**ARTICLE I**

Unit: All full time and part time school bus drivers and mechanics employed by the Colts Neck Township Board of Education, herein after referred to as employees.

**ARTICLE II**  
**NEGOTIATION OF SUCCESSOR CONTRACT**

A. Deadline Date

The parties agree to enter into collective negotiation over a successor contract in a good faith effort to reach agreement on matters concerning the terms and conditions of employees’ employment. Such negotiations shall begin not later than October 1<sup>st</sup> of the calendar year proceeding the calendar year in which this contract expires.

B. Any contract so negotiated shall apply to all employees, be reduced to writing, and be submitted to the Union and Board for a ratification vote. Upon adoption, the contract shall be signed.

**ARTICLE III**  
**GRIEVANCE PROCEDURE**

A. Definition

1. A “grievance” shall mean a complaint by an employee or the Union based upon the interpretation, application or violation of this agreement, policies, or administrative decisions affecting the terms and conditions of employment of an employee or a group of employees.
2. An “aggrieved party” is the person, persons or the Union making the complaint. In the case of a grievance by the Union, the grievance shall include the name of the Union member representing the aggrieved party.
3. A “party to the grievance” is the person or persons making the complaint and any person who might be required to take action or against whom action might be taken in order to resolve the complaint.
4. A grievance to be considered under this procedure must be initiated by the aggrieved party within thirty (30) calendar days of its occurrence.
5. The grievance procedure does not cover any claims relating to personal use of the premises by individual employees and/or indemnification agreements between individual employees and the Board under Article VI.

B. Procedure

1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting the terms and condition of employment. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.
2. Nothing contained herein shall be construed as limiting the right of any aggrieved party having a grievance to discuss the matter informally, with Union representative(s) present, with his/her immediate supervisor.
3. An aggrieved party shall be represented at all levels of the grievance procedure by the Union.

4. Failure at any level of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved party to proceed to the next level. Failure at any level of this procedure by the aggrieved party to appeal a grievance to the next level within the specified time limits shall be deemed to be acceptance of the decision rendered at that level.
5. It is understood that the aggrieved party shall, during and notwithstanding the pendency of any grievance, continue to work in his/her regular assignment without interruption and to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.
6. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum and every effort should be made to expedite the process. The time limits specified, however, may be extended by written mutual agreement.
7. In the event a grievance is filed at such time it cannot be processed through all the steps in this grievance procedure by the end of the school year and, if left unresolved until the beginning of the following school year, could result in irreparable harm to the party to the grievance, the time limits set forth herein may be reduced so that the grievance procedure may be exhausted prior to the end of the school year or as soon thereafter as is practicable.
8. No reprisals of any kind shall be taken by the Board, any member of the Administration, or by any member of the Union against any party to the grievance by reason of his/her participation in the grievance procedure.

C. Implementation

b. The arbitrator's decision shall be in writing and shall set forth his/her findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision that requires the commission of an act prohibited by law or which is violative of the terms of the Agreement. The decision of the arbitrator shall be submitted to the Board and the Union and shall be final and binding on the parties pertaining only to

the terms and conditions of this contract. Other than terms and conditions of this contract, the arbitrator's decision shall be advisory.

\$3,000	-	Family Coverage

New employees hired after the start of the school year that opt not to receive medical and dental benefits will receive a pro-rata stipend based on the date he/she was hired to the end of the school year.

The stipend is subject to standard payroll taxes and will be paid in August of the following school year.

a. Employees/Dependents who have waived the coverage may re-enter by applying during the enrollment period each year. It will be necessary for each family member to complete a Statement of Health (proof of insurability). The Statement of Health should be

obtained, completed, and submitted to Blue Cross/Blue Shield with the intent of implementing coverage.

- b. Assuming most employees/dependent choosing to waive coverage will be doing so because they have this coverage through their spouse, a “hardship provision” for re-entry is available. This provision allows employee family members to re-enter the program on an immediate basis without the necessity of health questionnaires. The provision allows for re-entry only in the following situations that result in the loss of coverage through a spouse:
  - (1) Termination of employment
  - (2) Legal separation (copy of decree required)
  - (3) Group contract/policy terminated
  - (4) Divorce (copy of decree required)

These benefits will be paid at one hundred per cent (100%) of the usual, reasonable and customary cost. All other benefits shall be covered by major medical.

- 3. The Board shall provide to employees employed effective September 1, 1997 single only dental coverage. Upon completion of three (3) years of employment in the Colts Neck Township School District, the employee can opt for the Board’s family dental coverage. The Board shall pay in full the premium cost of enrollment in the Delta Dental Plan.

- E. All retired employees with less than twenty five (25) years of service will be eligible to participate in the medical health insurance plan provided by the Board of Education insurance carrier. All costs of the plan for the retiree will be paid for by the retiree.

- F. The Board agrees to underwrite losses of personal property, other than cars and other means of transportation, used in the working process up to five hundred dollars (\$500) per person per annum when such loss has been through theft or vandalism, while on school premises, unless such loss is covered by other existing insurance policy.
- G. All employees will be reimbursed for any job-related tests needed for alcohol or drug abuse limited to blood and urinalysis tests only as required by the State of New Jersey.
- H. The Board of Education may offer a voluntary flexible spending insurance program. Startup costs and legal costs will be borne by the Board of Education. Employees will be responsible for any annual costs and their participation (participant) fees.

A. Working Conditions

1. Annual Term of Employment: Ten (10) months – 183 school days. The 182<sup>nd</sup> day is for attendance at the district’s Orientation Day in September, and the 183<sup>rd</sup> day is for in-service and transportation issues. Any driver not in attendance for mandated in-service training or orientation shall have to obtain such training or orientation on their own time and at their own expense, with the assistance of the Transportation Coordinator, within thirty (30) calendar days. Failure to obtain such training within thirty (30) calendar days may result in the driver being suspended without pay for each day so originally missed.
2. Drivers transporting out of district students must also work on days when those schools are open for students. However, if over 183 working days in the normal school year are involved, these drivers shall be compensated for any additional hours at their hourly rate.
3. Meetings requiring driver attendance as determined by the Transportation Coordinator or the Business Administrator: Each driver will be paid their hourly salary in quarterly hour increments when such meetings are held outside their regular duty hours, unless brought in from home specifically for a meeting, in which case a two (2) hour minimum would apply.
4. The drivers’ regular workday shall consist of a base contract guarantee of four (4) or more hours. These hours are inclusive of time for pre-trip inspection, fueling, sweeping and general cleaning of vehicle. The Transportation Coordinator may assign additional work related duties to the driver in the event the driver’s regularly assigned run can be completed in less time than the driver’s base contracted hours at no increase in pay.

10. When an assigned out of district daily run is fully cancelled, the Transportation Coordinator shall assign the affected driver alternate work related duties which may include driving another existing route. Alternate work shall be for a base contract guarantee of four (4) hours unless the alternate work requires driving an existing route which will then be the length of time previously assigned to that existing route; consideration shall be given to years of service.

11. In the event that a run exceeds the base contract guarantee by ten (10) minutes or more, and is a continuation of/or time immediately prior to A.M. or P.M. work blocks, the driver will be compensated in quarterly hour increments at his/her base rate of pay.
12. The Union shall conduct route picks for each new school year, and for the in district summer program. Said picks shall utilize route packages submitted to the Union Section Chairperson and placed on a table on pick day by the Transportation Coordinator.

  - g. The Transportation Coordinator reserves the right to change the assignment of any package with good cause. Should the Transportation Coordinator make any assignment changes, the Transportation Coordinator shall then notify the affected drivers within two (2) business days following receipt of packages from the Union, specifying the reasons for such package assignment changes.

- h. When route assignment changes are made, the Transportation Coordinator shall make every effort to keep the affected drivers at the same total work hours as they originally chose.
  - i. If the affected driver(s) does not agree with the reasons for such assignment change, the driver(s) shall have the right to appeal the Transportation Coordinator's decision to the Business Administrator. In the event the matter is not resolved, the driver(s) has the option of a second appeal to the Superintendent.

- 14. Summer Work will be assigned by contract with a guaranteed minimum of four (4) hours pay for each day worked.

Any change of residence address or operating telephone number is to be filed with the Transportation Coordinator within three (3) calendar days of such change.
- 20. A driver will be allowed to have their late run covered to a maximum of four (4) times per year, excluding sickness. As of the date of the fifth (5<sup>th</sup>) request during the same school year, the driver will immediately forfeit their right to the late run for the balance of that same school year.

21. It is the obligation of all drivers to familiarize themselves and fully comply with the procedures established by the Board pertaining to the pick-up and dismissal of students.

December. The lists will again be posted in December for work between January and June. An additional sign-up list will be posted by June 5<sup>th</sup> for any summer work known at that time. Each posting will be for seven (7) calendar days and will be brought to the drivers' attention for sign up. Drivers may sign any or all lists.

- E. As unforeseen Extra Work becomes known, the Transportation Coordinator shall assign the work by continuing on the original sign-up list. In the case of a "last minute" emergency, the Transportation Coordinator may assign the Extra Work to any driver on the list.
- F. If Extra Work that was assigned is cancelled, the driver of said Extra Work shall be put on the top of the list for the following month's assignments.
