## **ARTICLE VI GRIEVANCE PROCEDURE**

### Section 1: Purpose

A. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may arise affecting the terms and conditions of employment. The parties agree that this procedure will be kept as informal as may be appropriate.

B. Nothing herein contained shall be construed as limiting the right of any employee to discuss a matter informally with his/her supervisor. If such a discussion involves a matter covered by the definition of a grievance in Section 2, the Association shall be advised of the adjustment of the issue.

C. This constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement.

### Section 2: Definitions

A. The term "grievance" shall mean an allegation that there has been:

(1) A misinterpretation or misapplication of the terms of this Agreement which is subject to the grievance procedure outlined herein and shall hereinafter be referred to as a "contractual grievance."

(2) Inequitable, improper, unjust application or misinterpretation of rules and regulations, existing policy, or orders applicable to the Sheriff, which shall be processed up to and including the Sheriff, and shall hereinafter be referred to as a "non-contractual grievance."

(3) The term grievance and the grievance procedure set forth herein shall not apply in the following instances:

(a) To matters which involve the interpretation of application of a Civil Service Rule or Regulation of N.J.S.A. 11A:1-1 et seq. The Civil Service Law, and in which a method of review is prescribed by law, rule or regulation; (b) To matters where the Sheriff is legally unable to act.

B. The term "employee" or "grievant" as used in this Article shall also mean a group of employees with a grievance, or the Association.

### Section 3: Presentation of a Grievance:

The Sheriff agrees that in the presentation of a grievance there shall be no loss of pay for the actual time spent in presenting the grievance as outlined in Steps 1, 2 and 3 by the grievant, and Association Representative.

#### Section 4: Grievance Procedure:

##### STEP ONE

The grievant and his Association Representative shall present the employee's written grievance or dispute within ten (10) working days of its occurrence to the Division Commander. Failure to act within said ten (10) days shall be deemed to constitute an abandonment of the grievance. The Division Commander shall render a decision within ten (10) working days of the hearing.

Step 1 may be waived by mutual agreement between the parties.

##### STEP TWO

A) If the grievance is not settled through Step 1, the same shall be presented in writing by the employee and the employee's Association Representative, to the Sheriff's designee within ten (10) working days of the written response from Step 1. The Sheriff's designee shall review the decision of the Division Commander together with the disputed areas submitted by the grievant. The grievant and/or Association Representative may request an appearance before the Sheriff. The Sheriff's designee will render his decision within ten (10) working days after the matter has been reviewed.

B) The grievant may be represented by an Association Representative. A minority organization shall not present or process grievances.

##### STEP THREE

A) Any unresolved contractual grievance, except matters within the exclusive province of Civil Service may be appealed to arbitration (only by the Association). The Association must file the request for Arbitration within thirty (30) working days after the receipt of the Step 2 decision.

B) Nothing in this agreement shall be construed as compelling the Association to submit a grievance to arbitration or to represent an employee before Civil Service. The Association's decision to request the movement of a grievance to arbitration or to terminate the grievance prior to submission to arbitration shall be final as to the interests of the grievant and the Association.

C) Where the grievance involved an alleged violation of individual rights specified in Civil Service Law and Rules for which a specific appeal to Civil Service is available, the individual must present her complaint to Civil Service directly.

D) The arbitrator shall be selected on a case-by-case basis from the panel of arbitrators maintained by the Public Employment Relations Commission.

E) The arbitrator shall hear the matter on the evidence and within the meaning of this agreement and/or such rules and regulations as may be in effect by the Civil Service Commission. The arbitrator shall have the full power to hear the grievance and make a decision, which decision shall neither modify, add to, nor subtract from the terms of the agreement and the referenced policies. The decision shall be rendered within thirty (30) days of the hearing.

F) The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement and shall confine his/her decision solely to the interpretation and application of this Agreement. He/she shall confine him/herself to the precise issue submitted for

arbitration and shall have no authority to determine any other issues not so submitted to him/her, nor shall he/she submit observations or declaration of opinions which are not essential in reaching the determination.

The language above is intended to be read in a manner consistent with N.J.S.A. 34:13A-7 and N.J.A.C. 19:12-5.1 et seq.

G) The cost of the Arbitrator and his/her expenses shall be borne equally by both parties. Any other expenses incurred in connection with the arbitration shall be paid by the party incurring same.

H) The cost of the transcript, if any, will be borne by the party requesting it. If both parties request a transcript, the cost will be shared equally.

I) The arbitrator may prescribe an appropriate back pay remedy when he/she finds a violation of this Agreement, provided such a remedy is permitted by law, and is consistent with the terms of this agreement, except that he/she may not make an award which exceeds the Sheriff's authority. The arbitrator shall have no authority to prescribe a monetary award as a penalty for a violation of this Agreement.

J) The decision or award of the Arbitrator shall be final and binding on the Sheriff, the Association, and the grievant or grievants to the extent permitted by and in accordance with applicable law and this agreement. Disciplinary disputes shall be the subject to the Grievance Procedure herein set forth to the extent indicated above.

K) Either party shall have the right to seek judicial review of the matter as prescribed by New Jersey Statutes.

L) There shall be no loss of pay for employee for time spent either as a grievant, witness, or Association Representative, in any step of the Grievance Procedure.

M) Employee Grievance shall be presented on prepared forms. The Grievance Procedure as defined herein, shall be strictly adhered to. Time limits may be waived only by mutual consent of the parties. It is understood that employees must sign their individual grievances; the foregoing is not intended to prohibit the Association from filing grievances on behalf of the employees.

N) Grievance resolutions or decisions at Step 1 through Step 3 shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made by the authorized representative of both parties. This is not to be construed as limiting the right of either party or introduce relevant evidence, including such grievance resolution, as to the prior conduct of the other party.

O) One (1) Association member, designated by the Association, shall be allowed a maximum of one (1) hour during working hours to investigate each grievance.

P) The Sheriff shall make available to the Association all necessary and pertinent information regarding grievances except information which is privileged under law including but not limited to patient medical records.

**ARTICLE VII**  
**COMMITMENT TO INSURE UNINTERRUPTED COUNTY OPERATIONS**

Section 1:

The Association acknowledges that the need for continued and uninterrupted operation of the County's departments and agencies is of paramount importance to the citizens of Morris County and that there should not be interference with such operation.

Section 2:

In light of the foregoing and the fact that adequate procedures exist for the peaceful and orderly resolution of grievances arising under this Agreement, the Association covenants and agrees that during the terms of this Agreement neither it, nor any person acting in its behalf will cause, authorize, or support, nor will any of its members take part in any strike (including the concerted failure of four (4) or more employees to report for duty), mass resignation, mass absenteeism, work stoppage, slowdown, walkout, or other job action or the invocation of sanctions against the County. The Association agrees that such action would constitute a material breach of this Agreement.

**ARTICLE VIII  
VACATIONS**

Section 1:

In recognition of N.J.S.A. 11A:1-1, employees shall be granted vacation leave pursuant to the following schedule, based on length of service:

<u>Length of Service</u>	<u>Vacation Leave</u>
Less than 1 Year worked during first year of employment.....	1 day for each month
From 1st Anniversary to 6th Anniversary.....	12 days
From 6th Anniversary to 12th Anniversary .....	15 days
From 12th Anniversary to 18th Anniversary .....	18 days
From 18th Anniversary to 24th Anniversary .....	21 days
After 24th Anniversary.....	25 days

Section 2:

The vacation period for employees shall begin January 1st of each year and continue in effect until December 31st of such year. Annual leave shall be taken, subject to the needs of service, during the current vacation period.

Section 3:

Accumulation of Vacation Days – Any vacation or portion thereof which is not taken or granted because of the pressure of work may be taken during the next calendar year.

No employee shall have an accumulation on December 31<sup>st</sup> of any given year which exceeds the hours entitled to during the previous 18 months of employment. There will be no exceptions or extensions granted to this policy.

Section 4:

Annual vacation shall be granted only with prior approval of the supervisor who may require six (6) weeks prior notice of extended vacation, and is authorized to plan vacations so as to not interfere with responsibility of orderly work. In scheduling vacations management will consider seniority of employees involved and the orderly flow of work within the work unit.

Section 5:

An employee who during the calendar year returns from a continuous period of absence or more than six (6) months due to disability, leave of absence, or layoff, shall not be eligible to

vacation in that year until the employee has completed six (6) months in the performance of duty after returning from such absence. These six (6) months in the performance of duty need not be continuous, but periods of absence of eight (8) days or more shall not be credited in computing the required six (6) months. This section shall not deprive an employee of any justly earned vacation time or compensation thereof.

Section 6:

Upon termination of employment, an employee will be credited with annual vacation for only those months of the calendar year worked on a prorated basis of the existing vacation schedule. Vacation will be calculated for terminated employees based on his vacation entitlement in accordance with length of service. An employee who has, pro rata, used more annual vacation than entitled to at the time of termination, shall have an amount equal to his daily rate of pay deducted from his final pay, for each day of annual vacation taken in excess of the number to which he was entitled. Vacation shall be prorated in accordance with the schedule above.

Section 7:

In the event that an employee is on vacation and becomes ill and is under a doctor's care or is hospitalized, his vacation shall be terminated and he shall be put on sick leave, if same is available, at the employee's option, provided the employee promptly notifies the Sheriff, or his Designee.

In addition, at the discretion of the Sheriff, employees may be granted any other days declared to be holidays by proclamation of the President or the Governor.

The County, at its sole discretion and upon appropriate notice to the Union, may convert the observance of Lincoln's Birthday and Election Day (paid holidays enumerated in this section) into "floating holidays" for the current year. Upon six months prior notice, the County may elect to exchange any single floating holiday for another day in the same calendar year which shall be recognized as a holiday, as defined by the terms of this Article.

### Section 2:

To be eligible for a paid holiday, an employee must have worked the last scheduled day before and after the holiday, unless on authorized leave.

### Section 3:

If an employee is required to work on any of the holidays designated under Section 1 of this article, he/she shall be paid at the rate of time and one half (1½) their regular hourly rate for all hours worked on such day in addition to the eight (8) hours regular straight pay for such holidays. Employees who do not work on any of the holidays enumerated in Section 1 shall receive holiday pay computed at their regular scheduled straight-time hourly rate for the number of hours for which they are normally and regularly scheduled to work immediately prior to the holiday, up to a maximum of eight (8) hours.

Section 9:

Holiday compensation for hours worked on each of the following holidays will be paid for hours worked on the dates specified below and not for hours worked on the days that such holidays may be observed by the Sheriff's Office:

New Year's Day	January 1
Independence Day	July 4
Christmas Day	December 25

Holiday compensation for all other holidays enumerated under Section 1 above will be paid only for hours worked on the day the holiday is observed by the Sheriff's Office.

## **ARTICLE X SICK LEAVE**

### Section 1:

Sick leave is hereby defined to mean absence from post of duty of an employee because of illness, accident, exposure to contagious disease or attendance upon a member of the employee's immediate family seriously ill requiring the care or attendance of such employee. Immediate family means father, mother, spouse, child, foster child, sister, or brother of the employee. It includes relatives of the employee residing in the employee's household.

### Section 2:

Each employee shall be entitled to sick leave credits at the rate of one (1) day per month from the date of employment to the end of the calendar year of hire. If separation from employment occurs before end of said year, and the employee has used more sick leave than appropriate on pro rata basis, he shall have an amount equal to his daily rate of pay deducted from his final pay, for each day of sick leave taken in excess of the number to which he was entitled. Each employee will be credited with fifteen (15) days of sick leave annually for each succeeding calendar year of full time employment, which is accumulative. Sick leave cannot be used as terminal leave. There shall be no accumulated time under any circumstances for sick leave when leaving the employ of the Sheriff except and only as provided in Section 5 of this Article.

If, upon termination after a year's service, an employee has used more sick leave than that to which he is entitled, he shall have deducted from his final pay an amount equal to his daily rate of pay for each day of sick leave taken in excess of the number of sick leave days to which he is entitled.

### Section 3:

Notice of absence is required as follows: **Illness:** Each employee is required to notify his supervisor by one-half hour before starting time on each day of absence, provided, however, that shift personnel are required to so notify two (2) hours before starting time. In the event that an employee from the Bureau of Law Enforcement is unable to reach his supervisor or designee, the sick line should be called. Employees from the Bureau of Corrections should call the Control Center. It is recognized that there may be instances when it is impractical or impossible to give daily notice as in the case when an employee is hospitalized or seriously disabled, in which case it shall be sufficient that the employee or member of the employee's family notify the supervisor or the Personnel Office giving reason for absence and information as to the degree of illness or disability and the amount of time required for recuperation. Absent such instances, the daily requirement of notice shall be enforced. Failure to give notification as required will result in loss of sick leave for that day and may constitute cause for disciplinary action. Failure to report absences from duty for five (5) consecutive business days shall constitute a resignation pursuant to New Jersey Department of Personnel (Civil Service) Rules and Regulations.

### Section 4:

A certificate from a reputable physician in attendance shall be required as sufficient proof of need of leave of absence or the need of the employee's attendance upon a member of the

employee's immediate family. Where an employee is absent from duty due to illness less than five (5) days at one time, the Sheriff may not require production of the physician's certificate to his supervisor to justify payment of sick leave.

An accumulation of ten (10) sick occurrences, where an occurrence is recognized as one (1) eight (8) hour day or more and the occurrences having been at various times during a calendar year (January through December), may be approved without a physician's certificate. All sick occurrences in excess of ten (10) days must be accounted for with a physician's certificate if the time is to be approved with pay. An employee may request the Chief Sheriff's Officer or Warden (as applicable) to review a sick occurrence requiring a physician's certificate. This request must be made in writing prior to the submission of the payroll in which the "sick occurrence" occurred. A copy of this request must also be given to the employee's supervisor. At the discretion of the Chief Sheriff's Officer or Warden (as applicable), sick leave in excess of the ten (10) occurrences may not require a physician's certificate, depending on the submission of physician's certificates submitted for prior occurrences and the employee's use of past sick leave.

This provision shall not in any way diminish the ability of the Sheriff to discipline employees for abuse of sick leave either under the terms of this contract, under any law, rule, regulation, policy, order or any other administrative provision promulgated by the Sheriff.

This provision applies only to the production of a physician's certificate and does not apply to any other sick leave requirements.

In the instance of absence due to contagious disease, a certificate from the Department of Health shall be required.

#### Section 5:

Any employee who retired on or after January 1, 2006 shall be reimbursed for accumulated sick time based on the schedule below:

Thirty (30) percent of the value of the sick time at the time of retirement to a maximum of Ten Thousand (\$10,000.00) Dollars.

Eligibility for retirement shall be determined based upon receipt of State Pension benefits or Social Security retirement benefits.

#### Section 6:

In case of death of any employee with fifteen (15) years continuous service during the course of employment in the Morris County Sheriff's Office, his spouse or designated heirs will receive, in addition to present allowances, compensation for accrued sick time; the same as if that individual had retired from the office. This modification only applies to the death of an employee while he is in employ of the Sheriff and does not apply to leaving or termination of employment for any other reasons other than retirement.

The total cost of the premium charged for the dependent coverage shall be paid by the employee. The employees' contribution shall be deducted in equal periodic amounts from their paychecks.

The Employer shall evaluate each bargaining unit member in accordance with the "Performance Appraisal Form" utilized by the Office of the Sheriff. Every evaluation shall be conducted by the employee's immediate supervisor and reviewed by the applicable division head. Final approval shall be made by the Division Head. The employee will be given the opportunity to comment upon the evaluation.

The performance appraisal forms shall be issued and the evaluation process shall begin upon execution of this agreement. It is the purpose of the Employer to evaluate all employees at least once per year. The purpose of the evaluation is to train and evaluate personnel so they can deliver work performance at the highest possible professional level.

A. Notwithstanding the employee performance evaluation procedures set forth herein, all employees shall be formally evaluated at least once per year. It is recommended that the employee's immediate supervisor sit with the employee six (6) months prior to the date of evaluation to assess the employee's performance.

B. The Employer reserves the right to discipline personnel in accordance with State law. Withholding of step movement shall not be done for disciplinary reasons and shall not be considered disciplinary action under the terms of this Agreement.

C. All personnel assigned the responsibility of evaluating other employees shall be required to make monthly notations of performance. The purpose of this monthly notation is to provide periodic counseling of employees by their evaluators and to ensure that the year-end evaluation has a continuous factual record. These notations may be reviewed by the employee.

D. It shall be the responsibility of the employee's immediate supervisor to submit a written job performance evaluation on an approved Performance Appraisal form utilized by the Office of the Sheriff, to the appropriate division head at least twenty (20) working days prior to the date scheduled for step movement. It shall be the responsibility of the supervisor to conduct the employee job performance evaluation. The job performance evaluation shall include a statement by the supervisor indicating whether or not the employee has performed in a satisfactory or unsatisfactory capacity. In the event of an unsatisfactory performance rating or lower, it shall be the responsibility of the supervisor to notify the division head of his/her determination.

E. Upon the completion of an unsatisfactory employee job performance evaluation, the employee's supervisor shall submit his/her findings to the division head. Upon review by the department head, and finding the submitted evaluation of the employee to be unsatisfactory, remedial action shall be implemented.

F. An employee receiving a satisfactory initial job performance evaluation at the conclusion of the anniversary period shall be subsequently evaluated on an annual basis prior to his/her anniversary date. The evaluation shall be administered by the supervisor at least twenty (20) working days prior to the anniversary date.

### Section 3: Step Movement

It is established herein that in no event shall employees advance on the salary progression schedule following the expiration date of this labor agreement. There shall be no step increases or salary adjustments of any kind whatsoever pursuant to the salary progression schedule after December 31, 2008 unless the parties agree to extend the provisions of this Article. These provisions shall terminate on December 31, 2008.

Employees promoted to a higher position title shall be eligible for advancement on the salary progression schedule to the next applicable step, provided the employee has at least one year service with the County as of July 1, however all employees shall be subject to the following procedures in order to be paid a step increase:

A. The Employer reserves the sole right to establish each new hire's salary at any level between the minimum and maximum salaries within the range for that employee's job category.

B. Step increases shall be granted only to employees who qualify for step increases by virtue of their requisite one-year in service in step and whose performance is satisfactory as determined in accordance with the Performance Appraisal form utilized by the Office of the Sheriff. An employee who is scheduled for step increase on the next succeeding July 1 step progression date will be notified in his/her January evaluation by the Division Head if there are any performance deficiencies that could lead the Division Head to recommend that the employee not be advanced to the next step on the range.

C. In accordance with the performance evaluation process, if, in the determination of the Division Head, an employee's performance is unsatisfactory, the employee shall be advised in writing in the January evaluation of his/her performance deficiencies and will be provided with written recommendations as to how the employee may improve his or her performance. Upon receipt of such performance deficiencies, the employee shall be re-evaluated in the next succeeding April following the January evaluation. If the employee's performance subsequently improves and the employee receives a satisfactory evaluation in April he/she will receive the scheduled step increase at the next succeeding July salary progression date.

D. An employee who receives an unsatisfactory evaluation in his/her April evaluation (either because of failure to improve performance deficiencies noted in his/her January evaluation, or because of performance deficiencies that have developed since his/her January evaluation), will not receive any scheduled step increase as provided on the salary progression schedule.

E. An employee who is not eligible to advance on the step progression schedule because of performance deficiencies may file a grievance concerning his/her own evaluation provided that any such grievance shall terminate at Step 2 (Sheriff's decision) and shall not be subject to arbitration. If an employee remains "frozen", however, in a step range after one (1) year because of a second unsatisfactory evaluation in the subsequent evaluation in January, he/she may file a second grievance concerning this subsequent evaluation and that grievance will be subject to grievance arbitration. The standard to be applied by the arbitrator in rendering a decision concerning the employee's grievance concerning his/her evaluation shall require that the burden be upon the employee to prove that the Employer's evaluation was arbitrary and capricious. If the arbitrator sustains the grievance, the employee may be awarded a retroactive step increase back to July 1 of the preceding year in which the scheduled step increase was denied.

F. The Employer and union agree to establish a joint advisory Labor Management Committee to oversee the evaluation process. This Committee shall meet only on non-working time. It shall remain, however, the sole and exclusive authority of the Employer to evaluate its employees.

In order to be eligible for advancement on the salary progression schedules to the next applicable step, an employee must serve a minimum of one (1) year in his/her current step; provided however, that an employee promoted to a higher position title shall be eligible for advancement to the next applicable step if the employee has at least one year service with the Employer as of July 1.

G. Promotions - Employees promoted to a higher position title shall receive no less than one (1) salary increment in the old range upon promotion. Employees promoted who are off the salary guide shall receive a five percent (5%) increase.
