ARTICLE 1. RECOGNITION AND RIGHTS

Section 1. The Township of Franklin hereby recognizes the Union as the sole and exclusive bargaining agent for all the employees now employed or to be employed as blue collar employees in the Departments of Parks and Recreation, Public Works, Water and Health including Laborer, Utility, Mechanic's Helper, Mechanic, Driver, Dispatcher, Equipment Operator, Water Maintenance Worker, Water Meter Reader, Custodian, Parks Maintenance Workers, Animal Control Officer and Animal Custodian; excluding Administrative, Office Clerical and Technical personnel, Managerial Executives, Craft employees, Professional employees, Police Officers and Supervisors of the Township of Franklin in all those matters specifically provided for herein, pertaining to wages, hours and conditions of employment.

Section 2. The bargaining unit shall consist of all blue collar employees in the Departments of Parks and Recreation, Public

Works, Water and Health including Laborer, Utility, Mechanic's Helper, Mechanic, Driver, Dispatcher, Equipment Operator, Water Maintenance Worker, Water Meter Reader, Custodian, Parks Maintenance Workers, Animal Control Officer and Animal Custodian; excluding Administrative, Office Clerical and Technical personnel, Managerial Executives, Craft employees, Professional employees, Police Officers and Supervisors of the Township of Franklin in Somerset County, New Jersey.

Section 3. The Union recognizes that the Employer is a Public Body Politic that was created and exists by virtue of statutory enactments, that it is in the nature of a political subdivision, and that its operations are for the public benefit.

By reason thereof, the Union acknowledges that the power of the Employer to enter into this agreement or any of the provisions thereof is or may be subject to legal limitations, and, in the event all or any part of this Agreement contravenes any statutory or legal requirements or exceeds the lawful powers of the Employer, then to the extent of such contravention, this agreement or such of its provisions as are legally objectionable shall be null and void. The parties mutually agree that the nullity of any provisions shall not void the remainder of this agreement, provided, however, that such provision can be severed from the Agreement without substantially affecting the whole thereof.

Section 4. It is agreed that management officials retain the right to direct employees, to hire, to promote, transfer, assign and retain employees within the occupations covered by this agreement and to suspend, demote, discharge or take other disciplinary action against the employees for just cause, to relieve employees from duties because of lack of work or funds or for other legitimate reasons, to maintain the efficiency of the operations entrusted to them to determine the methods, means and personnel by which such operations are to be conducted and to take whatever action may be necessary to carry out the mission of the Employer in situations of emergency, as determined by management, provided that such rights shall not be exercised in violation of other sections of this agreement.

ARTICLE 2. UNION AND EMPLOYER SECURITY

Section 1. The Employer agrees it will give effect to the following form of Union Security:

(a) All present employees who are members of the Local Union on the effective date of this agreement can remain members of the Local Union in good standing by payment of the regular monthly dues. All present employees who are not members of the Local Union will pay a Representation Fee as set forth hereafter.

(b) It is agreed that at time of hire, newly hired employees, who fall within the bargaining unit, will be informed that they have a chance to join the Union or pay to the Local Union a Representation Fee.

Section 2. If written authorization is not made by an employee, the Union agrees that it shall have the sole responsibility for collection of the regular dues and initiation fees, and that the payment of Union dues, initiation fees and service fees shall not be a condition of employment.

Section 3. Check-Off of Union Dues

(a) The Employer hereby agrees to deduct from the wages of employees by means of check-off the dues uniformly required by the Labor organizations pursuant to the provisions of N.J.S. 52:14-15.9E. The Employer, after receipt of written authorization from each individual employee agrees to deduct from the wages of said employees their monthly dues and initiation fees. Such deduction shall be made from the first wage paid to each employee during the month and such deduction made the first month shall be a double deduction and then after the regular deduction shall apply to dues owed for the following month.

(b) In making the deductions and transmittals as above specified, the Employer shall rely upon the most recent communication received prior to the month in question certified to the Employer by the Secretary-Treasurer of the Union of monthly dues and the proper amount of initiation fee and any arrearage of dues owed. The total amount deducted shall be paid to the Union within fifteen (15) calendar days after such deduction is made.

(c) The Employer agrees to notify the Union in the event dues for an employee cannot be deducted from the designated wages and the reason thereof.

Section 3(a). Representation Fee

(a) If an employee does not become a member of the Union during any membership year (from January 1 to the following December 31) which is covered in whole or in part by this agreement, said employee will be required to pay a representation fee to the Union for that membership year. The purpose of this fee will be to offset the employee's per capita cost of services rendered by the Union as majority representative.

(b) Prior to the beginning of each membership year, the Union will notify the employee in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Union to its own members for that membership year. The representation fee to be paid by non-members will be equal to 85% of that amount.

In order to adequately offset the per capita cost of services rendered by the Union as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Union to its own members, and the representation fee has been set at 85% of that amount solely because that is the maximum presently allowed by law.

(c) 1. Once during each membership year covered in whole or in part by this agreement, the Union will submit to the Employer a list of those employees who have not become members of the Union for the then current membership year. The Employer will deduct from the salaries of such employees, in accordance with paragraph 2, below the full amount of the representation fee and promptly will transmit the amount so deducted to the Union.

2. The Employer will deduct the representation fee in equal installments, as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the second paycheck paid after receipt of the aforesaid list by the Employer.

3. If an employee who is required to pay a representation fee terminates his or her employment with the Employer before the Union has received the full amount of the representation fee to which it is entitled under this Article, the Employer will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question.

4. Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Union will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Union.

5. The Union will notify the Employer in writing of any changes in the list provided for in paragraph 1, above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Employer received said notice.

6. Teamster Local 11 shall establish and maintain at all times a demand and return system as provided by N.J.S.A. 34:13A-5.5(c) and 5.6 and membership in Teamster Local 11 shall be available to all employees in the unit on an equal basis at all times. In the event Teamster Local 11 fails to maintain such a system or if membership is not so available, the Employer shall immediately cease making said deductions.

Section 4. It is agreed that during the terms of this agreement neither the Union, its officers or members, shall instigate, call, sanction, condone or participate in any strike, (or threats thereof), slowdown, stoppage of work, boycott, picketing, willful failure to report for work, or willful interference with production, transportation or distribution, and that there shall be no lock-out of employees by the Employer.

In the event that any of the employees violate the provisions of the above paragraph, the Union shall immediately order any of its members who participate in such action back to their jobs, forward copies of such order to the Employer, and use every means at its disposal to influence the employees to return to work.

Any employees failing to report back to work within twenty four (24) hours of the strike, slowdown, stoppage, boycott or picketing or failing to cease engaging in any of the above conduct, will be subject to discipline by the Employer. Discipline may include loss of seniority or discharge.

ARTICLE 3. GRIEVANCE PROCEDURE

Section 1. A grievance shall be a claim by an employee that as to him he has been harmed by the interpretation or application of the agreement.

Section 2. A grievance to be considered under this procedure must be initiated in writing within ten (10) calendar days from the time when the cause of the grievance occurred and the procedures following shall be resorted to as the said means of obtaining adjustment of the grievance.

Section 3. Procedure

(a) Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the grievance to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be a waiver of further appeal of the decision.

(b) The grievance, when it first arises, shall be taken up orally between the employee, the Shop Steward and the Supervisor. The Supervisor shall within five (5) working days thereafter give an oral or written answer on the grievance.

(c) If no satisfactory settlement is reached during the first informal conference, then such grievance shall be reduced to writing and within five (5) days the Shop Steward shall serve the same upon the Employer. Within three (3) working days thereafter, the grievance shall be discussed between the Director of the Department and a representative of the Union. A written decision shall be given the Union within five (5) working days thereafter.

(d) If the decision given by the Director of the Department to the Union does not satisfactorily settle the grievance, the Union shall notify the Township Manager in writing within five (5) working days of its desire to meet with the Township Manager, who shall meet with the representative of the Union within five (5) working days after receipt of such notice by the Township Manager. A written decision shall be given to the Union within five (5) working days thereafter, except this time period may be extended by mutual agreement.

(e) In the event the grievance is not satisfactorily settled by the meeting between the Department Head and the representative of the Union, then both parties agree that within ten (10) calendar days either party may request the New Jersey State Mediation

Service to aid them in the selection of an Arbitrator, according to the rules and regulations of the Service who shall have full power to hear and determine the dispute; and the Arbitrator's decision shall be final and binding.

Section 4. The Arbitrator shall have no authority to change, modify, alter, substitute, add to, or subtract from the provisions of this agreement. No dispute arising out of any question pertaining to the renewal of this agreement shall be subject to the arbitration provisions of this agreement.

Section 5. The cost of the Arbitrator shall be shared equally by the Employer and the Union.

ARTICLE 4. SENIORITY

Section 1. The Employer shall establish and maintain a seniority list of employees, names and dates of employment from date of last hire on a system-wide basis, with the employee with the longest length of continuous and uninterrupted system-wide service to be placed at the top of said seniority list. The name of all employees with shorter length of continuous service shall follow the name of such senior employees, in order, until the name of the employee with the shortest length of service appears at the foot of the list. The seniority of each employee shall date from the employee's date of last hiring with the Employer.

Section 1(a). System entity shall prevail. In the event of a temporary absence or shortage of personnel, the Employer shall fill the same in the following manner:

(a) The Employer will fill the vacancy from the lesser classification with the highest seniority qualified man from the same system.

(b) If no replacement is available in the lesser classification, the Employer shall select from the system a man of higher classification with least seniority.

(c) If no qualified employees are available within the system replacement will be sought from other departments.

Section 2. Other than seasonal and part-time employees, new employees retained beyond the probationary period shall be considered regular employees and their length of service with the Employer shall begin with the original date of their employment and their names placed on the Seniority List. Such Seniority List shall be kept up to date with additions and subtractions as required.

Section 3. Probationary Period

(a) The first thirty (30) days of employment for all new employees shall be considered a probationary period. It is further agreed that the Employer may request an extension of this probationary period for up to two (2) additional thirty (30) day

periods which extensions will not be unreasonably denied by the Union.

(b) During the aforementioned probationary periods, the Employer may discharge such employee for any reason whatsoever. An employee discharged during his probationary period shall not have recourse to the grievance procedure as set forth in this agreement. The Employer shall have no responsibility for the re-employment of newly engaged probationary employees if they are dismissed during the probationary period.

Section 4. Job Vacancies, New Jobs Created

(a) If new jobs are created or if vacancies occur in a higher rated position, the Employer shall determine the qualifications required for the position.

(b) The Employer agrees to post a notice of such new job or vacancy, on the bulletin board for a period of three (3) working days. Such notice shall contain a description of the job, the rate and when on or about the job will be available. Unit employees interested, in order to be eligible, must apply in writing to the Personnel Office. All employees are eligible to bid. Lateral and down bidding will not be considered, however, the Employer may waive this prohibition in case of health problems and special circumstances.

(c) The Employer shall determine which, if any, of the unit applicants meet the qualifications. The most senior of those determined by the Employer to meet the qualifications shall be deemed to be the successful bidder. If an employee is disqualified with the determination of the Employer, he may institute a meeting with the Department Head within three (3) calendar days after notification of the selection is made. If a bidder is a successful applicant he will be notified in writing of this appointment.

(d) Any employee so selected to fill such job shall be required to serve a probationary period of up to six (6) months. It shall be determined by the Employer at any time after the first ten (10) calendar days of the probationary period that the promoted employee is not qualified to discharge the duties of the position to which he was promoted. The Employee shall resume his former position or a position equivalent thereto. The employee shall receive the rate for the job as of the day he begins his probationary period, such rate will be equal to or greater than the next increment in a lower scale position.

(e) The Employer shall establish the hourly rate for any new or materially changed job title falling in the scope of the bargaining unit and shall notify the Union in writing. If the Union files a written protest, the Union and the Employer shall jointly study the new or changed job title and its relationship to the other job titles in the Employer's system on the basis of factors and procedures customarily used in job evaluation programs and shall determine the appropriate hourly rate accordingly.

Section 5. Force Reduction

(a) The Employer agrees that it will not engage any new employees in the unit unless all of the regular full-time employees are working the scheduled hours as noted in this agreement.

(b) In the reduction or restoration of the working force, the rule to be followed shall be the length of service with the Employer, however, no employee assigned to and performing the duties of a classification which is above that of Laborer shall be laid off unless an employee who is retained is qualified to perform the duties of that classification. The employee with the least seniority shall be laid off first and in rehiring the reverse principle shall apply, namely, the last employee laid off shall be the first to be rehired.

(c) In the event of a reduction in the number of persons in a job classification or of the abolishment of a job classification, the displaced employee may bump into a classification first which carries the same rate of pay, secondly into a classification carrying a lesser rate of pay.

(d) Notice of any impending lay-off shall be placed upon the bulletin board seventy-two (72) hours prior to the lay-off.

(e) An employee's seniority shall cease under the following conditions:
