dues as provided in N.J.S.A. 34:13A-5.5. This representation fee in lieu of dues by payroll deductions of non-PBA Local No. 50 of Belmar has established a demand and return system, as provided in N.J.S.A. 34:13A-5.5 and will cease to be effective upon the elimination of the demand and return system.

- C. The Union shall indemnify and hold the Employer harmless against any and all claims, demands, suits and other forms of liability that may arise out of, or by reason of any action taken or not taken by the employer in conformance with this provision. The union shall intervene in, and defend, any administrative or court litigation concerning this provision. In such litigation, the employer shall have no obligation to defend this provision.

Article XXIV
Notification of Shift Changes

- A. The Chief of Police is permitted to change an employee's regular shift assignment without incurring overtime by posting the change on the Police Department's schedule. If an employee is not working for one or more days prior to 168 hours before the shift change is to be implemented, the Chief of Police or his designee shall make a reasonable attempt to contact the employee so as to notify the employee verbally of the scheduled change, or will attempt to leave a message for the employee. An employee required to work due to a schedule change for which less than 144 hours' notice was provided will be paid at time and a half for each day of work within the 144 hour notice provision due to such schedule change at time and a half basis. Schedule changes with less than 144 hours' notice will be posted on the work schedule. If the employee is not working at all prior to the schedule change (due to a vacation, for example), the Chief of Police or his designee will follow the procedures set forth above (verbal notification or, absent contact, attempt to leave a message).
- B. In situations not covered by paragraph A of this article, an attempt will be made by management to notify the employee of the scheduled change, but it will be the responsibility of the employee to check the schedule prior to 168 hours.
- C. The above notice requirement shall not apply to temporary overtime assignments.
- D. Shift schedules will be posted four (4) weeks in advance.
- E. The employee will bring to the attention of their immediate supervisor any conflicts they observe in their work schedule. These conflicts will include, but not be limited to, schedule to work in excess of forty (40) hours in a work week; working less than forty (40) hours in a work week; inadequate hours off between shifts (less than eight (8) hours); not assigned to the work schedule; scheduled off on vacation when they are not supposed to be.

Article XXV
Out of Rank Pay

- A. An employee shall be entitled to Out of Rank pay when a rank and file police officer replaces a Sergeant (or other superior officers, as the case may be) as the "Officer in Charge" (OIC) of a full shift.
- B. The Chief of Police or his designee shall designate the OIC for each shift.
- C. Under this Article, the Police Chief, in determining the assignment of an officer to perform as the OIC, shall make every reasonable effort to assign an officer based upon their seniority in the Department, except as special needs or circumstances exist.
- D. When a police officer is assigned by designation of the Police Chief or Designee, as OIC for a particular patrol shift, he/she shall be compensated at seven percent (7%) above the officer's current rate of pay (including longevity and other increment(s)) as would normally be due to the officer being assigned to perform as the OIC, however this compensation shall not be higher than the sergeants' rate of pay established in this contract.
- E. An officer shall also be entitled to OIC compensation if he/she serves as the OIC by default. This situation would arise when there is no other superior officer working during a full shift. The only exception to this is if during a shift, a superior officer is working.
- F. Between the Memorial Day weekend and the Labor Day weekend, the Borough shall either have a sergeant or a designated rank and file officer assigned pursuant to the work schedule, as the OIC. If there is no designation on the work schedule, the most senior rank and file officer assigned to that shift shall be entitled to the OIC pay.
- G. Notwithstanding the above, when an officer of a superior rank position (lieutenant or captain) in a permanently filled position is absent from their duties for more than fifteen (15) consecutive workdays, an employee assigned to that position shall be entitled to the OIC compensation for every day after the 15th day of the assignment pursuant to the formula set forth in subsection D above.
 - 1. Notwithstanding the provisions above, should the Employer make a determination not to fill a lieutenant's or captain's position (e.g. upon the retirement of a superior officer), an officer shall not be entitled to OIC pay unless the Chief or his/her designee assigns, in writing, the lower ranking officer to be OIC for the shift.

- H. No officer shall be requested or ordered to assume or perform the duties of the Chief of Police without receiving the lesser of the regular rate of pay for Chief of Police or seven percent (7%) above the officer's current rate of pay (including longevity and other increment(s)) as would normally due to the officer. In no event will the acting officer's pay be less than their current rate of pay (including longevity and other increment(s)) as would normally due to the officer.

- I. Any disputes arising in regard to the vacancy of a higher rank shall be pursued through the Department of Personnel. All other disputes regarding compensation for OIC pay shall be subject to the parties' negotiated grievance procedure.

Article XXVI

 2. Resignation after completion of one (1) year of service but prior to the completion of two (2) years of service - 50% of the cost to the Borough but not to exceed \$1,000.00 in cost to the resignee.
 3. Resignation after completion of two (2) years of service but prior to the completion of three (3) years of service - 25% of the cost to the Borough but not to exceed \$500.00 in cost to the resignee.
- B. Nothing in this provision shall limit the right of employees to receive clothing and clothing maintenance benefits.
- C. The level of reimbursement required of early voluntary resignees is contingent upon the Borough of Belmar continuing to provide new hires with the same amount and quality of equipment as is current practice.

Article XXVIII
Fully Bargained Provisions

- A. This Agreement represents and incorporates the complete and final understanding and settlement by the parties of all bargainable issues which were or could have been the subject of negotiations. Neither party will be required to negotiate with respect to any such matter whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
- B. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing only executed by both parties.
- C. Nothing contained herein shall be deemed to deny or restrict the employees of their rights pursuant to N.J.S.A. 34:13A-1 et seq.
- D. For all employees employed with the Borough of Belmar as Of January 1, 2009, and who remain continuously employed until such time as the Borough may implement a merger, regionalization and or shared service agreement with another municipal or other government agency:
 - 1. If the Employer determines to merge, regionalize, and/or share services with another municipal or other governmental agency, the employer will make a good faith effort to negotiate terms within the merged, regionalized, and/or shared services agreement which would provide employment for any affected Belmar employee at their same rate of pay with the new employer.
 - 2. If the employer is unable to negotiate such terms in a merged, regionalized, and/or shared services agreement for any employee, the affected employee shall be deemed to have been terminated from employment. If the affected employee has waived any and all claims against the Borough arising out of, or related to, the right to continued employment with either the Borough or the newly merged unit, the Employer shall pay the affected employee severance pay in the amount equivalent to two (2) weeks per year of service with the Borough. Severance pay shall be calculated using the affected employee's current base salary, including longevity and other stipends.

Article XXIX
Separability and Savings

If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held invalid by operation of law or by a court or other tribunal of competent jurisdiction, such provision shall be inoperative but all other provisions shall not be affected thereby and shall continue in full force and effect.
