Fees received as a juror, other than meal and travel allowances, shall be returned to the Borough.

2. Sick Leave

The Borough shall provide a telephone answering machine on which a message to report an absence may be recorded.
- B. The cause for the employee's absence must be reported daily, unless adequate explanation and reason is provided to cover several days. In any sick leave of three (3) days or more, a doctor's certification must be submitted if requested by the Department Head.
- C. Sick leave must be earned before it can be used. Should the employee require none or only a portion of the earned sick leave for any year, the amount not taken accumulates to the employee's credit from year to year during employment.

Sick leave is earned and accumulated in the following manner:

One (1) working day for each full month of service during the remaining months of the first calendar year of employment and fifteen (15) working days for each calendar year thereafter. If the employee begins work after the fourth day of the month, sick leave is not earned for that month.

- D. Sick leave may be granted for:
 - (1) Personal illness or accidental disability by reason of which the employee is unable to perform the usual duties of the position.
 - (2) Serious illness of a member of the employee's immediate family or household (as defined in Funeral Leave) requiring the employee's attention and care. The circumstances of the illness should be of an emergency nature where the employee is required to be in direct attendance for a period not to exceed three (3) working days
 - (3) In case of extended illness, the employee may use accrued Vacation Leave.
- E. Accumulated sick leave is forfeited upon separation from Borough service, except as provided for under "Terminal Leave", hereinafter.

3. Injury Leave

- A. Injury Leave, as distinguished from sick leave, shall mean paid leave given to an employee due to absence from duty caused by an accident, illness or injury, which occurred while the employee was performing duties which is covered by Workmen's Compensation Insurance. An employee entitled to injury leave shall be paid his full salary during the period of time that he

received temporary disability payments in connection with a Workmen's Compensation claim which must be filed by him, or for one (1) year, for each injury whichever occurs earlier. During this period, the employees shall turn over to the Borough all payments received by him for temporary disability in connection with the Workmen's compensation claim filed by him.

- B. All payments which shall be made concerning injury leave are subject to the same rules and regulations as Workmen's Compensation Insurance and shall not be made if the accident is proved to have been due to intoxication or will full misconduct on the part of the employee. If an employee, absent from work due to an accident, illness or injury covered by Workmen's Compensation Insurance, willfully fails to fulfill all the conditions necessary to receive compensation benefits, the employee shall not be entitled to payment of any injury leave benefits from the Borough until such conditions have been fulfilled.
- C. After all injury leave is used, the employee may be granted additional injury leave only upon approval of the Mayor and Council. After all injury leave is used, the employee may elect to use any sick leave or vacation time due at the time of the injury.
- D. Contested Injuries
Charges may be made against sick leave accrual, if any, in any case where the Borough is contesting that the injury occurred on the job. In the event that the State determines in favor of the employee, sick leave so charged shall be re-accredited to the employee's sick leave accrual balance. In the event eligibility for payment is denied by the State, the employee shall be eligible to utilize vacation leave, if any, retroactive to the date of injury.
- E. Medical Proofs
In order to limit the obligation of the Borough for each new separate injury, the Borough may require the employee to furnish medical proof or submit to medical examination by the Borough at its expense to determine whether a subsequent injury is a new and separate injury or an aggravation of a former injury received while in the Borough service.
- F. When an employee has suffered an injury while on duty, and is absent for three (3) days or more, it will be necessary for the employee to submit a written certification from a physician setting forth the nature of the injury and the physician's prognosis as to the length of time before the employee can return to duty.
 - (1) If requested by the Borough, additional reports shall be filed from the physician every two (2) weeks thereafter indicating the current status

of the employee's health amid the time of the employee's anticipated return to duty.

(2) In the absence of such certification, the employee shall be removed from injury leave.

For those employees hired after October 1, 1998, with a minimum often (10) years of employment with the Borough, upon retirement (Service Retirement, Accidental Disability Retirement, Ordinary Disability Retirement, Early Retirement and Deferred Retirement) or employees who terminate their service after reaching age sixty (60) who are not covered by the Public Employee's Retirement System, shall be granted a terminal leave lump-sum payment equal to one-half ($\frac{1}{2}$) of the employee's earned and unused accumulated sick leave hours multiplied by the hourly rate of pay based upon the average base hourly pay received during the twelve (12) month period immediately prior to the effective date of retirement, but not to exceed a total of Fifteen Thousand (\$15,000.00) Dollars.

In addition, in the event of the death of an employee, the estate of that employee shall be eligible for terminal leave lump-sum payment according to the method calculated above, provided that the employee has been employed by the Borough for five (5) consecutive years.

6. Leave of Proposed Absence

A. Leave without pay

A permanent employee, for reasons satisfactory to the Mayor and Council, may be granted a personal leave of absence without pay or services credit for time absent for a period of up to six (6) months. In exceptional circumstances, such leave may be extended for an additional six (6) months, provided it is considered to be in the best interest of the Borough.

1. Ordinarily, a personal leave of absence or an excused absence will not be granted to an employee for the purpose of seeking or accepting employment with any other employer.
2. Personal leaves of absence are granted with the understanding that the employee intends to return to Borough duty. If an employee fails to return within five (5) working days after the expiration of the leave or excused absence, the employee may be considered to have resigned and not in good standing.
3. Employees on leave without pay for more than two (2) weeks in any month will not receive paid health benefits, or holiday pay.
4. If requested by the Mayor and Council, employees returning from leave without pay may be required to take a physical examination at the expense of the Borough, which examination must show that the employee is physically able to return to his duties.

B. Maternity Leave

A female employee, upon her request, may be wanted permission to use accumulated sick leave for maternity purposes. In those instances where the employee's sick leave is limited and when requested by the employee, the Borough may approve a leave of absence without pay not to exceed six (6) months. Upon the employee's request, her Department Head shall schedule an appointment with the registered nurse in the Medical Clinic.

C. Military Duty Leave

If the employee has permanent employee status, a leave of absence without pay will be granted, except for the first two (2) weeks which will be with pay, if the employee is required to serve actively in any component of the Armed Forces of the United States or New Jersey. Military Duty leave may extend to three (3) months after the employee's release from required military service. Sufficient proof of active military duty must be presented to the Department Head prior to requesting such leave.

2. Seasonal, summer or per diem employees are not eligible for vacation leave.
3. General:
 - A. When employees complete their first six (6) months of employment, they may ask to take the balance of their vacation leave for that calendar year. Beginning January 1 of each succeeding year of employment, employees may ask to use, in advance of earning, the full amount of vacation leave for that year. Any vacation time borrowed under this policy must be earned back by the last pay period of that calendar year, otherwise any negative vacation balance will either be charged to available compensatory time off or deducted from the employee's pay.
 - B. In the event of termination of employment prior to repayment of advanced vacation leave, the necessary salary adjustment will be made on the employee's final paycheck.

 - K. Every effort is made to arrange vacation schedules to meet the individual desires of all departmental employees. When there is a conflict in the dates of proposed vacation schedules, preference is given to the employees with seniority based upon years of employment with the Borough. All requests for vacation leave must be approved by the employee's Department Head. The Department Head may require that vacations be scheduled in other than the summer months when the needs of the Department require it.
4. Employees shall submit vacation request forms for a minimum of two (2) weeks of vacation by March 15th of the year the vacation is requested. All vacations, including single days, shall be determined by seniority and the Borough shall continue to accommodate employees' requests, including allowing employees to switch schedules and assignments unless such requests create a serious hardship on the Borough. Single vacation days consistent with past practice shall be allowed on a call in and request basis unless the request creates an overtime situation or creates a serious hardship on the Borough or another employee has called in on the same day.
