2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with any appropriate member of the Administration, and having the grievance adjusted without the intervention of the Association.

### B. Definitions

The term "grievance" shall mean an allegation that there has been:

1. A misinterpretation or misapplication of the terms of this Agreement which is subject to the grievance procedure outlined herein and shall hereinafter be referred to as a "contractual grievance"; or

2. Inequitable, improper, unjust application or misinterpretation of rules or regulations, existing policy, or orders applicable to the Salem County Board of Social Services, which shall be processed up to and including the Board of Social Services Board, and shall hereinafter be referred to as a "non-contractual grievance".

### C. Presentation of a Grievance

The Salem County Board of Social Services agrees that in the presentation of a grievance there shall be no loss of pay for the time spent in presenting the grievance by the grievant and one Association representative who is an employee of the Board throughout the grievance procedure.

D. Steps of the Grievance Procedure

The following constitutes the sole and exclusive method for resolving grievances between the parties covered by this Agreement:

STEP 1

A. The grievant shall institute action under the provisions hereof in writing, signed and delivered to his or her Supervisor within ten (10) working days of the occurrence complained of, or within ten (10) working days after he would reasonably be expected to know of its occurrence. Failure to act within said ten (10) days shall be deemed to constitute an abandonment of the grievance. The grievant may be represented by an employee who is the Association representative.

B. The Supervisor shall render a decision in writing within ten (10) working days after receipt of the grievance.

STEP 2

A. In the event satisfactory settlement has not been reached, the grievant shall, in writing and signed, file his complaint with the Director of Board of Social Services within five (5) working days following the determination at Step 1. The grievant may be represented by an employee who is the Association representative.

B. The Director of Board of Social Services, or his designee, shall render his decision within ten (10) working days after the receipt of the complaint.

STEP 3

A. Should the grievant disagree with the decision of the Director, or his designee, the aggrieved may within five (5) working days submit to the Board a statement in writing and signed as to the issues in dispute. In the event the grievant files his statement with the Board at least ten (10) working days prior to a Board meeting, the matter shall be placed on the agenda for the Board meeting. Statements filed less than ten (10) working days before a Board meeting may be heard by the Board at the meeting or at the Board's discretion placed on the agenda for

the following meeting. The Board shall review the decision of the Director together with the disputed areas submitted by the grievant. The grievant and/or the Association representative may request an appearance before the Board. The Board will render its decision within fifteen (15) working days after the Board meeting at which the matter has been reviewed. If the Board's decision involves a non-contractual grievance, the decision of the Board shall be final.

B. The grievant may be represented by the Association representative. A minority organization shall not present or process grievances.

#### STEP 4

A. Any unresolved contract grievance ( as defined in B.1, Definitions above) except matters involving appointment, promotion, or assignment or matters within the exclusive province of Civil Service, may be appealed to arbitration only by the Association. The Association must file the request for arbitration within fifteen (15) working days after the receipt of the Board's decision.

B. Nothing in this Agreement shall be construed as compelling the Association to submit a grievance to arbitration or to represent an employee before Civil Service. The Association's decision to request the movement of a grievance to arbitration shall be final as to the interests of the grievant and the Association.

C. Where the grievance involves an alleged violation of individual rights specified in Civil Service Law and rules for which a specific appeal to Civil Service is available, the individual may present his complaint to Civil Service procedure or the grievance procedure as herein provided. Once the grievant makes the selection of procedure, such election shall be deemed final and binding and constitute an absolute waiver of the procedure not selected. The election will be made in writing at the appropriate time on the grievance form.

D. The arbitrator shall be selected by agreement between the parties within thirty (30) working days following the execution of this agreement. The arbitrator shall be selected from a list of arbitrators who are members of the Institute of Management and Labor Relations of Rutgers University and shall be designated as permanent and shall serve during the life of the agreement, or

E. If the parties do not desire a permanent arbitrator, they may have the option of selecting an arbitrator on a case-by-case basis as follows:

1. By selection from a list of arbitrators who are members of the Institute of Management and Labor Relations of Rutgers University, in accordance with the selection procedures of the Institute, or;

2. By selection from the panel of arbitrators maintained by the Public Employment Relations Commission, in accordance with the selection procedures of the Public Employment Relations Commission, or;

3. By selection from the panel of arbitrators maintained by the American Arbitration Association, in accordance with the selection procedures of the American Arbitration Association.

F. The parties shall meet at least ten (10) working days prior to the date of the arbitration hearing to frame the issues to be submitted to the arbitrator and to stipulate the facts of the matter in an effort to expedite the hearing.

G. The decision or award of the arbitrator shall be final and binding on the Board of Social Services Board, the Association and the grievant or grievants to the extent permitted by and in accordance with applicable law and this agreement.

H. The arbitrator may prescribe an appropriate back pay remedy when he finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with the terms of this Agreement, except that he may not make an award which exceeds the Board of Social Services Board's authority.

The arbitrator shall have no authority to prescribe a monetary award as a penalty for a violation of this Agreement.

I. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement and shall confine his decision solely to the interpretation and application of this Agreement. He shall confine himself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not submitted to him, nor shall he submit observations or declarations of opinions which are not essential in reaching the determination.

J. The costs of the services of the arbitrator shall be borne equally by the Board and the Association. Any other expenses incurred in connection with the arbitration shall be paid by the party incurring the same.

K. The cost of transcript, in any, will be borne by the party requesting it. If both parties request a transcript the cost will be shared equally.

L. The arbitrator shall hold a hearing at a time and place convenient to the parties as expeditiously as possible after his selection and shall issue this decision within thirty (30) days after the close of the hearing.

M. Grievance resolutions or decisions at Step 1 through 4 shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made by the authorized representative of both parties. This is not to be construed as limiting the right of either party to introduce relevant evidence, including such grievance resolutions, as to the prior conduct of the other party.

#### ARTICLE XXVII LABOR RELATIONS COMMITTEE

The Association will designate a Labor Relations Committee limited to three (3) members of the Association for the purpose of enhancing labor relations between employer and employees. Committee representatives may appear at Board of Social Services meetings to discuss matters in which it is felt that Civil Service regulations are being abridged or abused by the Director of Board of Social Services. Appearance by the Committee may be made by filing a written notice in intent to the Board. The matter shall be placed on the agenda for the next Board meeting if notice is made at least ten (10) working days prior to a Board meeting.

Notices filed less than ten (10) working days before a Board meeting may be heard by the Board at the meeting or at the Board's discretion placed on the agenda for the following meeting.

ARTICLE XXVIII FULLY BARGAINED PROVISIONS

The parties agree that they have fully bargained and agreed upon all terms, conditions of employment and that the Agreement represents and incorporates the complete and final understanding and settlement by the parties of all bargainable issues which were the subject of negotiations.

ARTICLE XXIX TERM OF AGREEMENT

This Agreement shall be accepted and become effective as of January 1, 1991 and shall remain in full force and effect through December 31, 1993, with the exception of salaries to be reopened January 1, 1992 and January 1, 1993. Either party shall notify the other, in writing, 90 calendar days prior to the end of 1993 of its intention to negotiate a new contract.

In the event that such notice is given, negotiations shall begin not later than ninety (90) days prior to the end of the calendar year; and this Agreement shall remain in full force and be effective during the period of negotiations until a new Agreement is amicably signed thereto.
