CONTINUING CONSULTATION

A. The UNION and the STATE shall upon the request of either party establish meetings during the third week of April, October, and January for the purpose of reviewing the administration of this Agreement and to discuss problems which may arise. These meetings are not intended to bypass the grievance procedure or to be considered contract negotiating meetings but are intended as a means of fostering good employer-employee relations.

B. The Local UNION on each campus and the President as chief executive officer of the College or his or her designee(s) and as representative(s) of the BOARD OF TRUSTEES shall upon the request of either party establish meetings during the first week of April, October, and January, for the purpose of reviewing the administration of this Agreement and to discuss problems which may arise. C. The requests of either party for such meetings shall include an agenda of topics to be discussed and be submitted seven (7) days prior to the meeting date. Sufficient meeting time(s) shall be established to complete the agenda.

D. Additional meetings, as described above, shall be held at the request of either party at a mutually agreeable time.

ARTICLE V

ACADEMIC FREEDOM

A. Academic freedom derives from the nature of the quest for knowledge. It is essential to the full search for truth and its free exposition, applies to both teaching and research, and shall not be abridged or abused. Academic freedom does not relieve the employee of those duties and obligations which are inherent in the employer-employee relationship.

B. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom in learning. It carries with it responsibilities correlative with rights. Both parties to this agreement subscribe to the following principles of academic freedom:

1. Employees are entitled to full freedom in research and in the publication of results.
2. An employee is entitled to freedom in the classroom in discussing his or her subject.
3. Employees are citizens and members of a learned profession. When

the employee speaks or writes as a citizen, he or she is free from institutional censorship or discipline, but should not represent himself or herself as a spokesperson for the institution.

ARTICLE VI

DUES DEDUCTION

A. 1. The STATE agrees to deduct from the salaries of all employees, dues for the appropriate Local UNION named below, as individual employees may voluntarily authorize as provided in Chapter 310, New Jersey Public Laws of 1967, the STATE to make such deductions and where such authorization is properly presented to the STATE and providing that no other deduction authorization is currently in effect.

Wm. Paterson College of New Jersey	Local 1796

Said monies will be transmitted by the fifteenth of the month following the month in which deductions were made, to the designated local union treasurer.

Each of the above Local UNIONS shall certify to the STATE in writing the current rate of its membership dues.

2. Dues deduction for any employee in the negotiating unit shall be limited to the UNION. Employees shall be eligible to withdraw dues deduction authorization for the UNION only as of July 1 of each year provided the notice of withdrawal is filed timely with the responsible payroll clerk. Existing written authorization for dues deductions to an employee organization other than the UNION must be terminated within sixty (60) days of the date of this Agreement or within sixty (60) days after the effective date of the enabling legislation provided for in subparagraph 3 below, whichever is later.

3. Subparagraph 2 above shall become effective only after the necessary enabling legislation is enacted.

It is understood and agreed in the event that legislation is enacted

authorizing the "Agency Shop" concept for public employees in the State of New Jersey, the STATE will, upon thirty (30) days' notice, meet with the UNION and reopen the Agreement for the purpose of negotiations on such subjects.

ARTICLE VII

GRIEVANCE PROCEDURE

A. Purpose

The parties agree that it is in the best interests of the academic community that all grievances should be resolved promptly, fairly and equitably. To this end relevant and necessary information, material and documents concerning any grievance shall be provided by the UNION and the STATE upon written request to the other.

1. The following procedure which may be initiated by an employee and/or the UNION acting as his or her representative shall be the sole and exclusive means of seeking adjustment and settling grievances (except as provided in Article XII).

2. Whenever any representative of the UNION or any employee is mutually scheduled by the parties during working hours to participate in grievance procedures, such employees shall suffer no loss in pay or benefits.

B. Definition of a Grievance

A grievance is an allegation by an employee or the UNION that there has been:

1. A breach, misinterpretation or improper application of terms of this Agreement; or
2. An arbitrary or discriminatory application of, or failure to act pursuant to, the policies of the Board of Higher Education or a Board of Trustees, related to terms and conditions of employment.

C. Preliminary Informal Procedure

An employee may orally present and discuss a grievance with his or her immediate supervisor on an informal basis. At the employee's option, he or she may request the presence of a UNION representative. If the employee exercises this option, the supervisor may determine that such grievance be moved to the first formal step.

Should an informal discussion not produce a satisfactory settlement, the grievant may move the grievance to the first formal step.

Informal discussions shall not serve to extend the time within which a grievance must be filed, unless such is agreed to in writing by the college official responsible for the administration of the first formal step of the grievance procedure.

D. Formal Steps

1. Step One

A grievant shall initiate his or her grievance in writing and present it formally to the College President. Where the nature of the grievance suggests that it would be appropriate, the grievant may be required by the President or his or her designee, to meet any involved official of the college in an effort to resolve the grievance informally. Such informal discussions shall not become a part of the record of the grievance unless the grievance is resolved on the basis of such discussions. The President or designee thereof shall hear the grievance and where appropriate, witnesses may be heard and pertinent records received. The hearing shall be held within ten (10) calendar days of receipt of the grievance, and the decision shall be rendered in writing to the employee and the UNION representative within seven (7) calendar days of the conclusion of the hearing of the grievance.

2. Step Two

If the grievant is not satisfied with the decision rendered at Step One, he or she may submit his or her grievance to the Chancellor. Such appeal shall be accompanied by the decision at Step One and any written record that has been made part of the preceding hearing. The Chancellor or designee thereof shall hear the grievance and, where appropriate, witnesses may be heard and pertinent records received. The hearing shall commence within ten (10) calendar days of receipt of the grievance and the decision shall be rendered in writing to the aggrieved employee and the UNION representative within ten (10) calendar days of the conclusion of the hearing. Hearings shall be completed within ten (10) calendar days of commencement absent extenuating circumstances.

3. Step Three

If the aggrieved employee is not satisfied with the disposition of the grievance at Step Two within ten (10) calendar days from the determination at said step, the UNION as representative of the employee may, upon written notification of intent to arbitrate to the Chancellor and the Director of the Office of Employee Relations, appeal the Chancellor's decision to arbitration. The arbitrator shall conduct a hearing and investigation to determine the facts and render a decision for the resolution of the grievance. An arbitrator's decision shall be binding as to grievances raised under B. 1. above and advisory and non-binding as to grievances raised under B. 2. above. In any case, an arbitrator's decision relating to non-reappointment (except as provided in E. 4. below) or promotion shall be advisory and non-binding. In no event shall an arbitrator's decision have the effect of adding to, subtracting from, modifying or amending the provisions of this Agreement, or any policy of the STATE, the Board of Higher Education or any Board of Trustees. The arbitrator shall not substitute his or her judgment for academic judgments rendered by the persons charged with making such judgments.

Any costs resulting from this procedure shall be shared equally by the parties

The arbitrator making a binding determination of a grievance has the authority to prescribe a compensatory award to implement the decision.

The parties have mutually agreed to continue the panel of three arbitrators. Each member of the panel shall serve by random selection as the sole arbitrator for a given case. Where a member of the panel is unable to serve, another member shall then serve by random selection. In the event it is necessary for the parties to select a new panel and the parties are unable to agree upon such new panel, arbitrators shall be selected on a case by case basis, under the selection procedure of the Public Employment Relations Commission until such time as the parties agree upon a new panel.

E. 1. Matters pertaining to promotion or non-reappointment shall be grievable under this agreement only upon the basis of claimed violations involving discriminatory treatment in violation of Article II, or denial of academic freedom in violation of Article V, or violation of promotion or reappointment procedure specified in Articles XIV and XIII, or applicable written college procedures (except as provided in E. 4. below). In all such cases the burden of proof shall be upon the grievant. In no case may an arbitrator recommend promotion or reappointment of a grievant. Rather, where appropriate, the remedy shall be to remand the matter to the proper level of the involved college for reconsideration of the matter and elimination of defects in the procedural process or elimination of impropriety in the decision making process.

2. Where a matter is remanded pursuant to subparagraph 1. above, the arbitrator may, where appropriate, direct that the President of the College, in consultation with the UNION, appoint an *ad hoc* review committee to substitute for any individual or committee which had been involved in the previous promotion or reappointment action. The purpose of such *ad hoc* committee will be for the purpose of reconsidering the involved matter and elimination of defects in the procedural process or elimination of impropriety in the decision making process and to make recommendations on the merits of the involved promotion or reappointment matter to the President or intermediate levels prior to the President.

3. The discharge or suspension of employees during the term of one year appointment or reappointment shall be grievable and in the event the involved employee files a grievance, the burden of proving good cause for the discharge or suspension shall be upon the College.

4. Employees serving under multi-year contracts may grieve notice of non-renewal on the basis of lack of good cause. The arbitrator may direct the withdrawal of the notice of non-renewal or other appropriate remedy.

F. Disputes concerning the application or interpretation of the New Jersey tenure laws or dismissals of employees protected by such laws shall not be grievable under this agreement.

G. Time Limits

1. A grievance must be filed at Step One within forty-five (45) calendar days from the date on which the act which is the subject of the grievance occurred or forty-five (45) calendar days from the date on which the individual employee should reasonably have known of its occurrence.

2. In the event that the time limitations imposed under Steps One and Two above, as to discussion, hearing and decision are not complied with, the grievance shall, upon request, be moved to the next highest step.

3. Should an employee be dissatisfied with the decision or should no decision be forthcoming in the prescribed time, he or she may submit his or her grievance to the next step within ten (10) calendar days.

4. Where the subject of a grievance suggests it is appropriate and where the parties mutually agree, such grievance may be initiated at, or moved to Step Two without a hearing at a lower step.

5. Where a grievance directly concerns and is shared by more than one employee, such group grievance may properly be initiated at Step Two if such step is the first level of supervision common to the several grievants.

6. Claims of violation of procedure by any promotion or retention committee must have been reported to the President of the College by the individual grievant within ten (10) days from the date on which such claimed violation took place or ten (10) days from the date on which the individual grievant should have reasonably known of its occurrence. In the event of failure to report the occurrence within such ten (10) day period, the matter may not be raised in any later grievance contesting the validity of such committee's recommendation or any action based thereon.

7. No adjustment of any grievance shall impose retroactivity beyond the date on which the grievance was initiated or the forty-five (45) day period provided in Section G. 1. above except that payroll errors and related matters shall be corrected to date of error.

8. Time limits provided for in this Article may be extended by mutual agreement of the parties at the level involved.

H. Nothing in this Article shall be construed as compelling the UNION to submit a grievance to arbitration.

I. No reprisal of any kind shall be taken against any participant in this grievance procedure by reason of proper participation in such procedure.

J. Grievance records shall not be part of the personnel file utilized in the promotion or retention process unless such grievance records pertain to the matter under consideration.

K. All grievances shall be filed on appropriate forms which shall be made available to each member of the negotiating unit through the Personnel and Union offices on each campus. The STATE and the UNION shall agree upon an appropriate grievance form.

Allocation of time to speak shall be prior to final action by vote of a board on the substantive issue under consideration. The UNION may raise an issue of an emergent nature provided it occurred subsequent to the time allowed for submission for placement on the agenda. right to appoint one employee representative. Said nominees shall be selected by a procedure established and administered by the UNION consistent with the purposes of such committees.

F. Except for representatives designated by the UNION, employees serving on committees of the Department of Higher Education or the Colleges, dealing with terms and conditions of employment, shall not be considered to be representatives of the UNION nor shall their views be construed to represent the views of the negotiating unit. (4). The above provisions apply to normal sixteen (16) week semesters. For semesters of different lengths, the above formulae shall be applied on a *pro rata* basis.

6. Faculty members assigned duties involving modes of instruction other than classroom, such as, but not limited to, independent study, supervision of internships or practice teaching, or assigned to teach regularly scheduled courses for which collegiate credit is not granted, shall receive teaching credit hours for such activities according to the policies and practices currently in force at the respective Colleges unless specified otherwise in this Agreement.

a. In the event that any College makes an assignment of any activity covered herein for which there is no current practice or policy or intends to change a practice or policy, the College shall notify the Local UNION in writing of such action and upon written request of the Local UNION, the President shall designate an official of the College to consult with the Local UNION concerning the new or changed policy or practice. Such written request must be received by the president within thirty-one (31) days of the College's written notice to the Local UNION. The consultation shall be completed within thirty (30) days of the Local UNION's written request to the president, unless said time limitation is extended by mutual consent of the parties.

b. In the event that after consultation the local union is of the opinion

that the involved policy or practice is unreasonable, the local union, within seven (7) calendar days, may file written notice with the president of intent to submit the dispute to an advisory panel consisting of one employee of the college designated by the Local UNION, a representative of the College designated by the President and a neutral third person mutually chosen by the local union and college designees. The neutral third person shall not be affiliated with any State College but shall be a person familiar with the customs, practices, nature and spirit of the academic community. The panel shall investigate the facts and make recommendations for the resolution of the dispute. The panel shall only investigate and consider the last stated written position of each party made prior to submission of the dispute, and said panel must recommend the acceptance of one of the two positions, without modification.

The President will accept or reject a recommendation in favor of the Local UNION's position within seven (7) calendar days of receipt of the panel's written report and recommendation.

Any costs resulting from this procedure shall be shared equally by the parties.

c. Nothing contained herein shall limit the authority of the College to direct that workload assignments be implemented during the pendency of consultation or advisory panel procedures.

7. The specific assignments for student teaching shall be equitable in regard to travel time and distance. Disagreement concerning the teaching credit hour load for supervision of student teachers shall be resolved between the Local UNION and the College.

8. Reduction of teaching load for any faculty member, for any purpose, is a matter of academic/managerial judgment of the College. The President, or his or her designee, prior to the commencement of each semester, and prior to the allocation of reduction in teaching load resources to various purposes and individual faculty members, will consult with the UNION as to such allocations and the contemplated manner of selecting individual faculty members who will receive reduced loads. In the event that any faculty member feels that he or she is being treated in an inequitable manner in regard to reduction of teaching load, he or she may bring the matter to the attention of the President, who either in person or through a designee will conduct a prompt administrative review of the matter.

C. Other Responsibilities

Faculty responsibilities which have been traditionally performed by the faculty and are reasonable and consistent with sound academic practice shall be continued consistent with previous practice. Disagreements concerning their specific nature shall be resolved by the Local UNION and the College. These responsibilities shall be performed within the academic year, provided that assignments outside the thirty-two (32) weeks of instruction referred to above, shall not be made individually or collectively on an inequitable basis.

D. The provisions of this Article shall not take effect for assignments made prior to the effective date of this Agreement.

E. Employees other than those governed by paragraphs C. and D. above shall receive a minimum of one hundred and twenty (120) days' written notice of non-reappointment if employed for less than two (2) full years at the time of the giving of the notice and one hundred and ninety-five (195) days' written notice of non-reappointment if employed for more than two (2) full years at the time of the giving of the notice.

J. The processes for appointment and reappointment of employees utilized in the College, if universally applicable, or in the division, department or similar unit in which the employee is employed, shall be fairly and equitably applied to all candidates. The process shall provide for consideration based on criteria appropriate to the College and the work unit. The current and applicable process including a statement of such criteria shall be provided in written form for the understanding of all affected employees. Contemplated changes in these processes shall be presented to the Local UNION, views exchanged and a cooperative effort to resolve differences made prior to the recommendations of the President to the Board of Trustees for action except that broad structural changes or major revisions of such procedures are understood to be negotiable between the local union and the College.

The Local UNION may also suggest changes in the process which shall be directed to the President or his or her designee.

This provision shall not be construed as a waiver of the Colleges' right to appoint and reappoint, under procedures set by the College, employees not included in the negotiating unit. The Colleges, however, recognize the value of peer consultation and except in unusual circumstances will consult with the involved department concerning the procedures to be used in any particular case.

K. Final recommendations for appointment of employees governed under the tenure provisions of N.J.S.A. 18A:60-6, *et seq.* shall be made to the President no later than February 15 of the first and second academic years of service, and not later than December 1 of the third, fourth and fifth academic years of service. Where practicable final recommendations shall be made for other employees on a similar time table.

The process of promotional consideration utilized in the College, if universally applicable, or in the division, department or similar unit in which the faculty member is employed, shall be fairly and equitably applied to all applicants and nominees. The process shall provide for consideration based on criteria appropriate to the College and the work unit. The current and applicable process, including a statement of such criteria, shall be provided in written form for the understanding of all affected faculty members. Contemplated changes in these processes shall be presented to the Local UNION, views exchanged and a cooperative effort to resolve differences made prior to the recommendations of the President to the Board for action, except that broad structural changes or major revisions of such procedures are understood to be negotiable between the Local UNION and the College.

The Local UNION may also suggest changes in the process which shall be directed to the President or his or her designee.

This provision shall not be construed as a waiver of the Colleges' right to promote, under procedures set by the College, employees not included in the negotiating unit. The Colleges, however, recognize the value of peer consultation and except in unusual circumstances will consult with the involved department concerning the procedures to be used in any particular case.

D. At each College the committee charged with the final evaluation of promotion applications will be informed by the President or his or her designee of the number of promotions available at the various ranks for that unit or the College as a whole, and will submit its recommendations to

Such a claim, if sustained, will result in reprocessing of the application on an expedited basis. A final recommendation in such case shall be made to the President not later than March 1.

H. Recommendations of the President to the Board of Trustees and the decisions of the Board shall be delivered in writing to the candidate by March 15.

I. The promotional salary increase shall be at least equivalent to an increment in the salary range from which the faculty member has been promoted and shall be to a step in the range appropriate to the new academic rank effective in the next academic year.

available, in lieu of the normal coverage under the State Health Benefits Program. Eligibility requirements and administrative procedures are governed exclusively by the State Health Benefits Commission. Under the applicable law, the STATE shall not make a contribution for any employee greater than the contribution which would otherwise be made to the State Health Benefits Program. Therefore, as determined by the Health Benefits Commission, employees opting to participate in a Health Maintenance Organization will be required to contribute the difference in the cost for such participation.

3. The STATE will extend to a maximum period of ninety (90) days the health insurance coverage for eligible employees and their covered dependents enrolled in the State Health Benefits Program upon exhaustion of such employee's accumulated sick and vacation leave and who are granted an approved sick leave without pay with the STATE paying the cost.

In those instances where the leave of absence (or an extension of such leave) without pay is for a period of more than ninety (90) days, the employees may still prepay Health Benefits premiums at the group rate provided to the STATE for the coverage provided in paragraph 1. For the next ninety (90) days of the approved leave of absence following the period of ninety (90) days paid for by the STATE as provided in the paragraph above.

Each prescription required by competent medical authority for Federal legend drugs shall be paid for by the STATE from funds provided for the Program subject to a deductible provision which shall not exceed \$1.25 per prescription or renewal of such prescription and further subject to specific procedural and administrative rules and regulations which are part of the Program.

Each employee shall be provided with an authorization and identification card, a list of the participating pharmacies in the Program and a brochure describing the details of the Program. It is further agreed that the brochure shall incorporate on its title page the joint STATE and UNION initiatives and participation in this Program. The authorization and identification card shall include the UNION identification and emblem(s).

The UNION shall have the opportunity to attach an explanatory letter when such cards are delivered to the employees.

C. Maintenance of Benefits

The fringe benefits heretofore provided to employees in this negotiating unit, such as the Health Benefit Program, Life Insurance, and their like, shall remain in effect without diminution during the term of this Agreement unless otherwise modified herein.

This Agreement is not intended to diminish the salary now paid to an employee who continues in the employment of the STATE whose status continues unchanged.

ARTICLE XX

INSURANCE SAVINGS PROGRAM

Subject to any condition imposed by the insurer all employees shall have the opportunity to voluntarily purchase various insurance policies on a group participation basis as provided in the program established by the STATE. The policy costs are to be borne entirely by the employee selecting insurance coverages provided in the program. The STATE will provide a payroll deduction procedure whereby authorized moneys may be withheld from the earned salary of such employees and remitted to the insurance company.

The insurance company will provide information concerning risks covered, service offered, and all other aspects of the program to each interested employee. The presently available coverages are automobile, homeowners and fire insurance. The parties agree to periodically discuss the possibility of adding other insurance coverages.

B. 2. and any other compensation earned through the College, except compensation earned for teaching assignments covered by Article XI. N.

B. Compensation for grant work may not exceed the amount of monies budgeted in the grant for salaries or the amount or rate of compensation in the grant guidelines.

C. Notwithstanding paragraph A. above, nothing herein shall be construed to limit the discretion of the College to assign released time to a faculty member in connection with a grant either in lieu of or in combination with the compensation set forth in Paragraph A. above. Released time is not limited by the monetary limitations set forth under paragraph A. above.

D. Prior to submission of a grant application to a granting agency, the President or his or her designee shall indicate to the involved faculty member whether or not the College intends to utilize released time in connection with the grant, if approved by the granting agency and accepted by the College. The College shall not reserve this option in all grant applications but rather shall exercise independent case by case judgment. The College may, after discussion with the involved faculty member, eliminate the released time and substitute compensation in accord with this Article.

ARTICLE XXVII

TUITION REIMBURSEMENT

A. Employees enrolled in a terminal degree program related to their areas of teaching or work as approved by the President of the College, may receive tuition reimbursement at a level equivalent to the graduate tuition of the State Colleges or the actual tuition, whichever is less.

B. Employees may also be granted tuition reimbursement as described in A. above, for graduate study necessary to increase such employees expertise in his or her area of teaching or work as determined by the President.

C. Tuition reimbursement under A. or B. above shall not exceed six (6) credits per year or thirty (30) credits in total during their years of employment at any State College.

D. In order to receive a commitment for reimbursement the employee must submit a written request to the President prior to enrollment in a course of study, stating the basis for the request for reimbursement. Within twenty (20) calendar days the President or his or her designee will respond in writing as to whether the College will provide reimbursement subject to the availability of funds. The President or his or her designee will meet with the Local UNION to determine appropriate procedures for submission of the application to an appropriate advisory person or group in the applicant's area of teaching or work.

E. In order to secure reimbursement the employee must satisfactorily complete the course of study and submit written proof of payment of tuition and satisfactory completion to the President or his or her designee.

In the event that funds are not sufficient to meet all requests which would otherwise be approvable, priority shall be given to 1) those employees who are enrolled in a terminal or graduate degree program for which the employee previously received tuition reimbursement, 2) those employees embarking upon an approved terminal or graduate degree program, and 3) all other circumstances.

ARTICLE XXVIII

A personnel file shall be maintained for each employee in accordance with the following procedures:

A. The College shall place in the file communications indicating special competencies, achievements, research, performance and contributions of an academic, professional or civic nature. An employee may submit to the College such commendations which he or she deems worthy to be included in his or her personnel file.

B. All material received from committees, department chairpersons, administrative officers or other responsible sources concerning an employee's

competency, service, character, or conduct shall be signed by the original before being placed in the employee's personnel file. Anonymous communications shall not be placed in the personnel file of any employee with the exception of documents specifically provided for in the evaluation procedure.

C. A copy of any item included in the employee's personnel file, except items submitted by the employee, dealing specifically with an employee's retention, dismissal, salary improvement, promotion, or tenure, shall be transmitted to the employee immediately. A copy of other filed items including all items submitted by the employee shall be made available to the employee upon request at the expense of the employee.

D. Any item which deals specifically with an employee's retention, dismissal, salary improvement, promotion, or tenure which was not previously transmitted to the employee and which is to be relied upon in personnel actions, shall be made available to the employee and a reasonable time provided for response.

E. An employee shall be given the opportunity to review the contents of his or her personnel file upon application. The employee shall have the opportunity to acknowledge that any item has been read by signing the file copy. Such signature would not necessarily indicate agreement with its content nor will the absence of such signature be construed to necessarily indicate that the employee had not received or read any item in the personnel file.

F. Letters of recommendation relating to initial appointment which were solicited under conditions of confidentiality shall be excluded from the employee's inspection but shall not be used in personnel actions subsequent to full-time employment.

G. 1. An employee shall have the right to respond to any document in his or her personnel file. Such response shall be directed to the President of the College, and shall be included in the employee's personnel file, attached to the appropriate document.

2. A representative of the UNION may, with the employee's written authorization, accompany said employee while he or she reviews his or her file.

H. Except as indicated in paragraphs E. and G. 2. above, access to personnel files shall be limited to those individuals directly involved in the administration, analysis or evaluation of professional personnel.

I. Each personnel file shall contain a table of contents, arranged in chronological order, beginning with all entries made on or after February 22, 1974.

J. Materials may be removed from an employee's personnel file upon

mutual agreement of the employee and the President of the College or his or her designee.

ARTICLE XXIX

SAFE CONDITIONS

Whenever an employee observes a condition which he or she feels represents a violation of safety or health rules and regulations or which is an unreasonable hazard to persons or property, the employee shall report such observation which will be promptly investigated.

Where a hazard exists which endangers the employee, he or she shall not be required to work where that condition exists.

ARTICLE XXX

LOCAL RESOLUTION OF ISSUES

Issues, which have, in this Agreement, been reserved for resolution between the Local UNION and an individual College, shall, when resolved, be in the form of a memorandum of agreement which shall then become the policy of the College.

ARTICLE XXXI

AVAILABILITY OF AGREEMENT

Immediately after the signing of this Agreement by both parties, the STATE will reproduce the Agreement in sufficient quantities so that each employee may receive a copy, plus additional reserve copies for distribution to employees hired during the term of the Agreement. The contract cover will include the seal of the State of New Jersey and the UNION insignia.

ARTICLE XXXII

MAINTENANCE AND IMPLEMENTATION OF AGREEMENT

A. This Agreement incorporates the entire understanding of the parties on all matters which were the subject of negotiations. During the term of this Agreement neither party shall be required to negotiate with respect to any such matter except that proposed new rules or modification of existing rules governing working conditions shall be presented to the UNION and negotiated upon the request of the UNION as may be required pursuant to the New Jersey Public Employer-Employee Relations Act, as amended.

B. 1. It is understood and agreed that any provisions of this Agreement which require amendment to existing law or the appropriation of funds for their implementation shall take effect only after the necessary legislative action.

2. Whenever legislation is necessary to implement this Agreement, the STATE and/or Department shall assume responsibility for seeking the introduction of such legislation.

C. Any previously adopted policy, practice, rule or regulation of the STATE, State Board of Higher Education, or College Board of Trustees, pertaining to wages, hours, and conditions of employment, which is in conflict with any provision of this Agreement, shall be considered to be modified consistent with the terms of this Agreement.

ARTICLE XXXIII

SAVINGS CLAUSE

If any provision of this Agreement or any application of this Agreement to any employee or group of employees is held to be contrary to law, or has the effect of making the STATE ineligible for Federal funds, then such provision or application shall not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect. In the event of the above circumstances, then either party shall have the right immediately to reopen negotiations with respect to a substitute for the affected provision.

ARTICLE XXXIV

MANAGEMENT RIGHTS

A. The STATE, the Board, the Department and the Boards of Trustees retain and reserve unto themselves all rights, powers, duties, authority and responsibilities conferred upon and vested in them by the laws and constitutions of the State of New Jersey and the United States of America.

B. All such rights, powers, authority and prerogatives of management possessed by the STATE, the Board, the Department and the Boards of Trustees are retained, subject to limitations as may be imposed by the New Jersey Public Employer-Employee Relations Act, as amended, and except as they are specifically abridged or modified by this Agreement.

C. The STATE, the Board and the Boards of Trustees retain their responsibility to promulgate and enforce rules and regulations, subject to limitations as may be imposed by the New Jersey Public Employer-Employee Relations Act, as amended, governing the conduct and activities of employees and which are not inconsistent with the express provisions of this Agreement.

ARTICLE XXXV

RETRENCHMENT, RETRAINING, AND REINSTATEMENT

A. 1. When a tenured faculty member is to be retrenched for financial reasons the College will attempt to provide the involved individual with a full academic year or two successive semesters' written notice of such action but in no case shall such written notice be less than one hundred ninety-five (195) days.

2. When a tenured faculty member is to be retrenched for programmatic reasons exclusively, the College will provide the involved individual with a full academic year or two successive semesters' written notice of such action.

3. Employees who are to be retrenched during the term of a multi-year contract will be given one hundred eighty (180) calendar days written notice of such action.

4. In the event it becomes apparent that retrenchment notices will be issued, the College will inform the UNION of the general circumstances and if so requested by the UNION within five (5) calendar days of being informed, the College will consult with the UNION concerning such circumstances.

5. In the event that a tenured faculty member is notified of retrenchment, and feels that with additional academic training, he or she may qualify for another position at the College and the President agrees that subject to acceptable completion of such training and the availability of such other position, and after consultation with the appropriate department, similar academic unit or library, that the individual would qualify, the individual will be given priority consideration for an available sabbatical leave under Article XXVI and/or Tuition Reimbursement under Article XXVII. The President in such circumstances may at his or her discretion waive the requirements of Article XXVI A. 1.

In addition, as an exception to the limitations of Article XXVII, the President may approve tuition reimbursement, out of available funds, up to a maximum of sixteen (16) credits for the involved academic year.

6. Nothing herein shall be construed as a waiver of any rights an individual employee may have under the tenure laws or other State or Federal laws or constitutional provisions.

B. 1. While any non-reappointment action of a College is not to be considered a retrenchment, any employee who is notified of non-reappointment with the exclusive reason being financial considerations, will be given priority consideration for continuation in the job held at the time of non-reappointment, under the following circumstances:

a. The involved individual notifies the President of the College within thirty (30) days of non-reappointment, in writing, of his or her desire to be given preferential consideration.

b. The individual responds in writing to any written offer to the reinstated job, within ten (10) calendar days of mailing of such written offer, agreeing to acceptance of the job. The College may not require a starting date which is less than fourteen (14) calendar days from the date of the expiration date of the College's written offer. For faculty members, if the reporting date does not coincide with the beginning of a semester, the individual shall upon request be given a reporting date coinciding with the start of such next semester if the term of the position includes such next semester.

c. In the event that the individual accepts the job offer and commences employment during the academic year following the individual's last previous date of employment, such individual will be treated as not having a break in service, except that any necessary adjustments in the reappointment process will be made by the College in consultation with the individual and the UNION. In the event that the individual has not been employed for any part of the academic year preceding the commencement of employment, the individual will be treated as a new employee, except that the individual's rank and salary rate may not be lower than the individual's rank and salary rate at the time last employed.

d. The priority rights will continue for the two academic years succeeding the year in which notice of non-reappointment is given.

ARTICLE XXXVI

1. The parties agree to enter into collective negotiations concerning a successor agreement to become effective on or after July 1, 1978, subject to the provisions set forth in Article XXXVII, Duration and Termination.

2. Such collective negotiations shall commence no later than October 1, 1977, unless an alternative date is mutually agreed upon, and shall be concluded by February 1, 1978.

B. The parties agree to negotiate in good faith on all matters properly presented for negotiation.

ARTICLE XXXVII

DURATION AND TERMINATION

Article XXII A. shall remain in full force and effect from May 11, 1976, to June 30, 1976. Article XVII shall remain in full force and effect from May 11, 1976 to June 30, 1978. Article XXII C. shall remain in full force and

effect from July 1, 1975 to June 30, 1978.

The remainder of this Agreement shall remain in full force and effect from July 1, 1976, until June 30, 1978. The Agreement shall automatically be renewed from year to year thereafter, unless either party shall give to the other party written notice of its desire to terminate, modify or amend this Agreement. Such notice shall be given the other party in writing by registered mail no later than September 1, 1977, or September 1, of any succeeding year for which this Agreement is automatically renewed. In exceptional cases, individuals may present qualifications as to education and experience that are adjudged to be the equivalent of the above qualifications, although not corresponding to them to the letter.

In such cases, the UNION shall have the right to appoint one (1) employee member to the Faculty Affairs Committee. The Faculty Affairs Committee shall review the qualifications of all exceptional cases and the recommendations of this committee shall be forwarded to the President prior to the President's recommendation to the Board of Trustees. The Board of Trustees of the College may, upon the recommendation of the president, appoint such individuals to the rank deemed appropriate. Any employee who completes thirty (30) credits beyond the master's degree

shall be compensated at approximately \$500 per annum beyond the current salary effective in the following semester. It is agreed that any of the thirty (30) credits to be accumulated or presently accumulated shall be in an area that will increase such employee's expertise in his or her area of teaching or work as approved by the President or his or her designee.

Employees who participate in a Student Teacher Program as cooperating teacher shall receive \$50 for each student paying the \$60 Student Teacher fee.

Employees who participate as the assigned teacher in the Junior Practicum Experience shall receive \$10 for each student paying such fee.

Any teacher at the A. Harry Moore School on full-time assignment there who teaches a course in addition to the workload at Jersey City State College or A. Harry Moore School, shall be paid at the current overload rate based on the teaching credit hours or their full or partial equivalency for the course.

Employees shall have priority consideration in appointments to summer session assignments related to A. Harry Moore School programs within their individual competency, except in unusual circumstances.

In order to alleviate the practice of teachers acting as substitutes, every effort shall be made to provide an adequate substitute pool.

All employees shall have a duty free lunch period of at least thirty (30) minutes except in instances where temporary scheduling may lessen the time for both pupils and teachers.

Teachers shall not be assigned to lunchroom supervision providing teacher aides are available for such assignments and further providing that in emergency situations a non-scheduled assignment of a teacher to this lunchroom duty may be required.

The existing general practice of providing preparation periods for employees engaged in teaching shall continue. Each of such employees shall receive a minimum of three (3) uninterrupted preparation periods per week. To the extent that additional preparation periods are available, they shall be distributed on an equitable basis among such employees within the educational subdivisions consistent with scheduling requirements.

LETTER OF AGREEMENT #1

The Department will undertake to study the question of policies and procedures in regard to patentable or copyrightable materials or concepts created by State College employees in the course of their employment and will prepare proposed rules and regulations for presentation to the Board of Higher Education. Prior to action by the Board, representatives of the Department shall meet with the UNION to discuss and/or negotiate the matter as may be required by law.

LETTER OF AGREEMENT #II

The parties recognize that adequate work surroundings, equipment and support personnel are necessary to the fulfillment of the goals of the Colleges. Toward this end it is agreed that each College and each Local UNION shall establish a committee to examine such questions as office space, office equipment, telephones, lounges, classroom equipment, secretarial assistance and maintenance of facilities. The committee shall report its recommendation to the President. The composition of the committee will include an equal number of employees appointed by the Local UNION and administrative representatives appointed by the College President. The College and the Local UNION may agree to appoint additional persons from the College community to the committee.

The President or his or her designee(s) shall meet with the Local UNION to discuss the recommendations of the committee, prior to formally indicating his or her reaction to the recommendations.

LETTER OF AGREEMENT #III

It is agreed that the Department of Higher Education and the Council of State Colleges will recommend to the Board of Higher Education adoption of a regulation providing for concurrent academic rank for librarians, who are included in the negotiating unit at the State Colleges, who shall upon approval be eligible for tenure in the positions in which they serve. This Agreement shall not be construed to limit the authority of the Board of Higher Education to act on the matter consistent with its statutory authority, subject to any limitations imposed by the New Jersey Employer-Employee Relations Act, as amended.

Nothing herein shall be construed to be a waiver of any rights accruing to librarians under New Jersey Tenure Laws.

LETTER OF AGREEMENT #IV

Nothing contained herein shall be construed to prejudice the positions of the parties as to the Board of Higher Education's September, 1972 Policies on Tenure in the State Colleges or the implementation of these policies by the State Colleges, or the proposed guidelines, rules and regulations under consideration by the Board of Higher Education concerning implementation of A-328 (N.J.S.A. 18A:60-6 *et seq.*)

LETTER OF AGREEMENT #V

The parties agree to continue negotiations on the issue of promotional procedures and career development for non-teaching professionals (other than librarians) included in the negotiating unit, within the scope of man-

datory negotiations under the Public Employer-Employee Relations Act, as amended. When an agreement is reached, it shall be included as an Appendix to the overall Agreement.

Such negotiations shall commence within thirty (30) days of ratification of the Agreement. The parties will attempt to complete the negotiations within sixty (60) days of commencement.

LETTER OF AGREEMENT #VI

In regard to the implementation of A-328 (N.J.S.A. 18A:60-6 *et seq.*), the STATE (through its respective agencies, if necessary) agrees to recommend:

1. That concurrent academic rank be approved for librarians in the negotiating unit.

2. That librarians who had served in the library under academic rank for more than three (3) academic years as of Hay implementation date, be deemed to have tenure.

3. That librarians not covered under subparagraph 2. above, be granted credit for past service toward the five (5) year probationary period provided that no individual be deemed to have satisfied the five (5) year probationary period without first having had a tenure evaluation and decision by the Board of Trustees of the employing college, taking place after Board of Higher Education approval of this plan.

4. That notwithstanding the above each Board of Trustees shall have the right to determine that librarians included in the negotiating unit at that college have in fact previously been accorded the equivalent of a rigorous tenure review and therefore may be given actual credit for past service without reference to the requirement for evaluation and decision in subparagraph 3. above.

Nothing herein shall be construed to be a waiver of rights any librarians claim to rights accruing under N.J.S.A. 18A:60-1. This shall specifically not be construed to limit those librarians who began employment under academic rank but who do not qualify under subparagraph 2. above, to contend in any appropriate forum that they accrued tenure after serving more than three (3) academic years.

In the event the recommendations are not implemented the STATE, or its respective agencies will not promulgate rules and regulations on the matters herein contained and the parties agree to meet to resolve the differences.

It is understood that existing ten (10) year tenure plans relate to employees serving in actual academic rank and do not deal with the circumstance of

concurrent academic rank being recommended for approval.

The above paragraph is not to be construed as acceptance by the UNION of the unilateral development and promulgation of such plans by the STATE or its agencies.

LETTER OF AGREEMENT#VII

The parties agree to recommend to the Board of Higher Education that the summer session salary schedule be increased by \$10 for each salary classification, effective for the summer session(s) during the summer of 1976 and an additional \$20 for each salary classification, effective for the summer session(s) during the summer of 1977.

LETTER OF AGREEMENT #VIII

The parties support the concept of permitting employees to take advantage of the full extent of the Federal Tax Shelter Annuity Program. The parties will mutually explore the appropriate vehicle to accomplish this purpose and to seek the introduction of State legislation necessary to implement this concept.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement.
