This Agreement entered into by the State of New Jersey, Office of Employee Relations in the Governor's Office and hereinafter referred to as the "State" and the State Law Enforcement Conference of the New Jersey State Policemen's Benevolent Association, hereinafter referred to as the "PBA", has as its purpose the promotion of harmonious employee relations between the State and the PBA, the establishment of an equitable and peaceful procedure for the resolution of differences and the establishment of salaries, wages, hours of work and other terms and conditions of employment.

ARTICLE I

Recognition

The State recognizes the P.B.A. as the sole and exclusive representative of those employees in the Law Enforcement Unit for the purpose of collective negotiations concerning salaries, wages, hours of work and other terms and conditions of employment.

The State will not negotiate any other or any additional terms and conditions of employment, including those expressed in this Agreement, with any individual or group of employees in this unit.

A. 1. Included are all full-time permanent and provisional employees of the State of New Jersey listed in Appendix II.

2. Whenever new classifications of employees are created, the State shall assign to such classification an appropriate unit designation. The State will notify the P.B.A. of such designations to this negotiations unit thirty (30) days prior to the effective date of amending such listing. If requested in writing, the State will discuss any such designation with the P.B.A. In the event no agreement is reached on such amendment after discussion as provided herein, the resolution of the matter shall be by the clarification of unit procedures of the Public Employment Relations Commission.

B. Excluded are:

1. Managerial Executives
2. Supervisors
3. State Troopers
4. Employees represented in other certified bargaining units.
5. Classifications within the Department of Higher Education except those in the State College System.
6. All other employees of the State of New Jersey not included within the State-wide Law Enforcement Unit.

ARTICLE II

Comprehensive Employment Training Act

Employees who are within the classifications included in this unit but appointed under the CETA Program are considered to be subject to all provisions of this Agreement as provisional employees except that the federal legislation and regulations concerning this program and any agreement between the State and any local government prime sponsor which is involved shall be in effect and modify the provisions of this Agreement which would otherwise be operable.

Any grievance as to whether or not the provisions of the Agreement conflict with Federal legislation or regulations or any agreement with a local government prime sponsor shall be considered to be governed under A.2. of the Grievance Procedure.

ARTICLE III

Management Rights

The State, its several departments and subordinate functions, retain and may exercise all rights, powers, duties, authority and responsibilities conferred upon and vested in them by the laws and constitutions of the State of New Jersey and of the United States of America.

Except as specifically abridged, limited or modified by the terms of the Agreement between the State and the P.B.A. and Ch. 303, L. 1968, all such rights, powers, authority, prerogatives of management and responsibility to enforce reasonable rules and regulations governing the conduct and the activities of employees are retained by the State.

ARTICLE IV

Civil Service Regulations

It is intended that the administrative and procedural provisions and controls of the Civil Service Law and Rules and Regulations promulgated thereunder are to be observed in the administration of this Agreement, where applicable, and except and to the extent that this Agreement pertains to subjects not therein contained.

ARTICLE V

Non-Discrimination

The provisions of this Agreement shall be applied equally to all employees and the P.B.A. and the State agree there shall not be any discrimination as to age, sex, marital status, race, color, creed, national origin, political affiliation, association membership, or lawful membership activities or activities provided in this Agreement.

ARTICLE VI

Policy Agreements

A. Employee Relations Policies

1. During the term of this Agreement the parties agree that neither the P.B.A., nor any employee represented by it, will engage in or support any strike, work stoppage, slowdown, or any job action.

2. No lockout of employees shall be instituted or supported by the State during the term of this Agreement.

3. The Association recognizes its responsibility as exclusive collective negotiations agent and agrees to represent all employees in the unit without discrimination.

4. These agreements are not intended to limit the freedom of speech of the Association or its members.

B. Quarterly Employee Relations Meetings

1. A committee consisting of State and Association representatives may meet for the purpose of reviewing the administration of this Agreement, and to discuss problems which may arise. Said committee meetings shall be some time during the last week of February, May, August and November. These meetings are not intended to by-pass the grievance procedure or to be considered contract negotiation meetings but are intended as a means of fostering good employee relations through regular communications between the parties.

2. Either party may request a meeting and shall submit a written agenda of topics to be discussed seven (7) days prior to such a meeting.

3. A maximum of five (5) employee representatives of the Association may attend such quarterly meetings and, if during duty hours, shall be granted time to attend without loss of pay. If any employee representative attends the statewide quarterly meeting and is scheduled to work and works on another shift on the date of said meeting or attends the meeting on his/her normal day off, he/she shall be granted compensatory time for the actual time spent at the meeting. Such compensatory time granted shall not be considered time worked for the computation of overtime.

C. It is further agreed that each component local of the P.B.A. representing a subunit element of the negotiations unit shall meet with a State committee on a semi-annual basis, if requested. The purpose of such meetings being to review the administration of this Agreement as it pertains to the subunit employees by amicably relieving problems on an informal basis and to reduce costs and loss of time for all parties consistent with the conditions agreed to in B. above except that a maximum of three (3) Association representatives, who shall be authorized to speak for the P.B.A., shall attend such meetings.

ARTICLE VII

Dues Deduction

A. Membership Dues

1. The State agrees to deduct from the regular pay of any employee, the dues of the P.B.A. Local of which he is a member provided the employee submits an authorization for dues deduction in writing and on proper form to the responsible payroll clerk. The payroll clerk shall process and forward a properly executed form, within seven (7) days, to the centralized payroll section, Department of the Treasury. Dues deduction will be reflected in the next regular paycheck provided the authorization form is received in centralized payroll at least seven (7) days prior to the end of the pay period.

2. Dues deductions for any employee in this bargaining unit shall be limited to the PBA, the duly certified majority representative, and employees shall be eligible to withdraw such authorization only as of July 1 of each year.

3. Dues so deducted shall be transmitted to the designated officer of the P.B.A. together with a listing of the employees included.

4. The President of the P.B.A. Local shall certify to the State the amount of dues and shall notify the State of any change in the amount of dues to be deducted thirty (30) days prior to the intended effective date of such change.

B. Representation Fee (Agency Shop)

1. Purpose of Fee

Beginning the third full pay period for fiscal year 1982 all eligible non-member employees in this unit will be required to pay to the majority representative a representation fee in lieu of dues for services rendered by the majority representative. Nothing herein shall be deemed to require any employee to become a member of the majority representative.

2. Amount of Fee

Prior to the beginning of each agreement year, the P.B.A. will notify the State, in writing, of the amount of regular membership dues, initiation fees and assessments charged by the P.B.A. to its own members for that agreement year, and the amount of the representation fee for that agreement year. Any changes in the representation fee structure during the agreement year shall be in accordance with A.4. above.

The representation fee in lieu of dues shall be in an amount equivalent to the regular membership dues, initiation fees and assessments charged by the majority representative to its own members, less the cost of benefits financed through the dues, fees and assessments and available to or benefiting only its members, but in no event shall such fee exceed 85% of the regular membership dues, fees and assessments.

3. Deduction and Transmission of Fee

a. Once during each agreement year, the P.B.A. will submit to the State a list of those employees who have not become members of the P.B.A. After verification by the State that these employees must pay the representation fee, the State will deduct the fee in accordance with this Article.

The P.B.A. will notify the State, in writing, of any changes in the list provided and such changes will be reflected in any deductions made more than ten (10) days after the State received said notice.

b. The mechanics of the deduction of representation fees and the transmission of such fees to the P.B.A. will, as nearly as possible, be the same as those used for the deduction and transmission of regular membership dues to the P.B.A.

c. In no event will the representation fee be deducted from a new employee before thirty (30) days from the beginning date of employment in a position in this unit.

4. Demand and Return System

a. The representation fee in lieu of dues only shall be available to the P.B.A. if the procedures hereafter are maintained by the P.B.A.

b. The burden of proof under this system is on the P.B.A.

c. The P.B.A. shall return any part of the representation fee paid by the employee which represents the employee's additional pro rata share of expenditures by the P.B.A. that is either in aid of activities or causes of a partisan political or ideological nature only incidentally related to the terms and conditions of employment, or applied toward the cost of any other benefits available only to members of the majority representative.

d. The employee shall be entitled to demand and have returned from the P.B.A. any portion of the representation fee which is expended on those activities listed in paragraph c. This right to a demand and return shall be accorded in conformance with the internal steps and procedures established by the P.B.A.

The P.B.A. shall submit a copy of the union review system to the Office of Employee Relations. The deduction of the representation fee shall be available only if the P.B.A. establishes and maintains this review system.

e. If the employee is dissatisfied with the P.B.A.'s decision, he may appeal to a three-member board established by the Governor.

5. State Held Harmless

The P.B.A. hereby agrees that it will indemnify and hold the State harmless from any claims, actions or proceedings brought by any employee in the negotiations unit which arises from deductions made by the State in accordance with this provision. Once the representation fee in lieu of dues is remitted to the P.B.A. by the State, disposition thereafter shall be the sole and exclusive obligation and responsibility of the P.B.A.

ARTICLE VIII

A. Access to Premises

1. Previously designated representatives of the Association, who are acknowledged by the State, shall be admitted to the premises of the State on Association business.

Request for such visitation rights shall be directed to designated State officials and include the purpose of the visit, proposed time and date, and specific work areas involved. Permission for such visits shall not be unreasonably withheld.

Such Association officials shall also have the opportunity to consult with off duty employees in the negotiations unit before the start of the work shift, during lunch or breaks, or after completion of the work shift. The State will designate appropriate places for such consultations.

2. The rights of access provided in this section A above shall not be granted to any other employee organization or to any representative or employee of such organization for the purpose of communicating with employees in this unit.

3. Where a problem occurs which is of such consequence as to suggest the need for a higher than local level P.B.A. representative, a request to permit the local P.B.A. president access to the location of the problem may be directed to the Office of Employee Relations for approval. A decision and any conditions imposed by the Office of Employee Relations shall be final. Approval of such requests shall not be unreasonably withheld and the P.B.A. shall have the right to grieve the matter of reasonableness.

4. A telephone shall be available at each installation or institution for use by mutually agreed representatives of the P.B.A. for Association business. The P.B.A. shall reimburse the State for telephone charges, if any. Abuse of this right will result in forfeiture.

5. The State will provide a thirty (30) minute period during a new employee's training period to allow the local PBA representative to meet and explain the PBA's responsibilities.

6. Where the PBA has mail to be delivered to its Officers, the interoffice mail system will be made available, provided that priority is retained for the business of the State.

B. Association Activity With Pay

The State agrees that during working hours, on its premises and without loss of pay, properly designated and mutually agreed upon Association representatives shall be allowed to:

1. represent employees in the negotiating unit at grievance proceedings,
2. submit Association notices for posting,
3. attend negotiating meetings if designated as a member of the negotiating team to a maximum of two (2) employees per local. Where exception is required, a

request for one (1) additional employee can be made and may be approved based on the appropriateness of the request to the issues being negotiated. If sub-unit negotiations occur, the number of P.B.A. representatives will be determined by mutual agreement,

4. attend scheduled meetings with the State and its representatives concerning the application of the Agreement.

The accredited Association representative shall provide reasonable notification to his supervisor and to the appointing authority whenever he wishes to transact such Association business on State time.

C. Bulletin Boards

1. The State agrees to furnish a suitable share of existing bulletin boards in convenient places in each working area to be used exclusively by the P.B.A. The space provided shall minimally approximate 30 x 30 inches or the equivalent.

2. If the P.B.A. desires additional bulletin boards, it may request permission to erect its own. A request to erect a bulletin board in conformance with State standards shall not be unreasonably withheld.

3. The P.B.A. shall limit its postings to notices, bulletins, reports and similar materials which shall not contain any profane or obscene matter or be defamatory of any individual or the State. The P.B.A. shall not post election campaign materials. Postings shall be signed by an authorized representative of the P.B.A. or the organizational origin shall be set forth.

4. The State will provide space in central locations and areas frequented by employees in the unit where Association newspapers, circulars and literature may be placed so that employees may pick up copies during non-work time provided that such material for distribution is consistent with 3. above of this provision. It is further agreed that the Association will assure that all undistributed literature is removed from the distribution points after a reasonable time.

5. Any material which an authorized representative of the Office of Employee Relations alleges to be in violation of this Agreement, shall be promptly removed by the P.B.A. The matter may then immediately be initiated as a Step 3 grievance for resolution by the Association or submitted to the Office of Employee Relations.

6. The State may, upon request of the Association, undertake to make specific postings of authorized materials on behalf of the Association.

D. Stewards

The P.B.A. has the sole right and discretion to designate Stewards and to specify their respective responsibilities and authority to act for the P.B.A. The State reserves to its discretion the extension of privileges to limited numbers of such Stewards as agreed upon with the P.B.A.

ARTICLE IX

Access to Personnel Folders and Evaluations

A. An employee shall, within five (5) working days of a written request to his agency or department, have an opportunity to review his personal history folder in the presence of an appropriate official of the department or agency to examine any criticism, commendation or any evaluation of his work performance or conduct prepared by the State during the term of this Agreement. Such examination shall not require a loss of paid time.

He shall be allowed to place in such file a response of reasonable length to anything contained therein. If any material derogatory to the employee is placed in his file, a copy of such material shall be sent to the employee.

B. Each regular written evaluation of work performance shall be reviewed with the employee and evidence of this review shall be the required signature of the employee on the evaluation form. Such signature shall not be construed to mean agreement with the content of the evaluation unless such agreement is stated thereon.

C. An employee may request the expungement of materials included in the folder where there are pertinent and substantive inaccuracies or for reasons of time duration, relevance or fairness. Such requests will be evaluated in relation to the State's needs for comprehensive and complete records but will not be unreasonably denied.

D. No document of anonymous origin shall be maintained in the personnel folder.

ARTICLE X

Personnel Practices

A. Identification Cards

A standardized identification card shall be utilized for all employees in the negotiations unit.

The State shall furnish identification cards to all employees who have served continuously for six (6) months. Lost cards shall be reported immediately and the first replacement shall be made at no cost to the employee.

B. Civil Service Examinations

1. Employees who are scheduled to take open competitive examinations for the position in which the employee is provisional, or to take promotional examinations administered by the Civil Service Department of the State of New Jersey, for positions in the State service, shall be granted time off with pay to take such examinations if they are scheduled during the work shift of the employee. Such privileges may not be abused.

2. When an employee has been certified for promotion and is scheduled to be interviewed by the agency to which he may be promoted, he shall suffer no loss in pay to attend the scheduled interview including travel time required, if during his regular work shift.

C. Education Program Announcements

When announcements are published by the State which describe available educational programs or State scholarships, such materials will be posted prominently in order that interested employees may be informed of this availability. Copies of these items will be sent to the Association.

D. Printing of Agreement

The State will reproduce this Agreement as soon as reasonably possible in sufficient quantities so that each employee in the negotiations unit may receive a copy, plus additional reserve copies for distribution to employees hired during the term of the Agreement. The Agreement cover will include the seal of the State of New Jersey and the Association insignia.

E. Fringe Benefit Information

The State shall provide a booklet describing the health benefits program, the life insurance and pension program and similar available publications to each employee upon request and to all new employees when hired.

F. Lateness

Whenever an employee is delayed in reporting for a scheduled work assignment, he shall endeavor to contact his supervisor in advance, if possible. An employee who has a reasonable excuse and is less than fifteen (15) minutes late is not to be reduced in salary or denied the opportunity to work the balance of his scheduled shift and he shall not be disciplined except where there is evidence of repetition or neglect. A record of such lateness shall be maintained and may be charged against any compensatory time accrual where there is evidence of repetition or neglect.

Lateness beyond the fifteen (15) minute period above shall be treated on a discretionary basis. However, this provision is not intended to mean that all lateness or each incidence of lateness beyond fifteen (15) minutes shall incur disciplinary action or loss of opportunity to complete a work shift or reduction of salary.

G. Lateness or Absence Due to Weather Conditions

1. When an employee is unable to get to his assigned work because of weather conditions, his absence may be compensated if he has a sufficient compensatory time balance, or if none is available, a charge may be made against vacation balance or administrative leave balance if requested by the employee. Such absence will alternatively be without pay.

2. Employees late for duty due to delays caused by weather conditions and who made a reasonable effort to report on time may be given credit for such late time at the discretion of the appointing authority.

H. Excused Illness During Work Time

When an employee becomes ill while on an assigned work shift and can not continue to work because of the illness, the employee shall be compensated for a minimum of one-half (½) day except that if he has worked four (4) or more hours, he shall be compensated for the regularly assigned shift. Excuse for such illness will be granted by the appointing authority, by appropriate supervisory or medical personnel when available.

I. Notice of Suspension

1. When an employee is suspended from duty the notice of such suspension shall be given to the employee immediately. Where such notice has not been given and the employee reports for work and is willing and able to perform his normal duties he shall not be deprived of the opportunity to work on that day and shall be paid for a minimum of one-half (½) day or for a full day if he works more than four (4) hours.

Notice required above may be by written message or oral or telephonic means confirmed by written notice.

This provision is not intended to require payment for any hours not worked on the day on which an employee is suspended for cause and asked to leave his work.

2. Where a hardship of undue or unusual effect is claimed and demonstrated, the employee suspended may, at the discretion of the appointing authority, be charged against accumulated compensatory time, vacation or administrative leave balances, if any, upon the request of the employee.

ARTICLE XI

Grievance Procedure

A. Grievance Definition

A "grievance" is:

1. A claimed breach, mis-interpretation or improper application of the terms of this Agreement; or

2. A claimed violation, mis-interpretation, or mis-application of rules or regulations, existing policy, agreements, administrative decisions, or laws, applicable to the agency or Department which employs the grievant affecting the terms and conditions of employment.

B. Purpose

1. The purpose of this procedure is to assure prompt and equitable solutions of problems arising from the administration of the Agreement, or other conditions of employment by providing the exclusive vehicle set forth in this Article for the settlement of employee grievances, except that a grievant may request that the Civil Service Commission agree to review any matter for which a specific appeal to the Commission is available as provided in C.I.a. 1-5, below. Nothing herein can be construed to require the Civil Service Commission to review such matter but any declination will be made in writing to the grievant and to the Association if a request to Civil Service is made by the grievant.

2. It is agreed that the individual employee is entitled to use this grievance procedure and to be represented by the Association upon his request in accordance with the provisions hereof. He shall not be coerced, intimidated or suffer any reprisal as a direct or indirect result of such use. The P.B.A. shall be notified of any scheduled grievance hearing.

3. Nothing in this Agreement shall be construed as compelling the Association to submit a grievance to arbitration or to represent an employee before Civil Service. The Association's decision to request the movement of any grievance at any step or to terminate the grievance at any step shall be final as to the interests of the grievant and the Association.

4. No grievance settlement reached under the terms of this Agreement shall add to, subtract from or modify any terms of this Agreement.

5. For purposes of this Agreement, terms and conditions of employment shall be those matters which intimately and directly affect the work and welfare of the employees covered hereunder and which do not significantly interfere with the exercise of inherent management prerogatives pertinent to the determination of government policy.

C. Scope of the Grievance Procedure

1. It is understood by the parties that this grievance procedure represents the exclusive process for the resolution of disputed matters arising out of the Grievance Definition, A.1. and 2., above, except for those specific matters listed below:

a. Appeals of matters in disputes shall be made directly to the Civil Service Commission, subsequent to proper notification to the responsible local management officials, with regard to the following subject only:

1. Out-of-title work
2. Position classification and reevaluation review
3. Layoff and recall rights
4. Civil Service examination procedures for which an appeal exists
5. Removal at completion of working test period

2. Any claim of unjust discipline against an employee shall be processed in accordance with the provisions of Article XII, Discipline, of this Agreement.

3. Reference by name or title or otherwise in this Agreement to laws, rules, regulations, formal policies or orders of the State, shall not be construed as bringing any allegation concerning the interpretation or application of such matters within the scope of arbitrability as set forth in this Agreement except as provided in this Agreement.

D. General Rules and Procedures

1. All members of the collective negotiating unit must orally present and discuss his complaint with his immediate supervisor on an informal basis prior to filing a formal grievance at Step One.

2. In the event that the grievance has not been satisfactorily resolved on an informal basis, then an appeal may be made on the grievance form specified below.

3. Where the subject of a grievance, or its emergent nature, suggests it is appropriate, and where the parties mutually agree, such grievance may be initiated at or moved to any step of the procedure without hearing at a lower step. Where the P.B.A. requests a grievance be initiated at Step Three or beyond based on a claim of emergency wherein the normal processing of the grievance would prejudice the effective relief sought and/or the substantive rights of the grievant and, if such request is denied by the agency of the State involved, the P.B.A. may seek an expedited determination by the Office of Employee Relations of the appropriate step to initiate such grievance. If the P.B.A. is not satisfied with this determination, then the issue of whether or not an emergency exists may be brought to an expedited arbitration hearing. The options to be prescribed would be: (a) initiate at Step One or, (b) initiate at Step Four.

4. Where a grievance directly concerns and is shared by more than one grievant, such group grievance may properly be initiated at the first level of supervision common to the several grievants, with the mutual consent of the parties as to the appropriate step. The presentation of such group grievance will be by the appropriate Association representative(s) and one of the affected grievants designated by the Association. A group grievance may be initiated by the Association.

5. All such grievances shall be presented in writing to the designated representative of the party against whom it is made on "Grievance Forms" to be provided by the State. Such forms shall make adequate provision for the representative of each of the parties hereto to maintain a written record of all action taken in handling and disposing of the grievance at each step of the Grievance Procedure. The form shall contain a general description of the relevant facts from which the grievance derives and references to the sections of the

Agreement, if any, which the grievant claims have been violated. The grievance form must be completed in its entirety. A group grievance initiated by the Association may be presented on the above form, or where appropriate, in another format provided that the grievance is fully set forth in writing and contains all the information called for by said form.

6. When a grievance is initiated, the original form shall be forwarded to the Personnel Officer of the appropriate operating agency. The remaining three (3) copies shall be kept intact while going through the steps of the Grievance Procedure. After the grievance is resolved, the copies shall be distributed as designated on the grievance form.

A copy of the decision of the State at each step shall be provided to the P.B.A. representative involved.

7. Grievance resolutions or decisions at Step One through Step Three shall not constitute a precedent in any arbitration or other proceeding unless a specific agreement to that effect is made by the Office of Employee Relations and the Attorney of the Association. This shall not be construed to preclude either party from introducing relevant evidence, including such grievance resolutions, as to the prior conduct of the other party.

E. Grievance Time Limits and Management Responses

1. A grievance must be filed initially within fifteen (15) calendar days from the date on which the act which is the subject of the grievance occurred or fifteen (15) calendar days from the date on which the grievant should reasonably have known of its occurrence. Other references to days in this process are working days of the party to which they apply.

2. Where a grievance involves exclusively an alleged error in calculation of salary payments, the grievance may be timely filed within thirty (30) days of the time the individual should reasonably have known of its occurrence.

3. Decisions after a scheduled hearing shall be rendered in writing to the grievant and to the Association representative within established time limits, except that the decision will be considered timely if rendered within the following limits or within three (3) days after the conclusion of the hearing at Steps One and Two and fifteen (15) days after the conclusion of the hearing at Step Three whichever is later.

a. at Step One within five (5) working days of the receipt of the grievance;

b. at Step Two within ten (10) working days of the receipt of the appeal from the Step One decision;

c. at Step Three within fifteen (15) working days of the receipt of the appeal from the Step Two decision.

4. Should a grievance not be satisfactorily resolved, or should the employer not respond within the prescribed time periods, either after initial receipt of the grievance or after a hearing, the grievance may be appealed within three (3) working days to the next step. The lack of response by the State within the prescribed time periods unless time limits have been extended by mutual agreement, should be construed as a negative response.

5. When a grievance appeal is to be filed, the State representative at the last hearing shall inform the grievant of the name and position of the next higher level of management to whom the appeal should be presented.

6. Time limits under this Article may be changed by mutual agreement and requests for extensions of time limits will not be unreasonably denied.

7. If, at any step in the grievance procedure, the State's decision is not appealed within the appropriate prescribed time, such grievance will be considered closed and there shall be no further appeal or review.

Where an extraordinary circumstance precludes the timely appeal of the grievance at any step, the P.B.A. may promptly seek a waiver of the time limit for such appeal by direct request to the Office of Employee Relations. Such request shall not be unreasonably denied.

8. No adjustment of any grievance shall impose retroactivity beyond the date on which the grievance was initiated or the fifteen (15) day period provided in E.1. above except that payroll errors and related matters shall be corrected to date of error.

F. Grievance Investigation - Time Off

When a grievance has been formally submitted in writing and the Association represents the grievant, and where the Association Steward or other representative Officer requires time to investigate such grievance to achieve an understanding of the specific work problem during working hours, the Steward or Officer will be granted permission and reasonable time, to a limit of one (1) hour to investigate without loss of pay. It is understood that the supervisor shall schedule such time release, providing the work responsibilities of the Steward or Officer and of any involved employee are adequately covered and providing further there is no disruption of work. Such time release shall not be unreasonably withheld and upon request could be extended beyond the one (1) hour limit for specified reasons, if to the supervisor, the circumstances warrant an exception to this limit. Where an Association Steward or other representative officer serves a mutually agreed upon grievance district encompassing two (2) or more geographically separated work locations and where the circumstances require it, a supervisor shall authorize the additional time required for travel.

Such time release shall not be construed to include preparation of paperwork, record keeping, conferences among Association officials nor preparation for presentation at a grievance hearing.

G. Time Off for Grievance Hearings

1. An employee and his designated employee representative shall be allowed time off without loss of pay;

a. As may be required for appearance at a hearing of the employee's grievance scheduled during working hours;

b. For necessary travel time during working hours.

If the hearing extends beyond the employee's normal working hours, compensatory time equal to the additional time spent at the hearing shall be granted but such time shall not be considered time worked for the computation of overtime.

2. Where the employee or the Association requests employee witnesses, permission for a reasonable number of witnesses required during the grievance proceedings will be granted. A witness at such proceedings will be permitted to appear without loss of pay for the time of appearance and travel time as required if during his normal scheduled working hours.

3. At Steps Two and beyond in the grievance procedure, witnesses may be heard and pertinent records received.

4. The Association representative may have the right directly to examine or cross-examine witnesses who appear at any step of this procedure.

H. Grievance Steps and Parties Therein

Grievances shall be presented and adjusted in accordance with the following procedures:

Step One

If subsequent to the informal discussion of the complaint with the employee's immediate supervisor the matter is not resolved informally, the grievance may be submitted in writing to the first level of supervision designated to hear the grievance. The grievant may be represented by an employee in the same work unit designated by the appropriate Local Association President.

Step Two

If the grievance is not satisfactorily disposed of at Step One, it may be appealed to the highest operational management representative. He or his designee shall hear the grievance, witnesses may be heard and pertinent records received. The grievant may be represented by a person already designated in Step One, or

(1) an Association officer at the institution or installation involved, or

(2) other representative previously designated by the Association and acknowledged by the State. The circumstances surrounding a grievance may suggest that the Association Local President has a particular need to assist in the presentation of the grievance at Step Three. He may make a request to do so to the Office of Employee Relations. Such request shall not be unreasonably denied.

Step Three

If the grievance is not satisfactorily disposed of at Step Two, it may be appealed to the department head or his designee who shall not be a person who was directly involved in the grievance. The appeal shall be accompanied by the decisions at the preceding levels and any written record that has been made part of the preceding hearings.

The grievant may be represented by the Local Association President or his designee. The Association may designate an additional non-employee representative.

If the decision involves a non-contractual grievance or if the grievant has presented his appeal without Association representation, the decision of the department head or his designee shall be final and a copy of such decision shall be sent to the Association.

Step Four

1. In the event that the grievance has not been satisfactorily resolved at Step Three, and the grievance involves an alleged violation of the Agreement as described in the definition of a grievance in A.1. above, then a request for arbitration may be brought only by the Association, through its designee within ten (10) calendar days from the day the Association received the Step Three decision, by mailing a written request for arbitration to the Director of the Office of Employee Relations. If mutually agreed, a pre-arbitration conference may be scheduled to frame the issue or issues. All communications concerning appeals and decisions at this Step shall be made in writing. A request for arbitration shall contain the names of the department or agency and employee involved, copies of the original grievance, appeal documents and written decisions rendered at the lower steps of the grievance procedure.

2. Within thirty (30) days of the execution of this Agreement, the parties shall mutually agree upon a panel of three (3) arbitrators. Each member of the panel shall serve in turn. If a member of the panel is unable to serve, the next member in sequence shall then serve. In the event the parties are unable to agree upon a panel of arbitrators within thirty (30) days, arbitrators shall be selected, on a case by case basis under the selection procedure of the Public Employment Relations Commission, until such time as the parties mutually agree upon a panel.

3. The arbitrator shall not have the power to add to, subtract from, or modify the provisions of this Agreement or laws of the State, or any written policy of the State or sub-division thereof and shall confine his decision solely to the interpretation and application of this Agreement. He shall confine himself to the precise issue submitted for arbitration and shall have no authority to determine any other issues not so submitted to him, nor shall he submit observations or declaration of opinions which are not relevant in reaching the determination. The decision or award of the arbitrator shall be final and binding consistent with applicable law and this Agreement. In no event shall the same question or issue be the subject of arbitration more than once. The arbitrator may prescribe an appropriate back pay remedy when he finds a violation of this Agreement, provided such remedy is permitted by law and is consistent with the terms of this Agreement. The arbitrator shall have no authority to prescribe a monetary award as a penalty for a violation of this Agreement. Rules, regulations, formal policies or orders of the State shall not be subject to revision by the arbitrator except if specifically provided herein. The fees and expenses of the arbitrator and recording of the procedure shall be divided equally between the parties. Any other cost of this proceeding shall be borne by the party incurring the cost.

4. The arbitrator shall hold the hearing at a time and place convenient to the parties within thirty (30) calendar days of his acceptance to act as arbitrator and shall issue his decision within thirty (30) days after the close of the hearing. In the event a disagreement exists regarding the arbitrability of an issue, the arbitrator shall make a preliminary determination as to whether the issue is arbitrable under the express terms of this Agreement. Once a determination is made that such a dispute is arbitrable, the arbitrator shall then proceed to determine the merits of the dispute.

5. Whenever a grievance which is to be resolved at Step Four, Arbitration, is based on a provision of this Agreement in which the power or authority of the arbitrator is specifically limited, those limits shall be observed and the provisions of paragraph three (3) above shall be operable except and to the extent that the limitations in such provisions modify such powers or authority.

ARTICLE XII

Discipline

A. Discipline of an employee shall be imposed only for just cause. The terms of this Article shall not apply to provisional employees or employees serving their working test period or unclassified employees except as specified in paragraph H.1. and paragraph I. below.

B. Discipline under this Article means official written reprimand, fine, suspension without pay, reduction in grade or dismissal from service, based upon the personal conduct or performance of the involved employee. Dismissal from service or reduction in grade based upon a layoff or operational changes made by the State shall not be construed to be discipline.

C. Just cause for discipline up to and including dismissal from service shall include those causes set forth in N.J.A.C. 4:1-16.9. This list of causes set forth in N.J.A.C. 4:1-16.9 is not exclusive and discipline up to and including dismissal from service may be made for any other combination of circumstances amounting to just cause.

D. Where an appointing authority or his designee imposes discipline pursuant to paragraph C, written notice of such discipline shall be given to the employee. Such notice shall contain a reasonable specification of the nature of the charge, a general description of the alleged acts and/or conduct upon which the charge is based and the nature of the discipline. Suspensions will not be implemented before the expiration of a period of seventy-two (72) hours from the beginning of the work shift during which the notice of suspension was given except in cases where, in the judgement of management, the suspension is directed at an immediate need to maintain safety, order or effective direction of work assignments.

E. The name of any employee who is notified of suspension or dismissal pursuant to paragraph D. shall be transmitted to the Association as soon as feasible but not to exceed seventy-two (72) hours after such notice.

F. Any grievance relating to the involved disciplinary matter must be filed by the employee within ten (10) calendar days of notice of discipline to the employee involved. The Department or Agency Head, or his designee, will convene a hearing within twenty (20) calendar days after receipt of such disciplinary grievance. The Department or Agency Head, or his designee, shall render a written decision within twenty (20) calendar days from the date of such hearing. The employee may be represented at such hearing by the Steward, or his designee, and/or legal counsel. The circumstances surrounding a discipline case may suggest that the Association local president has a particular need to assist in the presentation at the hearing. He may make a request to do so to the Office of Employee Relations. Such request shall not be unreasonably denied. The decision rendered herein shall be final except where the disciplinary grievance involves a penalty as set forth in paragraph G. below. Where the matter involves a disciplinary penalty other than those set forth in G. below, Civil Service may review the matter if timely presented in accordance with its discretionary jurisdiction.

G. 1. In the event the grievance has not been satisfactorily settled or otherwise resolved and involves the following contemplated or implemented penalties:

- (1) Suspension of more than five (5) days at one time;
- (2) Suspensions or fines more than three (3) or for an aggregate of more than fifteen (15) days in one (1) calendar year;
- (3) Demotion;
- (4) Discharge;

then,

a. The individual may request or petition the Civil Service Commission for a hearing which request must be received by the Civil Service Commission within twenty (20) days after the date of receipt of the decision rendered in paragraph F. The Civil Service Law and the Rules and Regulations promulgated thereunder shall govern the disposition of such a request or petition.

H. General Provisions

1. The terms of this Article shall not apply to provisional employees or employees serving a working test period, provided such working test period does not exceed six (6) months. This exclusion shall not apply to provisional or probationary employees who otherwise hold permanent appointment in a job classification included in the negotiating unit, except that under no circumstances will the State's judgement as to the adequacy of the employee's performance in a working test or provisional status, or any action taken in pursuance thereof be deemed to be discipline within the meaning of this Article. Employees serving their working test period shall retain all rights under Civil Service Laws, Rules or Regulations.

2. In the event a formal charge of misconduct is made by the State against an employee and, if he so requests, he shall be entitled to a representative of the Association only as a witness or as an advisor during any subsequent interrogation of the employee concerning such charge. No recording of such procedure shall be made without notification to the employee and there shall be no presumption of guilt. The employee and/or the Association, if present, may request and receive a copy of such recording.

Where an employee is interrogated during the course of an investigation and when there is a reasonable likelihood that the individual being questioned may have formal charges preferred against him, the nature of those contemplated charges shall be made known to the employee who shall then, if he requests, be entitled to a representative of the Association, only as a witness or as an advisor, during subsequent interrogation concerning the charge provided that the interrogation process shall not be delayed and/or the requirement to expedite any official duty not be impaired.

3. Where criminal charges are initiated, the right of the employee to representation by his attorney shall not be violated.

4. An employee shall not be disciplined for acts, except those which would constitute a crime, which occurred more than one (1) year prior to the service of the notice of discipline. The employee's whole record of employment, however, may be considered with respect to the appropriateness of the penalty to be imposed.

5. Nothing in this Article of Agreement shall be construed to limit the right of the State to implement any disciplinary action notwithstanding the pendency of any grievance proceeding.

6. In the event a disciplinary action is initiated, the employee or his/her representative may request and shall be provided with copies of all written documents, reports, or statements which will be used against him/her at such hearing and a list of all known witnesses who may testify against him/her, which, normally, will be provided not less than three (3) days, exclusive of weekends, prior to the hearing date, but in no case less than two (2) work days exclusive of weekends prior to the hearing date.

Where a fine is imposed as a disciplinary measure and the matter is grieved within the disciplinary procedure provided in this Agreement and where the fine is \$100 or more, the enforcement of the fine will be withheld upon request of the grievant being fined pending hearings and final disposition of the grievance as provided herein, provided the grievant continues in his employment with the State.

1. The following shall constitute the disciplinary appeal procedure rights for unclassified and provisional employees, who have been employed in such capacity for a minimum of six (6) months.

1. In all disciplinary matters, except dismissal from service, such employees shall be entitled to utilize the provisions of this Article up to the Departmental hearing level.

2. In disciplinary matters involving dismissal from service, such employees, upon written request, shall be entitled to a conference with the Department or Agency Head or his designee to discuss the matter. The Department or Agency Head or his designee may conduct an administrative investigation of the matter.

3. In no event shall the provisions of this Article apply where the employee is being removed as a result of the certification of a Civil Service eligible list.

4. Nothing in this Article shall be construed as a waiver of any rights any employee may have under Civil Service Statute or the Civil Service Rules and Regulations.

ARTICLE XIII

Seniority

A. A newly appointed employee shall be considered probationary and without seniority.

B. Permanent employees shall, on the day worked immediately following the successful completion of the probationary period, be considered to have State seniority as of the date of employment. Such State seniority shall accumulate until there is a break in service. State seniority of an employee who is reinstated after a period of layoff shall be continued retroactively exclusive of the period of layoff.

C. An employee shall be considered to have job classification seniority upon successful completion of the probationary period for that job as of the date of employment or permanent promotion to that job. Job classification seniority shall accumulate until there is a break in service.

D. 1. A break in continuous service occurs when an employee resigns, is discharged for cause, retires or is laid off.

2. Absence without leave for five (5) days or failure to return from any leave of absence shall be considered a resignation.

E. In the case where an employee is promoted but does not successfully complete the probationary period, he may be returned to his previous job classification. His job classification seniority and State seniority continues to accumulate during such period.

F. Provisional appointments will not be made except in the case of an emergency as provided in N.J.S.A. 11:10-3 and 11:11-2. Where an examination is required, such will be scheduled at the earliest possible time.

G. During the normal probationary period of four (4) months, the employee will be advised of his progress at the end of the second and third months.

H. Every six (6) months the appointing authority shall post on bulletin boards a current seniority list and make copies of same available to the Association. Any disagreement concerning the accuracy of such lists will be made known to the employee's Personnel Officer within one (1) month of the date of posting and corrective action will be initiated at this level.

I. This Article shall not apply to the computation or application of seniority in determination of individual rights administered by Civil Service, such as layoff and promotional rights. In such circumstances seniority determinations and applications shall be determined by Civil Service. The terms and conditions of seniority pertaining to layoff and promotions are fully set forth in statutes and in the Civil Service Regulations and are intended to be observed in this administration of this Agreement. The provisions above are not intended to vary the application of the seniority provisions under rule or law as they pertain to layoff and promotional matters.

ARTICLE XIV

Salary Compensation Plan and Program

A. Administration

1. The parties acknowledge the existence and continuation during the term of this Agreement of the State Compensation Plan which incorporates in particular, but without specific limit, the following basic concepts:

a. A system of position classification with appropriate position descriptions.

b. A salary range with specific minimum and maximum rates and intermediate incremental steps therein for each position.

c. The authority, method and procedures to effect modifications as such are required. However, within any classification the annual salary rate of employees shall not be reduced as a result of the exercise of this authority.

2. The State agrees that all regular bi-weekly pay checks be accompanied by a current statement of earnings and deductions and cumulative year-to-date earnings and tax withholdings.

3. The State shall make good faith efforts to convert from a monthly to a bi-weekly issue of supplemental checks for overtime for the preceding overtime reporting period for employees, where sufficient administrative and clerical resources are available.

B. Compensation Adjustment

It is agreed that during the term of this Agreement for the period July 1, 1981-June 30, 1983, the following salary and fringe benefit improvements shall be provided to eligible employees in the unit within the applicable policies and practices of the State and in keeping with the conditions set forth herein.

1. Subject to the State Legislature enacting appropriations of funds for these specific purposes, the State agrees to provide the following benefits effective at the time stated herein or if later, within a reasonable time after enactment of the appropriation.

a. There shall be a ten (10) percent across the board increase applied to current base salary for all employees in this unit. Sixty (60) percent of that increase shall be effective in the first pay period of fiscal year 1981-1982 and the remaining forty (40) percent shall become effective in the fourteenth (14) pay period. There shall be an additional salary increase of seven (7) percent across the board effective in the first pay period of fiscal year 1982-1983 for all employees in this unit except the Corrections Group. For the Corrections Group, there shall be an additional salary increase of nine (9) percent across the board applied to base salary. Five-ninths (5/9) of that increase shall be effective in the first pay period of fiscal year 1982-1983 and the remaining four-ninths (4/9) shall become effective

in the fourteenth (14) pay period. The State Compensation Plan salary schedule shall be adjusted in accordance with established procedures to incorporate these increases for each step of each salary range. Each employee shall receive the increase by remaining at the step in the range occupied prior to the adjustments.

b. Normal increments shall be paid to all employees eligible for such increments within the policies of the State Compensation Plan during the term of this Agreement.

c. Full-time employees and eligible dependents shall be eligible for the State-administered Dental Care Program.

Participation in the Program shall be voluntary with a condition of participation being that each participating employee authorize a bi-weekly salary deduction not to exceed fifty percent (50%) of the cost of the type of coverage elected, e.g. individual employee only, husband and wife, parent and child, or family coverage.

Each employee shall be provided with a brochure describing the details of the program and enrollment information and the required forms.

d. Full-time employees and eligible dependents shall be eligible for the State-administered Eye Care Program. The program shall provide for each eligible employee and dependents to receive a \$25.00 payment for prescription eye glasses with regular lenses and a \$30.00 payment for such glasses with bi focal lenses. Each eligible employee and dependent may receive only one payment during the two (2) year period that this program will be in effect. The extension of benefits to dependents shall be effective only after the employee has been continuously employed for a minimum of sixty (60) days.

C. Where the normal increment has been denied due to an unsatisfactory performance rating, and if subsequent performance of the employee is determined by the supervisor to have improved to the point which then warrants granting a merit increment, such increment may be granted effective on any of the three (3) quarterly action dates which follow the anniversary date of the employee, and subsequent to the improved performance and rating which justifies such action. The normal anniversary date of such employee shall not be affected by this action.

D. The State agrees to include employees in this unit in the State of New Jersey Temporary Disability Plan. This is a shared cost plan which provides payments to employees who are unable to work as the result of non-work connected illness or injury and who have exhausted their accumulated sick leave.

E. It is understood that the State shall make a good faith effort to initiate a program which will permit eligible employees in this negotiating unit to voluntarily authorize deferment of a portion of their earned base salary so that the funds deferred can be placed in an Internal Revenue Service approved Federal Income

Tax exempt investment plan. The deferred income so invested and the interest or other income return on the investment are intended to be exempt from current Federal Income Taxation until the individual employee withdraws or otherwise receives such funds as provided in the plan.

It is understood that the State shall be solely responsible for the administration of the plan and the determination of policies, conditions and regulations governing its implementation and use.

The State shall provide literature describing the plan as well as a required enrollment or other forms to all employees when the plan has been established.

It is further understood that the maximum amount of deferrable income under this plan shall be fifteen (15%) percent or \$7500 whichever is less.

F. Cooperative Effort

The parties to the agreement understand that the public services provided to the citizens of the State of New Jersey require a continuing cooperative effort particularly during this period of severe fiscal constraints. They hereby pledge themselves to achieve the highest level of service by jointly endorsing a concept of intensive productivity improvements which may assist in realizing that objective. This provision is not intended to nullify or modify any portion of the SLEU Agreement.

Where an employee has earned vacation credit in excess of a one (1) year allowance as of October 31, the employee will meet with his supervisor to schedule such vacation time.

B. Vacation Schedule

1. It is understood that the current program to schedule vacation time at each institution will be continued and that such program will include a procedure for advance schedule of vacation time. Conflicts concerning dates of vacations will be resolved within the work unit on the basis of State seniority.

2. Whenever limitations are imposed on the scheduling of vacations because of operational requirements in a work unit, the agency involved will clearly establish and publish the rules and regulations. For all employees except the Corrections Group, the total number of weeks of available vacation for each work unit during each of the periods outlined below shall be determined by the agency and the regulations as to scheduling such vacation shall not violate the following criteria of a. to f., inclusive:

a. Each employee shall have the opportunity to take one (1) week of summer vacation during the period between the week in which May 15 occurs through the week in which September 15 occurs. The choice of available time shall be made by employees on the basis of State seniority.

d. During the remainder of the calendar year the maximum allowable vacation for which an employee may apply shall not be less than one (1) week.

e. None of the allowance limits stated above are intended to preclude the granting of lesser periods of vacation if requested by an employee or granting full use of vacation when it can be allowed.

f. It is understood that due to seasonal work load requirements or emergencies, the agency may select months in which no vacations can be scheduled except that the provision of a. above may not be violated.

g. It is also understood that when such limitations apply, but the employees in the agency do not fully subscribe for the amount of vacation leave which the work unit has determined can be available, then other employees in the work unit who wish to utilize more of their earned and available vacation than would normally be allowed shall be given reconsideration and, where reasonable, allowed to schedule such additional time even if in excess of the established rules.

h. Should the agency propose new rules and regulations concerning vacation scheduling, they shall be discussed with the employee representatives before they are finalized and become operable.

3. Where the vacation schedule is established but there is need to adjust the schedule due to unforeseen pressure of the work, after voluntary changes are made, the employees named and required to make a change will be in inverse order of their seniority except that consideration will be given to a substantial commitment made by the employee involved. Vacation schedules shall not be changed later than thirty (30) days prior to the vacation unless mutually agreed upon or in case of emergency.

C. Payment For Vacation

1. Upon separation from the State, or upon retirement, an employee shall be entitled to vacation allowance for the current year prorated upon the number of months worked in the calendar year in which the separation or retirement becomes effective and any vacation leave which may have been carried over from the preceding calendar year.

2. If a permanent employee dies having vacation credits, a sum of money equal to the compensation figured on his salary rate at the time of his death shall be calculated and paid to his estate.

(1) During the remainder of the calendar year in which an employee first acquires permanent status, that employee will accumulate sick leave privileges as earned on the basis of one (1) day per month of service or major fraction thereof.

(2) Permanent employees starting with the second year of permanency shall be entitled to fifteen (15) days sick leave each calendar year on a cumulative basis. The leave is credited in advance at the beginning of the year in anticipation of continued employment for the full year and may be used on the basis and in accordance with established State policy.

B. In all cases of illness, the employee is required to notify his superior of the reason for absence. Notification will be given to the designated person at the earliest possible time but in no event less than one (1) hour before the scheduled starting time.

If special circumstances require an earlier notification time, management and the Association will work the problem out and establish the notification time.

If the duration of absence exceeds two (2) consecutive days, it will be necessary to report on every third day. Failure to report absences or abuse of sick leave privileges on the part of any employee may be cause for disciplinary action. A personal physician's certificate may be required to substantiate the request for sick leave but this requirement shall not be imposed on a basis inconsistent with the Civil Service Rules and Regulations.

This request must be accompanied by a written and signed statement by a personal physician prescribing the reasons for the sick leave and the anticipated duration of the incapacity.

E. Sick Leave While on Vacation

(1) When an employee is on vacation and requires sick leave for any portion of that vacation leave, he must immediately request the use of accumulated sick leave, in accordance with State regulations, through the designated authority. Such requests may be made by telephone, telegram or letter, but if by phone, should be confirmed by telegram or letter to clearly establish time of request. No sick leave will be credited unless supporting medical evidence verifying the illness or injury which would have precluded working is presented.

(2) The employee's use of accumulated sick leave for a short period of emergency attendance upon a member of the immediate family critically ill, and requiring his presence, may be approved if a proper request is made and evidence of the need presented as required in (1) above.

F. All sick leaves are subject to approval.

G. Employees will not be charged for sick leave on a holiday or for the scheduled day off in lieu of a holiday.

H. Whenever a permanent employee enters retirement pursuant to the provisions of a State administered or approved retirement system and has to his credit any earned and unused accumulated sick leave, he shall be entitled to receive supplemental compensation for such earned and unused accumulated sick leave. The supplemental compensation payment to be paid shall be computed at the rate of one-half (½) of the eligible employee's daily rate of pay for each day of earned and unused accumulated sick leave based upon the average annual compensation received during the last year of his employment prior to the effective date of his retirement, provided, however, that no such supplemental compensation payment shall exceed \$12,000. This supplemental compensation shall be paid in a lump sum after the effective date of retirement or at the option of the employee on quarterly dates: January 1, April 1, July 1 and October 1, with payments beginning on the quarterly date next following the date of retirement.

I. An employee who has been absent on sick leave for periods totalling fifteen (15) days in one (1) calendar year consisting of periods of less than five (5) days, shall submit acceptable medical evidence for any additional sick leave in that year unless such illness is of a chronic or recurring nature requiring recurring absences of one (1) day or less in which case only one certificate shall be necessary for a period of six (6) months.

ARTICLE XXII

Leave of Absence Due to Injury

An employee covered by this Agreement who is disabled because of a job-related injury or disease may, if it is approved, be granted a leave of absence with pay. Contingent upon the availability of departmental funds legally usable for this purpose, such approved leave may be granted with full pay, with reduced pay, or with full pay for a certain period and reduced pay thereafter.

Any amount of salary or wages paid or payable to an employee for disability leave shall be reduced by the amount of workmen's compensation award under the New Jersey Workmen's Compensation Act for temporary disability.

Such leave may be granted for up to one (1) year from the date of injury or illness and shall be based on medical or other proof of the injury or illness and the continuing disability of the employee.

If the State requires an employee to visit a specific physician in connection with a leave of absence due to a job related injury or disease, the State shall reimburse that employee for travel expenses incurred in accordance with the provisions of the State Travel Regulations.

This program shall be administered in accordance with Rules and Regulations promulgated by the Department of Civil Service.

ARTICLE XXIII

All such assigned or authorized hours beyond one hundred and fifty (150) in any calendar year and without a limit as to maximum shall be scheduled as time off.

Compensatory time accrued under this provision shall be scheduled as time off upon request or as directed when operational circumstances permit. Requests to schedule the use of compensatory time should be made well in advance and are considered to be of lesser priority than vacation or administrative leave requests. Nothing herein shall be construed to limit the exercise of managerial determination with regard to scheduling of such time off except that employees so directed shall be given reasonable notice.

2. When NL employees are assigned or authorized to work and work on any of the holidays prescribed in this Agreement, they shall be granted an alternate holiday. The alternate day shall be scheduled immediately and ordinarily will be

When an employee is called into work outside his regularly scheduled shift, he shall be guaranteed a minimum of two (2) hours compensation whether or not the two (2) hours are worked, except when the end of the call-in period coincides with the beginning of his regular shift.

E. The time sheet of an employee will be made available for inspection at his request.

F. Employees who are designated as "NL" may be treated as exceptions to the provisions of B. (1) and D.

G. As a general rule, when an employee's normal work schedule is made up, his normal days off will be scheduled on consecutive days in accordance with the needs and operational effectiveness of the agency for which he works.

H. Where conditions of work permit, a rest period of fifteen (15) minutes shall be provided during each one-half (½) shift and employees who are required to work beyond their regular quitting time into the next shift may receive an additional fifteen (15) minute rest period when the period of work beyond their regular shift exceeds two (2) hours.

I. Senior Correction Officers shall be employed on a normal work schedule of eight (8) hours and twenty-six (26) minutes per day (forty-two (42) hours and ten (10) minutes per five (5) day week). Each officer shall have twenty-six (26) minutes for meal time within each work shift which shall be duty status.

The overtime provisions of this Agreement shall pertain to all time worked beyond these normal work schedules. However, it is understood that officers who work at least forty (40) hours in any work week shall be compensated at the premium rate (one and one-half (1½) times) for all of the time accumulated as a result of working the daily twenty-six (26) minutes beyond the basic eight (8) hours in the work shift. It is further understood that this assignment of twenty-six (26) minutes is in exception to the provisions of Article XXVIII, Section B.

ARTICLE XXIX

Overtime

A. Overtime will accrue and compensation will be made in compliance with the Civil Service Rules and Regulations and Personnel Manual. Eligible employees will be compensated at the rate of time and one-half (1½) for overtime hours accrued in excess of the designated work week. These compensation credits shall be given in compensatory time or in cash.

1. The provisions concerning overtime do not apply to employees designated as "NL". Hours of work for "NL" employees may be adjusted by the responsible agency official in keeping with existing regulations and procedures and the provisions of Article XXVIII.

2. For the purpose of computing overtime, all holiday hours, whether worked or not, for which an employee is compensated shall be regarded as hours worked. Overtime pay shall not be pyramided.

3. "Scheduled overtime" means overtime assigned prior to the day on which it is to be worked.

4. "Non-scheduled overtime" means assigned overtime made on the day on which it is to be worked.

5. "Incidental overtime" is a period of assigned non-scheduled overtime worked of less than fifteen (15) minutes.

6. When a scheduled workshift extends from one (1) day to the next, it is considered to be on the day in which the larger portion of the hours are scheduled and all hours of the scheduled shift are considered to be on that day.

B. 1. The State will give advance notice of all scheduled overtime to each employee concerned. Such scheduled overtime will be assigned minimally in units of one (1) hour and in hourly or half-hourly increments thereafter when such overtime is to be performed contiguously to the employee's scheduled work shift. When overtime is scheduled not contiguous to the employee's work shift, it will be assigned minimally in units of two (2) hours and in hourly or half-hourly increments thereafter. All such scheduled overtime will be in accordance with the provisions expressed in "Scheduling of Overtime".

2. An employee who is assigned non-scheduled overtime in excess of fifteen (15) minutes will be guaranteed a minimum of one (1) hour's work. An employee who is called in for non-scheduled overtime shall be guaranteed a minimum of two (2) hours work except when the end of the call-in period coincides with the beginning of his regularly scheduled shift. When an employee on the job is required to work non-scheduled overtime, notice of at least two (2) hours shall be given where the circumstances which make the assignment necessary are known sufficiently in advance to provide such notice.

3. Where incidental overtime assignments are made, records of such time worked shall be kept and accumulated as straight time in exception to the provisions of A. Such accumulations may be scheduled on an hour-for-hour basis as compensatory time in units of four (4) hours.

4. Exceptions to the above provisions concerning Correction Officers and Senior Correction Officers are set forth in Article XXVIII, paragraph I.

ARTICLE XXX

Scheduling of Overtime

A. It is agreed that overtime work shall be shared by all employees in an occupational classification within any work unit without discrimination. The opportunity to work scheduled overtime shall be extended to each employee on a rotational basis provided the employee is capable of performing the work except where the overtime requirement is caused by an emergency condition. The declaration of an emergency shall be by the ranking authority at the location or institution involved or an authorized designee.

B. Each employee is expected to be available for a reasonable amount of overtime work. An employee who refuses an overtime assignment with a reasonable excuse will not be subjected to disciplinary action. Where a P.B.A. local president is required to attend previously scheduled SLEU contract negotiations meetings with the State or a grievance hearing as prescribed in this Agreement or the regular monthly meetings of the local, and where non-emergency overtime is to be assigned at the same time of such a meeting, the president shall be excused from the requirement to perform the conflicting overtime, providing a request to be excused is initiated by the president when the offered overtime assignment is first made.

A designee of the president who has been named and acknowledged by the State will be accorded a similar privilege only when non-emergency assignments would conflict with attendance at contract negotiations meetings with the State or a scheduled grievance hearing under the conditions set forth above.

C. On a semi-annual basis commencing with the implementation of this provision, the distribution of overtime shall be evaluated and assignments of overtime made thereafter shall reflect the approximate equalization of overtime for each employee in the work unit by job classification.

For the purpose of determining approximate equalization of overtime, any overtime assignment offered, whether or not worked, will be considered as if it were worked.

To the extent that a disproportionate distribution of overtime exists because of special ability or inability to perform the work assignments, those hours will not be considered in the semi-annual equalization. This provision will not be abused.

D. Lists showing the rotational order of each employee and the total overtime worked and refused by each employee shall be maintained in the work unit. Such lists shall be made available for inspection on request to Association Officers and employees concerned.

An overtime assignment is accepted subject to all appropriate rules and regulations of the State or Department and provisions of this Agreement.

ARTICLE XXXI

C. Provisional promotional appointments shall be made only in cases of emergency when no employment list exists.

D. When an employee is given an opportunity on a trial or provisional basis to qualify for promotion by serving in a new classification, his permanency in his regular permanent job classification shall be continued during such trial or provisional period and he shall have the opportunity to return to such permanent classification in the event the promotional opportunity shall not become permanent provided there is no discharge action for cause.

E. When it has been determined that a position which represents a provisional promotional opportunity is to be filled, employees at the location where the opportunity exists shall be given preference over any applicant who has not passed an examination for the position, provided the local employee to be appointed is on the active Civil Service promotional list.

ARTICLE XXXIV

Out-of-Title Work

A. Employees shall be assigned work appropriate to and within their job classification.

The assignment of out-of-title work on a regular and continuing basis, exclusive of stand-in for limited periods for vacation, sick leave or other leaves, shall be avoided. Instances of such out-of-title work identified by the Association and formally brought to the attention of the State shall be corrected immediately or by phasing out such assignments at the earliest possible time which shall in any case be no later than three (3) months from the time of notification by the Association. Any dispute as to whether the work is within the job classification of the employee(s) involved may be resolved by appeal to Civil Service where the matter will be heard within twenty-one (21) days and a decision rendered within fifteen (15) days of that hearing. Any dispute concerning the phasing out period will be resolved through the grievance procedure.

B. Each employee shall be furnished a copy of the job specification for the position in which he or she is employed upon request.

ARTICLE XXXV

The Association may request a reevaluation of a position (job classification), on the basis of job content change only. The State will review such a request and will re-evaluate the position, provide an opportunity for the Association to present its views, and render a written decision.

This provision shall not be abused.

These non-permanent employees will be given minimum notice of at least two (2) weeks of any reduction in force.
- C. The State will provide a minimum of forty-five (45) calendar days notice of layoff to any permanent employee to be affected.

- E. Whenever possible, the State will try to avoid layoff by transferring, reassigning or offering to demote employees to available vacancies.
- F. Permanent employees affected by layoff requirements may exercise bumping rights within their job classification or to equated or lower rated job classifications as provided.
- G. The names of the permanent employee who is laid off shall be placed on a special reemployment list. Persons on such a list will be given preferential consideration over any other type of applicant for appointment of the job classification or equated job classification and no new employee shall be hired until all employees on layoff status desiring to return to work shall have been recalled, provided such employees on layoff status are capable of returning to work. The employee must provide the employer with any address change while waiting for recall.
- H. Permanent employees will be recalled to work in the reverse order in which they were laid off by the appointing authority, subject to the limitation that those permanent employees who were laid off first for reason of an unsatisfactory performance rating shall be placed on a special reemployment list in accordance with their seniority credits. Notice of recall will be made in writing by mail to the employee's home address of record.
- I. 1. An employee who is recalled must respond within five (5) calendar days of the date of receipt of the notice of certification for recall or within ten (10) days of the date of mailing or be considered to have abandoned his recall rights.

K. Layoff in Unclassified Service

In the event there is a layoff affecting the unclassified employees in this unit it is agreed that the terms and conditions surrounding the definition and application of seniority by Civil Service regulation shall be applied to those employees affected as though the regulations were applicable.

L. It is recognized that the provisions of paragraphs A through J above are illustrative portions of the layoff and recall rights established under Civil Service Statutes and Regulations and that the overall system is administered by the Department of Civil Service.

ARTICLE XXXVII

B. The State agrees to provide adequate and regularly maintained sanitary facilities for employee use. Each employee will maintain acceptable standards of personal hygiene and cleanliness in accordance with the requirements of his job.

C. An employee must report incidents of unsafe or unhealthful conditions to his supervisor immediately. Complaints of unsafe or unhealthful conditions shall be promptly investigated. Corrective action shall be initiated at the earliest time practicable to bring such conditions within established safety guidelines providing necessary resources are available.

D. Employees shall not be required to work under conditions of work which are determined to present an imminent hazard to safety or health. An employee, whose work is temporarily eliminated as a result of the foregoing, may be assigned on an interim basis to other work which the employee is deemed to be qualified to perform.

E. The State and the Association shall establish a Joint Safety and Health Committee consisting of three (3) members appointed by each party. Regular quarterly meetings will be scheduled as required to discuss safety and health problems or hazards and programs and to make recommendations concerning improvement or modification of conditions regarding health and safety. The

Association shall supply an agenda when requesting a meeting. Where reasonably possible, all committee meetings shall take place during working hours and employees shall suffer no loss of pay as a result of attendance at such meetings.

APPENDIX I

The following provision(s) are set forth for informational purposes only. The non-negotiable matters as they apply to individual employees affected shall be grievable within the provisions of the Grievance Procedure in the Agreement as defined in Article XI, Section A.2.

If as a result of subsequent legislative enactment or litigation these matters are determined to be negotiable, then it is agreed that they will be reincorporated into the Agreement as then set forth in the Appendix.

Reassignment

A. 1. Reassignment is the movement of an employee from one job assignment to another within his job classification and within the work unit, organizational unit or department. Each employee shall be notified as to the work unit referred to herein. Such work units shall not be defined by shifts.

2. Reassignments of employees may be made in accordance with the fiscal responsibilities of the appointing authority; to improve or maintain operational effectiveness; or to provide employee development and job training or a balance of employee experience in any work area. Where such reassignments are not mutually agreed to, the appointing authority will make reassignments in the inverse order of the job classification seniority of the employees affected. For Senior Correction Officers only, job classification seniority for reassignments shall commence from the first day of employment in a custody position with the Department or Division of Corrections.

3. When temporary (i.e. for a period of six (6) months or less) reassignments are made to achieve any of the objectives in A.2. above, employees to be affected will be given maximum possible notice. The consideration of seniority otherwise applicable in reassignments will not apply.

B. Where the principles in A.2 above are observed, requests for voluntary reassignment within the organizational unit or department shall be given consideration.

An employee desiring reassignment to any job in his organizational unit or department may submit an application through his supervisor in writing to his personnel officer stating the reasons for the request. Employees who are capable of performing the work and who apply for such reassignments will be considered and reassignments will be made on the basis of these requests. Where more than one (1) request for reassignment from qualified employees deemed capable of performing the work in such a job is on record, any assignment/s will be made on the basis of the job classification seniority of employees having recorded such a request.

C. 1. When personnel changes in a work unit provide opportunities for shift or schedule changes, interested employees may apply for desired assignments to the work unit supervisor. Such changes in assignment will be made on the basis of the job classification seniority of employees requesting the change, except that priority is given to the assignment of individual employees as provided in A.2. above.

2. When a vacancy is filled by an employee from outside a work unit, the employee joining that work unit shall be assigned the open position on the shift and work schedule which were appropriate to the opening.

D. An employee may have on record no more than two (2) requests for reassignment in B. above.

E. When an employee is granted a voluntary reassignment under provisions of B. or C. above, he shall then be eligible for only one (1) additional voluntary reassignment in the succeeding twelve (12) month period. Consideration will be given to a request for additional reassignment where special circumstances exist. A promotion is not considered to be a reassignment.

F. Whenever an employee is required to sign a C.S. 21 form, a copy of the signed form shall be provided to the employee upon request for same.

G. While it is acknowledged that reassignments of any employees may be made for any of the purposes outlined in A.2. above, the reassignment of groups of employees who comprise a work unit shall not be made on a routine rotational basis without good cause.
