A police officer shall have the right to inspect their personnel file on reasonable notice and at reasonable times, provided a designated superior officer is present at the time of such inspection. Any request for such inspection will be submitted to the Chief of Police prior to such inspection. The Borough agrees to notify the individual officer if any material is placed in their personnel file. The Employer agrees to provide an initial copy of the material at no expense to the employee. The employee may, upon reasonable request and at their own expense, obtain additional photostatic copies of any material contained in their personnel file.

SECTION 4:

2. Whenever a police officer is under investigation or subjected to interrogation by a law enforcement agency, for any reason, which could lead to disciplinary action, demotion, loss of pay, or dismissal, the investigation or interrogation shall be conducted under the following circumstances:

- a. The interrogation shall be conducted at a reasonable hour, preferably at a time when the police officer is on duty, unless the seriousness of the investigation is of such a degree that an immediate interrogation is required.

No officer shall be required or requested to disclose any item of their property, income, assets, source of income, debts, or personal/domestic expenditures (including those of any member of their household or family), unless such information is necessary in the investigation of a possible conflict of interest with respect to the performance of their official duties, or unless such disclosure is required by law.
5. **If** the investigation or interrogation of an officer results in the recommendation of some action, such as demotion, dismissal, written or oral reprimand, loss of pay, reassignment, or similar action which would be considered a punitive measure, then, before taking such action, the Borough shall give notice to the officer that they are entitled to a hearing on the issues by the Public Safety Committee. The notice shall state the time and place of the hearing and the issues involved. Au official record, including testimony and exhibits, shall be kept of the hearing.

7. Evidence which possesses probative value commonly accepted by reasonable and prudent men in the conduct of their affairs shall give effect to the rules of evidence recognized by the law and shall exclude incompetent, irrelevant, immaterial, and unduly repetitious evidence. All records and documents which any party desires to use shall be offered and made part of the record. Documentary evidence may be received in the form of copies of excerpts or by incorporation by reference.

8. Every party has the right of cross-examination of the witnesses who testify and may submit rebuttal evidence.

9. The investigating committee conducting the hearing may take notice of judicially noticeable facts and, in addition, may take notice of general, technical, or scientific facts within its specialized knowledge. Parties shall be notified beforehand of the material so noticed.

10. Any decision, order, or recommendation for action resulting from the hearing shall be in writing and shall be accompanied by findings of fact. ARTICLE III Management Rights

SECTION 1: The Employer, on its own behalf and on the behalf of the taxpayers of the Borough of Woodbury Heights, hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of New Jersey and of the United States, including, but without limiting the generality of the foregoing, the rights:

To exercise executive management and administrative control of the Police Department and its properties and facilities and the activities of its employees while such employees are on duty. To hire all employees and, subject to the provisions of law, to determine their qualifications and the conditions for their continued employment or their dismissal or demotions; and to promote and transfer all such employees.

SECTION 2: The exercise of the foregoing powers, rights, authorities, and duties and responsibilities by the Employer, the adoption of policies, rules, regulations, and practices in the furtherance thereof and the use of judgment and discretion in connection therewith shall be limited only by the specific and express terms of this Agreement and then only to the extent such specific and express terms hereof are in conformance with the laws and Constitution of the State of New Jersey and the Constitution of United States.

SECTION 3: Nothing contained herein shall be considered to deny or restrict the Employer of its rights, responsibilities, and authority under the New Jersey laws or any other national, state, county, or local regulation.

SECTION 4: Nothing **in** this Agreement which changes pre-existing Employer policy, rules, or regulations shall operate retroactively unless expressly so stated. The parties agree that employees shall continue to serve under the direction of the Chief of Police and **in** accordance with Employer and administrative policies, rules, and regulations provided that the provisions of this Agreement shall supersede and prevail over any conflicting provision. **If** the Borough has permitted any past violations of this Agreement, it shall not be construed as a waiver for any future matters nor modify any future practices.

SECTION 5: **It** is understood that under the rulings of the Courts of New Jersey, the Employer is forbidden to waive any rights or powers granted it by law. Anything to the contrary notwithstanding, nothing contained in any Article, Section, paragraph, or subsection of this Agreement shall be interpreted in any manner or be construed as to indicate that the Employer has waived rights which are expressly required by the Courts to be retained by the Employer.

ARTICLE IV

Grievance Procedure

SECTION 1: The term "grievance" as used in this Article shall mean a dispute by a member of the negotiating unit with the Employer with respect to terms and conditions of employment covered by this Agreement, including the meaning or interpretation of any of its terms. Not included within the meaning of this Article are any disputes arising:

- A. for which a mandatory method of review is prescribed by law, or;
- B. which according to law is either beyond the scope of authority of the Township or limited to unilateral action by the Township alone, or;
- C. by reason of any negotiating unit employee not being employed or re-employed.

The following grievance procedure constitutes the sole and exclusive method for resolving grievances between the parties and shall be followed in its entirety unless any step is waived by the mutual consent of the parties in writing:

STEP ONE. The aggrieved member or members of the negotiating unit and/or a representative of P.B.A. Local No. 122 must present the grievance, in writing, within 10 calendar days of the occurrence of the event or events upon which the claim is based to the Chief of Police. Failure to file the grievance within the 10 calendar days shall be deemed an abandonment or waiver of the grievance. The grievant(s) (and if so desired and available, a representative of the P.B.A. Local No. 122) shall meet with the Chief of Police within ten (10) calendar days of the filing of the grievance to informally discuss the grievance. The Chief of Police shall render his written decision within ten (10) calendar days after such discussion. Failure by the Chief of Police to render a written decision within ten (10) calendar days shall permit the grievant(s) and/or P.B.A. Local No. 122 to move to Step Two.

The written grievance shall state:

- i. the specific nature of the grievance and the contract section or clause involved;
- ii. the results of previous discussions, if any;
- iii. the date and time of the submission of the grievance;
- iv. the relief sought.

STEP TWO. In the event the grievance is not resolved at Step One, the grievant(s) and/or P.B.A. Local 122 shall, in a signed writing, file the grievance, including all previous documents, with the Police Chief and the Borough Public Safety Committee within ten (10) calendar days following the conclusion of the procedures contained in Step One.

The Borough Public Safety Committee shall meet with the grievant(s) (and if so desired and available, a representative of P.B.A. Local No. 122) within 10 days of the filing of the grievance to discuss same. The Committee shall render a written decision within 15 days from the date of the aforesaid meeting. If no written decision is rendered by the Committee or its designee, the grievance is

deemed to be denied and the grievance may progress to Step Three.

STEP THREE. In the event the grievance is not resolved at Step Two, P.B.A. Local No. 122 shall, in a signed writing, file the grievance, including all previous documents, with the Borough Council or its designee within 15 business days following the conclusion of the procedures contained in Step Two. The Borough or its designee shall meet with a representative of P.B.A. Local No. 122 within 15 business days of the filing of the grievance. The Borough or its designee, may, in writing, render a decision within 15 business days or if no written decision is rendered by the Borough or its designee within 15 business days of the meeting, the grievance is deemed to be denied and the grievance may progress to Step Four.

STEP FOUR. In the event that the grievance has not been resolved in any of the steps set forth above, the matter may be referred to arbitration. The party demanding arbitration shall by petition seek the arbitration services of the Public Employment Relations Commission of the State of New Jersey within 10 days following the conclusion of Step Three and arbitration of the dispute will be had in accordance with rules and regulations of that agency. The arbitrator shall have no power to alter or amend, add to or subtract from the terms of this Agreement. The decision of the appointed arbitrator shall be final and binding upon the parties each of which shall bear its own expenses for the presentation of its case. The cost of the arbitrator shall be borne equally by the parties. Only a single grievance may be submitted to arbitration at any one time unless the parties agree otherwise.

SECTION 2: The time limits set forth above may be extended by the mutual consent of the parties, in writing, and such mutual consent shall not unreasonably be withheld.

SECTION 3: A representative of the P.B.A. Local No. 122 shall have the right to be present at all steps of the grievance process.

ARTICLE V

Peaceful Resolution of Differences

Both parties recognize the desirability of continuous and uninterrupted operation of the Police Department and the avoidance of disputes which threaten to interfere with such operation. Since the parties are establishing a comprehensive grievance procedure under which unresolved disputes may be settled, the parties have removed the basic cause of work interruption during the periods of this Agreement. The Association accordingly agrees, during the term of this Agreement, that it will not, nor will any person acting in its behalf, cause, authorize, or support, nor will any of its members take part in, any strike (i.e., the concerted failure to report for duty, willful absence from their position, stoppage of work, or abstinence in whole or in part from the full, faithful, and proper performance of the employee's duties of employment). The Borough of Woodbury Heights agrees that it will not engage in any lock-out directed at members of the negotiating unit for the duration of this Agreement.

The above is interpreted that:

The Association may be held liable for damages for "wild cat" strikes, unless the Association in writing immediately disavows the strike and notifies strikers to return to work. The Association agrees that any strike is a breach of contract and that such act removes all impediment from and permits the Employer to dismiss or otherwise discipline employees taking part in that breach of contract.

ARTICLE VI

Retention of Benefits

Except as otherwise provided herein, all benefits which the employees have heretofore enjoyed and are presently enjoying shall be maintained and continued at the highest standards by the Borough of Woodbury Heights during the terms of this Agreement.

The provisions of municipal ordinances and resolutions, applicable to members of this unit, shall remain in full force and effect, except as specifically modified herein, during the term of this Agreement and shall be incorporated in this Agreement as if set forth herein at length.

A change in any benefits to any Borough employee not represented by this bargaining unit shall not affect the benefits of any member of the bargaining unit.

ARTICLE VII

Discrimination or Coercion

There shall be no discrimination, interference, or coercion by the Employer or any of its agents against the employees represented by the Association because of membership or activity in the Association. The Association or any of its agents shall not intimidate or coerce employees into membership. Neither the Employer nor the Association shall discriminate against any employee because of race, creed, color, age, sex, or national origin.

ARTICLE VIII

Savings Clause

In the event that any Federal or State legislation, governmental regulation, or court decision causes invalidation of any Article(s) or Section(s) of this Agreement, all other Articles and Sections not so invalidated shall remain in full force and effect, and the parties shall renegotiate concerning such invalidated Article(s) or Section(s).

ARTICLE IX

Legal Aid

If an employee is charged with a violation of the law as a result of acts committed by them while on duty, the Borough of Woodbury Heights shall reimburse the employee for the services of an attorney selected by the employee to represent them. Said payment is conditioned upon the employee being found not guilty. Employer shall also pay such other legal fees as provided by statute (N.J.S. 40:11-19). Said fees shall be agreed upon by both parties prior to the engaging of any selected attorney. Said fees shall be according to the recommendations of the American Bar Association at the time of engaging the attorney.

ARTICLE X

Dues Deduction

The Employer agrees upon receipt of an appropriate authorization card, they will deduct such regular dues as indicated by the employee for membership in the representative association of the employee. It should be clearly understood that the employee must authorize such deductions and that such is a voluntary authorization. It is also understood that the employee may withdraw such authorization pursuant to New Jersey Law.

ARTICLE XI

Pension

The Employer shall continue to make contributions toward a pension and retirement plan in existence to those covered by this Agreement, according to the formula prevailing as of the date of the execution of this Agreement, and upon the term fixed by statutes and the laws of the State of New Jersey.

ARTICLE XII

Seniority

Seniority is defined to mean accumulated time of police service as a full time police officer with the Borough of Woodbury Heights. Included in seniority are sick leave, temporary disability, approved leaves of absence, and vacation time, but excluded are valid periods of suspension and any break in service.

ARTICLE XIII

Probationary Period

SECTION 1: New members of the Police Department shall serve a probationary period of one (1) year. During said probationary period, they shall be paid at the probationary level of the salary guide as set forth herein. Upon completion of said probationary period, they shall advance to levels defined at Article XXVI hereof.

SECTION 2: The probationary period for a new officer who has not previously attended the police academy will begin the first day following the completion of the required police training and graduation rather than the date of employment.

SECTION 3: Probationary period for the Sergeant of Police will commence on the date of his appointment and shall continue for 6 months. Upon successful completion of his/her probationary period he/she shall become permanent.

ARTICLE XIV

Police Training/Schools

SECTION 1: The Chief of Police shall post a notice advising employees of the availability of training schools and seminars. The final determination of who shall be authorized to attend such training schools and seminars shall be vested in the Chief of Police.

SECTION 2: Employees attending police training schools and/or seminars which are required by the Chief of Police in order to upgrade the efficiency of the Police Department shall be reimbursed for actual expenses incurred, including meals, tolls, and car expenses, in accordance with the schedule established herein:

1. Mileage reimbursements equal to IRS allowances.
2. Actual tolls.
3. Meal Allowance: Employees are entitled to a meal allowance for all authorized meals under this Article at a rate not exceeding \$15.00 per meal for breakfast and lunch and \$25.00 for a dinner meal to be reimbursed upon submission of receipts which may be handwritten.
4. The cost of said training schools, seminars, or additional training shall be at the expense of the Employer if the employee is required to attend. Employees may attend voluntarily with the approval of the Chief of Police. However, the costs of such training schools, seminars, or additional training shall be at the expense of the employee unless the alternative arrangements are mutually agreed upon.

SECTION 3: The Chief of Police will ensure that each officer covered under this Agreement is given the opportunity to qualify twice a year with their firearm and additionally given the opportunity to acquaint themselves with any other weapons as they may be required to use in the course of their duties.

ARTICLE XV

SECTION 1: Each employee shall be eligible for five (5) days personal leave per year. Personal leave time shall not accumulate. Except in emergency situations, employees shall submit their request to the Chief of Police forty-eight (48) hours in advance of their intent to take their personal leave.

SECTION 2: In general, unless operational needs of the Police Department dictate to the contrary, personal day selection shall occur on the basis of seniority as previously defined in this Agreement. All personal leave time may be delayed to a time based on the operational needs of the Police Department as identified by the Chief of Police.

SECTION 3: Personal leave days are to be utilized for personal business that cannot be conducted outside the normal working day. Personal leave shall not be taken for pleasure, recreation, job interviews or to extend vacations, holidays, or weekend.

Such sick leave in excess of three (3) working days will require a written statement from the employee's attending physician. In the event that an employee shall be called upon by an immediate member of their family to attend in the hospital or other place of recuperation and such visit shall not extend over one (1) working day, the employee will return to work after such visit and provide a reasonable statement, in writing, as to the purpose of such visit. Any employee who reports themselves sick while on duty after having worked two (2) hours will be charged with one-half (1/2) day sick leave. Sick leave shall not be used to extend a vacation or to obtain extra days off.
- d. Injury: For a work related injury, an employee will be paid up to full salary until a Department appointed physician determines that they are capable of returning to work or places them on permanent disability. Time lost due to a work related injury is not to be deducted from sick leave accumulation.

SECTION 4: Leave of absence without pay:

- a. A permanent employee who desires to engage in a course of study such as will insure their competency in their regular duties, with the approval of the Borough Council, may be granted a special leave of absence, for a period not to exceed six (6) months.
