ARTICLE 3 - GRIEVANCE PROCEDURE

A. Definition:

A "grievance" shall mean a complaint by an employee that there has been to him a personal loss, injury, or inconvenience because of a violation, misinterpretation or inequitable application of Board policy, of this Agreement, or of any administrative decision affecting members.

A grievance, to be considered under this procedure, must be initiated in writing by the employee within thirty (30) calendar days from the time when the employee knew or should know of its occurrence.

B. Procedure:

1. a. Failure at any step of this procedure to communicate the decision on a grievance within the specified time limits shall permit the aggrieved employee to proceed to the next step. Failure at any step of this procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be an acceptance of the decision rendered at that step.

b. It is understood that employees shall, during and notwithstanding the pendency of any grievance, continue to observe all assignments and applicable rules and regulations of the Board until such grievance and any effect thereof shall have been fully determined.

2. The Association may process a grievance through all levels of the grievance procedure even though the aggrieved person does not wish to do so.

3. Any employee who has a grievance shall discuss it with his principal (or immediate superior or department head, if applicable) in an attempt to resolve the matter informally at that level.

4. If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within ten (10) school days, he shall set forth his grievance in writing to the principal specifying:

a. The nature of the grievance

- b. The nature and extent of the injury, loss or inconvenience
- c. The results of previous discussions

The principal shall communicate his decision to the employee in writing within three (3) school days of receipt of the written grievance.

5. The employee no later than ten (10) school days after receipt of the principal's decision may appeal the principal's decision to the Superintendent of Schools.

The appeal to the Superintendent must be made in writing reciting the matter submitted to the principal as specified above and his or her dissatisfaction with the decision previously rendered. A hearing shall be held at this level before the Superintendent or his or her designee if requested by the grievant. This hearing will occur before a decision at this level is rendered. The Superintendent shall attempt to resolve the matter as quickly as possible but within a period not to exceed ten (10) school days. The Superintendent shall communicate his decision in writing to the employee and the principal.

6. If the grievance is not resolved to the employee's satisfaction, he/she, no later than ten (10) school days after receipt of the Superintendent's decision, may request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools who shall attach all related papers and forward the request to the Board. The Board, or a committee thereof, shall review the grievance and may hold a hearing with the employee. The Board shall render a decision in writing within thirty (30) calendar days of receipt of the grievance by the Board.

7. If the decision of the Board does not resolve the grievance to the satisfaction of the Association and the Association wishes review by a third party, they shall so notify the Board through the Superintendent within ten (10) school days of receipt of the Board's decision except in the case of grievance involving any of the following points.

8. For those items specified as non-arbitrative, the Board shall if requested by the grievant meet and hear the grievant's position. In the specific case of a non-tenure employee who grieves by virtue of not having received a new contract, the Board need not give written reasons for its decision.

- 9. a. The following procedure will be used to secure the services of an arbitrator:
 - (1) A request will be made to the Public Employment Relations Commission to submit a roster of persons qualified to function as arbitrators in the dispute in question.

(2) If the parties are unable to determine a mutually satisfactory arbitrator from the submitted list, they will request the Public Employment Relations Commission to submit a second roster of names.

(3) If the parties are unable to determine within ten (10) school days of either the initial request for arbitration or the second request, a mutually satisfactory arbitrator from the second submitted list, the Public Employment Relations Commission may be requested by either party to designate an arbitrator

6. Upon return from sabbatical leave, the teacher will be returned to his grade level or subject areas as a regular classroom teacher if a vacancy exists. The Board reserves the right to utilize such a teacher in any capacity covered by the teacher's certification if the Board deems it necessary.

7. Regular deductions for the state retirement fund and other normal deductions shall be made from the salary of any person on leave. The Board will match retirement funds, as required by law.

8. The granting of a sabbatical leave shall be contingent upon a commitment to return to the District and serve a minimum of two (2) years beginning with the first school year following completion of sabbatical leave.

9. All sabbatical leave recipients must sign a promissory note to ensure their return to the District upon completion of the sabbatical leave.

ARTICLE 41 - ACADEMIC FREEDOM

A. The Board and the Association agree that academic freedom is essential to the fulfillment of the purposes of the school system, and they acknowledge the fundamental need to protect teachers from any censorship or restraint which might interfere with their obligation to pursue the truth in the performance of their classroom functions. Accordingly, the Board and the Association agree that:

1. The nature of American democracy requires that citizens be able to listen to all sides of a controversial issue, sort out the facts and arrive at independent conclusions. Students in school, therefore, have a right to be exposed to issues which are within their intellectual grasp and are under current debate in our society.

2. The rights of students impose certain obligations upon the Board, the teachers, the administration and the community.

3. The Board will attempt through its policies to employ capable teachers, supply them with the necessary teaching materials and maintain an atmosphere of academic freedom in the schools.

4. Teachers as individuals through their councils, committees, departments and faculties, will be responsible for determining when and how to deal with controversial issues according to the maturity and needs of students and the policies of the Board of Education.

5. The community has a right to expect that controversial issues will be presented in a fair and unbiased manner and to communicate through proper channels to the Board if convinced they are not.

6. Teachers shall consult with the administration the appropriateness of discussing any planned controversial issues with children.

ARTICLE 42 - MATERIALS SELECTION POLICY

A. Teachers, librarians, supervisors and administrators shall select, for recommendation to the Board, educational materials which are carefully balanced to include various points of view on any controversial subject.

B. In the event of criticisms of materials that are in the school, or their utilization, the following will be the procedure:

1. The teacher, librarian, or principal will listen to the complaint but make no comment on the materials. He will request the complainant to complete a Citizens' Request for Reconsideration of Materials that are used in the School form stating his objections to the material.

2. The materials in question are reviewed by a Materials Committee. This committee is to be made up of two (2) teachers, one (1) librarian, and two (2) administrators (including the principal of the concerned school), appointed by the Superintendent.

3. The committee reads (views or listens to) the material in question as well as reads the reviews of the materials wherever possible. General acceptance of the materials shall be checked by consulting authoritative lists and the holdings of similar schools. Passages (or section) of any material shall not be pulled out of context, but values and faults shall be weighed against each other and opinions based on the material as a whole. The decision at this point shall rest with the committee. It is the intent that the committee issues a report as soon as possible.

4. The complainant is sent a copy of the report.

5. If it becomes necessary for the Board to review the action of the Materials Committee, the final decision shall rest with the Board.

C. For each year of the contract, there shall be a twenty (\$20.00) dollar stipend per teacher to be submitted on a voucher, and shall be paid on the second payroll date in September each year for the purchase of materials pertaining to their work.

D. The Textbook Policy Committee presently established shall continue to function.

ARTICLE-43 - FAIR DISMISSAL

A. The Board will continue its policy of offering a hearing before the Board, if so requested, for employees in the event of discharge or demotion in the employment status of the employee.
