Any such ratified Agreement shall be Reduced to writing, be signed by the Board and the Association and be adopted.
- D. This Agreement shall not be modified in whole or in part by the parties except by an instrument in writing duly executed by both parties.

ARTICLE 3
GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance" is a claim by an employee, or a representative of employees based upon the interpretation, application, or violation of this Agreement, policies or administrative decision affecting them.
2. An aggrieved person is a person or persons making the claim.
3. A grievance to be considered under this procedure must be initiated by the employee thirty (30) calendar days from the time when the grievant knew or should have known of its occurrence and be signed by all parties in interest when first submitted in writing. If the grievance is a class action involving six (6) or more people, individual signatures shall not be required, but a list of names of those people affected shall be submitted with the grievance.

B. Purpose

1. The purpose of these procedure is to secure solutions to problems affecting terms and conditions of employment of employees at the lowest possible level.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter formally with any appropriate member of the administration, and having the grievance adjusted without intervention of the Association.

C. Procedure

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits may, however, be extended by mutual agreement. If a grievance is not processed within proper time limits by the aggrieved Association, the grievance is automatically denied and dropped.
2.
 - a. Failure at any step of these procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of these procedures to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step.
 - b. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and

applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

3. Level One

Any employee who has a grievance shall discuss it first with his/her immediate supervisor in an attempt to resolve the matter informally at that level.

4. Level Two

If as a result of the discussion, the matter is not resolved to the satisfaction of the employee within (7) calendar days, he/she shall set forth his/her grievance in writing to the immediate supervisor specifying:

- a. The nature of the grievance including the date it occurred;
- b. The nature and extent of the injury, loss or inconvenience;
- c. The specific contract provision, board policy or administrative decision being grieved;
- d. The results of previous discussions;
- e. Dissatisfaction with decisions previously rendered.

The immediate supervisor shall communicate his/her decision to the employee in writing within seven (7) calendar days of receipt of the written grievance.

5. Level Three

The employee, no later than seven (7) calendar days after receipt of the immediate supervisor's decision, may appeal this decision to the Superintendent of Schools. The appeal to the Superintendent must be made in writing reciting the matter submitted to the supervisor as specified above and his or her dissatisfaction with decision previously rendered. The Superintendent shall attempt to resolve the matter as quickly as possible but within a period not to exceed twenty (20) calendar days. The Superintendent shall communicate his/her decision in writing to the employee and the principal or immediate supervisor.

6. Level Four

If the aggrieved person is not satisfied with the resolution of the grievance at Level Three, then the grievance shall be submitted to the Board of Education within seven (7) calendar days of receipt of the decision of the

Superintendent and the Board shall render a decision in writing within thirty (30) calendar days after the submission of grievance to Level Four.

The Association can request an appearance before the Board. The Board will decide if an appearance is appropriate on a case-by-case basis. The appearance shall be limited to fifteen (15) minutes. When an appearance occurs, the Board shall render a decision within thirty (30) calendar days of the appearance.

7. Level Five

If the aggrieved person is not satisfied with the decision of the Board or if no decision has been rendered by the Board within thirty (30) calendar days, the aggrieved person or the Association shall advise the Board in writing of its intent to arbitrate. Such notice shall be sent within fourteen (14) days of receipt of the Board's decision or within forty-four (44) calendar days without a Level 4 response by the Board.

Within fourteen (14) calendar days after receipt of the Association's notice to arbitrate, the Board or its representative and the Association or its representative should attempt to agree upon a mutually acceptable arbitrator and shall obtain a commitment from said arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain a commitment within an agreed upon period, the following procedure shall be used to obtain the services of an arbitrator.

- a. A request will be made to the New Jersey Public Employment Relations Commissions (PERC) to submit a roster of persons qualified to function as an arbitrator in the dispute in question.
- b. If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request the New Jersey Public Employment Relations Commission (PERC) to submit a second roster of names.
- c. If the parties are unable to determine, within ten (10) calendar days of the initial request for arbitration, a mutually satisfactory arbitrator from the second list, the New Jersey Public Employment Relations Commission (PERC) may be requested by either party to designate an arbitrator.

The arbitrator so selected shall confer with the representatives of the Board and the Executive Committee and shall hold hearings promptly and shall issue his decision not later than ten (10) calendar days from the close of the hearings. The arbitrator's decision shall be in writing and shall set forth his finds of fact, reasoning and conclusions on the issues submitted. The decision of the arbitrator shall be submitted to the Board and the Association and shall be final and binding on the parties.

The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses and the cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring the same. If time is lost by any employee due to arbitration proceedings necessitating the retention of a substitute, the Board of Education will pay the cost of the substitute. The time lost by an employee must be either without pay or charged to personal time.

D. Rights to Representation

Any grievant may be represented at all stages of the grievance procedure by himself, or at his option, by a representative selected or approved by the Association. When an employee is not represented by the Association, the Association shall be notified and have the right to be present and to state its views at all formal steps of the grievance procedure.

E. Miscellaneous

1. All decisions above Level One shall be in writing. The complete file of decisions and appeals shall be transmitted to the next level.
2. All documents, communications and records dealing with the procession of a grievance shall be filed in a separate grievance file in the office of the Superintendent of Schools.
3. Forms for filing grievances, serving notices, taking appeals, making reports and recommendations, and other necessary documents shall be prepared jointly by the Superintendent and the Association and given appropriate distribution so as to facilitate operation of the grievance procedures.
4. All meetings and hearings under this procedure shall not be conducted in public and shall include only such parties in interest and their designated or selected representatives heretofore referred to in this Article.
