AGREEMENT

This Agreement made as of the 29th day of June 1977 by and between the State of New Jersey (herein called the STATE) and the Council of New Jersey State College Locals, NJSFT, AFT, AFL-CIO (herein called the UNION).

Whereas the parties hereto have entered into collective negotiations and desire to reduce the results thereof to writing NOW THEREFORE, it is mutually agreed as follows:

PREAMBLE

The STATE, the New Jersey Department of Higher Education (herein called the Department) and the UNION enter into this Agreement with the expectation that its implementation will enhance the ability of the State Colleges of New Jersey to serve their constituents.

The parties recognize that it is the responsibility of these colleges to provide their students a quality educational program, to broaden the horizons of knowledge through research and to make available their resources to the needs of the larger community.

In order to fulfill these obligations, the parties endorse the concepts and subscribe to the traditional principles of academic freedom, professional ethics and responsibilities.

ARTICLE I

B. Definition of Terms

Unless otherwise indicated the following when used herein shall mean:

1. "employees" refers to employees in the certified negotiating unit described in A. above.
2. "faculty" or "faculty members" refers to all "full-time" teaching and/or research faculty as described in A. 1. (inclusions) above.
3. "College" refers to the State Colleges covered herein.
4. "Local UNION" refers to the constituent local of the UNION at a college.
5. "Multi-year Contract" refers to such contracts authorized under N.J.S.A 18A:60-6 et seq. (paragraph 9 of Assembly Bill No. A-328).

ARTICLE II

NON-DISCRIMINATION

The STATE and the UNION agree that the provisions of this Agreement shall apply equally to all employees and that there shall be no intimidation, interference, or discrimination because of age, sex, marital status, race, color, creed or national origin or political activity, private conduct or union activity which is permissible under law and which does not interfere with an employee's employment obligation.

ARTICLE III

NO STRIKE OR LOCKOUT

The UNION agrees that it will refrain from any strike, work stoppage, slowdown, or other job action and will not support or condone any such job action. The STATE agrees that it will refrain from locking out its employees or from any threat thereof.

ARTICLE IV

CONTINUING CONSULTATION

A. The UNION and the STATE shall upon the request of either party establish meetings during the third week of April, October, and January for the purpose of

reviewing the administration of this Agreement and to discuss problems which may arise. These meetings are not intended to bypass the grievance procedure or to be considered contract negotiating meetings but are intended as a means of fostering good employer-employee relations.

B. The Local UNION on each campus and the President as chief executive officer of the College or his or her designee(s) and as representative(s) of the Board of Trustees shall upon the request of either party establish meetings during the first week of April, October, and January, for the purpose of reviewing the administration of this Agreement and to discuss problems which may arise. These meetings are not intended to bypass the grievance procedure or to be considered contract negotiating meetings but are intended as a means of fostering good employer-employee relations.

C. The requests of either party for such meetings shall include an agenda of topics to be discussed and be submitted seven (7) days prior to the meeting date. Sufficient meeting time(s) shall be established to complete the agenda.

D. Additional meetings, as described above, shall be held at the request of either party at a mutually agreeable time.

ARTICLE V

ACADEMIC FREEDOM

A. Academic freedom derives from the nature of the quest for knowledge. It is essential to the full search for truth and its free exposition, applies to both teaching and research, and shall not be abridged or abused. Academic freedom does not relieve the employee of those duties and obligations which are inherent in the employer-employee relationship.

B. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning. It carries with it responsibilities correlative with rights. Both parties to this Agreement subscribe to the following principles of academic freedom:

1. Employees are entitled to full freedom in research and in the publication of results.

2. An employee is entitled to freedom in the classroom in discussing his or her subject.

3. Employees are citizens and members of a learned profession. When the employee speaks or writes as a citizen, he or she is free from institutional censorship or discipline, but should not represent himself or herself as a spokesperson for the institution.

ARTICLE VI

DUES DEDUCTION

A. 1. The State agrees to deduct from the salaries of all employees, dues for the appropriate Local UNION named below, as individual employees may voluntarily authorize as provided in Chapter 310, New Jersey Public Laws of 1967, the STATE to make such deductions and where such authorization is properly presented to the STATE and providing that no other deduction authorization is currently in effect.

Glassboro State College	Local 2373
Jersey City State College	Local 1839
Montclair State College	Local 1904
Kean College of New Jersey	Local 2187
Wm. Paterson College of New Jersey	Local 1796
Ramapo College of New Jersey	Local 2274
Stockton State College	Local 2275

The deduction will be made in equal amounts bi-weekly pursuant to Chapter 310, New Jersey Public Laws of 1967, N.J.S.A. 52:14-15.9e, as amended, beginning the first payroll period after receipt of the authorization card.

Said monies will be transmitted by the fifteenth of the month following the month in which deductions were made, to the designated local UNION treasurer.

Each of the above Local UNIONS shall certify to the STATE in writing the current rate of its membership dues.

2. Dues deduction for any employee in the negotiating unit shall be limited to the UNION. Employees shall be eligible to withdraw dues deduction authorization for the UNION only as of July 1 of each year provided the notice of withdrawal is filed timely with the responsible payroll clerk. Existing written authorization for dues deductions to an employee organization other than the UNION must be terminated within sixty (60) days of the date of this Agreement or within sixty (60) days after the effective date of the enabling legislation provided for in subparagraph 3 below, whichever is later.

3. Subparagraph 2 above shall become effective only after the necessary enabling legislation is enacted.

B. Agency Shop

It is understood and agreed in the event that legislation is enacted authorizing the "Agency Shop" concept for public employees in the STATE of New Jersey, the STATE will, upon thirty (30) days' notice, meet with the UNION and reopen the Agreement for the purpose of negotiations on such subjects.

ARTICLE VII

GRIEVANCE PROCEDURE

A. Purpose

The parties agree that it is in the best interests of the academic community that all grievances should be resolved promptly, fairly and equitably. To this end relevant and necessary information, material and documents concerning any grievance shall be provided by the UNION and the STATE upon written request to the other.

1. The following procedure which may be initiated by an employee and/or the UNION acting as his or her representative shall be the sole and exclusive means of seeking adjustment and settling grievances (except as provided in Article XII).

2. Whenever any representative of the UNION or any employee is mutually scheduled by the parties during working hours to participate in grievance procedures, such employees shall suffer no loss in pay or benefits.

B. Definition of a Grievance

A grievance is an allegation by an employee or the UNION that there has been:

1. A breach, misinterpretation or improper application of terms of this Agreement; or

2. An arbitrary or discriminatory application of, or failure to act pursuant to, the policies of the Board of Higher Education or a Board of Trustees, related to terms and conditions of employment.

C. Preliminary Informal Procedure

An employee may orally present and discuss a grievance with his or her immediate supervisor on an informal basis. At the employee's option, he or she may request the presence of a UNION representative. If the employee exercises this option, the supervisor may determine that such grievance be moved to the first formal step.

Should an informal discussion not produce a satisfactory settlement, the grievant may move the grievance to the first formal step.

Informal discussions shall not serve to extend the time within which a grievance must be filed, unless such is agreed to in writing by the college official responsible for the administration of the first formal step of the grievance procedure.

D. Formal Steps

1. Step One

A grievant shall initiate his or her grievance in writing and present it formally to the College President. Where the nature of the grievance suggests that it would be appropriate, the grievant may be required by the President or his or her designee to meet any involved official of the college in an effort to resolve the grievance

informally. Such informal discussions shall not become a part of the record of the grievance unless the grievance is resolved on the basis of such discussions. The President or designee thereof shall hear the grievance and where appropriate, witnesses may be heard and pertinent records received. The hearing shall be held within ten (10) calendar days of receipt of the grievance, and the decision shall be rendered in writing to the employee and the UNION representative within seven (7) calendar days of the conclusion of the hearing of the grievance.

2. Step Two

If the grievant is not satisfied with the decision rendered at Step One, he or she may submit his or her grievance to the Chancellor. Such appeal shall be accompanied by the decision at Step One and any written record that has been made part of the preceding hearing. The Chancellor or designee thereof shall hear the grievance and, where appropriate, witnesses may be heard and pertinent records received. The hearing shall commence within ten (10) calendar days of receipt of the grievance and the decision shall be rendered in writing to the aggrieved employee and the UNION representative within ten (10) calendar days of the conclusion of the hearing. Hearings shall be completed within ten (10) calendar days of commencement absent extenuating circumstances.

3. Step Three

If the aggrieved employee is not satisfied with the disposition of the grievance at Step Two within ten (10) calendar days from the determination at said Step, the UNION as representative of the employee may, upon written notification of intent to arbitrate to the Chancellor and the Director of the Office of Employee Relations, appeal the Chancellor's decision to arbitration. The arbitrator shall conduct a hearing and investigation to determine the facts and render a decision for the resolution of the grievance. An arbitrator's decision shall be binding as to grievances raised under B. 1. above and advisory and non-binding as to grievances raised under B. 2. above. In any case, an arbitrator's decision relating to non-reappointment (except as provided in E. 4. below) or promotion shall be advisory and non-binding. In no event shall an arbitrator's decision have the effect of adding to, subtracting from, modifying or amending the provisions of this Agreement, or any policy of the STATE, the Board of Higher Education or any Board of Trustees. The arbitrator shall not substitute his or her judgment for academic judgments rendered by the persons charged with making such judgments.

Any costs resulting from this procedure shall be shared equally by the parties.

The arbitrator making a binding determination of a grievance has the authority to prescribe a compensatory award to implement the decision.

The parties have mutually agreed to continue the panel of three arbitrators. Each member of the panel shall serve by random selection as the sole arbitrator for a given case. Where a member of the panel is unable to serve, another member

shall then serve by random selection. In the event it is necessary for the parties to select a new panel and the parties are unable to agree upon such new panel, arbitrators shall be selected on a case-by-case basis under the selection procedure of the Public Employment Relations Commission until such time as the parties agree upon a new panel

E. 1. Matters pertaining to promotion or non-reappointment shall be grievable under this agreement only upon the basis of claimed violations involving discriminatory treatment in violation of Article II, or denial of academic freedom in violation of Article V, or violation of promotion or reappointment procedure specified in Articles XIV and XIII, or applicable written college procedures (except as provided in E. 4. below). In all such cases the burden of proof shall be upon the grievant. In no case may an arbitrator recommend promotion or reappointment of a grievant. Rather, where appropriate, the remedy shall be to remand the matter to the proper level of the involved College for reconsideration of the matter and elimination of defects in the procedural process or elimination of impropriety in the decision making process.

2. Where a matter is remanded pursuant to subparagraph 1. above, the arbitrator may, where appropriate, direct that the President of the College, in consultation with the UNION, appoint an ad hoc review committee to substitute for any individual or committee which had been involved in the previous promotion or reappointment action. The purpose of such ad hoc committee will be for the purpose of reconsidering the involved matter and elimination of defects in the procedural process or elimination of impropriety in the decision making process and to make recommendations on the merits of the involved promotion or reappointment matter to the President or intermediate levels prior to the President.

3. The discharge or suspension of employees during the term of a one-year appointment or reappointment shall be grievable and in the event the involved employee files a grievance, the burden of proving good cause for the discharge or suspension shall be upon the College.

4. Employees serving under multi-year contracts may grieve notice of non-renewal on the basis of lack of good cause. The arbitrator may direct the withdrawal of the notice of non-renewal or other appropriate remedy.

F. Disputes concerning the application or interpretation of the New Jersey tenure laws or dismissals of employees protected by such laws shall not be grievable under this Agreement.

G. Time Limits

1. A grievance must be filed at Step One within forty-five (45) calendar days from the date on which the act which is the subject of the grievance occurred or forty-five (45) calendar days from the date on which the individual employee should

should reasonably have known of its occurrence.

2. In the event that the time limitations imposed under Steps One and Two above, as to discussion, hearing and decision are not complied with, the grievance shall, upon request, be moved to the next highest step.

3. Should an employee be dissatisfied with the decision or should no decision be forthcoming in the prescribed time, he or she may submit his or her grievance to the next step within ten (10) calendar days.

4. Where the subject of a grievance suggests it is appropriate and where the parties mutually agree, such grievance may be initiated at, or moved to, Step Two without a hearing at a lower step.

5. Where a grievance directly concerns and is shared by more than one employee, such group grievance may properly be initiated at Step Two if such step is the first level of supervision common to the several grievants.

6. Claims of violation of procedure by any promotion or retention committee must have been reported to the President of the College by the individual grievant within ten (10) days from the date on which such claimed violation took place or ten (10) days from the date on which the individual grievant should have reasonably known of its occurrence. In the event of failure to report the occurrence within such ten (10) day period, the matter may not be raised in any later grievance contesting the validity of such committee's recommendation or any action based thereon.

7. No adjustment of any grievance shall impose retroactivity beyond the date on which the grievance was initiated or the forty-five (45) day period provided in Section G. I. above except that payroll errors and related matters shall be corrected to date of error.

8. Time limits provided for in this Article may be extended by mutual agreement of the parties at the level involved.

H. Anything in this Article shall be construed as compelling the UNION to submit a grievance to arbitration.

I. No reprisal of any kind shall be taken against any participant in this grievance procedure by reason of proper participation in such procedure.

J. Grievance records shall not be part of the personnel file utilized in the promotion or retention process unless such grievance records pertain to the matter under consideration.

K. All grievances shall be filed on appropriate forms which shall be made available to each member of the negotiating unit through the Personnel and UNION offices on each campus. The STATE and the UNION shall agree upon an appropriate grievance form.

ARTICLE VIII

UNION EMPLOYER INFORMATION EXCHANGE

A. The UNION agrees to furnish to the Department a complete list of all officers and representatives of the UNION, including titles, addresses and designation of responsibility, and to keep such list current. The UNION will also provide copies of its constitution and by-laws or other governing articles, and will keep these current.

B. The Department agrees to furnish to the UNION a complete list of all professional Department employees, including titles, and to keep such list current. The Department further agrees to furnish to the UNION the names and addresses of all members of the Board of Higher Education and all individual College Boards of Trustees falling within lawful jurisdiction of the Department and to keep this list current.

C. The State, the Department and College Administrations agree to furnish to the UNION in response to written requests and within a reasonable time, which where practicable will not exceed fifteen (15) work days, information which is relevant and necessary to the processing of any grievance or complaint, or to the negotiating of subsequent agreements; and to furnish a semi-annual register of personnel covered by this Agreement with their home addresses and department or other academic unit wherein such personnel are employed; and to furnish all publicly available information including published agendas and minutes of the Board of Higher Education and Boards of Trustees proceedings, published texts of resolutions and special reports affecting higher education; budgets and such other relevant publicly available information that shall assist the UNION in developing intelligent, accurate, informed, and constructive programs.

Each College shall make generally known such central location and the hours during which employees may review the documents. Six (6) copies shall be provided to a designated representative of the Local UNION.

ARTICLE IX

UNION-BOARD RELATIONS

A. 1. The UNION shall be supplied a copy of the tentative agenda of all Board of Higher Education and College Boards of Trustees meetings, one week prior to the date for such meetings. Upon request of the UNION, a responsible administrative officer of the Department of Higher Education or the College shall be available to discuss agenda items at a mutually agreeable time prior to such meetings. Where

the UNION makes specific request for written materials referred to in a tentative agenda item and where such material is not confidential or privileged and can be supplied in advance of the scheduled meeting within the policies of the Board of Higher Education or a Board of Trustees, such material will be provided.

2. A copy of the adopted minutes of public meetings of the Board of Higher Education and the Boards of Trustees and resolutions adopted at such meetings, including any documents incorporated by reference in such resolutions, shall be forwarded to the UNION within a week of adoption.

B. The UNION shall have the right through its Local UNIONS to designate a representative from each College, plus one additional person, to participate in public budget hearings conducted by the Board of Higher Education by any committee of the Board of Higher Education or by the Department, concerning such College, to designate a Local UNION representative, plus one additional person, to participate in public budget hearings conducted by the Board of Trustees or any committee of the Board of Trustees of that College.

C. The UNION shall have the right to speak at all public sessions of the Board and local Boards of Trustees. A request for an allocation of time on the agenda will be processed in advance and consistent with procedures of the Boards. The UNION will be permitted to speak on any issue raised by a Board but not on the agenda. Allocation of time to speak shall be prior to final action by vote of a Board on the substantive issue under consideration. The UNION may raise an issue of an emergent nature provided it occurred subsequent to the time allowed for submission for placement on the agenda. In such an event the UNION shall be permitted to identify the issue, which a Board shall receive as introduced and either accept as current business or consider for future action.

D. The UNION shall have the right to appoint one employee representative to each college-wide committee of each State College, said representative being selected by a procedure established and administered by the UNION, consistent with the purposes of each of said committees and with any term of office uniformly designated for other committee members.

E. 1. The UNION shall have the right to appoint one employee representative to each "Master Plan" advisory committee. Such employee shall be selected by a procedure established and administered by the UNION, consistent with the purposes of each of said committees and with any term of office uniformly designated for other committee members.

2. The Department and the Colleges shall keep the UNION advised on any advisory committees which are set up to study aspects of higher education in New Jersey and of the purposes of such committees. Where any such committee includes unit employees, the UNION shall also have the right to appoint one employee representative. Said nominees shall be selected by a procedure established and administered by the UNION consistent with the purposes of such committees.

F. Except for representatives designated by the UNION, employees serving on committees of the Department of Higher Education or the Colleges, dealing with terms and conditions of employment, shall not be considered to be representatives of the UNION nor shall their views be construed to represent the views of the negotiating unit. This provision shall not be construed to limit the other functions of persons serving on such committees as a result of the operation of the governance process at any College.

ARTICLE X

UNION RIGHTS

A. The administration shall permit representatives of the UNION to transact official business on college campuses provided that this shall not interfere with or interrupt normal college operations.

B. Bulletin Boards

The UNION shall have the right to post UNION notices on college bulletin boards used for general purposes and/or those normally used to post notices to employees. The posting area on each bulletin board shall include up to fifty percent (50%) of the bulletin board but shall not exceed ten (10) square feet.

C. Distribution of Materials

The Union shall have the right to use inter-office mail facilities.

D. Space and Facilities

It is understood and agreed that, upon request, the administration will make available to the UNION an appropriate room for UNION meetings so long as such does not in any way interfere with the normal operation of the College. The administration shall also permit the UNION to use designated college equipment which may include typewriters, duplicating equipment, calculating machines and audio visual equipment at reasonable times when such equipment is not otherwise in use.

The UNION shall pay the actual cost to the College of all custodial maintenance and repairs and the materials and supplies incident to such uses, including postage and telephone charges.

E. The Local UNION President or other officer designated by the UNION, shall be provided with a suitable private office on each campus. In addition to the equipment normally provided to employees, this office will have two additional chairs and an additional filing cabinet. Each of these offices will also have a typewriter and a telephone.

F. Whenever any representative of the UNION or any employee is mutually scheduled by the parties during working hours to participate in negotiations, grievance proceedings, conferences, or meetings, such employees shall suffer no loss in pay or benefits and shall not be required to make up time missed on an hour-for-hour basis (the latter provision shall not apply where permission to re-schedule a class is given.)

G. 1. The following UNION representatives shall be granted priority in choice of schedules:

- a. President of the CNJSCL
- b. Secretary of the CNJSCL
- c. Vice President of the CNJSCL
- d. Treasurer of the CNJSCL
- e. Legislative Representative of the CNJSCL
- f. The Presidents of each of the State College Locals
- g. One UNION representative designated by the UNION on each campus.

In no case shall the number receiving priority in choice of schedule on any campus exceed three (3) nor shall more than one representative be selected from any academic department or equivalent unit at any College.

2. One UNION representative designated on each campus will be permitted to reduce his or her teaching load by one course per semester for a maximum of eight credits per academic year, provided that the UNION reimburses the College for such reduction at the applicable overload or adjunct rate and provided that arrangements are mutually agreed to between the President of the College and the UNION. Absent compelling reasons to the contrary, UNION requests for approval shall be honored by the College.

H. The academic calendar at each College shall be prepared in cooperation with the Local UNION at such College. Final responsibility for the academic calendar is a matter of academic judgment of each College's administration and Board of Trustees. The academic calendar established shall not be inconsistent with other provisions of this Agreement covering time and conditions of work.

ARTICLE XI

EMPLOYEE RIGHTS

A. Meetings

Faculty or other employee meetings shall ordinarily be scheduled a week in advance during the normal hours of operation of the College. Special or emergency meetings may be called when required. Any such meetings shall not be scheduled with unreasonable frequency.

B. Textbooks and other teaching materials shall be selected by faculty members consistent with the resources, objectives and procedures of the department or equivalent academic unit and the academic program of the College.

C. 1. Whenever transportation is required as a part of the duties of an employee, the College shall prescribe the use of a college vehicle or the means of public transportation to be utilized or, with the agreement of the individual, the use of his or her private vehicle and will be responsible for indemnification for such

sanctioned use pursuant to appropriate legislation. Employees who do not hold a current valid driver's licence shall not drive. The STATE shall reimburse the employee for such use of his or her private vehicle at the rate of fourteen (14) cents per mile or higher rate if such is legislated.

2. Utilization and distribution of moneys budgeted to a College department or equivalent academic unit or library to cover expenses for travel, meals, or lodging for attendance at professional improvement meetings, workshops, conferences and other approved functions shall be approved by a dean or his or her designee and be consistent with the regulations of the STATE, the Department and the College. Recommendations for such use shall be initiated by the department or equivalent academic unit or library if by an individual employee within the department, or equivalent academic unit or library, the Chairperson or Supervisor shall be notified of the request. The Chairperson shall keep the members of the department generally informed of recommendations made by the department or individuals.

D. A faculty member will not be required to teach outside his or her individual competency.

E. Summer Session Contracts

1. Faculty members and librarians or ten-month appointees (except those exercising their option under Article XVII) provided there is no time conflict shall have priority consideration in appointments to teach regular summer session courses within their individual competency, except in unusual circumstances.

2. Assignments to teach summer session courses shall be voluntary and consistent with normal college procedures. Summer session assignments shall be distributed on an equitable basis.

3. Colleges will send out written summer session assignment agreement to faculty by April 1, which must be returned by April 15. Additional assignments shall be offered as they become available. If an agreement is made to assign a faculty member to teach a summer session course which is cancelled, he or she shall have priority consideration for another available teaching or non-teaching assignment within his or her competency.

4. For the purpose of this provision, persons scheduled to commence their initial faculty appointment commencing the academic year following the summer session, shall be considered faculty members.

F. The faculty shall be advised by public notice of courses within their individual competency which are being considered for assignment on an overload or adjunct basis. Faculty members shall be permitted a minimum of five (5) calendar days within which to apply to teach such course or courses on an overload basis except in unusual circumstances. The balance of courses offered on an adjunct versus

overload basis is an academic judgment to be made in consultation with the involved department.

G. Vacancies

1. If public notice of a vacancy within the unit is to be made, the College will inform the UNION in advance of such publication.

2. Where an employee applies for an open position, he or she shall be notified of the disposition of his or her application prior to publication of the name of the successful applicant.

H. Identification Cards

Employees shall be provided with official identification cards by the College at no cost to the employees.

I. Food Service

Employee dining facilities will be clearly designated. Where such facilities do not exist, the local UNION and the College will jointly endeavor to provide such facilities.

3. No employee shall be required to join or refrain from joining any organization as a condition of employment or retention.

K. Library Collections

There shall be no abridgement of access to library collections for reasons of content or suitability. This paragraph shall not be construed to interfere with sound principles of library management, such as the protection of rare or valuable materials.

Library acquisitions will be made on the basis of educational judgment and budgetary limitations and shall remain free of censorship.

L. Where available at the Colleges, parking privileges shall be provided to employees without charge (except at facilities financed by the Educational Facilities Authority). The assignment or location of parking places shall be resolved between the Local UNION and the College.

M. Where employees are required to attend ceremonial functions such as convocation or graduation, the wearing of academic regalia shall be at the option of the employee.

N. Faculty members assigned to teach in intersessions, preessions or summer sessions occurring in the month of June, shall be compensated for such assignments at the appropriate summer session rate, or the overload rate, whichever is higher. For the purposes of intersessions, pre-sessions or summer sessions occurring during the period, September 1 to June 30, the limitation on voluntary teaching assignments for extra compensation in Article XII B. 3. shall not be applicable.

ARTICLE XII

FACULTY RESPONSIBILITIES

A. Institutional responsibilities of the faculty shall include teaching responsibilities and other responsibilities as defined below. The basic academic year teaching load shall be assigned over thirty-two (32) weeks of instruction and shall occur during the period of payment which commences September 1 and ends on June 30, and may not exceed such thirty-two (32) week period unless otherwise agreed to by the concerned faculty member.

B. Teaching Responsibilities

1. The basic academic year teaching load shall be twenty-four (24) teaching credit hours. All overload shall be voluntary and overload rates shall be paid for all voluntary teaching assignments beyond twenty-four (24) teaching credit hours. No faculty member may be assigned more than fifteen (15) teaching credit hours per semester within load.

2. a. The teaching assignment of a faculty member shall not require more than three (3) different course preparations in any semester, except where it can be demonstrated that the course offerings and class sections in a department cannot reasonably be scheduled on this basis, or where a faculty member's schedule includes one or more two (2) student-credit-hour-courses. Under such circumstances one additional course preparation may be assigned.

b. It is recognized that one-student-credit-hour courses and activities such as, but not limited to, supervision of or instruction in independently study, internships, practice teaching, studio or physical activity programs do not lend themselves to computation of numbers of preparations under subparagraph a. above. However, it is recognized that every effort will be made when assigning such activities to arrive at an overall assignment of responsibilities which substantially and equitably equates to the model set forth in subparagraph a.

Disputes concerning this subparagraph may be submitted to binding arbitration pursuant to Article VII. In the event that a violation is found the remedy shall be the award of a payment equal to one overload credit for each additional preparation found to have been improperly imposed.

3. In any academic year, voluntary teaching assignments for extra compensation shall not exceed six (6) semester credit hours or two (2) courses, whichever is greater for any one (1) faculty member.

4. Overload compensation shall be at the rate of \$275 per teaching credit.

5. Definitions

a. Student credit hours are defined as: The number of credit hours earned by a student successfully completing a given course.

b. Average weekly class hours are the total number of regularly scheduled class meeting hours for a course divided by the number of weeks in the program.

Employees may on occasion be unavoidably absent because of personal or family illness. An employee who finds it necessary to be absent because of illness should communicate with the President or his or her designated officer as soon as possible.

Sick leave is occasioned by the absence of an individual from duty because of illness, accident, exposure to contagious disease, necessary attendance upon a member of the immediate family who may be seriously ill, or death in the immediate family.

Employees are entitled to one and one-quarter (1¼) days of sick leave for each completed month of employment for a total of twelve and one-half (12½) days annually for ten-month employees, and a total of fifteen (15) days annually for twelve-month employees. A. Leave of Absence Due to Injury

Employees who are disabled because of job-related injury or disease may, if it is recommended by the Board of Trustees and approved by the Civil Service Department, be granted leave of absence with pay from funds appropriated for this purpose and provided in STATE regulations.

2. Probationary employees may apply for leaves of absence without pay, not to exceed six (6) months of the work year being served at the time of the request. Such employees will be eligible for leave of absence without pay, not to exceed six (6) months of the work year next following the year in which the request is made, providing that such employee has received notification of reappointment for such next following work year.

In any event such employees on leaves of absence are subject to all reappointment evaluation procedures and must cooperate in such procedures notwithstanding their leave of absence status.

D. Maternity Leave

A pregnant employee shall be granted earned sick leave with pay pursuant to Article XXIII for such period of time that she is physically unable to perform her

Earned and accumulated vacation time may be utilized if sick leave is exhausted. In addition such employees are eligible for leave of absence without pay pursuant to paragraph B. above.

ARTICLE XXVI

SABBATICAL LEAVES

The STATE agrees to continue, as herein modified, on an experimental basis, a sabbatical leave program. The program will be subject to review during the period of its operation during the term of this Agreement. In each year of this Agreement the State Colleges will be authorized to grant fifty (50) one-year leaves and fifty (50) half-year leaves. These leaves will be apportioned among the Colleges on a basis proportional to the number of eligible faculty members and librarians at each College with seven (7) or more years of service.

A. Eligibility - Application - Approval

1. All faculty members and librarians who, as of June 30, prior to the year for which the leave is requested, have completed a period of seven (7) or more years of service shall be eligible to apply for a sabbatical leave during the 1977-1978 or the 1978-1979 academic years. Sabbatical leaves are granted no more frequently than once every eight (8) years.

2. a. Application shall be submitted to the President of the College by no later than March 1, 1977 for leaves during the 1977-1978 academic year and by no later than March 1, 1978 for leaves during the 1978-1979 academic year.

b. Application may be made for the purpose of pursuing a substantial project designed to yield publishable results and/or enhance competency as a scholar or teacher. Sabbatical leaves may also be granted for the pursuit of an accredited terminal degree program in an appropriate field of study.

c. A committee will be established under the governance structure of each College to review the academic merits of each application and make recommendations to the President. The UNION shall have the right to appoint one employee representative to such committee. The committee shall conduct its review and make its recommendations by no later than April 1, 1977 for leaves during the 1977-1978 academic year and by no later than April 1, 1978 for leaves during the 1978-1979 academic year.

6. Each faculty member accepting a leave must sign a written statement obligating him or her to continue to serve for at least one (1) year after expiration of the term of the leave.
7. Faculty members on such leave are permitted to receive additional compensation in the form of fellowships, government grants, and honoraria for purposes related to the leave, in addition to the partial salary from the College, provided that total compensation from all sources does not exceed such faculty members' full salary at the College. The leave may not be used to accept paid employment during the period of the leave.
8. The numbers of available half year and full year sabbatical leaves may not be interchanged or exchanged.

ARTICLE XXVII

TUITION REIMBURSEMENT

- A. Employees enrolled in a terminal degree program related to their areas of teaching or work as approved by the President of the College may receive tuition reimbursement at a level equivalent to the graduate tuition of the State Colleges or the actual tuition, whichever is less.
- B. Employees may also be granted tuition reimbursement as described in A. above for graduate study necessary to increase such employees' expertise in his or her area of teaching or work as determined by the President.
- C. Tuition reimbursement under A. or B. above shall not exceed six (6) credits per year or a total of thirty (30) credits during their years of employment at any State College.
- D. In order to receive a commitment for reimbursement the employee must submit a written request to the President prior to enrollment in a course of study, stating the basis for the request for reimbursement. Within twenty (20) calendar days the President or his or her designee will respond in writing as to whether the College will provide reimbursement subject to the availability of funds. The President or his or her designee will meet with the Local UNION to determine appropriate procedures for submission of the application to an appropriate advisory person or group in the applicant's area of teaching or work.

E. In order to secure reimbursement the employee must satisfactorily complete the course of study and submit written proof of payment of tuition and satisfactory completion to the President or his or her designee.

F. The course of study may be at any accredited institution other than the College at which the employee is employed.

G. The College will cooperate in arranging employees' schedules to allow them to take advantage of the benefits of this program.

H. The operation of this program is subject to the availability of funds as set forth in Article XXII, except that the President may make additional funds available. The President will advise employees by no later than July 15, 1977 and July 15, 1978 of the amount of funds available.

In the event that funds are not sufficient to meet all requests which would otherwise be approvable, priority shall be given to 1) those employees who are enrolled in a terminal or graduate degree program for which the employee previously received tuition reimbursement, 2) those employees embarking upon an approved terminal or graduate degree program, and 3) all other circumstances.

ARTICLE XXVIII

PERSONNEL FILES

A personnel file shall be maintained for each employee in accordance with the following procedures:

A. The College shall place in the file communications indicating special competencies, achievements, research, performance and contributions of an academic, professional or civic nature. An employee may submit to the College such commendations which he or she deems worthy to be included in his or her personnel file.

B. All material received from committees, department chairpersons, administrative officers or other responsible sources concerning an employee's competency, service, character, or conduct shall be signed by the originator before being placed in the employee's personnel file. Anonymous communications shall not be placed in the personnel file of any employee with the exception of documents specifically provided for in the evaluation procedure.

C. A copy of any item included in the employee's personnel file, except items submitted by the employee, dealing specifically with an employee's retention, dismissal, salary improvement, promotion, or tenure shall be transmitted to the employee immediately. A copy of other filed items including all items submitted by the employee shall be made available to the employee upon request at the expense of the employee.

D. Any item which deals specifically with an employee's retention, dismissal, salary improvement, promotion, or tenure which was not previously transmitted to

the employee and which is to be relied upon in personnel actions shall be made available to the employee and a reasonable time provided for response.

E. An employee shall be given the opportunity to review the contents of his or her personnel file upon application. The employee shall have the opportunity to acknowledge that any item has been read by signing the file copy. Such signature would not necessarily indicate agreement with its content nor will the absence of such signature be construed to necessarily indicate that the employee had not received or read any item in the personnel file.

F. Letters of recommendation relating to initial appointment which were solicited under conditions of confidentiality shall be excluded from the employee's inspection but shall not be used in personnel actions subsequent to full-time employment.

G. 1. An employee shall have the right to respond to any document in his or her personnel file. Such response shall be directed to the President of the College and shall be included in the employee's personnel file, attached to the appropriate document.

2. A representative of the UNION may, with the employee's written authorization, accompany said employee while he or she reviews his or her file.

H. Except as indicated in paragraphs E. and G.2. above, access to personnel files shall be limited to those individuals directly involved in the administration, analysis or evaluation of professional personnel.

I. Each personnel file shall contain a table of contents, arranged in chronological order, beginning with all entries made on or after February 22, 1974.

J. Materials may be removed from an employee's personnel file upon mutual agreement of the employee and the President of the College or his or her designee.

ARTICLE XXIX

SAFE CONDITIONS

Whenever an employee observes a condition which he or she feels represents a violation of safety or health rules and regulations or which is an unreasonable hazard to persons or property, the employee shall report such observation which will be promptly investigated.

Where a hazard exists which endangers the employee, he or she shall not be required to work where that condition exists.

ARTICLE XXX

LOCAL RESOLUTION OF ISSUES

Issues, which have, in this Agreement, been reserved for resolution between the Local UNION and an individual College, shall, when resolved, be in the form of a memorandum of agreement which shall then become the policy of the College.

ARTICLE XXXI

AVAILABILITY OF AGREEMENT

Immediately after the signing of this Agreement by both parties, the STATE will reproduce the Agreement in sufficient quantities so that each employee may receive a copy, plus additional reserve copies for distribution to employees hired during the term of the Agreement. The contract cover will include the seal of the STATE and the UNION insignia.

ARTICLE XXXII

MAINTENANCE AND IMPLEMENTATION OF AGREEMENT

A. This Agreement incorporates the entire understanding of the parties on all matters which were the subject of negotiations. During the term of this Agreement neither party shall be required to negotiate with respect to any such matter except that proposed new rules or modification of existing rules governing working conditions shall be presented to the UNION and negotiated upon the request of the UNION as may be required pursuant to the New Jersey Public Employer-Employee Relations Act, as amended.

B. 1. It is understood and agreed that any provisions of this Agreement which require amendment to existing law or the appropriation of funds for their implementation shall take effect only after the necessary legislative action.

2. Whenever legislation is necessary to implement this Agreement, the STATE and/or Department shall assume responsibility for seeking the introduction of such legislation.

C. Any previously adopted policy, practice, rule or regulation of the STATE, Board of Higher Education, or College Board of Trustees, pertaining to wages, hours, and conditions of employment, which is in conflict with any provision of this Agreement, shall be considered to be modified consistent with the terms of this Agreement.

ARTICLE XXXIII

SAVINGS CLAUSE

If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, or has the effect of making the STATE ineligible for Federal funds, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect. In the event of the above circumstances, then either party shall have the right immediately to reopen negotiations with respect to a substitute for the affected provision.

ARTICLE XXXIV

MANAGEMENT RIGHTS

A. The STATE, the Board, the Department and the Boards of Trustees retain and reserve unto themselves all rights, powers, duties, authority and responsibilities conferred upon and vested in them by the laws and constitutions of the State of New Jersey and the United States of America.

B. All such rights, powers, authority and prerogatives of management possessed by the STATE, the Board, the Department and the Boards of Trustees are retained, subject to limitations as may be imposed by the New Jersey Public Employer-Employee Relations Act, as amended, and except as they are specifically abridged or modified by this Agreement.

C. The STATE, the Board and the Boards of Trustees retain their responsibility to promulgate and enforce rules and regulations, subject to limitations as may be imposed by the New Jersey Public Employer-Employee Relations Act, as amended, governing the conduct and activities of employees and which are not inconsistent with the express provisions of this Agreement.

ARTICLE XXXV

RETRENCHMENT, RETRAINING, AND REINSTATEMENT

A. 1. When a tenured faculty member is to be retrenched for financial reasons the College will attempt to provide the involved individual with a full academic year or two successive semesters' written notice of such action, but in no case shall such written notice be less than one hundred ninety-five (195) days.

2. When a tenured faculty member is to be retrenched for programmatic reasons exclusively, the College will provide the involved individual with a full academic year or two successive semesters' written notice of such action.

3. Employees who are to be retrenched during the term of a multi-year contract will be given one hundred eighty (180) calendar days written notice of such action.

4. In the event it becomes apparent that retrenchment notices will be issued, the College will inform the UNION of the general circumstances, and if so requested by the UNION within five (5) calendar days of being informed, the College will consult with the UNION concerning such circumstances.

5. In the event that a tenured faculty member is notified of retrenchment and feels that with additional academic training, he or she may qualify for another position at the College and the President agrees that subject to acceptable completion of such training and the availability of such other position, and after consultation with the appropriate department, similar academic unit or library, that the individual would qualify, the individual will be given priority consideration

for an available sabbatical leave under Article XXVI and/or Tuition Reimbursement under Article XXVII. The President in such circumstances may at his or her discretion waive the requirements of Article XXVI A. 1.

In addition, as an exception to the limitations of Article XXVII, the President may approve tuition reimbursement out of available funds up to a maximum of sixteen (16) credits for the involved academic year.

6. Nothing herein shall be construed as a waiver of any rights an individual employee may have under the tenure laws or other STATE or Federal laws or constitutional provisions.

B. 1. While any non-reappointment action of a College is not to be considered a retrenchment, any employee who is notified of non-reappointment with the exclusive reason being financial considerations will be given priority consideration for continuation in the job held at the time of non-reappointment, under the following circumstances:

a. The involved individual notifies the President of the College within thirty (30) days of non-reappointment, in writing, of his or her desire to be given preferential consideration.

b. The individual responds in writing to any written offer to the reinstated job within ten (10) calendar days of mailing of such written offer, agreeing to acceptance of the job. The College may not require a starting date which is less than fourteen (14) calendar days from the date of the expiration date of the College's written offer. For faculty members, if the reporting date does not coincide with the beginning of a semester, the individual shall upon request be given a reporting date coinciding with the start of such next semester if the term of the position includes such next semester.

c. In the event that the individual accepts the job offer and commences employment during the academic year following the individual's last previous date of employment, such individual will be treated as not having a break in service, except that any necessary adjustments in the reappointment process will be made by the College in consultation with the individual and the UNION. In the event the individual has not been employed for any part of the academic year preceding the commencement of reemployment, the individual will be treated as a new employee, except that the individual's rank and salary rate may not be lower than the individual's rank and salary rate at the time last employed.

d. The priority rights will continue for the two (2) academic years succeeding the year in which notice of non-reappointment is given.

ARTICLE XXXVI

NEGOTIATION PROCEDURES

A. New Agreement

1. The parties agree to enter into collective negotiations concerning a successor agreement to become effective on or after July 1, 1979, subject to the

provisions set forth in Article XXXVII, Duration and Termination.

2. Such collective negotiations shall commence no later than October 1, 1978, unless an alternative date is mutually agreed upon, and shall be concluded by February 1, 1979.

B. The parties agree to negotiate in good faith on all matters properly presented for negotiation.

ARTICLE XXXVII

DURATION AND TERMINATION

This Agreement shall remain in full force and effect from July 1, 1977 until June 30, 1979. The Agreement shall automatically be renewed from year to year thereafter, unless either party shall give to the other party written notice of its desire to terminate, modify or amend this Agreement. Such notice shall be given the other party in writing by registered mail no later than September 1, 1978 or September 1 of any succeeding year for which this Agreement is automatically renewed. Any notice transmitted pursuant to this provision shall be sent to the STATE addressed to "Director, Office of Employee Relations, 134 West State Street, Trenton, New Jersey" and the UNION addressed to "President, Council of New Jersey State College Locals, NJSFT-AFT/AFL-CIO, 420 Chestnut Street, Union, New Jersey".

APPENDIX I

MULTI-YEAR APPOINTMENTS FOR PROFESSIONAL STAFF

ARTICLE I: CONTRACTS FOR PROFESSIONAL STAFF (NON-FACULTY)

A. Eligibility for Multi-Year Contracts

Each member of the professional staff not holding faculty rank or concurrent academic rank who is a member of the State College bargaining unit shall be eligible for a multi-year appointment or reappointment contract in accordance with the provisions of the Chapter 163 of the Laws of 1973.

B. Length of Multi-Year Appointment or Reappointment Contract

Each initial appointment to a multi-year contract (after completion of five years of probationary service) shall be for three (3) full calendar years in length. Subsequent reappointments shall be for four (4) years, and then five (5) years. All subsequent contracts shall be for five (5) full calendar years in length. When a member of the professional staff is offered a multi-year appointment or reappointment contract, he or she shall be provided with the information described in Article XIII B of the master Agreement.

C. Multi-Year Contract Appointments and Reappointments

Each candidate for a multi-year appointment or reappointment contract shall undergo a thorough and rigorous review of his or her qualification for continued employment at the College, and such employee will be expected to present evidence of past performance and future potential such as to warrant the granting of a multi-year contract in the candidate's professional staff position.

D. Process of Evaluation

1. The entire professional performance record of a member of the professional staff shall be considered at the time such employee is being considered for a multi-year appointment or reappointment contract. The candidate may include any additional material which he/she deems appropriate.

2. Each member of the professional staff who is eligible for a multi-year appointment or reappointment contract shall prepare a written self-evaluation which shall include: a review of past performance and achievements bearing on the contemplated personnel action; a complete description of current professional responsibilities; an analysis of professional contributions and potential for continued development; and a statement of professional goals and objectives. The candidate may include any additional information which he/she deems appropriate.

3. Each member of the professional staff who is eligible for a multi-year appointment or reappointment contract may be evaluated by employees, who may be in or out of the bargaining unit, who serve in a regular and continuing functional working relationship to the candidate. Employees serving in a functional working relationship shall be those identified by the immediate supervisor of the candidate, after consultation with the candidate. The candidate's immediate supervisor shall request such identified employees to provide a written appraisal of the candidate's ability, performance, contributions, and potential. Where the candidate and the immediate supervisor, after consultation, disagree as to which employees serve in a functional working relationship to the candidate, the immediate supervisor and the candidate each will identify employees, if any, who serve in a functional relationship and the immediate supervisor will request written appraisals from all employees so identified.

4. Each College shall consult with the Local UNION as to whether the concept of "User Evaluations" shall be made a part of the multi-year contract evaluation process. If a decision is made to utilize this concept, the College shall consult with the Local UNION concerning procedures under which the concept will be implemented and the process by which a user evaluation instrument or instruments will be developed. "Users" for the purpose of this Article shall mean a clearly identifiable constituency including a sufficient number of individuals who have an ongoing and regular professional relationship with the candidate so as to provide a meaningful sample of evaluations.

"User evaluations" will not be used as a part of the evaluation process leading to the consideration of the awarding of multi-year contracts for those employees who are immediately eligible for multi-year contracts.

5. All evaluations of the candidate prepared by him or herself, by employees serving in functional working relationships and by users shall be submitted to the candidate's immediate supervisor, who shall see that the evaluation material is placed in the candidate's personnel file in accordance with the provisions of Article XXVIII of the Master Agreement. The candidate's personnel file shall be available to the supervisor and other administrative officers for use in making their recommendations.

E. Definition of Immediate Supervisor

For the purposes of this Article, the immediate supervisor shall be construed as that supervisory management-level person not included in the State College negotiating unit and who is first reached in the normal chain of command leading from the candidate.

F. Time Limit on Grievances

Grievances involving alleged violations of this Article must be filed within thirty (30) days from the date upon which such claimed violation took place or

thirty (30) days from the date on which the candidate should have reasonably known of its occurrence.

G. Review/Notification Timetable

By October 1 of each year, the President of the College, in consultation with the Local UNION, shall establish and publish the schedule of times for the initiation/completion of the basic steps in the review and evaluation of professional staff eligible for multi-year appointment or reappointment contracts. Provided, however, such schedule shall not violate any provision of the Agreement.

H. If an employee with more than ten (10) years of service as of July 1, 1977 is not to be reappointed, he or she shall receive one (1) year's notice of non-reappointment. The requirement that reappointments normally be made for periods of one (1) complete year at a time shall be waived to the extent necessary to implement this provision.

ARTICLE II: CAREER LADDER

A joint UNION-STATE committee will consider the subject of a career ladder. If the STATE and UNION agree that certain positions should be reclassified into a series of positions involving a career ladder, a joint recommendation will be made to the Department of Civil Service.

ARTICLE III: CAREER DEVELOPMENT

A. Professional staff are eligible for Career Development Assistance as outlined in Appendix II.

B. The process for consideration of members of the professional staff for career development assistance, more fully described in Appendix II, shall include as the evaluation component the process for consideration of such members for multi-year appointment contracts. In addition, in situations where a member of the professional staff is granted a multi-year appointment contract, but where the President has nevertheless identified certain career development needs or personal professional deficiencies, the President shall send a written report specifically describing them to a Professional Staff Assessment Committee (PSAC). The PSAC shall evaluate the career development needs of the staff member and make an appropriate recommendation to the Career Development Committee (CDC), described in Appendix II. Nothing herein is intended to preclude a member of the professional staff who was granted a multi-year appointment contract and who was not found deficient or who was not the subject of an evaluation to submit an application to the CDC for career development assistance.

ARTICLE IV: PRESERVATION OF RIGHTS

Nothing contained in this Appendix shall be construed to prejudice the positions of the parties with respect to the issue of the number and/or percentages of members of the professional staff who may serve on multi-year appointment contracts.

APPENDIX II

CAREER DEVELOPMENT PROGRAM FOR ALL EMPLOYEES

PREAMBLE

In accordance with N.J.S.A. 18A:60-10, there shall be implemented as follows a career development program for all members of the professional staff; one part of that procedure is to include a means of evaluation so that assistance may be extended to the individual for his/her career development and the improvement of instruction. It is further recognized by the parties that a program of genuine career development for the improvement of instruction should be positive in nature and is best achieved in an atmosphere of trust and cooperation. The career development program is not intended to constitute a replacement for or waiver of rights of any individual accruing under Title 18A of the Revised New Jersey Statutes. No personnel actions involving punitive procedures shall be based on or in any way use the results of the evaluations for the career development program. The employer shall not be prevented from following up leads developed in the career development evaluation process.

ARTICLE I: ASSESSMENT COMMITTEES

A. The primary responsibilities of the Assessment Committees (AC) shall be the assessment of career development needs and the identification of deficiencies, if any, for the purpose of facilitating their correction.

B. The Assessment Committees may be the personnel committees of each department or other appropriate academic unit which constitute the first level of consideration in the personnel process currently in force at each College. Only tenured faculty may serve on AC committees.

C. Assessments shall be based on the individual's performance primarily during the five (5) year period preceding the assessment, (NOTE: Performance, not credentials) as reflected in the following:

1. Self Assessment. A comprehensive statement which shall provide an overview of the professional activities of the affected faculty member at the beginning of the assessment process and provided to the Assessment Committee.

2. Peer Assessment. If classroom observations are utilized in the assessment process at a College, there shall be provision for advance notice of the observation, and a post-evaluation conference. The employee shall have the opportunity to respond to the report of the classroom observation.

3. Assessment of teaching effectiveness may also include student input obtained by means of a formal process. The AC shall have access to such data. All student data shall be collected in a regular and systematic fashion and in writing consistent with existing college policy and procedures.

D. Criteria for Assessment - Faculty

1. Teaching effectiveness.
2. Effectiveness of performance of other assigned duties and responsibilities.
3. Scholarly achievement.
4. Contributions to college and community.
5. Effectiveness of performance of other responsibilities.
6. Changing institutional needs do not constitute personal professional deficiencies.

E. Consultation

1. Prior to preparing its report, the Assessment Committee shall meet with the individual to discuss the assessment and to solicit from the individual such additional evidence, information and material as may be deemed relevant and necessary to the Committee's deliberations.

2. The Assessment Committee shall prepare a final report including recommendations as to whether or not the individual is deficient in any area. Such report may also include recommendations for the resources needed for the career development and/or the correction of deficiencies of the individual. The Assessment Committee shall forward such report to the President or his/her designee with a copy to the individual. Within five (5) calendar days after the issuance of the final report, the individual who is the subject of the report may present a written request to the AC to reconsider its recommendations. In the request the individual shall state the specific reasons why he or she feels that the recommendation is inappropriate. If the AC grants the individual's request for reconsideration, it will expedite the reconsideration process so as to allow for the overall completion of the assessment process in a timely fashion. The AC will advise the President of the College in writing if it grants an individual's request for reconsideration.

F. A personal professional deficiency shall be deemed to exist if, and only if, the individual's performance, taken as a whole, does not meet reasonable standards of acceptable performance.

G. The Assessment Committee shall prepare a comprehensive report on each individual assessed, which shall include:

1. A review of the individual's professional performance and role at the College, primarily during the preceding five (5) years.

2. An identification of the individual's strengths.

3. A specific and detailed identification of the individual's deficiencies, if any.

If no deficiencies exist, the report shall explicitly so state.

4. In addition, the AC may prepare a recommended plan of career development tailored to the individual's needs utilizing the resources available at the College under the Career Development Program. In the event the AC intends to prepare such a recommendation, the AC shall consult with the individual.

H. The individual may forward to the President or his or her designee a written response to the AC report. Any response shall be attached to the report.

ARTICLE II: PROFESSIONAL STAFF ASSESSMENT COMMITTEE

A. A Professional Staff Assessment Committee (PSAC) shall be established at each College. The composition of the Committee shall be determined through discussion between the College and the Local UNION.

B. The primary responsibility of the PSAC shall be the review of career development needs of members of the professional staff who have been granted multi-year appointment contracts, but who nevertheless have been determined by the President to be deficient in some respects or to have career development needs. The PSAC shall make a written recommendation to the Career Development Committee, (CDC) with a copy to the College President and to the employee, as to the specific career development needs of each member of the professional staff who has been the subject of a review.

C. In the event that a member of the professional staff has been granted a multi-year appointment contract, but has nevertheless been found by the President to be deficient in some respects or to have career development needs, the President shall send a written report specifically describing them to the PSAC, which will then undertake the review described in paragraph B above.

D. Prior to preparing its report to the Career Development Committee, the PSAC shall meet with the individual to discuss his or her career development needs and to solicit from the individual such additional evidence, information and material as may be deemed relevant and necessary to the Committee's deliberations.

E. Within five (5) days after the issuance of the recommendation to the CDC, the individual who is the subject of the recommendation may present a written request to the PSAC to reconsider its recommendation. In the request the individual shall state the specific reasons why he or she feels that the recommendation is inappropriate. If the PSAC grants the individual's request for reconsideration, it will expedite the reconsideration process so as to allow for the overall completion of the assessment process in a timely fashion. The PSAC will advise the President of the College in writing if it grants an individual's request for reconsideration.

ARTICLE III: PRESIDENTIAL/DESIGNEE REVIEW

A. Should the President/designee disagree with any aspect of the Assessment Committee's report and recommendations, he or she shall confer with the individual and the Assessment Committee. The President/designee shall then prepare a written statement setting forth the relevant areas of disagreement and the specific grounds therefor. If there are no disagreements, the President/designee shall so state. The President/designee need not respond to any recommended career development program at this point in the process.

4. No more than one (1) elected member of the CDC shall be elected from any given division, school, or other major academic/administrative subdivision of the College.

5. The Local UNION and the College administration shall agree to election procedures which shall assure equitable distribution of seats on the CDC among the divisions, schools or other major academic/administrative subdivisions of the College.

B. The CDC shall receive and consider the reports of the Assessment Committees and the statements of the President/designee concerning all employees being assessed.

C. Employees who were assessed and who were not found deficient as well as employees not undergoing assessment may submit applications to the CDC for Career Development Assistance as well. Such applications shall contain such information as the applicant deems relevant in support of the application.

D. Information

1. The CDC shall prepare recommendations concerning the Career Development Programs and Career Development Assistance to be implemented at the College, and from time to time, as needed, will make recommendations for improvements.

2. The CDC shall notify the President of modes of activity contemplated.

3. The President shall provide the CDC with estimates of the costs associated with each contemplated mode of activity and estimates of the costs for participation per individual in each mode. The estimates shall include direct costs but shall not include indirect cost such as, but not limited to, the maintenance of college facilities which may be utilized or heating, lighting or air conditioning.

E. The CDC shall, whenever necessary, consult with Assessment Committees, and individual candidates and applicants concerning their recommendations.

In addition, the CDC shall notify each candidate for assistance in writing of its recommendations concerning that candidate. Copies of all the above material shall be forwarded to the President, together with copies of all materials on which the Committee's report is based. The Local UNION shall receive a copy of the annual report and copies of all relevant materials on which the Committee report is based.

G. Each affected individual shall have the opportunity to respond in writing to the CDC's recommendations. The responses shall be forwarded to the President.

H. The Chairperson of the CDC shall be a member of the negotiating unit who is elected by the Committee. A minimum of three (3) teaching credit hours, or its equivalent, released time per semester shall be granted to the Chairperson.

I. Direct costs of conducting the activities of the CDC, including administrative and secretarial costs and the cost of released time for the Chairperson or any member of the CDC may be chargeable to the funds allocated to the career development program.

ARTICLE V: PRESIDENTIAL REVIEW

A. The President shall review the report(s) of the CDC and may accept, reject, or modify each of its recommendations.

B. In the event the President modifies or rejects any of the CDC's recommendations, the President shall set forth in writing relevant reasons specific to the indi-

vidual actions and transmit these reasons to the CDC, the affected individual and, where relevant, to the Board of Trustees.

C. Where the implementation of the President's recommendations requires Board action, the President shall present them to the Board of Trustees.

ARTICLE VI: PERSONNEL FILES

All materials generated in the career development assessment process shall be placed in the individual's personnel file.

ARTICLE VII: FAIR AND EQUITABLE APPLICATION OF PROCEDURES

The procedures for conducting the career development assessment, identifying deficiencies, and the assignment of career development resources shall be fairly and equitably applied to all employees. Violations shall be grievable under Article VII B. 1. of the Master Agreement. If an arbitrator determines that a violation has occurred, the remedy shall be to remand the matter to the appropriate level for reconsideration; however, in the alternative, where the arbitrator determines that a violation has occurred he/she may set aside the assessment and direct that the career development assessment be repeated in its entirety *de novo*. If the latter remedy is prescribed, the employee shall be considered as part of the next group coming up for assessment, and the records concerning the original assessment shall not be included in the individual's personnel file.

ARTICLE VIII: GENERAL CAREER DEVELOPMENT ASSISTANCE PROGRAM

The general Career Development Assistance Program shall include the following:

A. Tuition Reimbursement

1. When a Career Development leave is approved for the purpose of engaging in specific educational activity, tuition expenses shall be reimbursed at full cost. The limitations set forth in Article XVII of the Master Agreement shall not apply.

2. The general tuition reimbursement program set forth in Article XVII of the Master Agreement shall continue except as modified by subparagraph 1, above and except as modified below:

a. The rate of reimbursement shall be at \$60 per credit hour or the actual tuition, whichever is less.

c. The \$50,000 specific funding for the tuition reimbursement plan for fiscal years 1977-78 and 1978-79 set forth in Article XXII A. 2. (h) of the Master Agreement shall be deemed to be included in the overall specific funding figures for fiscal years 1977-78 and 1978-79 set forth in Article IX A. 1. and 2. of this Appendix. b. CD Leaves exceeding one-half ($\frac{1}{2}$) year in duration shall be at the rate of half ($\frac{1}{2}$) salary or at the rate of the employee's salary less \$6,600, whichever is greater. No employee shall receive a rate of less than \$11,000 per annum under this program.

3. The provisions of Article XXVI B, 4 through 7 of the Master Agreement shall apply to CD Leaves.

4. When computing the annual or prorated cost for replacing a faculty member who has been granted a CD Leave, it shall be presumed that one-half ($\frac{1}{2}$) the faculty member's full teaching obligation will be fulfilled through the use of overload assignments and one-half ($\frac{1}{2}$) through the use of a full-time faculty member being compensated at Step One of the Assistant Professor salary range. In the latter case, the per-teaching credit cost shall be computed by dividing the annual salary rate by 24.

I. Funds for professional development may be available from the Federal Government or from various private foundations. The CDC may make recommendations to the President as to how the College may seek out such programs and create proposals for submission to the appropriate agency(ies).

ARTICLE IX

A. Specific Funding

The STATE, through the budgets of the State Colleges, will provide a total of \$125,000 for the specific purpose of beginning implementation of the Career Development Program outlined in this Appendix.

2. Fiscal Year 1978-79

Subject to specific appropriation of funds by the Legislature for such purpose, the STATE, through the Department of Higher Education, will provide a total of \$390,000 for the continued implementation and effectuation of the Career Development Program outlined in this Appendix.

3. The moneys set forth in subparagraphs 1 and 2 above will be apportioned among the Colleges according to the number of members of the bargaining unit at each College as of the close of the preceding fiscal year.

B. Supplemental Funding

Nothing in this Appendix shall be construed as preventing a College from supplementing the specific funds available under subparagraphs A.1 and 2, where in the judgment of the College such supplementation would be appropriate, nor shall anything in this Appendix be construed as prohibiting any College from exercising its managerial or academic judgment in regard to the utilization of moneys or other resources not specifically committed to the funding or support of the Career Development Program outlined in this Appendix.

ARTICLE X: IMPLEMENTATION

A. 1. This Appendix shall apply generally to tenured faculty members and tenured librarians and, where applicable, non-teaching professionals who have been granted multi-year appointment contracts.

Employees who have not received reappointment conferring tenure or a multi-year contract may apply to the CDC for career development assistance provided that they have received reappointment for the year following their application and provided that they are only eligible for assistance which is compatible with the limited nature of their reappointments.

B. Beginning with the academic year 1977-78, and each succeeding year thereafter, one-fifth (1/5) of the tenured faculty of each College shall be reviewed by the process described herein, beginning with the most senior fifth in the first year and continuing in order of seniority for each succeeding year. The process shall be repeated beginning in the sixth year of the program (1982-83). No individual shall undergo review who has been on tenure for less than five (5) years,

nor shall any person undergo review more than once in each succeeding five (5) year period, except as a part of a follow up as to correction of deficiencies or to determine the effectiveness of the Career Development Program, provided that no individual shall undergo more than one follow-up review as to correction of deficiencies in each five (5) year period.

C. Upon written notice of ratification from the UNION, this Agreement will become Appendices I and II of the Master Agreement between the STATE and the UNION.

The committee shall report its recommendation to the President. LETTER OF AGREEMENT IV

The parties support the concept of permitting employees to take advantage of the full extent of the Federal Tax Shelter Annuity Program.
