ARTICLE X - GRIEVANCE PROCEDURE

10.1 DEFINITION

A grievance is a claim by an employee or the Association based upon the interpretation, application or violation of this agreement, policies or administrative decisions affecting the terms and conditions of employment.

The term "grievance" shall not apply to any matter (a) which is a complaint of a probationary employee arising by reason of his not being reemployed, or (b) which is a complaint by any noncertified personnel occasioned by appointment to or lack of appointment to, retention in or lack of retention in any position for which tenure is not required, except as provided in Article XI - Custodian Dismissal Hearing, or (c) a matter affecting an employee arising by the reason of the application of any rule or regulation of the State Commissioner of Education. A grievance to be considered under this procedure must be initiated by the employee within thirty calendar days from the time when the employee knew or should have known of its occurrence. As used in this definition, the term "employee" shall mean also a group of employees having the same grievance.

10.2 PURPOSE

The purpose of a grievance procedure is to resolve differences concerning the interpretation of the parties' contractual rights. Any individual employee or group shall have the right to present a grievance affecting him/her. He/she shall have the right to present his/her own grievance or to request a representative, and the Association shall appoint the representative. The employee has a right to have a representative appear with him/her commencing with Level Two and all subsequent levels of the Grievance Procedure.

10.3 A. Level One:

Any employee who has a grievance shall discuss it first with his/her immediate supervisor in an attempt to resolve the matter on an informal basis.

B. Level Two:

If, as a result of the informal discussion with the supervisor, the matter is not resolved to the satisfaction of the employee within seven school days, he/she shall set forth his/her complaint in writing to the Board Secretary, stating:

1. The nature of the grievance.
2. The nature and extent of the loss, injury, or inconvenience,
3. The results of previous discussions,
4. The dissatisfaction with decisions previously rendered.

The Board Secretary shall communicate his decision to the employee and to the Association in writing within seven school days of receipt of the written complaint.

C. Level Three:

The employee may appeal the Board Secretary's decision to the Superintendent of Schools within seven days. The appeal to the Superintendent must be made in writing and must set forth the grounds upon which the grievance based. Upon request by the employee, the Superintendent shall have a conference with the employee and his/her representative, if any. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed seven school days. The Superintendent shall communicate his decision in writing to the individual and to the Association.

D. Level Four:

If the grievance is not resolved to the employee's satisfaction, he/she may request a review by the Board within seven working days. The request shall be submitted in writing through the Superintendent of Schools, who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall review the grievance, hold a hearing with the employee if requested, and render a decision in writing, setting forth its reasons to the employee and the Association within fourteen calendar days.

Notwithstanding the above, the parties agree that any dispute which involves a disagreement as to whether the health insurance benefits provided employees herein are equal to or better than the health benefits heretofore provided employees through the New Jersey Public and School Employees Health Benefits Plan may be submitted to an arbitrator whose decision shall be final and binding on both parties.

- 10.4 Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be acceptance of the decision rendered at that step. However, either party may request one extension of ten days at levels two and three, or if either party requests it, it shall be granted.
- 10.5 It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and effect thereof shall have been fully determined.
- 10.6 Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be considered as a maximum, and every effort should be made to expedite the process. The time limits specified may, however, be extended by mutual agreement.
- 10.7 In the event a grievance is filed at such time that it cannot be processed through all the steps in this grievance procedure by the end of the school year, or if it is filed after the end of the school year, then the time limits shall be established by counting the weekdays following the end of the school year as school days.

ARTICLE XI - CUSTODIAL DISMISSAL HEARING

- 11.1 In the event of discharge only, of any building service employee, and if the employee is not satisfied with the disposition of his/her dismissal grievance at level four, the Association may request of the Board that his/her grievance be submitted to arbitration not later than fifteen (15) school days after receipt of the decision by the Board.
- 11.2 Within ten (10) school days after such request for arbitration, the Board and the Association shall attempt to agree upon a mutually acceptable arbitrator. If the parties are unable to agree upon an arbitrator, they shall jointly request the American Arbitration Association to appoint an arbitrator.
- 11.3 The arbitrator shall confer with the representative of the Board of the Association and shall proceed with a hearing and submit a written report in the shortest possible time setting forth his findings of fact, reasoning, and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision which requires the commission of an act prohibited by law or which is violative of the terms of this Agreement. The decision of the arbitrator shall be advisory only to the Board and the Association.

- 11.4 The costs for the services of the arbitrator including per diem expenses and cost of the hearing room shall be borne equally by the Board and the Association. Any other expenses incurred shall be paid by the party incurring same.
- 11.5 If the arbitrator subpoenas an employee to attend the arbitration proceeding as a witness, this employee shall not suffer loss of pay.
- 11.6 The provisions of this article shall apply only to those members of the unit who have completed one (1) full year in the employ of the River Dell Board of Education.

 - D. Tuition Reimbursement shall be paid before July 1st of year in which course was taken. Proof of course completion and receipt indicating payment of tuition fee must be submitted no later than May 31st.

ARTICLE XIII - DURATION OF AGREEMENT

- 12.1 The provisions of this Agreement shall be effective July 1, 2017 except as herein provided, and shall continue and remain in full force and effect to and including June 30, 2022 when it shall expire, unless an extension is agreed to by both parties and expressed in writing prior to such date.
