NOW, THEREFORE, in consideration of the foregoing recitals and the hereinafter set forth terms and provisions and covenants, the Board and the Association agree, promise and covenant to and with each other as follows:

## ARTICLE 1 - MUTUAL RECOGNITION

#### 2. Work Week

The normal workweek shall consist of five (5) days of eight (8) working hours per day.

#### 3. Lunch Period (Custodian)

Custodians shall have a one-half (1/2) hour paid lunch period during the normal work day; provided, however, that custodians shall not leave the premises during said lunch period.

#### 4. Lunch Period (Other)

Custodians not holding the Utility Position and working Saturday shall continue to receive additional stipend if employed before July 1, 1992. All custodians employed after July 1, 1992 may be assigned a work week that includes Saturday as a regular workday without additional compensation.

#### 2. Double Time

Two (2) times an Employee's regular straight time hourly rate of pay shall be paid for all hours worked on Sunday.

3. Guarantee of Overtime Work

An Employee who works Saturday or Sunday shall be guaranteed three (3) hours work.

4. Time Clock Recordings

All overtime pay and/or deductions from pay (resulting from lateness) shall be based upon time clock recordation which shall be calculated on the basis of the following:

a. Hourly Rates

Hourly rates shall be determined by dividing an Employee's annual salary by 2080 for twelve (12) month Employees or by 1760 for ten (10) month Employees.

b. Time Segments Each Hour

C. OVERTIME – STATE OF EMERGENCY

The Board of Education recognizes that the building services employees are required to work when the Governor of the State declares a state of emergency and orders the schools to be closed. Under these circumstances only, the Board of Education will compensate the employees with an additional one hour pay for each hour worked; thereby, cause the employee to receive double time pay for that day worked.

D. At such times as no Employee in a particular school has volunteered to work overtime, Employees in that particular school may be required to work overtime on a rotating alphabetical basis. The Board shall, no more frequently than once per month, make available to the Association a written list of Employees and rotation schedule.

E. It is understood that there shall be no pyramiding of overtime rate (that is, overtime shall not be required on overtime or any premium rate).

F. The provisions of this Article and of this Agreement shall not be construed as a guarantee of hours of work per day, per week, or of days of work per week. No provision of this contract shall be deemed to be a guarantee of employment.

G. CALL BACK PAY

An Employee who has worked eight (8) hours during a scheduled work day and has left and is required to return for any assignment shall be guaranteed at least two (2) hours work and shall be paid at time and one-half (1-1/2) his/her regular straight time calculated rate of pay for all overtime worked, and, that if an Employee who has worked eight (8) hours during a scheduled work day and has left and is required to return for snow removal work, said Employee shall be guaranteed at least two (2) hours work and shall be paid at time and one-half (1-1/2) his/her regular straight time calculated rate of pay for all such overtime worked. Any Employee who has not worked eight (8) hours during a scheduled work day and has left and is required to return for an assignment shall be guaranteed at least two (2) hours work and shall be paid at his regular straight time calculated rate of pay until he/her has worked eight (8) hours in that work day and shall receive time and one-half (1 1/2) his/her regular straight time calculated rate of pay for all hours thereafter worked during that work day. An Employee who is required to commence work prior to the normal starting time for his/her assigned shift shall not be entitled to the benefits of the foregoing "call back" pay provisions; provided, however, that if any Employee is required, for snow removal purposes, to commence prior to the normal starting time for his/her assigned shift, such Employee shall be guaranteed at least two (2) hours of pay therefore. For all snow removal work which takes place prior to the Employee's normal starting time for his/her assigned shift, he/she shall be paid at time and one-half (1-1/2) his/her regular straight time calculated rate of pay.

H. If there is no volunteer of suitable ability, the Board shall have the right to assign an Employee to any shift for which the Board determines the Employee's services are necessary; provided, however, that, except in exceptional circumstances, the Board will assign the Employee with the least seniority, and will notify the Association Representative of the basis for making such change prior to making any change. The Board shall have the right to establish, change, modify and discontinue such shifts as it determines necessary, and shall have the right to establish and change shift hours.

I. Any Maintenance Employee who works overtime in a custodial capacity shall be paid one and one-half (1 ½) times the hourly rate for the employee's present step on the salary guide, applying said appropriate step to the day custodian's guide.

- B. An involuntary transfer or reassignment shall be made only after a meeting between the staff person involved and the immediate superior, at which time the staff person shall be notified of the reason therefore. In the event that a staff person objects to the transfer or reassignment at this meeting, upon request of the staff person, the Business Administrator shall meet with him/her. The staff person may, at his/her option, have an Association representative at such meeting.
- C. Regardless of any meeting which may occur relative to any involuntary transfer or reassignment, the decision of the Business Administrator, representing the Board, shall in all cases be final and binding.

## **ARTICLE 4 - SALARIES**

- A1. The salaries of all Employees covered by this Agreement shall be as set forth in Schedules "A" and "B" attached hereto. Employees who are only employed a portion of a contract year shall receive a pro rata share of the salaries set forth in Schedule "A" and "B", computed on the basis of the period worked.

4. 2021-2022 – Effective July 1, 2021, a 3 percent increase, inclusive of increment as contained in Appendix B.

A2. Night Differential

A new guide shall be established, using the guides generated in paragraph A.1 above as a base, for a night differential for present employees who volunteer for assigned or new employees hired after July 1, 1991. The second shift guide shall reflect a five (5%) percent differential and the third shift guide shall reflect a ten (10%) percent differential over the base guide for the day shift as established above.

B. Employees who are hired prior to January 1 of any year during the term of this Agreement shall be entitled to be placed on the next higher step of the appropriate salary guide on the following July 1.

C. In the event that the Board exercises its right to withhold for inefficiency or other good cause any salary increase, the Board does hereby agree to employ the following procedure:

1. The immediate superior and/or the Business Administrator shall not forward any recommendation that the Board withhold a salary increase later than April 30th of the work year proceeding the year which such action would take effect. The Employee to be so deprived shall be given written notice of such recommendation.
2. Following such recommendation, arrangements shall be made to afford such Employee a reasonable opportunity to speak in his own behalf with the Business Administrator. In order to have such an opportunity, such Employee must, within seven (7) days after receipt of the written notice sent by the Business Administrator, request in writing such a meeting with the Business Administrator.
3. If, following such meeting with the Business Administrator, such Employee desires to pursue the matter further, arrangements shall be made to afford such Employee a reasonable opportunity to speak, in his own behalf, before the Board or its designee. In order to have such an opportunity, such Employee must, within seven (7) days after the meeting with the Business Administrator, request in writing such meeting with the Board. The meeting between such Employee and the Board or its designees shall not constitute a plenary hearing.
4. The Board shall be given a reasonable opportunity, following such meeting, to deliberate. If the resultant action of the Board is to withhold a salary increase, the Board shall, within ten (10) days after such meeting, given written notice of such action, together with the reasons therefore, to the Employee concerned.
5. The Business Administrator, or his/her designee shall, whenever there comes to his attention the fact of an Employee's inefficiency or any other cause which might constitute a basis for invoking the provisions of Section C, personally confer with the Employee in question in order to effect a cessation of such inefficiency or other such cause.

6. Should the Employee be dissatisfied with the decision of the Board, he/she shall have the right to appeal to the Commissioner of Education.
  7. Fair Dismissal Procedure (Reasons) - Any employee who receives a notice of non-employment may within five (5) days thereafter, in writing, request a statement of reasons for such non-employment from the Business Administrator. A statement of reasons shall be given to the Employee in writing within five (5) days after receipt of such request.
- D. When an Employee is required to use his/her own automobile in the performance of his/her work duties, he/she shall be reimbursed for the use of said automobile at the rate established by the OMB. When possible, an Employee shall notify his/her supervisor before using his/her automobile and shall obtain permission for such use.
- E. Effective July 1, 2008, PPSACMW workers shall hold a valid Black Seal Fireman's License at the time of employment or acquire the Fireman's License within two (2) years of employment. Failure to acquire the license within the initial two (2) years of employment shall be cause for termination.

Each Employee holding a valid fireman's license shall, as of April 15th of any year, receive one lump sum payment of TWO HUNDRED FIFTY (\$250.00) DOLLARS during the succeeding July pay period. However, those employees hired on or after July 1, 2020 shall not be entitled to this longevity payment.

All custodial/maintenance Employees who shall retire and who shall have rendered fifteen (15) or more years of service to the Paramus School System shall be eligible for a retirement stipend, said stipend to be determined by multiplying the sum of \$40.00 for fifty percent (50%) of the first 100 days and \$70.00 for fifty percent (50%) over 100 days of accumulated sick leave as of the date of retirement. This benefit shall be paid within thirty (30) days of the date of retirement except at the option of the retiree; the benefit may be paid in January of the immediately ensuing calendar year.
- G2. The maximum sick leave retirement stipend for all employees shall not exceed \$6,500 per employee, except for those employees who have accumulated 200 sick days prior to July 1, 1991. These employees with 200 sick days accumulated prior to July 1, 1991, shall be able to continue to accumulate sick leave without a maximum limitation.
- G3. In the event of the death of an employee eligible for retirement, who has met the criteria above, said payment shall be made to the estate of said employee.

G4. Any member of the Association qualifying for such a retirement stipend shall be paid in accordance with the provisions of the Economic Growth and Tax Relief Reconciliation Act of 2001 (EGTRRA) amended Section 403(D)(3) of the Internal Revenue Code of 1986. The amended code permits the Paramus Board of Education to deposit the retirement stipend (unused sick leave stipend) directly to the employee's 403(b)(3) tax-sheltered annuity program in a manner that would be federally tax deferred and exempt from Social Security tax.

Upon certified retirement, the employee shall automatically receive his or her full payment in accordance with the provisions of the EGTRRA amended Section 403(b)(3).

H1. All maintenance and custodial employees hired after July 1, 1989 shall be required to obtain a valid New Jersey "Type I" school bus drivers license. The Board shall pay a stipend of \$350.00 to those selected by the Board to hold the license. The employee will pay the costs of license renewal.

H2. All new employees shall be allowed one year from date of hire to obtain a school bus drivers license. The maintenance/custodial worker may elect to have the stipend deposited in his/her 403B or 457 plan in accordance with IRS tax code/regulations.

H2. Any employee hired prior to July 1, 1989 who voluntarily attains the Type I New Jersey School Bus Drivers License shall receive the benefits in accordance with this Article and Section.

H5. The Board shall first seek volunteers, but reserves the right to require driving if no one volunteers.

H6. If a maintenance/custodial worker is required to drive a school bus, s/he shall be paid the higher of his/her present rate of pay or the bus driver's rate of pay. All driving is to be on a volunteer basis.

I. Merit Recognition

The Board of Education shall establish a procedure whereby on a district-wide basis one employee from this unit shall be selected on a quarterly basis to receive a bonus of \$50.00 for outstanding service to the school district.

**ARTICLE 5 – INSURANCE PROTECTION**

A. All Custodial/Maintenance employees working more than 28 hours per week shall be enrolled in the Horizon Direct Access Plan or an equal or better medical insurance plan.

Effective July 1, 2020, health insurance coverage shall be the School Employees' Health Benefits Plan ("SEHBP"), with Direct 15 as the base plan for all employees working more than 30 hours per week. Employees shall have the option to buy up to a higher cost plan, but shall be responsible to pay 100% of the additional premium for such coverage.

Procedures outlined in this article shall be governed by Federal, State, or Local laws. Should any part of these procedures be prohibited by applicable law or regulation, the provision(s) shall be deemed null and void and stricken from the successor agreement.

Health Insurance, Prescription Plan, and Dental benefits for Custodial/Maintenance employees shall be prorated as follows:

In the case of a Custodial/Maintenance employee who works more than 28 hours (effective July 1, 2020, working more than 30 hours per week) but less than 100 percent, health benefits shall be prorated. The employee in question shall be provided pro-rated coverage equal to the percentage of the full-time contract worked. The employee shall be responsible to reimburse the Board through payroll deductions made by the School Business Administrator the remaining portion of the premium.

Effective January 1, 2016, all employees shall be enrolled in a medical insurance plan with physician co-pays under such plan shall be \$15 for primary care and \$30 for specialists.

Provided the other District bargaining units agree to make the change, the parties agree that the Board may change the health insurance provider to the School Employees Health Benefits Plan so long as the replacement coverage is substantially equivalent to the current coverage (provided that coverage shall be equivalent to Direct 10 or better).

- B. The Board shall pay the full premium chargeable to each participating employee, for single, two adult, parent/child, or family coverage, whichever may be applicable, provided, however, that effective July 1, 2011, all participating employees shall pay via payroll deduction the insurance contribution amount required pursuant to Chapter 78, P.L. 2011. The Board, the Association, and the employee agree to cooperate to try to avoid situations in which employees who have independent coverage receive duplicate coverage under this Agreement.

Effective July 1, 2011, duplicate coverage of benefits is eliminated for all existing and future employees. Where an employee whose spouse is also employed by the Paramus Board of Education and said spouse is eligible for health insurance coverage, said employee and spouse may elect either of two options: 1) The employee and the spouse employee may each elect single coverage under the existing health plan; or 2) The employee and his/her spouse employee may elect together to have single family coverage under the existing health plan. The intent of this provision is to prevent duplicative coverage of employees and their spouses under the health plans.

- C. The Board shall provide each new Employee with such descriptive brochure as may be made available by the Board's health insurance carrier, setting forth the details concerning the health care insurance program.
- D. Upon the recall or return to work of any Employee after a layoff, leave of absence, or absence for any other reason, the Board will assume the cost and provide the aforementioned health protection, subject to the terms and provisions of the policies providing the same.

- E. All Employees shall be responsible for notifying the Board in writing of their dependent status and any change in their dependent status.
- F. PPSACMW members requesting family coverage must present a Marriage Certificate of a Certificate of Civil Union to the Superintendent's Office/Office of Human Resources/Business Office. The information necessary to initiate coverage will be recorded and coverage provided. No copy of either certificate shall be maintained in the district's files.
- G. The Board shall provide a prescription plan, dental plan, and optical plan for each employee and his/her family. The Board agrees to contribute towards the costs of these plans as follows:
  - a. The Board of Education shall provide the employees with the prescription plan which is being provided to all other full-time employees within the district with a five dollar (\$5) generic / thirty dollar (\$30) name brand / and thirty (\$30) 90-day supply mail-order generic or name brand co-pay prescription plan. The Major Medical coverage shall not provide any prescription reimbursement. The administration of the prescription plan shall be the responsibility of the Board of Education.
 

Effective January 1, 2016, The Board of Education shall provide the employees with the prescription plan which is being provided to all other full-time employees within the district with a five dollar (\$5) generic / thirty dollar (\$30) name brand / \$50 non-preferred. Mail order prescriptions will require two copays for a 90-day supply. The Major Medical coverage shall not provide any prescription reimbursement. The administration of the prescription plan shall be the responsibility of the Board of Education.
  - b. Dental coverage as provided by Delta Dental shall be provided to the employees by the Board of Education for each year of this agreement.
  - c. The Board of Education shall pay the premium for an optical plan for each employee and his/her family. (Same optical plan as is presently offered in the district).

H. Coverage After Retirement

The Board agrees to permit employees who have retired from the District under the provisions of PERS and are receiving pension payments hereunder to continue their participation in the health insurance, prescription, optical and dental program which is the subject of this article. In order for an employee to be eligible to continue participation in said health insurance, prescription, optical and dental program after said employee's retirement, said employee must have retired after ten (10) or more years of service in the Paramus School District and must, within thirty (30) days of retirement from the District submit to the Board a request in writing for participation in said health insurance program. Each retired employee who participates in said insurance program shall pay the full cost of his/her participation. Such payment to be made by semi-annual installments paid in advance.

Eligibility for participation in said health insurance program shall cease immediately upon the attainment by the retired employee of eligibility to participate in Medicare or upon said employees death.

B. PROCEDURES

1. An employee shall give five (5) days written notice, in the form prescribed by the Board, to the Business Administrator in advance of any absence covered by Section A(3) of this ARTICLE, or such shorter notice as practical in the event of an emergency. Such notice shall state only the particular category under which the leave is to be taken and the date or dates the Employee is to be absent. The Employee shall be entitled, upon giving such notice, to be absent for the reason or purpose stated therein without further action by the Business Administrator; provided, however, that no Employee shall be entitled, upon giving such notice to be absent for the reason or purpose stated therein without the prior written approval of the Business Administrator in the case of an absence covered by Section A (3) of this ARTICLE.

2. An Employee who is absent under this ARTICLE shall, however, file with the Business Administrator such additional data or evidence in support of the right to be absent as the Business Administrator or the Board may reasonably require in specific situations; and until such additional material is so filed, or if the material does not

substantiate the Employee's right to the absence under this ARTICLE, the Employee shall not be entitled to salary for the period of absence.

3. For each day's absence not provided for in this ARTICLE or not approved when so required, there shall be deducted from the Employee's salary a sum equivalent to one (1) day's pay.

C. JURY DUTY

**ARTICLE 8 – GRIEVANCE PROCEDURES**

A "grievance" is any dispute, except as hereinafter provided, between an Employee or the Association and the Board concerning the interpretation, application or violation of (i) a provision of this Agreement; or (ii) a written policy or administrative decision based on a written policy affecting the terms and conditions of employment of an Employee.
- A2. A grievance shall not be deemed to include: (a) any matter as to which a prescribed method of review is required by law or rule or regulation of the Commissioner or State Board of Education; (b) any matter as to which the Board does not have the legal authority to act; or (c) a failure or refusal of the Board to renew the employment contract of a non-tenured Employee.

B. PURPOSE

The purpose of this ARTICLE is to establish a procedure under which a grievance may be processed as rapidly as possible and equitably adjusted at the lowest level possible. Each party shall endeavor to expedite the process and to keep the proceedings as informal as the procedure at any given level will, in the judgment of such party, permit.

C. LEVELS OF PROCEDURE

1. Level One - Step One: An employee with a grievance shall, within ten (10) working days after either the occurrence of the event or acts which gave rise to the grievance or the date on which the Employee knew of or would be reasonably expected to know

of such, first orally discuss it with his immediate supervisor with the objective of resolving the matter informally. The immediate supervisor shall communicate his decision to the Employee within three (3) working days next following said oral discussion. If the immediate supervisor fails to communicate his decision within said three (3) working day period, the relief sought shall be deemed denied and the Employee may proceed to Step Two of Level One of the grievance procedure.

Level One - Step Two: If the relief sought in Step One of Level One is denied, the Employee may, within five (5) working days following the denial, file his grievance in writing with his immediate supervisor setting forth the specific nature of the grievance, the facts relating thereto and the action requested to be taken. The immediate supervisor shall communicate his decision in writing to the Employee within three (3) working days next following the filing of the written grievance. If the immediate supervisor fails to communicate his decision in writing within the time prescribed, the relief sought shall be deemed denied and the Employee may proceed to the next Level of the grievance procedure.

2. Level Two: If the Employee is not satisfied with the disposition of his grievance at Step Two of Level One, the Employee may, within five (5) working days after the decision at Level One, appeal the decision at Step Two of Level One in writing to the Director of Building and Grounds setting forth the specific nature of the grievance, the facts relating thereto, the respect in which the Employee disagrees with the decision at Step Two or Level One and the action requested to be taken by the Director of Buildings and Grounds. If the appeal is not timely filed in writing with the Director of Building and Grounds, the decision at Step Two of Level One shall be final and the matter closed. If the appeal is timely filed with the Director of Building and Grounds, then within five (5) working days after the appeal has been filed with the Director of Buildings and Grounds, the matter shall be orally discussed between the Director of Buildings and Grounds and the Employee. The Director of Buildings and Grounds shall communicate his decision in writing to the Employee within six (6) working days after the conclusion of said oral discussion. If the Director of Buildings and Grounds fails to communicate his decision in writing within the time prescribed, the appeal shall be deemed denied and the Employee may proceed to the next Level of the grievance procedure.
3. Level Three: If the Employee is not satisfied with the disposition of his grievance at Level Two, the Employee may, within five (5) working days after the decision at Level Two, request in writing that the Association file an appeal on behalf of the Employee with the Business Administrator. The Association may, within five (5) working days after receipt of said written request from the Employee, file an appeal in writing with the Business Administrator setting forth the specific nature of the grievance, the facts relating thereto, identifying the specific provision of the Agreement or written policy alleged to have been violated, the respect in which the Employee disagrees with the decision of the Director of Buildings and Grounds and the action requested to be taken by the Business Administrator. If the Association fails to timely file the written appeal with the Business Administrator, the decision at

Level Two shall be final and the matter closed. If the Association files the written appeal with the Business Administrator within the time limit provided, the matter shall be orally discussed by and between the Business Administrator, the Association and the Employee within eight (8) working days after the appeal has been filed with the Business Administrator; and the Business Administrator shall communicate his decision in writing to the Association within five (5) working days after the conclusion of said oral discussion. If the Business Administrator fails to communicate his decision in writing within the time prescribed, the appeal shall be deemed denied and the Association may proceed to the next Level of the grievance procedure.

4. Level Four: If the Employee is not satisfied with the disposition of his grievance at Level Three, the Employee may, within five (5) working days after the decision at Level Three, request in writing that the Association file an appeal on behalf of the Employee with the Board or its designee. The Association may, within five (5) working days after receipt of said written request from the Employee, file an appeal in writing with the Board or its designee, setting forth the specific nature of the grievance, the facts relating thereto, the respect in which the Employee disagrees with the decision of the Business Administrator and the action requested to be taken by the Board or its designee. If the Association fails to timely file the written appeal with the Board or its designee, the decision at Level Three shall be final and the matter closed. If the Association files the written appeal with the Board or its designee within the time limit provided, the matter shall be orally discussed by and between the Board or its designee, the Association and the employee within fifteen (15) working days after the appeal has been filed with the Board or its designee; and the Board or its designee shall communicate its decision in writing to the Association within five (5) working days after the conclusion of said oral discussion. If the Board or its designee fails to communicate its decision in writing within the time prescribed, the appeal shall be deemed denied and the Association may proceed to the next Level of the grievance procedure.
5. Level Five: If any grievance is not resolved at Level Four, the Association may, within ten (10) working days after the decision of the Board or its designee at Level Four, serve written notice on the Board or its designee, of its desire to submit the grievance to binding arbitration as hereinafter provided. If timely notice is not served upon the Board or its designee, the decision at Level Four shall be final and the matter closed.

D. ARBITRATION PROCEDURE

1. In the event that the grievance is to be submitted to arbitration the Association and the Board shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator the Association or the Board shall, within ten (10) working days after the request to submit the grievance to binding arbitration, request a list of arbitrators to be submitted by the American Arbitration Association. The Board and

the Association shall then to bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

2. The arbitrator selected shall confer with the representatives of the Board and the Association and hold a hearing promptly and shall issue his decision not later than twenty (20) days from the date of the close of the hearing, or from the date the final statements and proofs, including briefs and legal memoranda, are submitted to the arbitrator. The arbitrator's decision shall be in writing and shall set forth his findings of fact, reasoning, and conclusions on the issues submitted. The authority of the arbitrator is limited to the interpretation, application or the compliance with the provisions of this Agreement, and the arbitrator shall have no authority in any way to alter, modify, substitute, change, add to or delete from any of the terms of this Agreement or to require any construction or capital improvement by the Board. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties. The arbitrator shall be bound by, and decide in accordance with, all applicable New Jersey Federal Statutes, the Constitutions of the State of New Jersey and of the United States, and all applicable decisions of the Commissioner of Education, the State Board of Education, the Public Employment Relations Commission, the Courts of the State of New Jersey and the Federal Courts having jurisdiction over matters arising within the State of New Jersey.
  3. The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring the same.
- E. The time limits prescribed in the aforementioned grievance steps may be extended by mutual written agreement between the Association and the Board.
- F. No Association Representative in the performance of his duty as such shall unreasonably interfere with or interrupt any work of any Employee. Discussions provided in the grievance Levels shall be held at such time as the Board's representative designates within a reasonable time of the request. All grievance discussions shall be kept to a minimum of time.

### **ARTICLE 9 – NOTICE OF ABSENCE**

The Employee must notify the Business Administrator or his/her designee, before his/her shift begins, of any illness, injury, job related injury or reason of emergency of a serious nature which will prevent the Employee from working his/her regular scheduled hours. Such notices shall be given by calling the Business Administrator or his/her designee. At the time of notification of absence, the Employee must state the reason for his/her absence and the exact date or dates of anticipated absence. In the event of the failure by an Employee to give such notice, the Employee shall, within twenty-four (24) hours of his/her return to work, provide to the Business Administrator or his/her designee a statement in writing of the reason for the absence in question. Failure of the Employee to

give such latter statement in writing within said twenty-four (24) hour period shall result in the forfeiture by the Employee of his/her per diem rate of pay for the absence in question.

### **ARTICLE 10 – VACATIONS**

A1. Vacations shall be provided Employees who qualify for the same in accordance with the following schedule:

- For less than ten (10) months of continuous service - one (1) working day for each full month of continuous service.

- For sixteen (16) years or more of continuous service - twenty-two (22) working days.

An employee will be permitted to carry over no more than five (5) vacation days into the next year. It should be understood that this would not accumulate from year to year. The maximum amount that an employee could ever have would be equivalent to a one year carryover of five (5) days.

Light Duty and Heavy Duty Custodians employed on a 10-month calendar shall receive two (2) days of vacation during the Winter school recess and two (2) days of vacation during the Spring school recess.

Vacations shall be provided Employees hired after July 1, 2011, who qualify for the same, in accordance with the following schedule:

- Years 12-16 - as per existing schedule

A2. The vacation year for the purpose of ascertaining vacation benefit shall be determined and computed from July 1st and continue to June 30th of the next succeeding year; provided,

however, that all Employees must notify the Business Administrator or his designee in writing of requested vacation period or periods.

- B. Vacation pay shall be the Employee's regular straight time rate of pay for one (1) week (five (5) days) of work.
- C. The Board shall have the right to schedule the vacation periods of custodians; provided, however, that said vacation period shall, to the extent practicable and feasible in the discretion of the Board, be scheduled according to the seniority of the custodians in each building.
- D1. Custodians shall take their vacation period during the period from the closing of school, through the sixth (6th) business day prior to the opening of school in September, and during the December holiday week and spring recess week.

Such allowable vacation absence shall be taken after consultation with the employee and approval by the appropriate supervisor. All vacation dates shall be so arranged as not to interfere with the operation of the schools. The number of custodians allowed to go on vacation during any specific period of time during the year shall be limited by the supervisor.

Vacation preference sheets shall be distributed by April first and returned by April fifteenth, and Employees notified by May fifteenth of the assigned vacation periods.

- D2. Maintenance Men/Women and Maintenance Helpers may take no more than two (2) weeks of vacation during the period from the close of school until September 1 (the "summer"). Any portion of the vacation which was not taken during the summer must be taken between November 1 and May 1 in the vacation year as mutually agreeable to the Board and the employee.
- D3. The Board shall schedule vacations of custodians, maintenance men/women and maintenance helpers so that the same will have the least effect on the efficient operation and needs of the Board as determined by the Board.
- E. In the event an Employee is terminated for cause or has resigned (at the request, based on just cause, of the Board), the Employee shall not be entitled to any accrued vacation benefit. In the event the Employee resigns or is terminated without cause, the Employee shall be entitled to whatever vacation benefit he has earned.
- F. In the event an Employee is laid off or does not work for any reason (other than sick leave) for a portion of a vacation year (as that term is defined in Paragraph 1(B) above) and if the Employee is otherwise eligible for vacation benefits under the provisions of this Article, he/she shall receive the vacation benefits to which he/she is entitled on a pro rated basis computed on a twelve (12) month calendar basis, for each full calendar month worked by the Employee subsequent to July 1st of the vacation year. Payment on account of such vacation benefit shall be made at the time of the Employee's scheduled vacation or at the time of the Employee's termination, whichever is applicable.

- G. An Employee who has an accident covered by Worker's Compensation occurring within two (2) months before his vacation period, which necessitates hospitalization or continuous doctor's care during his/her vacation period shall have his/her vacation rescheduled. The rescheduling of the vacation will be at a time to be mutually agreed upon between Employee and the Director of Buildings and Grounds or Business Administrator.
- H. In the event an Employee desires to resign, he/she shall give the Board at least thirty (30) days written notice of such resignation. Failure to give such written notice of resignation shall result in the forfeiture of all rights of the Employee to any accrued vacation benefits. In the event the Employee gives such written notice less than thirty (30) days in advance of the effective date of resignation, the Employee shall forfeit his/her rights to accrued vacation benefits on a prorated basis so that, for example, if seven (7) days written notice is given the Board, the Employee shall be entitled to only seven thirtieths (7/30ths) of his accrued vacation benefits.

### **ARTICLE 11 – HOLIDAYS**

- A. Custodian and maintenance employees employed on a twelve (12) month basis shall be employed from July 1 to June 30. They shall work on days in accordance with the custodial/maintenance calendar as determined and fixed by the Board.
- B1. Custodial/maintenance employees shall have at least fifteen (15) holidays each year. Should the number of holidays in any given year be less than fifteen (15), the difference may be taken during any of the recess periods between September 1 and June 30. Any such additional days shall be scheduled so that the same will have the least effect on the efficient operation of the schools.
- B2. If any work is performed on the aforementioned holidays, the Employee performing said work shall, in addition to his/her holiday pay, receive time and one-half (1-1/2) his regular straight time calculated rate of pay for all hours worked on the holiday.
- B3. If a holiday should fall during an Employee's vacation period, the Employee shall receive an extra day off, which day shall be scheduled on a day to be mutually agreed upon between the Employee and the Business Administrator or his/her designee.
- B4. An Employee who is eligible to receive holiday pay shall not receive the same unless he/she works his/her full scheduled workdays both preceding and following the holiday, unless the Employee's absence has been excused by the Board or its representative.

2. An Employee who works a ten (10) month schedule in a school year shall be entitled to sick leave with full pay for ten (10) working days in each school year.

Said sick leave shall be cumulative, and any such sick leave day that remains unutilized at the end of any school year shall be carried from year to year unless and until it is used in any such subsequent years.

**B. PROLONGED - STATUTORY**

If an Employee's absence shall be the result of a personal injury caused by an accident arising out of, and in the course of, his/her employment, or an illness arising out of, and in the course of, his employment, such Employee shall be allowed sick leave with full pay for the entire period of such absence for up to a maximum of twelve (12) months. Such sick leave shall not be charged to the sick leave provided in Subsection A of this ARTICLE.

**C. PROLONGED - DISCRETIONARY**

If the nature of any Employee's personal injury or illness, other than an injury caused by an accident arising out of, and in the course of, his/her employment, or an illness arising out of, and in the course of, his/her employment, shall be such as to require an Employee's absence for a consecutive number of days in excess of the aggregate number of days for which full pay shall be payable under Subsection 1 and 2 of this ARTICLE, the Board may:

1. terminate the Employee's employment by reason of the inability of the Employee to return to work within a reasonable time; or
2. grant a leave of absence, not exceeding a total of one (1) calendar year, computed from the date of the commencement of such injury or illness.

For all or a part of the portion of such leave that is in excess of the days for which full pay shall be payable under Subsection A of this ARTICLE, the Board may, in its sole discretion after considering the merits of the case, on a case to case basis, grant:

1. leave with full pay less the amount of the prevailing substitute rate of pay; or
2. leave with partial pay; or
3. leave with no pay.

**D. PHYSICIAN'S CERTIFICATE**

Any Employee shall promptly comply with each request that a physician's certificate be furnished in connection with any sick leave claim.

E. RECORDS

The Board shall cause to be maintained for each employee a cumulative record of absences for which sick leave has been granted. Such record shall note the dates of absence and the type of sick leave granted in each case. A statement of the number of sick leave days available to each Employee shall be given to each Employee on or before October 1. Each employee shall have thirty (30) days from receipt of said statement within which to challenge its accuracy. Such challenge following the initial statement shall be challengeable only for the preceding year.

F. NEW FAMILY LEAVE ACT

By way of reference only, rather than as part of the contract, an outline of the federal and state Family Leave Acts, as from time to time may be amended by law is attached as an appendix. (Appendix 1)

**ARTICLE 13 – LEAVE OF ABSENCE FOR ASSOCIATION REPRESENTATIVE**

The Board may grant an Employee a leave of absence not to exceed five (5) days for the purpose of attending Association conventions or scheduled workshop meetings; provided the Board can spare the Employee's services at the time requested. The application for such leave shall be given at least two (2) weeks in advance of the time the leave would commence. No more than one (1) Employee shall be granted a leave of absence at such time and for such purposes. Any such leave of absence granted shall be without pay.

The Board shall each year grant to no more than two (2) Employees a two (2) day leave of absence with pay to permit attendance at the annual N.J.E.A. Convention, provided that the Board receives from the Association at least five (5) working days prior to the commencement of such leave notice in writing of the identity of the Employee or Employees who will attend said Convention.

**ARTICLE 14 – TENURE, REDUCTION IN FORCE AND RECALL**

A1. Employees covered by this Agreement shall be entitled to tenure on the commencement of their fourth (4th) annual contract of employment. Until tenure is attained, Employees shall be in a probationary status and any termination shall not be subject to challenge through the grievance procedure.

A2. Employees who shall qualify and be entitled to tenure shall have such tenure, reduction in force and recall rights as are provided in N.J.S.A. 18A:17-3 and 18A:17-4.

B. In the event a tenured Employee is on layoff as a result of reduction in force and is eligible for recall and the Board shall recall said Employee, it shall serve notice of recall on the Employee either personally or by sending the same certified mail, return receipt requested, to the Employee's last known address appearing on the records of the School District.

- C. If the Employee, after receipt of notice of recall, fails to report for work within five (5) working days following receipt of such notice, the Employee shall have been deemed to have waived his/her right of recall and shall no longer be entitled to such rights. The Employee is responsible for notifying the Board in writing of any change in address or telephone number.
- D. Any dispute arising under this ARTICLE shall be adjusted in the manner prescribed by ARTICLE 2(b) of Chapter 6 of Title 18A (N.J.S.A. 18A:6-9 et seq.). No provision of this ARTICLE shall be subject to grievance or arbitration.

The notice shall be posted for ten (10) workdays and any Employee interested therein must submit a letter of application to the Business Administrator within the aforementioned ten (10) work day posting period to be considered for the vacancy. The notice shall state the name of the job and a short job description of the same. Employees who have acquired experience, skill and ability to do the work required in the job without training shall be qualified to apply for the same. The Board shall determine the qualifications and abilities of Employees who apply and, in the event two (2) or more applicants who are presently employed in the District are of equal experience and ability, the applicant with the greater seniority shall be awarded the job (subject to the following). Notwithstanding the fact that an applicant for a position has the experience and ability to perform the job in question, the Board may, in the best interests of the School District and in the interest of maintaining a proper degree of experienced personnel in each of its buildings, decline to award the job to such an experienced applicant. If the Board determines that no applicant has the experience and ability to perform the job, it may fill the vacancy or new job or new position from any other source.

In the event that a presently employed individual applies for and successfully obtains a job vacancy or newly created position which has been posted in accordance with this Article, the Board shall then be required to follow the foregoing posting procedure only with regard to the successful applicant's present position.

- B. The Business Administrator or his/her designee shall notify the Association of the name, address, salary, salary placement of each new employee within ten (10) days of hire.

(Packet placed in the Association mailbox after each BOE meeting.)

## ARTICLE 16 – CONFLICT OF AUTHORITIES

In the event an arbitrator's award under the terms of this Agreement should be in conflict at the time of his decision with any court decision, State statute, rule or regulation of the Commissioner or State Board of Education, or any subject matter covered by this Agreement, the court decision, State statute rule or regulation of the Commissioner or State Board of Education, or this Agreement shall control and prevail and the arbitrator's ruling to the contrary shall be null and void and of no effect.

## ARTICLE 17 – MISCELLANEOUS

- A. It is agreed the duties of the jobs covered by this Agreement overlap and Employees shall continue to interchange and perform all job duties as heretofore.
- B. The Association and Employees covered by this Agreement agree to cooperate with the Board and its supervisors in order that the Board's facilities and physical properties are kept in a proper manner and that the work required to be done is performed in an efficient and economical manner, which the Board determines.
- C. The Board agrees to furnish each custodian five (5) shirts (3 short & 2 long sleeves) and five (5) pants each school year. The Board agrees to furnish each employee three (3) tee shirts for the summer each year. The Board agrees to furnish each maintenance man and maintenance helper three (3) shirts and three (3) pants each school year. The Board further agrees to provide two (2) rain gear outfits for each building and one (1) rain gear outfit and one (1) winter three-quarter jacket for each Employee regularly expected to function out-of-doors; provided, however, that a rain gear outfit and a winter three-quarter jacket shall not be replaced more often than once every three (3) years. Notwithstanding the foregoing, the Board shall not be obligated to furnish the aforesaid clothing to newly hired custodians, maintenance men or maintenance helpers until after they have been employed by the Board for a period of six (6) months. The care and upkeep of the aforesaid clothing shall be the responsibility of the Employees. Each Employee must be presentable and representative and clean in appearance.
- D. Supervisors shall have the right to continue to do any work as they have heretofore.
- E. Subject to the rights of employees which exist or arise as a matter of law under relevant statutes and cases, the Board shall have the right, at its expense, to have a physician conduct a physical examination of any Employee whenever the Board determines such an examination to be necessary. All Employees agree that they will submit to such examination or examinations as the Board's physicians may consider necessary, at no expense to the Employees.
- F. The Board may, at any time, at its option, install time-clocks and require Employees to punch in and out on the same.
- G. The Board agrees that all assignments and classifications of new and incumbent employees will be implemented based upon the work actually performed or to be performed by the

employees so classified and that the classifications of light duty custodian and heavy duty custodian shall reflect legitimate, substantial and actual distinctions in levels of skill, effort and responsibility required in the performance of the work. The Board shall undertake an evaluation and assessment of the duties of all incumbent custodial employees in order to determine to which category each should be assigned. The Association shall at all times in the course of the foregoing evaluation and classification be consulted by the Board in connection with individual classification decisions. Any employee who objects to his or her classification shall be entitled to submit reasons and evidence supporting that objection to the Board.

H. The Board shall develop a job description for the position of Utility Person. There shall be up to three (3) utility persons who shall be paid on Custodial Guide A. This person(s) shall be scheduled five (5) consecutive days on any shift, either Tuesday through Saturday or Sunday through Thursday. Those holding this position shall be notified seven (7) days in advance in the event of a shift change or schedule change. These three (3) utility positions shall not be eligible for any shift differential. Additional utility positions will be subject to the contractual shift differentials. For historical purposes, the District paid to the then existing utility employee the amount of the shift differential which the employee would have otherwise received for the 2014-15 school year. The parties agreed that this provision settled the pending grievance filed by the Association on this subject, and the Association withdrew the grievance and demand for arbitration with prejudice.

I. Copies of the current agreement shall be printed by the Board of Education within thirty (30) days after the agreement is signed, and copies provided to all concerned parties. (Custodians/Maintenance Workers now employed, Board Office, Board Members, and Chief School Administrator.)

Except in emergency situations, the Association Representative shall, on three (3) days written notice to the Business Administrator, have the right to schedule meetings at a place in a building designated by the Business Administrator after regular working hours of the Employees involved; provided, that the use of the building by the Association does not interfere with any other use then being made.

L. Association Representative

The Association shall submit in writing to the Board the names and addresses of the Association President and his designee, who shall have the responsibility for administration of this Agreement on behalf of the Association in the absence of the Association President.

Any notice, discussion or communication between the Board and the Association shall be had with, or served personally on, the Association President or, in his/her absence, his/her designee. In the event that the Association President or his/her designee is not present or available for such services, service may be made by sending a notice to the Association President, with a copy to his/her designee, by certified or registered mail, return receipt requested, to the addresses furnished to the Board. The date of mailing such notice shall be deemed the date of service.

M. Separability

If any provision of this Agreement, or any interpretation, application or administration thereof, shall be determined by any court or administrative agency having jurisdiction thereof to be contrary to law, such provision, interpretation or administration shall be specifically deemed invalid and stricken here from to the extent required by such determination. All other provisions hereof shall remain in full force and effect.

Said monies together with current records of any corrections shall be transmitted to such person as may from time to time be designated by the Paramus Public School Association of Custodians and Maintenance Workers by the 15th of each month following the monthly pay period in which deductions were made. The person designated shall disburse such monies to the appropriate association or associations.

- B. Each of the associations named above shall certify to the Board, in writing, the current rate of its membership dues. Any association which shall change the rate of its membership dues shall give the Board written notice prior to the effective date of such change.
- C. The Association agrees to indemnify and reimburse the Board and hold the Board harmless for any improper or erroneous payments made to the Association under this ARTICLE.
- D. By August 1st of each year, the Association shall supply the Board with an alphabetized list of members who have authorized payroll deductions, indicating the monthly amount of each member's deductions.

The effective date for deduction authorization hereafter received shall be as follows:

1. For authorization received after August 1, or prior to October 1, the first deduction should begin with the November pay period, with deductions being retroactive for the September and October pay periods.
2. For authorization received after October 1, but prior to January 1, deductions should begin as of the February pay period and be based on five (5) equal deductions of the total amount.
3. For authorizations received after January 1, or prior to February 15, the first deduction should begin with the March pay period, with deductions being retroactive for the February pay period, which places the Employee on five (5) equal monthly deductions of the total amount.

## **ARTICLE 19 – REPRESENTATION FEE**

### A. PURPOSE OF FEE

If an Employee does not become a member of the Association during any membership year (i.e., from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said Employee will be required to pay a representation fee to the Association for that membership year to offset the costs of services rendered by the Association as majority representative.

### B. AMOUNT OF FEE

Prior to the beginning of each membership year, the Association will notify the Board in writing of the aggregate amount of the regular membership dues, initiation fees and assessments charged by the Association to each of its own members for that membership year. The representation fee to be paid by each non-member will be equal to eighty-five (85%) percent of said aggregate amount.

C. DEDUCTION AND TRANSMISSION OF FEE

The Board agrees to deduct from the salary of any Employee who is not a member of the Association for the current membership year the full amount of the representation fee referred to in this ARTICLE, above, and promptly will transmit the installments so deducted to the Association. The Board agrees to deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each Employee during the remainder of the membership year in question. The deductions will begin thirty (30) days after the Employee begins his employment in a bargaining unit position.

D. TERMINATION OF EMPLOYMENT

If an Employee who is required to pay a representation fee terminates his/her employment with the Board before the Association has received the full amount of the annual representation fee to which it is entitled under this ARTICLE, the Board will deduct the unpaid portion of the annual representation fee from the last paycheck paid to said Employee during the membership year in question and promptly forward same to the Association.

E. MECHANICS

Except as otherwise provided in this ARTICLE, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.

**ARTICLE 20 – EVALUATION PROCEDURE**
