Preamble

This Agreement between the Borough of Manasquan (the "Borough") and the Municipal Workers Association (the "Association") has as its purpose the improvement and promotion of harmonious relations between the parties; the establishment of an equitable and peaceful procedure for the amicable resolution of all differences, disputes, and grievances; and the establishment and determination of rates of salaries and wages, fringe benefits, hours of work and other terms and conditions of employment.

ARTICLE 2

Recognition of Association

The Borough recognizes the Association as the sole representative and bargaining agent for the purpose of collective negotiations to establish salaries, wages, fringe benefits, hours of work, and other terms and conditions of employment for all employees, including provisional employees, in the Association.

INCLUDING:

All full-time blue collar workers employed by the Borough as laborers, equipment operators, supervising laborers, water meter repairmen, senior parks maintenance workers and motor broom drivers in the Public Works and Water and Sewer Departments.

EXCLUDING:

All other employees of the Borough of Manasquan.

ARTICLE 3

Association Activity

Section 1. The Borough and the Association agree not to interfere with the right of employees to become or not to become members of the Association; and further, that there shall not be any discrimination or coercion against any employee because of association membership or non-membership.

Section 2. Employees shall have the right to erect and maintain a bulletin board in a conspicuous place for their own use. The location of the bulletin board shall be subject to the approval of the Superintendent of Public Works.

Section 3. The Borough agrees to allow the members of the Association to conduct Association meetings on Borough premises with approval of the Superintendent of Public Works. The Association shall provide 24 hours advance notice of the meeting and the meetings shall not be held during regular working hours. The notice shall be provided to the Superintendent of Public Works and to all other employees.

ARTICLE 4

Equal Treatment – Non Discrimination

The Borough and the Association agree that there shall be no discrimination against any employee because of age, sex, marital status, race, color, religion, national origin, political affiliation, or Association membership or non-membership.

The Borough also agrees that no employee shall be subjected to harassment, and that every employee shall be treated within the accepted standards of decency, courtesy and respect.

ARTICLE 5

Rights of Individuals

Nothing contained in this Agreement shall abridge the rights of the Borough, its agents, and employees under the laws of the State of New Jersey.

ARTICLE 6

Management Rights

It is mutually understood and agreed that the Borough has the prerogatives of management in the direction of the employees including, but not limited to, the rights of hiring; suspending; laying off; discharging for proper cause; promoting; transferring; assigning or reassigning; or scheduling so as to determine the standards of selection for employment; of maintaining the efficiency of its operation and technology of performing its work; establishing contracts or sub-contracts for Borough operations, provided that this right shall not be used for the purpose or intention of undermining the Association or discriminating against its members; of determining the methods, means, and personnel by which its operations are to be conducted; of determining the content of job classifications, subject to State Department of Personnel regulations and other applicable law or provisions of this Agreement.

ARTICLE 7

Work Rules

The Borough shall establish reasonable and necessary rules of work and conduct for employees and these rules shall be duly and conspicuously posted. All work rules shall be equitably applied by the Borough.

ARTICLE 8

Grievance Procedure

Section 1. – General

A "grievance" shall mean a complaint by an employee(s) that there has been a misinterpretation or violation of policies, agreements or an administrative decision affecting them.

Section 2. – Exceptions to Grievance Procedure

This procedure shall not serve in lieu of processes which must be followed in accordance with New Jersey laws or regulations promulgated therein.

Section 3. – Procedure to be Followed

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.

Step 1: An employee shall, within twelve (12) working days, verbally present and discuss a complaint with the employee's immediate supervisor or shift supervisor on an informal basis. In the event the matter is not resolved informally, the grievant may submit the grievance in writing within ten (10) days of the informal meeting to that immediate supervisor who shall hear the grievance. The grievant may be represented by the Association.

Step 2: If the grievant is dissatisfied with the disposition of the grievance by the immediate supervisor, the grievant shall first present the grievance to the head of the Association, who shall indicate in writing that the Association agrees or disagrees with the desire of the grievant to proceed to the next step of the grievance procedure. The grievant may proceed with the grievance procedure with or without the approval of the Association, by presenting the grievance in writing within five (5) days to the Superintendent of Public Works (or designee). Both the employer and the employee shall have the opportunity to present witnesses and pertinent records in order to dispose of the grievance. The grievant may be represented by the Association.

Step 3: If the employee is not satisfied with the decision of the Superintendent of Public Works at the second step, the grievance shall be placed in writing, signed by the employee and presented to the Chairperson of the Public Works Committee within three (3) working days after the date of the decision by the Superintendent of Public Works. The Chairperson of the Public Works Committee shall within fifteen (15) days of the receipt of the written grievance arrange a meeting with the employee and the employee's representative. The Mayor and Council shall give the employee a written answer to the grievance within three (3) working days after the date of such meeting. Alternatively, the Mayor and Council may review the written grievance of the employee and the written decision of the Superintendent of Public Works within fifteen (15) working days of the receipt of the grievance from the employee in lieu of arranging a meeting with the employee and the employee's representative. In this event, the Mayor and Council shall give the employee a written answer to the grievance within three (3) working days after the date of the review aforesaid. If the grievance is not settled at Step 3 of this procedure, the employee may elect to proceed through the State Department of Personnel or Step 4 of the grievance procedure. Upon electing to proceed through either the State Department of Personnel procedure or Step 4 of this grievance procedure, the choice of the employee shall then become exclusive in nature and the employee cannot at a later time use some other type of procedure to settle the grievance.

Step 4: If the grievance is still unsettled, the Association may within fifteen (15) days, after the reply of the Mayor and Council is due, by written notice to the Mayor and Council, require arbitration through PERC or the State Board of Mediation. The Arbitration proceedings shall be conducted by an Arbitrator to be selected by the Borough and the Association within seven (7) days after notice has been given. If the parties fail to agree upon an arbitrator, the State Mediation Service shall be requested by either or both parties to provide a panel of five (5) arbitrators. Both the Borough and employee shall have the right to strike two names from the panel. The Borough shall strike the first name, the employee then strikes one name, etc., and the name remaining shall be the arbitrator. The Arbitrator shall be requested to issue a decision within thirty (30) days after the conclusion of testimony and argument. Expenses for the arbitrator's services and the proceedings shall be borne equally by the Borough and the grievant. It is understood by and between the parties hereto that the decision of the Arbitrator shall be binding upon the parties.

Section 4. – Representation

In using the grievance procedure established herein, an employee is entitled at each step to be represented by an Association representative or an attorney of his own choosing, but not by both.

Section 5. – Notification to Union

A copy of every grievance filed pursuant to Steps 2, 3 and 4 shall be filed by the grievant with the Association.

ARTICLE 9

Discipline

Section 1.

A. Discipline of an employee shall be imposed only for just cause. Discipline under this Article means official reprimand, fine, suspension, demotion or removal. Demotion or removal based upon a layoff or other operational judgment of the Borough shall not be construed to be discipline. Just cause for discipline up to and including removal shall include, but not be limited to, the cause set forth in N.J.A.C. 4A:2-2.3.

B. Where the Borough and/or its designee imposes or intends to impose discipline, written notice of such discipline shall be given to the employee. The notice shall contain a reasonable specification of the nature of the charge, a general description of the alleged acts and/or conduct upon which the charge is based and the nature of the discipline.

C. Misconduct. In the event a formal charge of misconduct is made by the Borough against an employee, the employee shall be entitled to have an Association representative as a witness or as an advisor during the subsequent interrogation of the employee concerning the charge. No recording of such procedure shall be made without notification to the employee. There shall be no presumptions of guilt. The employee and/or the Association, if present, may request and receive a copy of any recordings made of the hearings.

D. Any disciplinary matter of less severity, (e.g. reprimand, suspension of not more than five (5) days, or fines not more than five (5) days pay) than those from which appeal may be made to the State Department of Personnel may be subject of an appeal filed through the grievance procedure. The employee may be represented at such proceedings by Association officials or legal counsel. The Superintendent of Public Works (or designee) shall render a written decision and such decision shall be final.

ARTICLE 10

Seniority

A. Seniority is defined as an employee's continuous length of service with the Borough beginning with the latest date of hire as a provisional or permanent employee. A newly hired employee shall be considered probationary and without seniority.

B. An employee shall be considered to have seniority as of the date of hire with the Borough. Seniority shall accumulate until there is a break in the employee service.

C. An employee shall be considered to have job classification seniority from the time the employee is certified to the position or title classification by the Department of Personnel. Job classification seniority shall accumulate until there is a break in the employee service.

D. A break in continuous service occurs when an employee resigns, is discharged for cause, retires, or is laid off, provided however, job classification seniority, accrued prior to lay off, shall be continued upon recall and reemployment. Seniority determination for an employee reemployed from a regular reemployment list shall begin as of the date of reemployment, except that, when determining the order of layoff or demotion, ties or equal seniority will be broken by consideration of the period of permanent employment prior to the break in service.

E. In the case where an employee is promoted but does not successfully complete the probationary period, the employee may return to the employee's previous job classification without loss of job classification or seniority.

F. Seniority shall be given preference in promotions; demotions, layoffs, recalls and vacation schedules. When ability to perform work and physical fitness are considerations in any of the aforementioned, the Borough shall make the final determination.

ARTICLE 11

Employment Postings

Notices of all job vacancies shall be posted by the Borough, whenever possible, on employee bulletin boards throughout the various work areas fifteen (15) calendar days in advance of the closing date for filling the vacancy. The notices will contain: the job classification; a description of the work; the place of employment; the rate of pay; and the hours of work. All permanent employees of the unit shall be given the opportunity to apply in writing to the Borough to fill these positions.

ARTICLE 12

The salary guides for the employees covered by this employment contract for the period commencing January 1, 2004 through December 31, 2005 are attached as Appendix "A".

Section 1. The salary appendix as attached shall be pursuant to the specifications of the memorandum of agreement reached between the parties.

Section 2. All regular appointments to positions in the competitive, noncompetitive and labor divisions of the classified service shall be subject to a working test period except appointment from regular or special reemployment lists or appointments to a comparable or lower class title in lieu of layoff.

The purpose of the working test period (probationary period) is to enable to the appointing authority to evaluate the employee's work performance and conduct in order to determine whether the employee merits permanent status.

The working test period shall not include any time served by an employee under provisional, temporary or emergency appointment, but shall commence with the date of beginning work after regular appointment and extend over a period of three (3) months.

Two (2) written evaluations will be completed which accurately describe the probationer's job performance. Each evaluation is to be signed by both the supervisor and the probationer with space permitted for comments made by the probationer.

If the conduct and/or performance of the probationer is unsatisfactory, the appointing authority shall give written notice to the probationer and the Department of Personnel that the services of the probationer will be discontinued and the reasons for such action. The notice shall be made on or before the expiration of the working test period. All Department of Personnel rules and regulations will apply.

The prescribed waiting period for all employee benefits begins with the probationers date of hire. All Borough sponsored benefits, except health and dental insurance programs, shall be effective at the satisfactory conclusion of the working test period. In the event an employee is eligible for health and dental insurance programs, the benefits shall be subject to eligibility period set forth in such insurance contracts.
