**B. Purpose**

1. The purpose of this procedure is to secure at the lowest possible level a solution to the problems which may from time to time arise affecting the terms and conditions of employment.
2. Nothing herein contained shall be construed as limiting the right of any employee having a grievance to discuss the matter informally with his/her supervisor or principal provided the adjustment is not inconsistent with the terms of this Agreement.

**C. Procedure**

1. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
2. In the event that a grievance is filed on or after June 1, the time limits set forth herein may be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.

**Level One:** A grievant shall first discuss his/her grievance with his/her principal or immediate supervisor, either directly or through the Association's designated representative, with the objective of resolving the matter informally.

**Level Two:** In the event the grievant wishes to pursue his/her grievance further, the grievant shall submit a written copy of the grievance to his/her principal or immediate supervisor within five (5) school days of the informal discussion. An effort to resolve the matter will be made at a meeting called within five (5) school days of the date the written grievance was filed. If the matter cannot be resolved, the principal or immediate supervisor will render a written decision to the aggrieved person within five (5) school days of the conference.

The written grievance shall specify:

- a. the act or omission giving rise to the grievance citing specific instance(s) and the persons involved,
- b. the contract articles, board policies or administrative decision allegedly being violated, and
- c. the remedy sought.

**Level Three:** In the event that the grievant wishes to pursue his/her grievance further, he/she may within five (5) school days of receipt of the decision from his/her supervisor or principal file a written copy of his/her grievance with the Association to determine whether or not the grievance has merit. If the Association considers the grievance to have merit, a written copy of the grievance shall be filed with the Superintendent of Schools within five (5) school days from its receipt by the Association.

**Level Four:** Within ten (10) school days after the grievance has been filed with the Superintendent of Schools, he/she shall meet with the grievant in an effort to resolve it. The Superintendent shall render a written decision within ten (10) school days of the meeting. If the matter is not resolved, the grievant may within ten (10) school days of the receipt of the Superintendent's decision refer the matter to the Board of Education.

**Level Five:** The Board of Education, or at its option, a committee thereof, will consider the grievance and set forth its decision in writing within forty (40) calendar days from the date it will have been filed with the Board Secretary. The Association shall be permitted five (5) members on the Association Committee but only three (3) shall be permitted to participate in the presentation of the grievance. The Association may have a Field Representative from the State organization present. The number of witnesses permitted to testify shall be mutually agreed upon. Attendance at all hearings shall be limited to those listed in this Agreement.

D. Arbitration - (Section D. applies to teachers only.)

1. If the aggrieved teacher is not satisfied with the disposition at Level Five, he/she may within seven (7) school days of receipt of the Board's decision, or if no decision within fourteen (14) school days of the date on which the hearing was held by the Board, file a written request that the Association's Grievance Committee submit the grievance to arbitration. If the Association's Grievance Committee determines that the grievance is meritorious, it may submit the grievance to arbitration within fifteen (15) school days after receipt of the request by the aggrieved person.
2. The parties shall abide by the rules and regulations of the Public Employment Relations Commission in the selection of the arbitrator. The cost for the services of the arbitrator shall be borne equally by the Board and the Association.

3. The arbitrator shall be without power or authority to make any decision contrary to law. The arbitrator's decision shall be consistent with terms of the Agreement. The arbitrator's decision shall be binding on the parties.

### ARTICLE VII ~ NEGOTIATIONS PROCEDURE

- A. The parties agree to enter into collective negotiations over a Successor Agreement in accordance with NJSA 34:13A-1 through 13.
- B. Any Agreement negotiated shall apply to all employees, be reduced to writing, be signed by representatives of the Board and the Association, and shall be subject to adoption by the Board and the membership of the Association.

- E. The Board and the Association agree that if any provision of the negotiated Agreement or any application of the Agreement to any employee or group of employees is held to be contrary to law, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.
- F. Any individual contract between the Board and an individual employee, heretofore, or hereafter executed, shall be consistent with the terms and conditions of the Agreement. If an individual contract contains any language inconsistent with this Agreement, this Agreement, during its duration, shall be controlling.

- I. Whenever any notice is required to be given by either of the parties to the Agreement to the other, pursuant to the provision(s) of the Agreement, either party shall do so by telegram or registered letter at the following addresses. - B. The Association acknowledges that the employees of the Board of Education which it represents are not entitled to take any collective action to disable the Board of Education in the discharge of its statutory duty and the Association agrees that such action would constitute a material breach of the Agreement. Nothing contained in this Agreement shall be construed to limit or restrict the Board of Education in its right to seek and obtain such judicial or other relief as it may be entitled to have in the event of such breach.

A. Employee Savings Plan

The Board agrees to make authorized deductions from salary and contributions to the following plans on behalf of the employee.

1. Credit union.
2. Tax-free annuity plans.

B. Association Dues

1. The Board agrees to deduct from the salaries of the members of the Association bargaining unit dues as authorized by the South River Education Association and its affiliates that said employees individually and voluntarily authorize the Board to deduct. Such deductions shall be remitted to the Treasurer of the Association in compliance with Chapter 233, Public Laws of 1969 (NJSA 52:14-15.9e) under the rules established by the State Department of Education.
2. The Association shall certify in writing to the Board by August 1 the current rate of membership dues of the Association and/or any of its affiliates.
3. If an employee terminates his or her employment with the Board before the Association has received the full amount of dues to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question provided such deduction is permitted by law.
4. Indemnity
  - a. The Association shall indemnify and save the Board of Education harmless against any and all claims, demands, suits, or other forms of liability and costs that shall arise out of, or by reason of, action taken or not taken by the Board of Education in complying with this Article.
  - b. The Board agrees to give to the Association timely notice in writing of any claim, demand, suit or other form of liability which may give rise to a claim by the Board of Education for indemnification.
  - c. If the Association so requests in writing, the Board may surrender to it full responsibility for the defense of such claim, demand, suit or other form of liability and will cooperate fully with the Association in gathering evidence, securing witnesses and providing information required by the Association to defend the action.

C. Representation Fee

1. Purpose of Fee

If an employee does not become a member of the Association during any membership year (i.e., from September 1 to the following August 31) which is covered in whole or in part by this Agreement, said employee will be required to pay a representation fee to the Association for that membership year, not to exceed 85% of regular membership dues, initiation fees and assessments.

2. Amount of Fee

a. Notification

Prior to the beginning of each membership year, the Association will notify the Board in writing of the amount of the regular membership dues, initiation fees and assessments charged by the Association to its own members for the membership year. The representation fee to be paid by the nonmembers will be as certified by the Association but in no event greater than 85% of regular membership dues, initiation fees and assessments.

b. Legal Maximum

In order adequately to offset the per capita cost of services rendered by the Association as majority representative, the representation fee should be equal in amount to the regular membership dues, initiation fees and assessments charged by the Association to its own members less the cost of benefits financed through the dues, fees and assessments and available to or benefiting only its members.

3. Deduction and Transmission of Fee

a. Notification

Once during each membership year covered in whole or in part by this Agreement, the Association will submit to the Board a list of those employees who have not become members of the Association for the then current membership year. The Board will deduct from the salaries of such employees, in accordance with paragraph (2) below, the full amount of representation fee and promptly will transmit the amount so deducted to the Association.

b. Payroll Deduction Schedule

The Board will deduct the representation fee in equal installments as nearly as possible, from the paychecks paid to each employee on the aforesaid list during the remainder of the membership year in question. The deductions will begin with the first paycheck:

- (1) ten (10) days after receipt of the aforesaid list by the Board; or

- (2) thirty (30) days after the employee begins his/her employment in a bargaining unit position, unless the employee previously served in a bargaining unit position and continued in the employ of the Board in a non-bargaining unit position or was being re-employed from a re-employment list in which event the deductions will begin with the first paycheck ten (10) days after the resumption of the employee's employment in a bargaining unit position, whichever is later.
- c. Termination of Employment  
If an employee who is required to pay a representation fee terminates his/her employment with the Board before the Association has received the full amount of the representation fee to which it is entitled under this Article, the Board will deduct the unpaid portion of the fee from the last paycheck paid to said employee during the membership year in question provided such deduction is permitted by law.
- d. Mechanics  
Except as otherwise provided in this Article, the mechanics for the deduction of representation fees and the transmission of such fees to the Association will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the Association.
- e. Changes  
The Association will notify the Board in writing of any changes in the list provided for in paragraph 1 above and/or the amount of the representation fee, and such changes will be reflected in any deductions made more than ten (10) days after the Board received said notice or thirty (30) days if paragraph 2 above applies.
- f. Indemnification
  - (1) The Association shall indemnify and save the Board harmless against any and all claims, demands, suits and other forms of liability and costs that shall arise out of, or by reason of, any action taken or not taken by the Board in complying with this Article.
  - (2) The Board agrees to give to the Association timely notice in writing of any claim, demand, suit or other form of liability which may give rise to a claim by the Board of Education for indemnification.
  - (3) If the Association so requests in writing, the Board may surrender to it full responsibility for the defense of such claim, demand, suit or other form of liability and will cooperate fully with the Association in gathering

evidence, securing witnesses and providing information required by the Association to defend the action.

- g. Demand and Return System  
The Association shall submit to the Board evidence that it has established a Demand and Return System which complies with the requirements of the law.

The prescription co-pay shall be five dollars (\$5.00) for generic and fifteen (\$15.00) for brand drugs for a thirty (30) day retail supply, and to ten dollars (\$10.00) for generic and thirty dollars (\$30) for brand drugs for a ninety (90) day mail order supply.

D. Health Benefit Waiver

Employees may waive health benefits (medical, prescription and dental) provided they can prove to the Business Administrator that they have benefits provided by another source. The terms and conditions of waiver are outlined on the Health Benefit Waiver Form attached hereto and made a part hereof as Exhibit A.

Effective starting with the 2013-2014 school year, employees waiving health insurance coverage shall be eligible for a payment of twenty-five percent (25%) of the premium saved by the Board for the level of coverage for which the employee is eligible. In no case shall such payment exceed five thousand dollars (\$5,000.00) per year.

**ARTICLE XI - LEAVES OF ABSENCE**

A. Sick Leave

1. All ten-month employees shall be granted ten (10) days of sick leave yearly. All twelve-month employees shall be granted twelve (12) days sick leave yearly. All unused sick leave shall be cumulative for a possible emergency in later years.
2. If an employee because of illness is absent from school for more than three (3) consecutive days, the employee must present a doctor's certificate to the Superintendent upon return.
3. Employees who have been on leave of absence authorized by the Board shall have previous accumulated sick leave restored to them upon return to active service.
4. A member leaving school for reasons of illness at least 3.5 hours after their reporting time will be charged a half sick day. A member leaving school for reasons of illness prior to 3.5 hours from their reporting time will be charged with a full sick day.

B. Disability Leave (Including childbirth related disability.)

1. Any employee who anticipates disability because of a specific future event, such as pending surgery or other medical procedures, shall report that status to the Board of Education as soon as such employee becomes aware of same. If the anticipated disabling event is childbirth, the employee who becomes pregnant shall notify the Board at least ninety (90) days prior to the expected date of delivery. At the time of notification, the employee shall submit a physician's certificate attesting to the pending disabling condition.
2. Requests for disability/sick leave relating to anticipated disability shall include dates of onset and return from such leave.
3. An employee may request unpaid leave of absence to prepare for an anticipated disabling event. Such requests shall be submitted a minimum of sixty (60) days prior to the onset of the requested leave; except that in cases of emergency, as determined by the Board, such requests may be submitted less than sixty (60) days prior to the onset of the requested leave.
4. When the expected date of onset of disability occurs during periods which would substantially interfere with the administration of the school and/or the education of the pupils, the Board may alter the requested dates providing that such change by the Board is not medically contraindicative.
5. The employee who anticipates a specific disabling event and who does not request unpaid leave of absence prior to the anticipated disabling event shall become entitled to applicable sick leave benefits. The Board may require certification of such disability.
6. Requests by employees for extension of sick leave benefits shall be governed by law under N.J.S.A. 18A:30-6.
7. If the anticipated disabling event is childbirth the Board shall presume that the pregnant employee becomes disabled for work four (4) weeks before the anticipated date of childbirth, upon certification of pregnancy by a physician, at which time the pregnant employee shall become eligible for sick leave benefits to the extent of available accumulated sick leave days. The employee shall be required to apply for sick leave to the Board of Education which shall grant same for said four (4) week period of time upon submission to the Board of Education of a physician's certificate attesting to pregnancy. This option is granted only to employees actively employed and not to those employees on unpaid personal leave. If, as a result of the pregnancy, the employee becomes disabled prior to this four-week period said employee may use any sick leave benefits to which the employee is entitled providing that (1) the employee's physician provides the Board with a certificate attesting to the employee's inability to continue working, and (2) the Board reserves the right to verify the employee's inability to continue working.

8. The Board may require that an employee anticipating a disabling event may be placed on sick leave if the employee's physical condition leads to unsatisfactory performance of assigned duties, and/or the continued performance of those duties impairs the employee's health. Such incapacity must be established by the following: The Board of Education's physician and the employee's physician agree that the employee cannot continue working. If there is a difference of medical opinion between the Board's physician and the employee's physician, then the two physicians shall agree in good faith on a third impartial physician, who shall examine the employee and whose opinion shall be conclusive and binding on the issue of physical capacity to continue working.
9. If the employee's disability is caused by childbirth and such employee is receiving disability/sick leave benefits, the employee is presumed to be disabled for a recuperative period of four (4) weeks following childbirth upon submission of a physician's certificate attesting to the date of childbirth during which time such employee shall continue to receive sick leave pay to the extent of available accumulated sick leave days to which the employee is entitled under sick leave policy. This applies only to those employees who have been actively employed prior to childbirth, and not to those employees who have been out on unpaid personal leave.
10. If, as a result of this disability, an employee continues to be disabled after this four-week period, said employee may use any sick leave benefits to which the employee is entitled providing that (1) the employee's physician provides the Board with a certificate attesting to the employee's inability to resume working, and (2) the Board reserves the right to verify the employee's disability.
11. If the employee whose disability is caused by childbirth wishes to return to duties prior to the expiration of the recuperative period, the employee must present medical certification of fitness to the Board. The Board reserves the right to verify the employee's medical fitness by the school physician.
