- B. The parties and their representatives shall be clothed with all necessary power and authority to conduct negotiations so as to effect a final agreement as established in paragraph A of this ARTICLE.
- C. It is understood that both the Board and the Association must approve the final agreement between the parties before that agreement becomes final and binding upon the respective parties.
- D. This agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

## ARTICLE III - GRIEVANCE PROCEDURE

### A. DEFINITION

A grievance shall mean that employees or a representative of employees may appeal the interpretation, application, or alleged violation of this Agreement, and administrative decisions affecting them. A grievance to be considered under this procedure must be initiated in writing, within fifteen (15) school days from the time when employees knew or should have known of its occurrence.

### B. PROCEDURE

The Grievance Procedure shall consist of five (5) Levels.

#### 1. Level One

The employee with a grievance shall first discuss it with his immediate supervisor, with the objective of solving the matter informally.

#### 2. Level Two

If, within seven (7) school days thereafter, a problem remains unresolved, the grievant shall set forth his/her grievance in writing to his/her immediate supervisor stating:

- a. The date of the occurrence that caused the grievance.
- b. The nature of the grievance and specific request for relief.

The supervisor shall communicate his/her decision to the grievant in writing, with copies to the Association, within seven (7) school days of the receipt of the written complaint.

3. Level Three

The grievant may appeal the immediate supervisor's decision to the Business Administrator. The appeal to the Business Administrator must be made in writing and must set forth the grounds upon which the grievance is based. It should also contain copies of all material relating to the previous actions taken on it. The Business Administrator, in consultation with the Superintendent of Schools, shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days. The Business Administrator shall communicate his decision in writing to the grievant with a copy to the Association.

4. Level Four

If the grievance is not resolved to the grievant's satisfaction, he/she may within fifteen (15) school days request a review by the Board. The request shall be submitted in writing through the Business Administrator who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall review the grievance, hold a hearing with the grievant, and render a decision in writing to the grievant, with copies to the Association within fifteen (15) school days.

5. Level Five

If the grievant is not satisfied with the disposition of his/her grievance at Level Four within five (5) days of the response in Level Four, the following procedure shall be used to secure the services of an arbitrator:

- a. A joint request shall be made to the Public Employment Relations Commission to submit a roster of persons qualified to function as an arbitrator in the dispute in question not later than ten (10) school days after the decision by the Board.
- b. If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request the Public Employment Relations Commission to submit a second roster of names not later than ten (10) days from the receipt of the first list.
- c. If the parties are unable to determine a mutually satisfactory arbitrator from the second list submitted, the Public Employment Relations Commission may be requested by either party to designate an arbitrator.
- d. In deciding grievances, the arbitrator shall be without power or authority to make any decisions contrary to, or inconsistent with, or modifying or varying in any way, to the terms of this Agreement or of applicable law or rules or regulations having the force and effect of law.
- e. The arbitrator shall confer with the representatives of the Board and of the Association and shall proceed with a hearing and submit a written report within thirty (30) days of the close of the record setting forth his findings of fact, reasoning and conclusions on the issue submitted.
- f. The costs of the services for the arbitrator, including per diem expenses and actual and necessary travel, subsistence expenses

and the cost of the hearing room, shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.

- g. If time is lost by the grievant due to arbitration proceedings necessitating the retention of a substitute, the Board of Education will pay only the cost of the substitute and the time lost by the grievant must either be without pay or charged to personal time if the grievance is denied. If the grievance is sustained, the grievant shall not suffer loss in pay. If the arbitrator subpoenas an employee to attend the arbitration proceedings as a witness, this employee shall not suffer loss in pay. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step, within the same time limit prescribed for a decision, shall be deemed to be acceptance of the decision rendered at that step.

- C. In all matters relating to the handling of grievances, employees shall be assured freedom from reprisal, restraint, interference, coercion, and discrimination during and after the presentation of the matter. During the time that the grievance is being reviewed by the appropriate parties, it is understood that the employees, including the grievant, will continue to follow the established administrative rules and regulations, and Board Policies

regarding the subject matter of the grievance, until such grievance is properly determined.

- D. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Administration, and having the grievance adjusted without intervention of the Association, providing the adjustment is not inconsistent with the terms of this Agreement and that the Association has been given the opportunity to be present at such adjustment.
- E. Any employee may be represented at all stages of the grievance procedure by him or herself, a person of his choosing, or by the Association's representative. When an employee is not represented by the Association, the Association shall have the right to be present at all stages of the grievance procedure and may state its view.
- F. In the case of a grievance affecting a group or class of employees, the person or persons involved may submit such a grievance to their immediate supervisor and follow the procedures starting with Level One. The Association may process such a class or group grievance through all subsequent levels of the Grievance Procedure.
- G. Meetings and hearings under this procedure shall not be conducted in public unless a public meeting is requested by the grievant.
- H. It is the responsibility of personnel covered in Article I to carry out administrative directions and regulations required by Board Policy subject to the understanding that the Grievance Procedure shall be available under the
