When a contract is reached, it shall apply to all teachers for whom the Association is authorized to negotiate, be reduced to writing, ratified and adopted by both parties, and signed by authorized representatives of both parties.

B. During negotiations, the Board and the Association shall present relevant data, exchange points of view, and make proposals and

Both parties shall be empowered to consider tentative proposals, to make tentative proposals, and to make tentative counter-proposals during negotiations. Final contract must be ratified and adopted by both parties before signing of contract.

D. The Association and the Board negotiating units will schedule meetings at the convenience of both units for the purpose of negotiating said contract. Each party, whenever possible, will submit in writing to the other, no later than 48 hours prior to the meeting, any tentative proposals and/or tentative counter-proposals covering matters on the agenda for the meeting with the exception of Article VIII.

E. All cost of supplies relevant to the printing of proposals and counter-proposals shall be assumed by the individual parties.

ARTICLE III

GRIEVANCE PROCEDURE

A.1. A grievance is claim by a teacher or the Association based upon the interpretation, application, or violation of this agreement, policies or administrative decisions and practices directly affecting the working conditions of a teacher or a group of teachers.

2. An "aggrieved person" is the person or persons or the Association making the claim.

3. The term "grievance" and the procedure relative thereto shall not be deemed applicable in the following instances:

a. The failure or refusal of the Board to renew a contract of a non-tenure teacher.

b. In all such matters that are clearly subject to applicable law and beyond the scope of the Board's authority and limited to action by the Board alone.

B. A grievance must be filed within thirty (30) calendar days of its occurrence or such grievance shall be deemed to constitute abandonment of the grievance.

C. Any teacher shall have the right to present his grievance through the process described in the following steps. He shall have the right to present his own appeal or to designate representatives of the Association or another person of his choosing to appear with him or for him at any step in the appeal.

D. No reprisals shall be taken, by either party, against any participants in a grievance.

STEP 1. A teacher or teachers with a grievance shall file, in writing, the grievance with the principal, either directly or through the Association, with the objective of resolving the matter. A decision shall be rendered within five (5) school days after the presentation of the grievance.

STEP 2. If the grievance is not resolved or a decision rendered, to the satisfaction of the aggrieved person, within five (5) school days after the presentation of the grievance, the aggrieved person may file the grievance with the Association within ten (10) school days after the grievance was presented in Step 1. Within five (5) school days after receiving the written grievance, the Association shall refer it to the Superintendent of

Schools. The written grievance shall specify:

a. The nature of the grievance, citing specific instance and persons involved.

b. The results of the previous discussion.

c. The basis of dissatisfaction with the determination.

The Superintendent, upon receipt of the grievance report, shall attempt to resolve the matter as quickly as possible and shall meet with all involved parties within five (5) school days. He shall then have fifteen (15) school days to render his decision after the grievance is presented to him.

If the Superintendent fails to act or renders a decision deemed unsatisfactory to the aggrieved person within the time limits stated in Step 2, the aggrieved person may appeal to the Board within ten (10) school days.

STEP 3. If the aggrieved person does not request a hearing, the Board may consider the appeal on the written record submitted to it, or the Board may, on its own, conduct a hearing or it may request the submission of additional written material. A hearing shall be held, as expeditiously as possible, when the aggrieved person requests a hearing, in writing.

The Board shall make a determination within 45 calendar days, which may be extended in the event of an emergency to 60 calendar days, from the receipt of the written grievance. In the event of a hearing, the decision shall be made within 30 calendar days of the hearing.

The final decision on any grievance shall be at step 3 of this grievance procedure, except a grievance that is an alleged violation, misinterpretation or misapplication of the language of this agreement.

STEP 4. If the aggrieved person is not satisfied with the decision

at step 3, and if the grievance is an alleged violation, misinterpretation or misapplication of the language of this agreement, the aggrieved person shall have the right to request, in writing through the Association, non-binding arbitration within ten (10) days of the decision rendered in step 3.

If the Association determines that the grievance has merit, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties cannot agree on an arbitrator within 21 days, a request for a list of arbitrators may be made to the American Arbitration Association by either party.

The authority of the arbitrator shall be limited solely to the interpretation of the language of this agreement and he shall have no authority to add to, subtract from, or modify any of said provisions.

The arbitrator's decision shall be submitted to the Board and the Association and shall be non-binding on either party. Should any of the parties reject the non-binding decision of the arbitrator, the reason or reasons shall be stated in writing no later than 30 days from the date of the receipt of the decision.

Decisions rendered in all steps of this grievance procedure shall be in writing.

All costs for the services of the arbitrator shall be shared equally by the Board and the Association.

B. Teachers who have used all their accumulated sick leave, will have their case reviewed by the Board for possible merited extension.

C. Teachers shall be given a written statement of accumulated unused sick leave days as of September.

ARTICLE XI

TEMPORARY LEAVES OF ABSENCE

A. Teachers for whom the Association is authorized to negotiate, shall be entitled to the following temporary non-accumulative leaves of absence, with pay, each school year:

1. Up to four (4) consecutive calendar days for leave immediately upon the death of a member of the immediate family (father, mother, sister, brother, spouse, child, mother-in-law, father-in-law). Additional day(s) will be considered, upon written request to the Superintendent.

2. The following day(s) shall be granted, upon written request to the Superintendent:

a. Funeral of relative other than immediate family - one (1) day per occurrence.

b. Emergency medical treatment and/or appointment - one (1) day per occurrence.

- c. Marriage - one (1) day.

It is understood that all the reasons stated above can only be granted when personal matters cannot be conducted on other than school hours.

B. All requests to the Superintendent, through the building principal, shall be made a week prior to the leave, except in the case of an emergency, and shall require a brief explanation of reason for leave.

ARTICLE XII

EXTENDED LEAVES OF ABSENCE

A. The Board shall grant disability leave, with or without pay,

during the disability period, upon the request of the teacher. Subsequent to the disability period, the teacher may, with Board approval, be granted an extended leave of absence, without pay. The teacher may elect to use accumulated sick leave for said disability period subject to the following stipulations and limitations:

1. The Board may remove any teacher from his/her teaching duties for any of the following reasons:

a. Teaching performance substantially declines from the period preceding disability.

b. Physical condition or capacity renders teacher incapable of performing assigned duties, which shall be deemed to exist if

1. The teacher fails to produce a physician's certificate that he/she is medically able to continue teaching, or

2. The Board's physician concludes he/she is unable to continue teaching.

3. In the event the physician of the teacher shall be of the opinion that said teacher is capable of performing his/her duties up to a specified date but the medical examiner of the Board shall be of a contrary opinion, then the teacher and the Board shall mutually agree upon the appointment of an impartial third physician whose medical opinion shall be conclusive and binding on the issue of medical capacity to continue in the performance of duties. In the event of the inability of the teacher and the Board to agree upon the appointment of the third physician, such appointment shall be made by the Bergen County Medical Society. The expense of any examination by an impartial third physician shall be shared equally by the teacher and the Board.

2. Any tenured or non-tenured teacher seeking such leave shall

apply to the Board sixty (60) days prior to the beginning of the leave. At the time of application the teacher shall specify in writing the date on which he/she wishes to return.

The Board shall require said teacher to produce a certificate from his/her physician in support of the requested leave dates. The physician's certification is subject to agreement by the Board's physician. Where medical opinion is supportive of the leave dates requested, such leave shall be granted by the Board. The Board may change the requested dates upon finding that the grant of leave for the dates stipulated and medically confirmed would interfere with the administration of the school.

After a leave has been approved, the commencement or termination dates thereof may be further extended or reduced upon application by the teacher to the Board. Such extensions or reductions shall be granted by the Board for an additional period of time provided, however, that the Board may alter the requested dates upon a finding that such extension or reduction would interfere with the administration of the school and/or with the education of the pupils and, provided further, that such change by the Board is not medically contra-indicated.

Any extension shall be limited to one additional school year. A request for extension of leave must be made at least three (3) months prior to the expiration of the first leave.

3. The Board is under no compulsion to continue the employment of a non-tenure teacher beyond the contracted period. The leave period shall not be counted for tenure purposes.

4. Advancement on the salary guide shall be based upon the date of commencement of the leave of absence. The teacher will be granted a full salary guide step if he/she is in attendance for more than 100 teaching days.

Attendance for 100 days or less shall result in no advancement on the salary guide.

B.1. The Board shall have the right to require a teacher who desires to return to his/her duties to produce a certificate from his/her physician stating that he/she is capable of resuming duties. In the event of a difference of opinion between the teacher's physician and the Medical Examiner of the Board relative to the resumption of duties by said teacher, the Board shall pay the expense for an examination by an impartial third physician.

2. Failure of the teacher to resume duties on the agreed upon return date may constitute grounds for dismissal.

C. Any teacher adopting a pre-school aged infant child shall receive similar leave described above, and shall commence upon receiving custody of said infant child, or earlier if necessary to fulfill the requirements for the adoption.

D. A leave of absence, without pay, for a school year other than disability, may be granted to any tenure teacher when said teacher applies for said leave, in writing, to the Superintendent and is approved by the Board.

ARTICLE XIII

INSURANCE PROTECTION

A. The Board shall provide the health-care insurance protection designated below.

1. Payment of 100% of New Jersey Public and School Employees Health Benefit Plan on a single or family contract for all full-time instructional personnel.

B. The Board agrees to contribute the amount of \$6,750, which is a pro-rated share of an annual premium of \$9,000 toward a mutually agreed upon dental plan. The Board agrees to contribute its pro-rated share starting October 1, 1980 and continuing to June 30, 1981.

The mutually agreed upon plan should be finalized by May 31, 1980.

ARTICLE XIV

PROFESSIONAL DEVELOPMENT AND EDUCATIONAL IMPROVEMENT

A.1. The Board will permit the granting of credits for graduate level courses which have been submitted to the Superintendent in writing and have received his approval in writing.

2. Teachers possessing a permanent, provisional, or emergency certificate may not apply credit for undergraduate level courses towards advancement on the salary guide.

3. Teachers possessing a sub-standard teaching certificate shall not be permitted to apply for reimbursement and/or advancement on the salary guide when courses taken are to fulfill certification requirements. This shall apply to graduate or undergraduate level courses. This will apply to any teacher employed after July 1, 1977.

4. To qualify for salary adjustment teachers shall submit necessary proof of satisfactory completion of graduate courses to the Superintendent not later than the third Friday in September.

B.1. The Board, administration, and teachers agree to cooperate in arranging in-service courses, workshops, conferences and programs designed to improve the quality of instruction. Such in-service programs will not detract from the educational program of the children.

2. In-service courses shall be conducted during the in-school

teacher workday if teacher attendance is required.

C. The Board will permit the granting of an educational refund for full tuition or \$45 a graduate credit, whichever is the lesser. This refund will be granted for a maximum of 6 graduate credits for each contract year. This educational refund will be granted if:

1. Courses are approved as prescribed in A.1. above;
2. Grade for course must be "B" or better;
3. Copy of grade and course transcript must be submitted to the Superintendent for approval and recommendation for refund.

ARTICLE XV

PROFESSIONAL ETHICS

A. It is recognized that the need for continued and uninterrupted operation of the School District is of paramount importance and that there should be no interference with such operation.

B. The Association covenants and agrees that neither the teacher organization nor any person acting in its behalf will cause, authorize, or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty, or willful absence of a teacher from his position, or stoppage of work or abstinence in whole or in part, from the full, faithful and proper performance of the teacher's duties of employment), work stoppage, slowdown, walk-out or other job action or the invocation of sanctions against the Board. The Association agrees that such action would **constitute** a material breach of this Agreement.

C. The Association further agrees that it will not cross, engage in, sanction, encourage or assist in any strike or similar action or conduct

on the part of the students of the School District.

D. In the event of a strike, slowdown, walk-out, job action or the invocation of sanctions, it is covenanted and agreed that participation in any such activity by any Association member or any teacher represented by the Association shall entitle the Board to deem such activity as grounds for termination of employment of such employee or employees, subject, however, to the application of the Teacher Tenure Hearing Law.

ARTICLE XVI

BOARD RIGHTS AND RESPONSIBILITIES

A. Subject to the express provisions of this agreement, the Board hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties and responsibilities conferred upon and vested in it prior to the signing of this Agreement or which may hereafter be conferred upon it and vested in it by the laws and Constitution of the State of New Jersey and of the United States, including, but without limiting, the generality of the foregoing, the following rights:

1. The management and administrative control of the operation of the School District and its properties and facilities and activities of its employees;

2. To hire all employees and to determine their qualifications and condition for continued employment or assignment and to promote and transfer employees;

3. To suspend, demote, discharge or take other disciplinary action for good and just cause;

4. To determine curricula, grade, courses, athletic and recreational programs, methods of instruction and material used for instruction;

5. To determine the methods, means and personnel by which the District operations are conducted;

6. To determine the content of job qualifications and duties;

7. To take all necessary actions to carry out its responsibilities in the conduct of regular business and in emergencies;

B. The exercise of the foregoing powers, rights, authority, duties and responsibilities of the Board, the adoption of policies, rules, regulations and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the express terms of this Agreement, and then only to the extent such terms hereof are in conformance with the Constitution and Laws of the State of New Jersey and of the United States.

C. Nothing contained herein shall be construed to deny or restrict the Board of its rights, responsibilities and authority under R.S. 18A, School Laws of New Jersey, or any other national, state, county, district or local laws or regulations.

ARTICLE XVII

DEDUCTION FROM SALARY

A.1. The Board agrees to deduct from the salaries of its teachers dues for the Unified Associations (Carlstadt Teachers Association, Bergen County Education Association, New Jersey Education Association and the National Education Association) as said teachers individually and voluntarily authorize the Board to deduct. Requests must be filed with the Secretary of the Board prior to October 1st of each year, on an appropriate form to be supplied by the Board. Notice of withdrawal is effective on January 1 and July 1 next succeeding the date of which notice of withdrawal is filed.

ARTICLE XVIII

FULLY BARGAINED PROVISIONS

Subject to applicable law, this Agreement represents and incorporates the complete and final **understanding** and settlement by the parties of all bargainable issues which were or could have been the subject of negotiations. During the term of this Agreement, neither party will be required to negotiate with respect to any such matter, whether or not covered by this Agreement, and whether or not within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this Agreement.
